NOTICE OF INTENTION

PUBLIC NOTICE IS HEREBY GIVEN that the Board of County Commissioners of Wasatch County, Utah, acting in its capacity as the governing body (the "Governing Body") of the Timber Lakes Water Special Service District, Wasatch County, Utah (the "District"), intends to make improvements to upgrade and reconstruct the District's water system including storage tanks, water sources, distribution lines, and related infrastructure, and to levy a special assessment as provided in Title 17A, Chapter 3, Part 2, Utah Code Annotated 1953, as amended, on the real estate lying within the District for the benefit of which such assessment is to be expended in the making of such improvements.

DESCRIPTION OF DISTRICT

The general area serviced by the District is illustrated by the map attached hereto.

INTENDED IMPROVEMENTS

The District intends to make improvements to upgrade and reconstruct the District's water system including storage tanks, water sources and distribution lines. These improvements will occur throughout the District and will benefit all property within the District by correcting inadequacies in the current system thereby improving the system's overall reliability and reducing maintenance expenses.

The District's Master Plan describes the improvements and locations in detail. The Master Plan is available for inspection during regular business hours at the District's offices at 190 North Main Street, Heber City, Utah.

METHOD OF ASSESSMENT

The method under which the assessments are to be levied shall be according to lots as reflected on the Timber Lakes Estates Subdivision Plats as recorded at the Wasatch County Recorder's Office.

ESTIMATED COST OF IMPROVEMENTS

The total cost of improvements, excluding interest and inflation, is estimated to be \$5.7 million. The District estimates that a portion of this amount will be paid from water use fees charged by the District during construction. The balance will be paid by a special assessment to be levied against the property which may be directly or indirectly benefited by such improvements which benefits need not actually increase the fair market value of the property to be assessed.

ASSESSMENTS AND LEVY OF TAXES

It is the intention of the Governing Body to levy assessments as provided by the laws of Utah on lots within the District benefiting by the proposed improvements described herein. The

purpose of the assessment and levy is to pay all or a portion of the costs of the improvements including interest and inflation. The method of assessment shall be by lot as set forth herein above.

The assessments may be paid by property owners in annual principal installments with interest on the unpaid balance at a rate or rates and for duration fixed by the Governing Body, or the whole or any part of the assessment may be paid without interest within fifteen (15) days after the ordinance levying the assessment becomes effective. The assessments shall be levied according to the estimated direct or indirect benefits to be derived by each property, which benefits need not actually increase the fair market value of the assessed property. Other payment provisions and enforcement remedies shall be in accordance with Title 17A, Chapter 3, Part 2, Utah Code Annotated 1953, as amended.

PUBLIC HEARING

At 6:00 p.m. on the 7th day of November, 2002, the Governing Body will meet in public meeting at the County Courthouse to consider all protests filed and hear all objections relating to the proposed assessment and special improvement district. After such consideration and determination, the Governing Body shall adopt a resolution either abandoning the District or creating the District either as described in this Notice of Intention or with deletions and changes made as authorized by law.

The Governing Body shall abandon the assessment and special improvement district and not create it if the necessary number of protests as provided herein have been filed on or before the time specified in this Notice of Intention for the filing of protests after eliminating from such filed protests: (i) protests relating to property or relating to a type of improvement which has been deleted from the District and (ii) protests which have been withdrawn in writing prior to the conclusion of the hearing. The necessary number of protests shall mean the following: Protests representing one-half of the lots to be assessed where an assessment is proposed to be made according to lots.

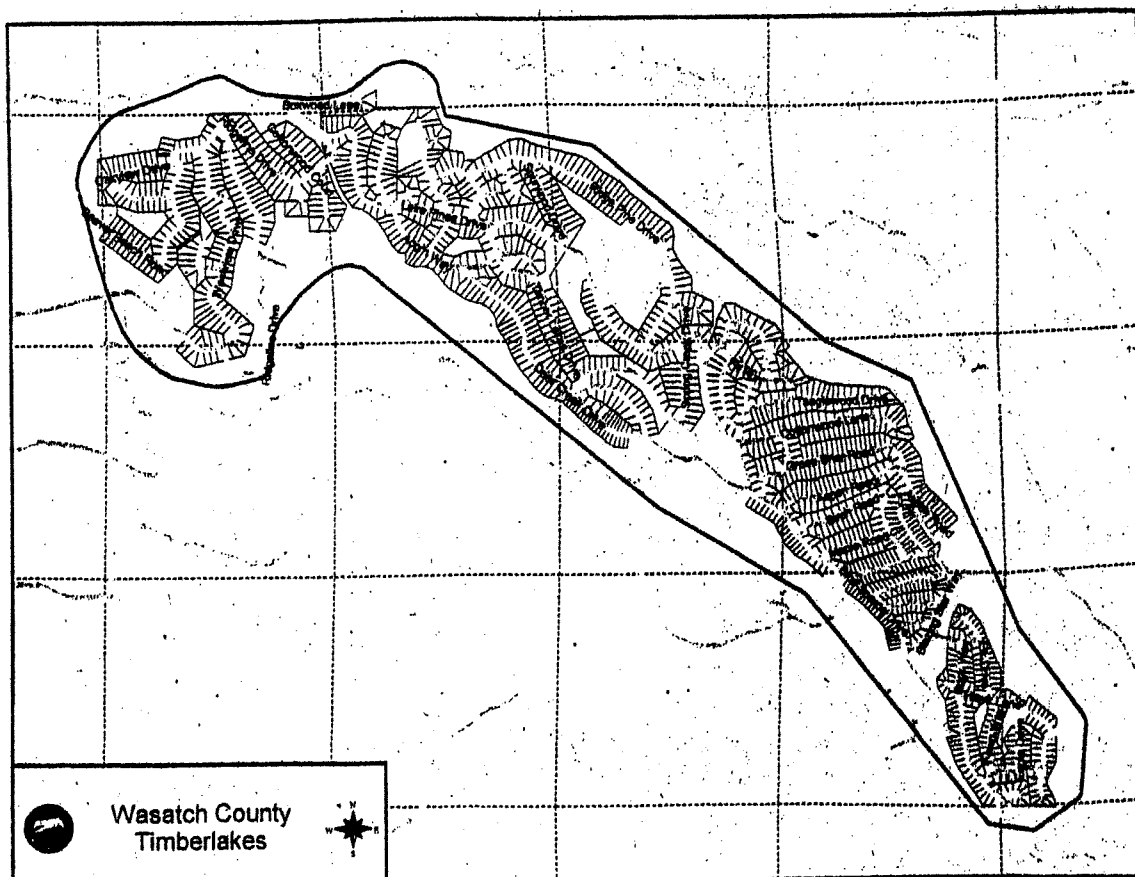

TIME FOR FILING PROTESTS

Any person who is the owner of record of property to be assessed in the District described in this Notice of Intention shall have the right to file in writing a protest against the creation of the District or to make any other objections relating thereto. Protests shall describe or otherwise identify the property owned or record by the person or persons making the protest. Protests shall be filed with the County Clerk of Wasatch County, Utah, on or before 5:00 p.m. on the 7th day of November, 2002.

BY ORDER OF THE BOARD OF COUNTY COMMISSIONERS OF WASATCH COUNTY, UTAH, ACTING AS THE GOVERNING BODY OF THE TIMBER LAKES WATER SPECIAL SERVICE DISTRICT, WASATCH COUNTY, UTAH.
