understand that the sewer lateral from the building to the sewer is less than the minimum regulations required by the Salt Lake City Suburban Sanitary District, #1. For reasons sufficient to me and for my convenience, and with a full understanding that the line has not met the standard requirements of the Salt Lake City Suburban Sanitary District #1, I hereby request permission to have this property connected to the sewer. Specifically, the fault is: The sewer line from apartment building #15 was laid beneath building #14 enroute to the main sewer line.

Instead of being required to re-lay this line, I request permission to connect to the sewer system with the knowledge that I am fully responsible for any difficulty which may arise within such line. I agree to the recording of this document and herewith pay the filing fee of \$2.00.
