KIRTON LAND AND INVESTMENT CORPORATION, a corporation of Utah, with its principal place of business in Salt Lake City, Salt Lake County, State of Utah, the owner of the following described real property situated in Salt Lake County, State of Utah, to-wit:

Lots 1 through 59, BRIGHTON HILLS NO. 3 SUBDIVISION, a subdivision of Salt Lake County, State of Utah, according to the official plat thereof on file and of record at the office of the Salt Lake County Recorder.

Does hereby place the hereinafter designated restrictive covenants upon all of the lots of said subdivision.

I

Lots 1 through 59 shall be known as "residential lots." No structure shall be erected, altered, placed or permitted to remain on any "residential lot" other than one detached single family dwelling, a private garage, a guest house and out-buildings for pets as hereinafter described.

No residential structure, nor any part thereof shall be erected, altered, placed or permitted to remain on any parcel of land containing less than an entire residential lot, unless said parcel shall have a width of at least 105 feet at the front building set back line.

No building shall be erected, placed, or altered on any premises in said development until the building plans, specifications, and plot plan showing the location of such building have been approved as to conformity and harmony of external design with existing structures in the development, and as to location of the building with respect to topography and finished ground elevation by an architectural committee composed of DAVID K. RICHARDS and other members selected by him or by a representative designated by the members of said committee. In the event of death or resignation of any members of said committee, the remaining member, or members, shall have full authority to approve or disapprove such design and location, or to designate a representative with like authority. In the event all the members of said committee die or in the event the committee ceases to function, then 50 percent of the owners of the lots in said subdivision shall have the right to elect a committee. In event said committee, or its designated representative fails to approve or disapprove such design and location 30 days after said plans and specifications have been submitted to it, or in any event, if no suit to enjoin the erection of such building or the making of such alterations have been commenced prior to the completion thereof, such approval will not be required and this covenant will be deemed to have been fully complied with. Neither the members of such committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. This committee shall have the right to vary the requirements as set forth in Section II, but said variance shall not be valid unless obtained in writing.

II

Every detached single family dwelling erected on any one of the above described residential lots shall have a minimum area above the ground of 1,450 square feet, exclusive of garages and open porches. No two story structures shall be built on any lot without the express consent of the architectural committee. Said consent shall be granted only where it is deemed by the architectural committee that the second story shall not adversely affect the view of the city or mountains from the other lots.

VII

Easements are reserved as shown on the recorded plat for utility installation, pipelines, ditches, and maintenance. Nothing in this paragraph contained shall be interpreted as prohibiting construction of walks, driveways, porches, etc., over such easements, subject to the rights of those with easements to make necessary repairs and conduct necessary maintenance along such easements.

VIII

No animals or poultry of any kind other than house pets shall be kept or maintained on any part of said property.

5 percent of the numbered lots within this subdivision obtained in writing.

6 X

7 No structure shall be moved onto any residential building site
8 hereinbefore described or any part thereof unless it meets with the approval

24 No lot shall be used or maintained as a dumping ground for rubbish,
25 trash, garbage or other waste shall not be kept except in sanitary containers.
26 All incinerators or other equipment for the storage or disposal of such
27 material shall be kept in a clean and sanitary condition.

28 XIV

29 These covenants are to run with the land and shall be binding on
30 all parties and all persons claiming under them until January 1, 1994, at
31 which time said covenants shall be automatically extended for successive
32 periods of 10 years unless by vote of a majority of the then owners of the
building sites covered by these covenants it is agreed to change said cove-
nants in whole or part.

If the parties hereto, any of them, or their heirs, or assigns,
shall violate or attempt to violate any of the covenants herein, it shall be
lawful for any other person or persons owning any real property situated
