B. C. Declarant has caused such corporation to be created, the members of which shall be the respective Owners of Lots.

D. Declarant will develop and convey all of the Properties, as hereinafter defined, pursuant to a general plan for all of the Properties and subject to certain protective covenants, conditions, restrictions, reservations, easements, equitable servitudes, liens and charges, all running with the Properties as hereinafter set forth.

There are nine (9) subdivision lots pursuant to the provisions of the Subdivision Ordinance of Weber County, and the laws of the State of Utah.

Each Owner of the Lots shall be members of the Association.

E. Declarant hereby declares that all of the Properties shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied, and improved, subject to the following easements, restrictions, covenants, conditions and equitable servitudes, all of which are for the purpose of uniformly enhancing and protecting the value, attractiveness and desirability of the Properties, in furtherance of a general plan for the protection, maintenance, subdivision, improvement and sale of the Properties, or any portion thereof. The covenants, conditions, restrictions, reservations, easements and equitable servitudes set forth herein shall run with the Properties and shall be binding upon all persons having any right, title or interest in the Properties or any part thereof, their heirs, successors and assigns and shall inure to the benefit of every portion of the Properties and any interest therein; and shall inure to the benefit of and be binding upon Declarant, its successors in interest and each Owner and his respective successors in interest; and may be enforced by any Owner and his successors in interest and by the Association.

Notwithstanding the foregoing, no provision of this Declaration shall be construed as to prevent or limit Declarant's rights to complete development of the Properties and construction of improvements therein, nor Declarant's rights to maintain model homes, construction, sales or leasing offices or similar facilities on any property in the Properties owned by Declarant or the Association, nor Declarant's right to post signs incidental to construction, sales or leasing, nor Declarant's right to annex additional contiguous territory to the provisions of this Declaration.

ARTICLE I

Name

The Properties may be referred to as The Summit at Ski Lake Gated Community.

ARTICLE II

Common Areas

The Common Areas shall be and are conveyed to The Summit at Ski Lake Gated Community Association, a Utah non-profit corporation, subject to the Declaration and subject to appropriate access by governmental, including all law enforcement and fire protection authorities. The details of access and costs will be determined at that time by Declarant and Weber County.

ARTICLE III

Owner

Owner shall mean and refer to one (1) or more Persons who holds the record title to any Lot which is part of the Properties, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Lot is sold under a recorded contract of sale, and the contract specifically so provides, then the purchaser (rather than the fee owner) will be considered the owner. If a Lot is subject to a written lease with a term in excess of one (1) year and the lease specifically so provides, then upon filing a copy of the lease with the Board of Trustees, the lessee (rather than the fee owner) will be considered the Owner.

ARTICLE IV

Membership

Every Owner shall be deemed to have a membership in the Association.

No Owner, whether one (1) or more Persons, shall have more than one (1) membership per Lot owned. In the event the Owner of a Lot is more than one (1) Person, votes and rights of use and enjoyment shall be as provided herein. The rights and privileges of membership may be exercised by a Member or the Member's spouse, subject to the provisions of this Article and the Bylaws. The membership rights of a Lot owned by a corporation, partnership, or other legal entity,

EN1700393 BR2087 PG1298

ARTICLE V

Voting

The Association shall have two (2) classes of membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" Members, if any.

Class "A" Members shall be entitled to one (1) equal vote for each Lot in which they hold the interest required for membership. There shall be only one (1) vote per Lot.

In any situation where a Member is entitled personally to exercise the vote for his Lot and more than one (1) Person holds the interest in such Lot required for membership, the vote for such Lot shall be exercised as those Persons determine among themselves and advise the Secretary of the Association, in writing, prior to any meeting. In the absence of such advice, the Lot's vote shall be suspended if more than one (1) Person seeks to exercise it.

(b) Class "B". The Class "B" Member shall be Declarant. The Class "B" Member shall have two (2) votes for each Class A member vote and shall be entitled to appoint a majority of the members of the Board of Trustees during the Class "B" Control Period.

ARTICLE VI

Control Period

The Class "B" Member Control Period is until the first to occur of the following:

(a) When fifty percent (50%) of the Lots permitted by the Preliminary Plan for the property described at paragraph A of the Recitals and at Article XXI, Expansion, have certificates of occupancy issued thereon and have been conveyed to Persons other than Declarant or builders holding title solely for purposes of development and sale;

EN1700393 WK2067 P01299

(b) March 1, 2007; or

- (c) When, at its discretion, the Class "B" Member so determines.

ARTICLE VII

Association's Responsibility for Maintenance

The Association shall maintain and keep in good repair the Common Areas; the Common Expenses and maintenance to be funded as hereinafter provided. This maintenance shall include, but need not be limited to, maintenance, repair, and replacement, subject to any insurance then in effect, of the roads, gates, all landscaping, and other flora, structures, and improvements situated upon the Common Areas, including but not limited to water drainage, specialty lights and open spaces.

All costs associated with maintenance, repair and replacement of the Common Areas shall be a Common Expense to be allocated among all Lots as part of the Base Assessment.

ARTICLE VIII

Insurance

The Association's Board of Trustees, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk casualty insurance, if reasonably available, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not available, then at a minimum an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction from any insured hazard.

The Board shall also obtain a public liability policy covering the Common Areas, the Association, and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a \$500,000.00 single person limit as respecting bodily injury and property damage, a \$1,000,000.00 limit per occurrence, if reasonably available, and a \$250,000.00 minimum property damage limit.

Premiums for all insurance on the Common Areas shall be Common Expenses of the Association and shall be included in the Base Assessment.

All insurance coverage obtained by the Board of Trustees shall be written in the name of

EN1700393 BK2067 P01300

the Association as trustee for the respective benefitted parties, as further identified in (b) below. Such insurance shall be governed by the provisions hereinafter set forth:

- (d) All policies shall be written with a company licensed to do business in Utah which holds a Best's rating of A or better and is assigned a financing size category of XI or larger as established by A.M. Best Company, Inc., if reasonably available, or if not available, the most nearly equivalent rating.
- (b) All policies on the Common Areas shall be for the benefit of the Association, its Members, and Mortgagees providing construction financing on the Common Areas.
- (c) Exclusive authority to adjust losses under policies obtained by the Association on the Properties shall be vested in the Association's Board of Trustees; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
- (d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Trustees hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.
- (e) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Weber County, State of Utah area.
- (f) The Association's Board of Trustees shall be required to make every reasonable effort to secure insurance policies that will provide for the following:
 - (i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Trustees, its manager, the Owners, and their respective tenants, servants, agents, and guests;
 - (ii) a waiver by the insurer of its rights to repair and reconstruct, instead of paying cash;
 - (ii) a statement that no policy may be canceled, invalidated, suspended, or subject to non-renewal on account of any one or more individual Owners;
 - (iv) a statement that no policy may be canceled, ~~invalidated, suspended, or~~ ~~subject to non-renewal on account of any one or more individual Owners;~~

subject to non-renewal on account of the conduct of any Trustee, officer, or employee of the Association or its duly authorized manager without prior demand, in writing, delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or any Mortgagee;

- (v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
- (vi) that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

In addition to the other insurance required by this section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent required by law; Trustees' and officers' liability coverage, if reasonably available, a fidelity bond or bonds on Trustees, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the Trustees' best business judgment but, if reasonably available may not be less than three (3) months' assessments on all Lots, plus reserves on hand. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

ARTICLE IX

Damage and Destruction

(a) Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board of Trustees or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

(b) Any damage or destruction to the Common Areas shall be repaired or reconstructed unless the Members representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If

for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction Mortgagees providing construction financing for such damaged property.

(c) In the event that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

ARTICLE X

Disbursement of Proceeds

If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and the Mortgagee(s) as their interest may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Lot and may be enforced by such Mortgagee.

ARTICLE XI

Repair and Reconstruction

If the damage or destruction to the Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Trustees shall, without the necessity of a vote of the Members, levy a Special Assessment against all Owners on the same basis as provided for Base Assessments. Additional assessments may be made in like manner at any time during or following the completion of any

011 700393 012067 011303

repair or reconstruction.

ARTICLE XII

Condemnation

Whenever all or any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members representing at least two-thirds (2/3rds) of the total Association vote by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking Declarant and Members representing at least seventy-five (75%) percent of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Trustees of the Association. If such improvements are to be repaired or restored, the above provisions in Section 10 hereof regarding the disbursement of funds in respect to casualty damage or destruction which is to be repaired shall apply. If the taking does not involve any improvements on the Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Trustees of the Association shall determine.

ARTICLE XIII

Assessments

There are hereby created assessments for Association expenses as may from time to time specifically be authorized by the Board of Trustees to be commenced at the time and in the manner set forth in Section 18. There shall be two (2) types of assessments: (a) Base Assessments to fund Common Expenses for the benefit of all Members of the Association; and (b) Special Assessments as described in Article XV.

Base Assessments shall be levied equally on all Lots. Special Assessments shall be levied as provided in Article XIV. Each Owner, by acceptance of a deed or recorded contract of sale to any portion of the Properties, is deemed to covenant and agree to pay these assessments.

117 00373 112067 PG1304

All assessments, together with interest at a rate not to exceed the highest rate allowed by Utah law as computed from the date of delinquency first occurs, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time the assessment arose, and his or her grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance, except no first Mortgagee, nominee of the Mortgagee, or third party purchaser who obtains title to a Lot pursuant to the remedies provided in the Mortgage shall be liable for unpaid assessments which accrued prior to such acquisition of title.

The Association shall, upon demand at any time, furnish to any Owner liable for any type of assessment a certificate in writing signed by an officer or management agent of the Association setting forth whether such assessment has been paid as to any particular Lot. Such certificate shall be conclusive evidence of payment to the Association of such assessment therein stated to have been paid. The Association may require the advance payment of a processing fee not to exceed \$100.00 for the issuance of such certificate.

Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Trustees which may include, without limitation, acceleration of the annual Base Assessment for delinquents. Unless the Board otherwise provides, the Base Assessment shall be paid in quarterly installments.

No Owner may waive or otherwise exempt himself from liability for the assessments provided for herein, including by way of illustration and not limitation, by non use of Common Areas or abandonment of the Lot. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Article or by the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority.

The Association is specifically authorized to enter into subsidy contracts or contracts for "in kind" contribution of services or materials or a combination of services and materials with Declarant or other entities for the payment of some portion of the Common Expenses. BK2067 PG1305

ARTICLE XIV

Computation of Base Assessment

It shall be the duty of the Board, at least sixty (60) days before the beginning of each fiscal year, to prepare a budget covering the estimated Common Expenses of the Association during the coming year. The budget shall include a capital contribution establishing a reserve fund in accordance with a capital budget separately prepared.

The Base Assessment to be levied for the coming year against each Lot shall be computed by dividing the budgeted Common Expenses by the total number of Lots of the Properties. The Board shall cause a copy of the Common Expense budget and notice of the amount of Base Assessment to be levied against each Lot for the following year to be delivered to each Owner at least thirty (30) days prior to the beginning of the fiscal year. Such budget and assessment shall become effective unless disapproved at a meeting of the Members by the vote of Members or their alternates representing at least a majority of the total Class "A" vote in the Association, and by the Class "B" Member, if such membership exists. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for in the Bylaws.

Notwithstanding the foregoing, however, in the event the proposed budget is disapproved or the Board fails for any reason so to determine the budget for any year, then and until such time as a budget shall have been determined as provided herein, the budget in effect for the immediately preceding year shall continue for the current year.

ARTICLE XV

Special Assessments

In addition to the Base Assessment, the Association may levy a Special Assessment or Special Assessments from time to time; provided, such assessment shall have the affirmative vote or written consent of Members representing at least fifty-one (51%) percent of the Class "A" vote in the Association and the affirmative vote or written consent of the Class "B" Member, if such exists. The obligation to pay Special Assessments shall be computed on the same basis as for Base Assessments. Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

ARTICLE XVI

Lien for Assessments

Upon recording of a notice of lien on any Lot, there shall exist a perfected lien for unpaid assessments prior to all other liens, except: (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto; and (2) the lien or charge of any first Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure.

The Association, acting on behalf of the Owners, shall have the power to bid for the Lot at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be charged or levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rate share of the assessment that would have been charged such Lot had it not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney's fees shall be maintainable without foreclosing or waiving the lien securing the same.

ARTICLE XVII

Capital Budget and Contribution

The Board of Trustees shall annually prepare a capital budget to take into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost. The Board shall set the required capital contribution, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the capital budget, with respect both to amount and timing by annual assessments over the period of the budget. The capital contribution required, if any, shall be fixed by the Board and included within and distributed with the budget and assessment.

ARTICLE XVIII

Date of Commencement of Assessments

The assessments provided for herein shall commence as to each Lot on the first day of the first month following: (i) the date of conveyance of the Lot by Declarant; or (ii) the effective date

of the first budget, whichever is later. Assessments shall be due and payable in a manner and on a schedule as the Board of Trustees may provide. The first annual assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Lot.

ARTICLE XXIX

Subordination of the Lien to Institutional First Mortgages

The lien of assessments, including interest, late charges (subject to the limitations of Utah law), and costs (including attorney's fees) provided for herein, shall be subordinate to the lien of any institutional first Mortgage upon any Lot. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of an institutional first Mortgage, or transfer to an institutional first Mortgagee or third party pursuant to a deed in lieu of foreclosure, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding an institutional first Mortgage of record or other purchaser of a Lot obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Lots, including such acquirer, its successors and assigns.

ARTICLE XX

Capitalization of Association

Upon acquisition of record title to a Lot by the first purchaser thereof other than Declarant or an Owner who purchases solely for the purpose of constructing a dwelling thereon for resale, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount equal to 50% of the amount of the annual Base Assessment per Lot for that year as determined by the Board. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for use in covering operating expenses and other expenses incurred by the Association pursuant to the terms of this Article and the Bylaws.

Approval by Architectural Control Committee

Guidelines of the Architectural Control Committee shall be furnished to each buyer and must be used as the basis of developing their Lot. Upon purchase of a Lot, the buyer must sign a copy of the Architectural Control Guidelines indicating their agreement to follow said guidelines. The buyer of each Lot is bound by the Architectural Control Committee Guidelines, directions and decisions.

The following is a summary of significant parts of the architectural guidelines. However, the developer of each Lot hereby agrees that they will follow all the guidelines in the complete Architectural Control Guidelines packet. The steps for submitting plans as described in the Architectural Control Guidelines must be followed. The salient points are as follows:

- (1) An overall view of the proposed improvement or improvements must be discussed with the Architectural Control Committee before submitting any preliminary plans. The improvements shall be designed and located upon the Lot so as to minimize the disruption to the natural land forms and vegetation cover and view corridors of other Owners.

The Architectural Control Committee shall have the right to disapprove any application in the event said application and the plans submitted therewith are not of sufficient detail, or are not in accordance with the provisions herein set forth, or if the design or construction of the proposed improvement is not in harmony with neighboring improvements and the general surroundings, or in the judgment of the Architectural Control Committee, would decrease the real estate value of the community, or if the design and the plans for construction do not include sufficient safeguards for preservation of the environment or for any other reason the Architectural Control Committee may deem in the best interests of the subdivision. The decision of the Architectural Control Committee shall be final, binding and conclusive on all parties affected.

ARTICLE XXIV

Bounds

During the Class "B" Control Period, Declarant reserves the right to change at any time the bounds and the area of any Lot owned by Declarant, provided such change does not adversely affect the access to any Lot sold to a third party, and that such change has been approved and is in accordance with the various county, state and/or federal regulations controlling this subdivision.

In order to obtain such approval, the Owner must submit for consideration of the Architectural Control Committee such details and information with relation to the contemplated action as the Architectural Control Committee shall request.

Amendment

Article XXIII of the Declaration is hereby amended to read as follows:

ARTICLE XXIII

Approval by Architectural Control Committee

Guidelines of the Architectural Control Committee shall be furnished to each buyer and must be used as the basis of developing their Lot. Upon purchase of a Lot, the buyer must sign a copy of the Architectural Control Guidelines indicating their agreement to follow said guidelines. The buyer of each Lot is bound by the Architectural Control Committee Guidelines, directions, and decisions.

The following is a summary of significant parts of the architectural guidelines. However, the developer of each Lot hereby agrees that they will follow all the guideless in the complete Architectural Control Guidelines packet. The steps for submitting plans as described in the Architectural Control Guidelines must be followed. The salient points are as follows:

- (1) An overall view of the proposed improvement or improvements must be discussed with the Architectural Control Committee before submitting any preliminary plans. A fee as provided in the Architectural Control Guidelines may, as determined by the Architectural Control Committee, be payable to the Association with the submission of the preliminary plans to help defray costs incurred by the Architectural Control Committee for its work during the review process.
- (2) The preliminary plans must include the following:
 - a) a site plan with the location of said improvement or improvements on the Lot upon which it or they will be placed or constructed and the location of the proposed improvement or improvements relative to the other improvements on said Lot.
 - b) Floor plans of each floor level.
 - c) The basic structural system of the improvement or improvements and the materials to be used in the construction thereof.
 - d) All building elevations.

- e) A grading plan for all improvements.
- f) Site Plan.
- g) Preliminary landscaping design.
- h) Proposed time schedule for construction and completion.
- i) A survey acceptable to the Architectural Control Committee indicating the location of Lot corners and the proposed building position on the Lot.

The final approvals will be given as described in the process detailed in the Architectural Guidelines.

The Architectural Control Committee will not give its consent to the proposed improvement unless, in the opinion of the Architectural Control Committee, the improvement is properly designed and the design, contour, materials, shapes, colors, and general character of the improvement is in harmony with existing structures on the Lot and on neighboring Lots, and in harmony with the surrounding landscape. The improvements shall be designed and located upon the Lot so as to minimize the disruption to the natural land forms and vegetation cover and view corridors of other Owners.

The Architectural Control Committee shall have the right to disapprove any application in the event said application and the plans submitted therewith are not of sufficient detail, or are not in accordance with the provisions herein set forth, or if the design or construction of the proposed improvement is not in harmony with the neighboring improvements and the general surroundings, or in the judgment of the Architectural Control Committee, would decrease the real estate value of the community, or if the design and the plans for construction do not include sufficient safeguards for preservation of the environment or for any other reason the Architectural Control Committee may deem in the best interests of the subdivision. The decision of the Architectural Control Committee shall be final, binding, and conclusive on all parties affected.

A deposit of \$5,000 shall be payable to the Association with the submission of the preliminary plans for any new construction or addition to an existing home. The deposit may be used by the Association, as determined by the Architectural Control Committee, only as necessary to: (1) repair damage to the roads and other Common Areas; (2) repair damage to any adjacent or adjoining Lot(s), or (3) to cure violations of any rule or regulation promulgated by the Association's Board of Trustees or Architectural Control Committee (collectively, the "Damage"). The unused portion of the deposit, if any, will be returned to the Owner upon full completion of the construction project and after final inspection by the Architectural Control Committee. No interest will be paid on the deposit during the term it is held. The deposit shall not be the limit of liability for any Damage. If the costs to repair the Damage exceed the deposit, the Association may collect the excess costs, which shall become an assessment against the Owner and the Lot. The Association may exercise any assessment collection remedies available to it by law, whether provided for in this Declaration or the Act, in collecting the excess costs, including but not limited to, the filing of a lien and foreclosure of the lien.

No review of the preliminary plans will be started by the Architectural Control Committee and no construction work shall commence until the \$5,000 deposit is received by the Association. If construction work commences prior to obtaining approval from the Architectural Control Committee and/or the Association's receipt of the \$5,000 deposit, then the Owner shall be subject to fines established by

resolution of the Board of Trustees or Architectural Control Committee, and a stop order from the Association which is enforceable by injunction. In addition, the Owner shall, in the discretion of the Architectural Control Committee or the Board of Trustees, be required to remove any improvements installed on the Lot and/or restore the Lot to its condition prior to the commencement of such work. The Owner shall also be liable to the Association for all costs incurred by the Association in taking any action, including, without limitation, court costs and attorney fees, all of which shall be subject to the Association's collection policies.

The deposit of \$5,000 does not negate the Lot Owner's current responsibility to stay within the building envelope during all construction and to repair any Damage before final inspection by the Architectural Control Committee.

IN WITNESS WHEREOF, the Association, after having received approval from at least 67% of its voting members, has executed this instrument the day and year set forth below.
