THIS AGREEMENT, made and entered into this 27<sup>th</sup> day of July, 1973, by and between SALT LAKE COUNTY SEWERAGE IMPROVEMENT DISTRICT NO. 1, a Political Subdivision of the State of Utah, hereinafter called the "DISTRICT," and UTAH POWER AND LIGHT COMPANY, A Corporation, hereinafter called the "COMPANY,"

W I T N E S S E T H :

WHEREAS, the District is engaged in installation of a sewer system to provide for the collection and treatment of sewage for a portion of the residents of Salt Lake County and as a part of said project needs to install a sewage collection line over, across, under and through lands owned by the Company, and lands on which the Company has easements, and

WHEREAS, the Company is willing to permit the District to construct and install the necessary sewage collection lines across and under lands owned by the Company, and lands on which the Company has easements,

NOW THEREFORE, in consideration of the mutual promises and covenants, herein contained, the sufficiency of which is hereby acknowledged, it is agreed as follows:

1. The Company hereby grants, conveys and sets over unto the District, its successors and assigns, a perpetual right-of-way and easement to lay, maintain, operate, repair, inspect, protect, install, remove and replace sewer pipe lines, valves, valve boxes and other sewer transmission and distribution structures and facilities, hereinafter called "Facilities," said right-of-way being situated in Salt Lake County, State of Utah, over and through parcels of the Company's land and/or easements lying within strips twenty (20) feet wide, said strips extending ten (10)

feet on each side of, and lying parallel and adjacent to a line of reference and projection thereof, more particularly described in Exhibit "A" attached hereto, and by this reference made a part hereof.

2. During construction periods, the District and its agents may enter upon and utilize temporarily, a strip of land twenty (20) feet wide on either side of the center lines, as described in Exhibit "A", but limited to the boundary of the Company's property or easements.

3. The District agrees that it will maintain and that it will require any contractor or other person employed by it to install the subject sewage pipe line, to maintain a six (6) foot minimum clearance between the lowest conductors on the Company's power lines and the maximum vertical reach of those equipment booms operated by the Contractor.

4. The District agrees that it will not fence in or in any way obstruct the property covered by this Agreement and over and through which this right-of-way is granted; and the District further agrees that the Company shall have free and unimpeded access to and use of those lands and easements described in Exhibit "A" and the service thereof, where not inconsistent with the right-of-way hereby granted the District.

5. The District hereby agrees to indemnify and hold the Company harmless from any and all loss, damage, or liability in any manner caused by or arising out of the construction, reconstruction, operation, repair, replacement or maintenance of the sewer pipe lines and appurtenant structures by the District over, under and through the right-of-ways herein granted.

6. The District agrees that it will require any and all contractors employed by it to construct or maintain the sewer facilities on the right-of-ways herein granted, to obtain and carry a public liability insurance in an amount of

at least \$100,000-300,000-50,000.

7. The District agrees to relocate its sewer pipeline and appurtenant facilities installed as provided herein in a new position on, over, across and through Company's premises at the District's expense should the location provided for herein at any time interfere in any use for which the Company may desire the said premises.

8. It is expressly understood that it is the intent and desire of the parties hereto, to cooperate with one another wherever possible in providing their respective services to the public in the most efficient and economical manner possible. All terms and conditions herein set forth shall be construed so as to reflect this spirit and intent of the parties.

9. This right of way grant and agreement shall be binding upon and inure to the benefit of the successors and assigns of the parties hereto, except that it is expressly understood and agreed that the provisions of paragraph 7 hereinabove shall be deemed a personal covenant between the parties and shall not inure to the benefit of the successors in interest or assigns of the parties.
