THE PROTECTIVE COVENANTS OF PETTINGILL ESTAES, LOT #1 - 24 INCLUSIVE.
WILLARD, BOX ELDER COUNTY, UTAH
DATED September 22, 2008.

01-040-0156 thru
0180

1. All lots in the tract shall be known and described as residential lots for a detached single family dwelling not to exceed two stories in height and a private 2 or more car garage.
2. No building shall be erected, altered or placed on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to qualify of workmanship and materials. Harmony of external design with existing homes and as to location with respect to topography and finish elevation.
3. The Architectural Control Committee (The Committee), initially is composed of Pettingill Estates Development, L.L.C. / Jeremy Summers & Lee Welch. A majority of The Committee may designate a representative to act for The Committee. The members shall have full authority to designate their successor. Neither the members of The Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. Nor shall they have any liability for their decision. A two-thirds majority of the then recorded owners of the lots shall have the power, through a duly recorded written instrument, to change the membership of The Committee or withdraw from the committee or restore it to any of its powers and duties, and to amend, change or alter these Protective Covenants.
4. All plans and specifications must be approved by The Committee prior to starting construction. Two complete sets of plans shall be submitted to The Committee before construction can commence. An approved set will be signed and returned to the contractor and one signed set will be retained in a permanent file by the Owner / Developer.
Construction on all lots must commence within 18 months of the date of closing. In the event that construction has not been commenced within the 18 months, written approval must be obtained from the above mentioned committee. Any building on any lot shall be completed, meeting all building requirements, within 12 months of commencement of construction. The Committee is entitled to approve plans and specifications which are not in strict compliance with these covenants, if plans and specifications which are not in strict compliance with these covenants, if The Committee determines such would be in the best interest of the subdivision.
5. Unless a written exception is granted by the Architectural Control Committee where unusual circumstances exists, all set back lines, side yards and back yards shall be in accordance with Box Elder County ordinances.

6. No dwelling shall be permitted on any lot with the ground floor area of the main structure, exclusive of the open porches and garages, of less than 1,450 square feet for one story dwelling, nor less than 1,800 square feet for a dwelling of more than one story. No multi-level or split-level dwellings allowed.
7. No dwelling or garage shall be erected on any lot having less than 100% brick or stone or stucco or a combination thereof on the front elevation. Percentage of brick or stone must meet with Box Elder County code. Other exterior materials may be used on the back and side elevations and must be approved by The Committee. Roofing materials shall be cedar, shake or bartile, or architectural grade shingles or as approved by The Committee.
8. No modular or move-on dwellings will be accepted on any lot. All dwellings shall have minimum roof pitch of 6/12.
9. No building shall be erected or placed on any lot having an area of less than 10,000 square feet.
10. No obnoxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become any annoyance or nuisance to the neighborhood. No storage of any articles which are unsightly on patios, unless in enclosed areas built and designed for such purposes. No automobiles, trailers, boats, or other vehicles are to be stored on streets or front and side lots unless they are in running condition, properly licensed, and are being regularly used. Automobiles must be moved every 24 hours. All RV storage to be to side or rear of homes and must be maintained on concrete or asphalt slabs. All roof mounted heating and cooling equipment to be set back to the back side of the roof out of view from the street. All TV antennas are to be placed in the attic out of view. Satellite dishes etc., to be hidden from view from the street.
11. No structure of temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot at any times as a residence either temporarily or permanently. Exception: Temporary construction office.
12. Such easement and rights of way shall be reserved to the undersigned, it's successors and assigns, or any other said real property for the erection, construction, and maintenance and operation therein or thereon of drainage pipes or conduits and pipes, conduits, poles, wires and other means of conveying to and from lots in said tract, gas, electricity, power, water, telephone, and telegraph services. Sewage and other things for convenience to the owners or lots in said tract. As may be shown on said map and the undersigned, it's successors, and assigns, shall have the right to so reserve any or all the lots shown on said map. No structure of any kind shall be erected over any of such easements except upon the written permission of the owner of the easement, their successors or assigns.

Ent 268786 Bk 1064 Pg 1055

13. No sign of any kind shall be displayed to the public view on any lot except one professional sign on not more than one square foot. One sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise during construction and sale period.
14. No lot shall be used or maintained as dumping ground for rubbish, trash, garbage or other waste shall be kept in sanitary containers. All incinerators or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition. Each lot and its abutting street are to be kept free of trash and other refuse by the lot owner. No unsightly material or other objects are to be stored on any lot in view of the general public. Purchaser or contractor of lot shall be held responsible for keeping lot clear and weeds mowed down at all times before and during construction. Purchaser or contractor to any lot shall be held responsible for damages caused by him or his contractor to any lots in the subdivision.
15. No fence, wall or other object of similar design may be constructed on any lot nearer the street line than the front house line, nor shall any fence, wall or other object or similar design be constructed on any lot to a height greater than 6 feet.
16. No fence, wall, hedge or shrub planting which obstructs from lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and line connecting them at points 20 feet from intersection of street lines, or in the case of a rounded property corner from the intersection of the street lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient heights to prevent obstruction of such sight lines.
17. No oil drilling, oil development operations, oil refining, quarrying or minimum operations of any kind shall be permitted upon or in any lot. Nor shall oil well, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.
18. Within 18 months of occupancy of any home built on a lot in said subdivision, the front, side and back yards shall be planted in lawn or other acceptable landscaping so as not to be an eyesore. "Acceptable Landscaping" and lawn shall be interpreted by the majority of the then existing home owners in the subdivision.
19. The required chain-linked fencing will be provided by the Developer to separate rail road tracks from residential areas. All other fencing is to be constructed of vinyl and is the homeowners responsibility.
20. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 20 years from the date these covenants

**PROTECTIVE COVENANTS FOR

are recorded. After which time said covenants shall be automatically extended for successive periods of 10 years unless the instrument signed be a majority of the then owners of the lot has been recorded changing said covenants in whole or in part. Enforcement shall be by person violating or attempting to violate any covenants either to restrain invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect. Enforcement shall be by homeowners who have purchase lots in said subdivision and built a home on them. The Developer and/or the Architect Control Committee accepts no responsibility for enforcement and shall have no liability for persons violating these covenants. The successful party to any litigation based upon or resulting from these covenants shall be entitled to reasonable attorneys fees and costs for the enforcement of these covenants.
