RECIPROCAL EASEMENT AND MAINTENANCE AGREEMENT

THIS RECIPROCAL EASEMENT AND MAINTENANCE AGREEMENT (“**Agreement**”) is made and entered into as of this 10th day of September, 2009, by and between East Layton, LLC, a Utah limited liability company (“**East Layton**”), and Maverik, Inc., a Wyoming corporation (“**Maverik**”), and Ken Golding (“**Golding**”), and this Agreement is executed in connection with the following facts:

A. East Layton is in the process of completing its development of the first phase of a commercial subdivision to be known as “**Greyhawk Subdivision**,” which first phase (herein referred to as the “**Greyhawk Plaza**”) of such commercial subdivision is depicted in the preliminary plat map on the attached Exhibit “A” located at approximately the intersection of Church Street and Highway 193, Layton City, Davis County, Utah.

B. East Layton owns four of the five commercial building lots within the Greyhawk Plaza, being identified as Parcels 2, 3, 4 and 5 on the attached Exhibit “A,” the legal descriptions of which lots are set forth on the attached Exhibit “B.” Each such commercial building lot is herein sometimes referred to individually by reference to the parcel number for such lot shown on Exhibit “A,” such as “**Parcel 2**,” “**Parcel 3**,” “**Parcel 4 North**,” “**Parcel 4 South** and “**Parcel 5**.” For convenience, Parcel 2, Parcel 3, Parcel 4 North, Parcel 4 South and Parcel 5 are sometimes collectively referred to as the “**East Layton Lots**.” East Layton owns real property located north of and contiguous to the Greyhawk Plaza (“**East Layton Outside Property**”), which property is more particularly described in Exhibit “C” attached hereto.

C. Golding is under contract to purchase Parcel 2 from East Layton and desires to confirm that Parcel 2 receives the benefit of, and Golding is willing to acknowledge and consent to the granting of, the easements and the agreements set forth below in this Agreement.

D. Maverik owns one of the five commercial building lots within the Greyhawk Plaza, such commercial building lot (the “**Maverik Property**”) being identified as Parcel 1 on the attached Exhibit “A,” which commercial building lot is more particularly described on the attached Exhibit “D.” The East Layton Lots and the Maverik Property are the only properties intended to benefit from the easements granted under this Agreement and, for convenience, the East Layton Lots and the Maverik Property are sometimes collectively referred to herein as the “**Benefitted Properties**.” Maverik and East Layton or their successor(s) to fee simple title to any or all of the Benefitted Properties are sometimes herein referred to collectively as “**Owners**” and individually as an “**Owner**.”

E. Subject to the terms of this Agreement, the parties hereto desire to grant reciprocal easements across property owned by them within the Greyhawk Plaza exclusively for the benefit of the other properties within the Greyhawk Plaza, on the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the covenants and promises set forth below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, East Layton, Maverik and Golding hereby agree as follows:

1. Easements Over Maverik Property. Maverik hereby grants, conveys and warrants to East Layton a non-exclusive, perpetual, free and unobstructed easement over and across those portions of the Maverik Property described on the attached Exhibit "E" (the "**Maverik Roadway Area**"), exclusively for the purposes of vehicular and pedestrian ingress and egress to and from the Benefitted Properties and any portion thereof, from or to Church Street, Highway 193 and from any of the Benefitted Properties. In addition, Maverik hereby grants, conveys and warrants to East Layton a non-exclusive, perpetual easement under and across those portions of the Maverik Property described on Exhibit "F" (the "**Maverik Utility Area**") for the installation, operation, maintenance, repair and replacement of underground utility lines and related underground equipment within the Maverik Utility Area for the exclusive purpose of providing public utilities to the Benefitted Properties and any portion thereof.

2. Easements Over East Layton Lots. East Layton and Golding hereby grant, convey and warrant to Maverik and to each other non-exclusive, perpetual, free and unobstructed easements over and across those portions of the East Layton Lots and the East Layton Outside Area described on the attached Exhibit "G" (the "**East Layton Easement Area**"), exclusively for the purposes of: (a) vehicular and pedestrian ingress and egress to and from the Benefitted Properties and any portion thereof, from or to Church Street, Highway 193 and from any of the Benefitted Properties; and (b) the installation, operation, maintenance, repair and replacement of underground utility lines and related underground equipment within the East Layton Easement Area for the exclusive purpose of providing public utilities to the Benefitted Properties and any portion thereof. For convenience, the Maverik Roadway Area and the East Layton Easement Area are sometimes collectively referred to as the "**Easement Areas.**"

3. Agreements with Respect to Easements. The following terms and provisions shall govern the rights and obligations of the parties and their successors in interest with respect to the easements (collectively, the "**Easements**") granted in Sections 1 and 2 of this Agreement.

3.1 No Barriers or Interference. No Owner shall construct any improvements upon the Easement Areas, other than the installation of asphalt or concrete surfaces or the installation of underground utilities consistent with the uses intended for the Easement Areas. No owner shall construct or place, or permit to be constructed or placed upon, its respective portion of the Easement Areas any fences, curbs, barriers or other

obstacles which would prevent, obstruct or impede the passage of pedestrians or vehicles within or across the Easement Areas. The foregoing provisions shall not prohibit the temporary erection of a barricade which is reasonably necessary for the construction, repair or maintenance of any portion of the an Owner's property; provided, however, that any such work shall be conducted in a manner calculated to cause the least interference to the use of the Easement Areas as is reasonably possible.

3.2 Use of Easements. Subject to the limitations contained herein, Owners may authorize their respective tenants of any of the Benefitted Properties and invitees (including, without limitation, employees, customers, vendors and agents) to use the Easement Areas for the purposes and subject to the limitations stated herein; provided, that the Owner authorizing such persons to use the Easement Areas shall be responsible for causing such persons to use the Easement Areas in accordance with the terms, provisions and limitations set forth in this Agreement.

3.3 No Parking Rights. Neither the Easements granted hereby nor any other provision of this Agreement grants or otherwise gives rise to any parking easements or parking rights upon the Maverik Property, the East Layton Lots or any portion thereof.

3.4 No Parking in Easement Areas. Parking is prohibited in all of the Easement Areas and the Owners shall take such reasonable actions as may be necessary to prevent parking: (a) by its tenants and invitees (including, without limitation, employees, customers, agents and invitees of such tenants) from parking in any of the Easement Areas; and (b) upon those portions of the Easement Areas located upon the property of such Owner.

4. Covenants Run With Land/No Mergers. This Agreement and all of the provisions contained herein shall be covenants running with the real properties referenced herein, shall be enforceable against all present and subsequent Owners thereof, and: (i) are made for the direct, mutual and reciprocal benefit of both the Maverik Property and the East Layton Lots; (ii) shall create equitable servitudes upon the Maverik Property for the benefit of the East Layton Lots; (iii) shall create equitable servitudes upon the East Layton Lots for the benefit of the Maverik Property; (iv) shall constitute covenants that run with the land, which covenants shall bind and benefit the parties to this Agreement and any other Owner which at anytime acquires fee simple interest in any of the Benefitted Properties and their respective successors in interest, as contemplated by this Agreement; and (v) the easements and rights created hereunder shall not be merged with respect to any of the lots within the Greyhawk Plaza should more than one of the lots within the Greyhawk Plaza be owned by the same person at the same time, including without limitation the multiple lots within the Greyhawk Plaza that are owned by East Layton at the time of the parties' execution of this Agreement.

5. Breach Will Not Terminate. No breach or violation of any provision of this Agreement will entitle any person or entity to cancel, rescind or otherwise terminate this Agreement, but this limitation will not affect, in any manner, any other rights or remedies to which an Owner may be entitled at law or in equity by reason of a breach of this Agreement.

6. Warranties of Authority and Title.

6.1 Maverik Warranty. Maverik represents and warrants to East Layton that, at the time of the execution and delivery of this Agreement: (a) Maverik is the sole owner of fee simple title to the Maverik Property and that Maverik has full right, power, and authority to enter into and perform Maverik's obligations under this Agreement; and (b) the Easements granted by Maverik pursuant to Section 1 of this Agreement shall be superior to any purchase agreement, option, deed of trust, mortgage, monetary lien of any nature or lease against the Maverik Property.

6.2 East Layton Warranty. East Layton represents and warrants to Maverik that, at the time of the execution and delivery of this Agreement: (a) East Layton is the sole owner of fee simple title to the East Layton Lots and that, with the execution of this Agreement by Golding, East Layton has full right, power, and authority to enter into and perform East Layton's obligations under this Agreement; and (b) the Easements granted by East Layton and Golding pursuant to Section 2 of this Agreement shall be superior to any purchase agreement (including without limitation the Real Estate Purchase Contract pursuant to which Golding is acquiring Parcel 2), option, deed of trust, mortgage, monetary lien of any nature or lease against the East Layton Lots or any portion of the East Layton Lots.

7. Modification. The provisions of this Agreement may be modified from time to time or terminated at any time by the written agreement of all of the Owners of fee simple record title to the Benefitted Properties and all of the beneficiaries, trustees and mortgagees (collectively, "Lenders") holding any trust deeds or mortgages of record encumbering the Benefitted Properties or any portion thereof. No consent to the modification, from time to time, or termination of any or all of the provisions of this Agreement shall ever be required from any persons other than such Owners and Lenders. No consent shall be required of any tenant of the Maverik Property or of the East Layton Lots or any portion thereof, nor shall any such tenant have any right to enforce any provision of this Agreement or any modification hereof.

8. Not A Public Dedication. Nothing contained in this Agreement will be deemed to be a gift or dedication of any portion of either the Maverik Property or the East Layton Lots to the general public or for the general public or for any public purpose whatsoever, it being the intention of the parties hereto that this Agreement will be strictly limited to and for the purposes expressed herein.

9. Property Tax. Nothing contained in this Agreement is intended to relieve the Owners of the Maverik Property or the East Layton Lots, or any portion thereof, from timely satisfying all property and other taxes assessed against all or any portion of the Maverik Property or the East Layton Lots. Each Owner shall keep the taxes assessed against its portion of the Easement Areas paid current.

10. Owner's Liability/Maintenance. Each Owner shall be liable for the performance of all covenants, obligations and undertakings herein set forth with respect to the portion of the

Easement Areas owned by it which accrue during the period of its ownership. Each Owner may extend the rights and benefits that such Owner is entitled to receive under this Agreement to its tenants and invitees (including, without limitation, employees, customers, agents and invitees of such tenants) (collectively, "Invitees") at and upon either the Maverik Property or the East Layton Lots or any portion thereof, as the case may be; provided, that such Owner shall be responsible for the compliance of such Invitees with the terms and provisions of this Agreement. With respect to the portion of the Easement Areas transferred, the transferee Owner shall automatically become liable for all obligations, performance requirements and amounts which arise subsequent to the transfer of ownership and during the period of such Owner's ownership. Each Owner shall, at its cost and expense, maintain and keep those portions of the Easement Areas that lie on such Owner's respective property in good condition and repair, evenly paved, reasonably free and clear of snow, rubbish, debris, and obstructions which would interfere with the easements granted under this Agreement.

11. Term. The Easements, restrictions, rights, terms and provisions of this Agreement are perpetual.

12. No Other Rights. The Easements shall benefit and be used only for the purposes of providing ingress, egress and utilities to the Benefitted Properties as provided in this Agreement. Without limiting the generality of the foregoing sentence, the Easements shall not establish any rights for the East Layton Outside Property or be used to provide ingress, egress or utilities to the East Layton Outside Property, or any portion thereof, or any other real property not included within the Benefitted Properties. Maverik, East Layton and Golding further acknowledge that, except for: (i) the Easements granted pursuant to this Agreement; and (ii) any easements of record in the Davis County Recorder's office, Maverik has no right to use any portion of the East Layton Lots and East Layton and Golding have no right to use any portion of the Maverik Property.

13. Miscellaneous Provisions.

13.1 Not Partners. The parties do not by this Agreement, in any way or for any purposes, become partners or joint venturers of each other in the conduct of their respective businesses or otherwise.

13.2 No Waiver. Failure of any party hereto to insist upon the strict performance of any provision of this Agreement shall not be construed as a waiver for the future of any such provision.

13.3 Invalid Provisions. If any provision of this Agreement or the application thereof to any person or circumstances shall to any extent be invalid, the remainder of this Agreement or the application of such provision to persons or circumstances other than those as to which it is held invalid shall not be affected thereby, and each provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.

13.4 Successors and Assigns. Except as otherwise provided herein, all provisions herein shall be binding upon and shall inure to the benefit of the parties and their successors in interest to the Benefitted Properties or any portion thereof.

13.5 Governing Law. This Agreement shall be construed in accordance with the laws of the State of Utah.

13.6 Interpretation. The parties hereto agree that this Agreement and the attached exhibits have been jointly drafted, negotiated, and agreed upon by the parties, and that any rule of contract interpretation or construction that provides that ambiguity will be construed against the drafting party is inapplicable to this Agreement and the exhibits and shall not be used in connection with the interpretation of this Agreement or the exhibits.

13.7 Attorney's Fees.
