AMENDMENT
TO THE
DECLARATION
OF
OLD MILL CONDOMINIUM

This Amendment to the Declaration of Old Mill Condominium ("Amended Declaration") is made and approved by the unit owners of Old Mill Condominium ("Old Mill") on the date shown below after being voted on and approved by the unit owners in accordance with the Governing Documents of Old Mill Condominium.

RECITALS

WHEREAS, Old Mill Condominium was created by the "Declaration of Old Mill Condominium (an Expandable Condominium)" (hereinafter "Enabling Declaration") recorded in the records of Weber County, Utah, on April 27, 1983, in book 1423, beginning on page 1467 as entry number 878699; and

WHEREAS, Old Mill Condominium Homeowners Association, Inc. ("Association") is responsible for the enforcement of the provisions of the Enabling Declaration, amendments to the Enabling Declaration, and the Association's Bylaws (collectively referred to as the "Governing Documents"); and

WHEREAS, it is the desire of the unit owners within Old Mill Condominium to live in a condominium community that is orderly, peaceful and desirable, and that will allow for and protect the comfortable enjoyment of all residents of Old Mill Condominium.

WHEREAS, the unit owners of Old Mill Condominium desire to amend the Governing Documents to preserve and enhance the quality of life at Old Mill Condominium.

WHEREAS, Old Mill desires to amend the Declaration to place reasonable restrictions on the percentage of renters who may occupy units at Old Mill; and

WHEREAS, the unit owners of Old Mill desire to preserve and enhance the quality of life at

Old Mill and have purchased their units at Old Mill for the purpose of using their unit as an owner occupied single family residence; and

WHEREAS, the unit owners have purchased a unit in a condominium because they understand the condominium living concept was developed to create a real property interest wherein individuals could own their own real property and enjoy the benefits and stability that accompany ownership of real property, both individually and as a neighborhood, as well as the security that comes to a high density condominium community by having residents who are owners and are committed to the long-term welfare and good of the community, and

WHEREAS, the unit owners realize that the value of their units are directly related to the ability to sell their units, that the ability to sell their units is directly related to the ability of prospective borrowers to obtain FHA and other forms of financing, and that FHA underwriting standards as well as the underwriting standards at financial institutions and secondary mortgage markets restrict the percentage of non owner occupied units that can exist in a condominium; and further, when too high a percentage of non owner occupied units exist in a condominium, a buyer will not be able to qualify for favorable and competitive market interest rates and financing terms, thus inhibiting a unit owner's ability to sell their units and depressing the value of all the units at Old Mill; and

WHEREAS, as the result of a variety of economic factors beyond the control of the Association and the owners, permitting a limited percentage of units to be leased may reduce the financial hardship to owners who must move or sell their unit due to circumstances beyond their control, while still protecting the integrity of Old Mill and permitting Old Mill to achieve the objectives described above.

NOW THEREFORE, the unit owners of Old Mill Condominium hereby amend the Governing Documents recorded against the real property located in Weber County, Utah, known as Old Mill Condominium and more fully described on Exhibit "A" attached hereto. If there is any conflict between this Amendment and the Governing Documents, this Amendment shall control.

This Amendment shall become effective upon recording. The Old Mill Condominium Governing Documents are hereby amended as follows:
