7.03 **Unit Owners Content Policies.** Each Unit Owner shall be responsible to purchase and maintain in force a condominium/townhome Unit Owner contents policy (State Farm HO6 or equivalent) (the "content policy"). through the Common Areas and Facilities;

(b) The authority to execute and record, on behalf of all Unit owners, any amendments to the Declaration or the Map which have been approved by the vote or consent of Unit Owners necessary to authorize such amendments as set forth in Section 13.03 of this Declaration;

(c) The power to sue and be sued;

(d) The authority to enter into contracts relating to the Common Areas and other matters over which it has jurisdiction, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(e) The power and authority to convey or transfer any interest in real property, so long as the vote or consent necessary under the circumstances has been obtained, including that of any Mortgagee if required by the terms of its Mortgage;

(f) The power and authority to purchase, or otherwise acquire, and accept title to, and interest in real property so long as such action has been authorized by any vote or consent which is necessary under the circumstances;

(g) The authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Unit Owners; and

(h) The power and authority to perform any other acts and to enter into any other transactions, subject to the rights of the Management Committee, which may be reasonably necessary for the Management Committee to perform its functions as agent for the Unit Owners. Any instrument executed by the Management Committee relating to the Common Areas of the Project that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

**10.02 Composition of Committee: Declarant Control.** Until the happening of the first of the following two events, the Management Committee shall be composed of three (3) members, who need not be Owners, selected solely by Declarant:

(a) The expiration of one hundred twenty (120) days following the conveyance of title to Units representing seventy five percent (75%) of the total outstanding Association votes; or

(b) The expiration of three (3) years after the first conveyance of title to any Unit purchaser.

Provided, however, that Declarant may waive such right, in whole or in part at any time prior to the occurrence of either or both of the aforesaid events by (i) giving notice to Unit Owners of such waiver, in written recordable form and (ii) filing for record in the Office of the Davis County Recorder a written notice of waiver of such right, whereupon Unit Owners shall promptly hold a meeting to elect a new

Management Committee, it being established hereby that the control of the Unit Owners in the Management Committee shall automatically vest thirty (30) days following the date such waiver is recorded. In the event a Committee seat which was filled by an appointee of or by Declarant becomes vacant, Declarant has the right to select a replacement member to sit on the Committee for the balance of the term associated with the vacated seat. In all other cases of vacancy the remaining Committee members shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected.

**10.03 Management Committee, Owners Control: Composition, Election, Vacancies.** Subject to the provisions of Section 10.02, above, the Committee shall be composed of three (3) members, two (2) to be elected to a three-year term, one (1) to a one-year term. As members' terms expire, new members shall be elected for three-year terms. Members shall serve on the Committee until their successors are elected. Committee members must be Owners or officers, directors, agents or employees of non-individual owners. Vacancies in the Committee and said appointees shall serve until the next annual meeting when their successor shall be elected for the unexpired term of the member they were appointed to replace.

**10.04 Rights and Duties.** The Management Committee, subject to the rights and duties of the Unit Owners, this Declaration, and the Bylaws, shall be responsible for the general management and administration of the Project. It is understood that the Committee has the obligation to maintain the Common Areas. However, and notwithstanding anything contained herein to the contrary, in the event of the failure or refusal of the Committee to maintain all the Common Areas of this Project, as contemplated in this Declaration, then the Unit Owners shall maintain the same.

**10.05 Exterior Maintenance.** In connection with its duty to maintain Common Areas, the Committee will provide maintenance upon the exterior of the Building, fencing, carports, and the Common Area as follows: Paint, repair, replace, and care for roofs, gutters, downspouts, exterior building surfaces (including stairs and balconies), trees, shrubs, grass, walks, driveways, parking areas and other exterior improvements except glass surfaces.

**10.06 Right of Delegation to Manager.** The Management Committee may carry out any of its functions which are capable of delegation through a Manager. The Manager so engaged shall be responsible for managing the Common Areas and shall, to the extent permitted by law and the terms of the agreement with the Management Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any such management agreement shall be terminable, for cause upon thirty (30) days notice and may run for a reasonable period of from one (1) to three (3) years, renewable by consent of the Association through the Committee. A management agreement negotiated by Declarant shall not exceed two (2) years' duration.

**10.07 Payment for Services, Etc.** The Management Committee may obtain and pay for the services of such personnel as the Management Committee shall determine to be necessary or desirable for the proper operation of its function in the Project, including the enforcement of this Declaration. The Committee may also hire other persons to furnish snow removal, ground maintenance and other common services to the Project.

**10.08 Personal Property Ownership and Use.** The Management Committee may acquire and hold for the use and the benefit of all of the Owners tangible and intangible personal property and may dispose of the same by sale or otherwise, and the beneficial interest in any such property shall be deemed to be owned by the Owners in the same proportion as their respective interests in and to the Common Areas

and transferable only with the transfer of a Unit.

**10.09 Rules and Regulations.** The Management Committee may make reasonable rules and regulations governing the operation and use of the Common Areas and of other matters over which it has jurisdiction, which rules and regulations shall be consistent with the rights and duties established in this Declaration. The Management Committee may suspend any Owner's voting rights at any meeting of Unit Owners or for periods during which such Owner fails to comply with such rules and regulations, or with any other obligations under this Declaration. The Management Committee may also take judicial action against any Owner to enforce compliance with such rules and regulations or other obligations or to obtain damages for noncompliance, all to the extent provided by law.

**10.10 Capital Improvements.** There shall be no structural alterations, capital additions to, or capital improvements of the Common Areas without the prior approval of the Unit Owners holding a majority of the voting power.

**10.11 Extended Rights.** The Management Committee may exercise any other right or privilege given to it expressly by this Declaration or by law and every other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

**11.01 Voting.** The Association shall have a total Two (2) votes, one (1) for each Unit.

**11.02 Multiple Ownership Interests.** In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine between or among themselves, but in no event shall more than the total number of votes appurtenant to such Unit be cast with respect to any issue. A vote cast at any Association meeting or by written consent by any of such Owners, whether in person or by proxy, shall be conclusively presumed to be the entire vote attributable to the Unit concerned unless an objection is made at the meeting or in writing by another Owner of the same Unit, in which event no vote will be counted with respect to such Unit except to determine the presence or absence

of a quorum.

**11.03 Place of Meeting.** Meetings of the Association shall be held at such suitable place convenient to the Owners as may be designated by the Management Committee in its notice.

**11.04 Annual Meetings.** Annual meetings of Members of the Association shall be held on such day, month and time as is set forth in the notice therefor; provided, that after the first such annual meeting, a month other than that chosen for the first meeting may be chosen if it is deemed by the Members to be more convenient. At such annual meetings there shall be elected members of the Management Committee, as needed, pursuant to the provisions of this Declaration. Financial and budget reports shall also be presented at such meetings as well as other business of the Association properly placed before each meeting.

**11.05 Special Meetings.** The President shall call a special meeting of the Owners as directed by a resolution of the Management Committee or on a petition signed by Owners holding at least one-fourth (1/4) of the total votes of the Association and having been presented to the Secretary. No business shall be transacted at a special meeting except as stated in the notice therefor unless consented to by at least a majority of the Owners present, either in person or by proxy.

**11.06 Notice of Meetings.** The Secretary shall mail a notice of each annual or special meeting stating the purpose thereof as well as the time and place of the meeting to each Owner of record at least ten (10), but not more than twenty (20), days prior to such meeting. The mailing of notice by prepaid U.S. Mail or by delivery in person shall be considered notice served.

**11.07 Quorum.** Owners present at any meeting of Members duly called pursuant to notice shall constitute a quorum at all meetings, both annual and special; provided, however, that such Members collectively be entitled to cast at least one-half (1/2) of the total Association votes eligible to vote.

**11.08 Adjourned Meetings.** If any meeting of Owners cannot be organized because a quorum is not present, the Owners who are present either in person or by proxy may adjourn the meeting to a time not less than forty-eight (48) hours from the time the original meeting was called at which time the requirements for a quorum shall be reduced by one-half that required in Section 11.07.

**11.09 Officers.** The Association shall have a President, a Vice President and split between them a Secretary/Treasurer all of whom shall be decided by the Management Committee. The Committee may appoint an Assistant Secretary and Assistant Treasurer. Only the offices of Secretary and Treasurer may be filled by the same person. The officers shall be elected by the Management Committee in an organizational meeting of the Committee immediately following each annual meeting of Members at which the new Management committee has been elected. In the event of a contested issue both partners will agree to competent arbitration or legal consultation on that issue.

(a) **President.** The President shall be the chief executive officer of the Association and shall preside at all meetings of the Association and of the Management Committee. He shall have all of the general powers and duties that are usually vested in the office of president of a similar type association.

(b) **Vice President.** The Vice President shall take the place of the President and

The Vice President shall also perform such other duties as shall from time to time be imposed on him by the Management Committee.

(c) **Secretary.** The Secretary shall keep the minutes of all meetings of the Management Committee and the minutes of all meetings of the Association. He shall have charge of such books and records as the Management Committee may direct and he shall, in general, perform all duties incident to the office of secretary of a similar type association.

(d) **Treasurer.** The Treasurer shall have responsibility for Association funds and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Association. He shall be responsible for the deposit of all money and any other valuable effects in the name and to the credit of the Association in such depositories as may from time to time be designated by the Management Committee.

#### ASSESSMENTS

12.01 **Agreement to Pay Assessments.** Each Owner of a Unit, by the acceptance of a deed or contract therefor, whether or not it be so expressed in the deed or contract, shall be deemed to covenant and agree with all other Unit Owners and with the Management Committee to pay annual assessments for the purposes provided in this Declaration, and special assessments for capital improvements and other matters as provided in this Declaration. Such assessments shall be fixed, established and collected from time to time in the manner provided herein by the Management Committee which alone shall have such power to assess.

12.02 **Basis of Assessments.** All assessments shall be uniform in application. The total annual assessments against all Units shall be based upon a budget of advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated Common Expenses growing out of or connected with the maintenance and operation of the Common Areas and/or the Project, which estimates may include among other things, expenses of management, taxes and special assessments, if any, levied by governmental authorities; premiums for all insurance which the Management Committee is required or permitted to maintain pursuant hereto; common lighting, water, repair and maintenance of the Common Areas; wages for employees of the Committee; legal and accounting fees; any deficit remaining from a previous period; creation of a reasonable contingency reserve; surplus and/or sinking fund; and any other expenses and liabilities which may be incurred by the Committee for the benefit of the Owners or by reason of this Declaration.

12.03 **Apportionment of Expenses.** Expenses attributable to the Common Areas and to the

Project as a whole shall be apportioned among all Units in proportion to their respective undivided interest in and to the Common Areas; provided, however, that for this purpose Declarant shall be deemed to own only the undivided interest in the Common Areas based upon Units which have been completed but not yet conveyed by Declarant.

**12.04 Method, Payment of Assessments, Etc.** Annual assessments shall be made on a calendar year basis. The Committee shall give written notice to each Owner as to the amount of the annual assessment with respect to his Unit not less than thirty (30) days nor more than sixty (60) days prior to the beginning of the next calendar year; provided, however, that the first annual assessment shall be for the balance of the calendar year remaining after the day fixed by the Committee as the date of commencement of the assessment. Such annual assessment may be paid in twelve (12) equal monthly payments. The first such monthly assessment shall become due and payable upon the date a Unit Owner purchases his Unit, whether by conveyance of title or by entering into a contract of sale and purchase, and thereafter each monthly payment shall be due and payable on the first day of each and every month, in advance. The Committee may, if it is deemed best to alleviate administrative time and effort, require that the annual assessment be paid in four (4) quarterly installments, in advance. Each monthly payment shall be subject to a reasonable late fee as established by the Committee but not to exceed \$20.00 and shall bear interest at the rate of twelve percent (12%) per annum from the date it becomes due and payable if not paid within ten (10) days after such date.

**12.05 Initial Fees.** In addition, each Owner (other than Declarant), shall be required to prepay at the time of Unit purchase, whether as a first time or subsequent Owner, a one-time sum equal to three times the then monthly installment of the annual assessment. Such fees shall become part of the Association's general fund to be utilized as necessary and shall be in addition to monthly installments which shall commence as to an Owner when he becomes an Owner.

**12.06 Maximum Annual Assessment.** Until January 1 of the calendar year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment per Unit shall be as established by the Committee's budget prepared pursuant to the provision of Section 12.02. From and after January 1 of the calendar year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased each calendar year thereafter by not more than fifteen percent (15%) above the maximum annual assessment for the previous year without the vote of Owners entitled to cast the number of Association votes required to amend this Declaration.

**12.07 Special Assessments.** In addition to the annual assessments authorized hereunder, the Management Committee may levy in any assessment year special assessments, subject to the provisions of Section 10.10, above, payable over such period as the Management Committee may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Common Areas of the Project or any other part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Management Committee to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized herein. Any amount assessed pursuant hereto shall be assessed to Owners in proportion to their respective undivided interest in and to the Common Areas. Declarant's interest in and to the Common Areas shall be determined on the same basis set forth in Section 12.03, above. Notice in writing of the amount of such special assessment and the time for payment thereof shall be given promptly to the Owners, and no payment shall be due less than thirty (30) days after such notice shall have been given. A special assessment, or any portion thereof as determined by the

Committee, shall bear interest at the rate of twelve percent (12%) per annum from the date it becomes due and payable if not paid within thirty (30) days after such date.

**12.08 Liens for Unpaid Assessments.** All sums assessed to any Unit pursuant to this Article, together with interest thereon as provided herein, and all costs and expenses incurred, with or without suit or before or after judgment, in collecting delinquent accounts or foreclosing against the Condominium Units concerned, shall be secured by a lien on such Unit in favor of the Association and, upon recording of a notice of lien by the Management Committee, shall be a lien upon the Unit prior to all other liens and encumbrances, recorded or unrecorded, except:

- (a) Tax and special assessment liens on the Unit in favor of any assessing agency or special improvement district; and
- (b) Liens of Mortgagees; and
- (c) Any other encumbrances on the interest of the Unit Owner recorded prior to the date notice of the lien provided for herein is recorded, which by law would be a lien prior to subsequently recorded encumbrances.

To evidence a lien for sums assessed pursuant to this Article, the Management Committee shall prepare a written notice of lien setting forth the amount of the assessment, the due date, the amount remaining unpaid, the name of the Owner of the Unit, and a description of the Unit. Such notice shall be signed by or on behalf of the Management Committee and may be recorded in the Office of the County Recorder of Utah County, Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by foreclosure by the Management Committee in the same manner in which a mortgage or trust deed on real property may be foreclosed in Utah. In any such foreclosure, the Owner shall be required to pay the cost and expenses of such proceeding, the cost and expenses of filing the notice of lien, and all reasonable attorney's fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The lien shall also secure, and the Owner shall also be required to pay to the Management Committee any assessments against the Unit which shall become due during the period of foreclosure. The Management Committee shall have the right and the power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and, if it is the purchaser, to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the subject Condominium Unit as the Owner thereof.

**12.09 Release of Lien.** A release of notice of lien shall be executed by the Management Committee and recorded by or for the benefit of and at the expense of the Unit Owner in the Office of the County Recorder of Utah County, Utah, upon payment of all sums owed and secured by a lien which has been made the subject of a recorded notice of lien.

**12.10 Payment by Encumbrancer.** Any encumbrancer holding a lien on a Unit may, but shall not be required to, pay any amounts secured by the lien created by this Article, and upon such payments such encumbrancer shall be subrogated to all rights of the Management Committee with respect to such lien, including priority. The Management Committee, upon written request and evidence of such encumbrance, shall report to any encumbrancer of a Unit any unpaid assessments remaining unpaid for longer than thirty (30) days after the same shall have become due.

**12.11 Personal Obligation of Owner.** The amount of any annual or special assessment against any Unit shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Management Committee, as agent for the Association, without foreclosing or waiving the lien securing the same. No Owner may avoid, diminish or abate such personal obligation by waiver of the use and enjoyment of any of the Common Areas, by abandonment of his Unit, or by making a claim for inconvenience or discomfort caused by construction or repairs within the Project.

**12.12 Information Concerning Unpaid Assessments.** Upon payment of a reasonable fee not to exceed Ten Dollars (\$10.00) and upon written request of any Owner, Mortgagee, prospective Mortgagee or prospective purchaser of a Unit, the Management Committee shall issue a written statement setting forth the amount of the unpaid assessments, if any, with respect to such Unit; the amount of the current annual assessment and the portion thereof, if any, which has theretofore been paid; and credit for advance payments of prepaid items, including but not limited to, an Owner's share of prepaid insurance premiums. Such statement shall be conclusive upon the Management Committee in favor of persons who rely thereon in good faith.

**12.13 Purchaser's Obligation.** A purchaser of a Unit shall be jointly and severally liable with the seller thereof for all unpaid assessments against the Unit up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such assessments.

### ARTICLE XIII

#### GENERAL PROVISIONS

**13.01 Enforcement.** Each Unit Owner shall comply strictly with the provisions of this Declaration, the Bylaws, the administrative rules and regulations promulgated pursuant thereto as the same may be lawfully adopted from time to time, and with the decisions adopted pursuant to this Declaration, Bylaws and such administrative rules and regulations. Defaulting Unit Owners shall pay all costs and expenses incurred in enforcing the provisions hereof, including reasonable attorney's fees and costs and moneys paid and due for damages or injunctive relief, or both, maintainable by the Management Committee on behalf of the Association of Unit Owners, or in a proper case, by an aggrieved Unit Owner.

**13.02 Party Walls.** Each wall which is built as a part of the original construction of the Units upon the Project and placed on the dividing line between Units shall constitute a party wall, and the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

**13.03 Amendments.** Except as provided below, the vote of at least a majority of the undivided ownership interest in and to the Common Areas and Facilities shall be required to amend this Declaration (including the association Bylaws set forth herein) or the record of Survey Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred. Notwithstanding the above, until Units representing seventy-five percent (75%) of the undivided ownership interest in the Project have been sold, Declarant alone shall have and is hereby

vested with the right to effect such amendments; provided, however, that during any period of time in which Declarant controls the Association and selects the Management Committee.

**13.04 Consent Equivalent to Vote.** In those cases in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for the authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the necessary percentage of undivided ownership interest.

**13.05 Covenants to Run with Land.** This Declaration and all the provisions hereof shall constitute covenants to run with the land, and/or equitable servitudes, as the case may be, and shall be binding upon and inure to the benefit of Declarant, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, leasees, transferees, heirs, devisees, personal representatives, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of the Act, the provisions of this Declaration and the rules, regulations, agreements, instruments, and determinations contemplated by this Declaration, and failure to comply therewith shall be grounds for an action to recover sums due for damages or injunctive relief or both, maintainable by the Committee on behalf of the Association of Unit Owners, or, in a proper case, by an aggrieved Unit Owner. By acquiring any interest in a Unit or in the Project, the party acquiring such interest consents and agrees to be bound by each and every provision of this Declaration.

**13.06 Agent for Service of Process.** Keith D. Salmon, whose address is 314 West 1800 North, Centerville, Utah 84014 is designated initially as the person to receive service of process in cases authorized by the Act; provided, however, that the Management Committee shall have the right to appoint a successor agent for service of process who shall be a resident of Utah County. Such successor and his or her address shall be specified by an appropriate amendment filed in the Office of the Recorder of Utah County, Utah.

**13.07 Waiver.** No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of time lapse or the number of violations or breaches which may occur.

**13.08 Number and Gender.** Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural and the plural the singular. The use of any gender shall include all genders.

**13.09 Severability.** If any of the provision of this Declaration or any Article or Section, sentence, clause, phrase or word or the application thereof in any circumstances be invalidated, such invalidity shall not affect the validity of the remainder of the Declaration, and the application of any such provision, paragraph, sentence, clause, phrase or word in any other circumstance shall not be affected by such invalidity.

**13.10 Topical Headings.** The headings appearing at the beginning of the Sections or Articles of this Declaration are only for convenience of reference and are not intended to describe, interpret, define or otherwise affect the content, meaning or intent of this Declaration or any Section or provision hereof.

13.11 Effective Date. This Declaration shall take effect upon recording in the Office of the County Recorder of Davis County, Utah.

IN WITNESS WHEREOF, Declarant has caused this instrument to be executed the day and year first set forth above.
