8.6 Lien for Assessments.

(a) All sums assessed to any Lot pursuant to this Article, together with interest thereon, as provided herein, shall be secured by a lien against such Lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances against such Lot, except only: (i) valid tax and special assessment liens in favor of any governmental assessing authority; and (ii) encumbrances recorded in the Official Records prior to the date a notice (as provided herein) is recorded which by law would be a lien prior to subsequently recorded encumbrances, including all unpaid obligatory advances to be made pursuant to such encumbrances and all amounts advanced pursuant to such encumbrances and secured by the lien thereof in accordance with the terms of such instrument. All other Mortgagees and lienors shall be deemed to consent that such liens shall be inferior to future liens for Assessments, as provided herein, whether or not such consent be specifically set forth in the instruments creating such liens.

(b) To evidence a lien for sums assessed pursuant to this Article, the Association shall prepare a written notice of lien setting forth the amount of the Assessment, the date due, the amount remaining unpaid, the name of the Owner and a description of the Lot. Such a notice shall be signed by an officer of the Association and shall be recorded in the Official Records. No notice of lien shall be recorded until there is a delinquency in payment of the Assessment. Such lien may be enforced by power of sale or judicial foreclosure by the Association in the same manner in which deeds of trust or mortgages on real property are foreclosed in the State of Utah. In any such sale or foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, the costs and expenses of filing the notice of lien and all reasonable attorneys' fees. All such costs, expenses and fees shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any Assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid an amount equal to its then existing lien at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the Lot as the Owner thereof.

(c) A release of notice of lien shall be executed by an officer of the Association and recorded in the Official Records upon payment of all sums secured by such lien which has been made the subject of a recorded notice of lien.

(d) Any Mortgagee or encumbrancer holding a lien on a Lot may pay, but shall not be required to pay, any amounts secured by the lien created by this Section, and upon such payment such Mortgagee or encumbrancer shall be subrogated to all rights of the Association with respect to such lien, including priority.

(e) A lien for common area Assessments will not be affected by the transfer or conveyance of a

Lot, unless such transfer is pursuant to a foreclosure of a Mortgage with priority. In such event, the prior Owner shall nevertheless remain liable for the delinquent Assessments.

8.7 Personal Obligation of Owner. In addition to running with the Lot, the amount of any annual or special Assessment against any Lot shall be the personal obligation of the Owner thereof to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association, at its option, without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any personal obligation by waiver of the use and enjoyment of any of the Common Areas or by abandonment of his Lot.

8.8 Statement of Account. Upon payment of a reasonable fee not to exceed such amount as the Act may allow, and upon written request of any Owner or any Mortgagee, prospective Mortgagee or prospective purchaser of a Lot, the Association shall issue a written statement setting forth the amount of the unpaid Assessments, if any, with respect to a Lot, the amount of the current yearly Assessment and the date that such Assessment becomes or became due, and the amount of any credit for advance payments or prepaid items, including, but not limited to, such Owner's share of prepaid insurance premiums. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith. Unless such request for a statement of account shall be complied with within 10 days, or such longer period allowed by the Act, all unpaid Assessments which became due prior to the date of making such request shall be subordinate to the lien of a Mortgagee which acquires its interest subsequent to requesting such statement, unless such Mortgagee acquires its interest with actual knowledge of the amount of such Assessments. Where a prospective purchaser makes such request, both the lien for such unpaid Assessments and the personal obligations of the purchaser shall be released automatically if the statement is not furnished within the 10 day period provided herein and thereafter an additional written request is made by such purchaser and is not complied with by the Association within an additional 10 days, and the purchaser subsequently acquires the Lot without actual knowledge of the amount of such Assessments.

8.9 Personal Liability of Purchaser for Assessments. Subject to the provisions of Section 8.8, a purchaser of a Lot shall be jointly and severally liable with the seller for all unpaid Assessments against the Lot up to the time of the grant or conveyance, without prejudice to the purchaser's right to recover from the seller the amount paid by the purchaser for such Assessments.

8.10 Reserves for Replacements. As set forth in Section 14.4(b) of this Declaration, the Association shall be required to establish and maintain an adequate reserve fund for the cost of reasonably predictable and necessary major repairs, maintenance and replacement of Common Areas, including Limited Common Areas. Such reserve shall be funded out of Common Area Assessments, upon closing of each Lot by a subsequent owner to the Declarant and shall be included as a part of the closing costs of the purchase transaction. Upon any subsequent sale of any Lot, the seller shall be entitled to withdraw his contribution the reserve and the Lot's then existing portion of the reserve shall be funded by the buyer as part of the closing costs of the transaction. Any amount paid to this reserve shall not be considered as an advance payment of regular Assessments. This reserve fund shall be transferred to a segregated fund in the name of the Association upon transfer of control of the Association to the Owners. The Declarant shall be prohibited from using the reserve funds to defray any of its expenses, reserve contribution, or construction costs, or make up any budget deficits while it is in control of the Association. Upon transfer, the reserve account provided herein shall be maintained separate from the general operating and Assessment account of the Association, but in the Association's name.

IX. INSURANCE

9.1 Provided By Association. The Association shall secure and at all times maintain for the benefit of the Association and the Owners the following insurance coverage:

- (a) **Hazard Coverage.** A multi-peril policy or policies of fire and other hazard insurance covering the entire Project (both Lots/Units and Common Areas), with extended coverage and all other coverage in the kinds and amounts commonly required by private institutional mortgage investors for projects similar in construction, location and use, including the standard "all risk" endorsement, on a replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based upon replacement cost) of the Project. Each such policy shall contain the standard mortgagee clause which must be endorsed to provide that any proceeds shall be paid to the Association for the use and benefit of Mortgagees as their interests may appear. The insured shall be the Association as a trustee for the Owners, or their authorized representatives. In addition, the Association shall obtain, if available, an Inflation Guard Endorsement, and a Building Ordinance or Law Endorsement.
- (b) **Public Liability.** A comprehensive policy of public liability insurance covering all of the Common Areas insuring the Association, the Management Committee and its members, the Manager, and the Owners against any liability incident to the ownership, use, or operation of the Common Areas and public ways of the Project or of any Lot or Unit which may arise among themselves, to the public, or to any invitees, or tenants of the Project, or of the Owners. Limits of liability under such insurance shall be not less than \$1,000,000.00 covering all claims for bodily injury and/or property damage arising out of a single occurrence, including protection against water damage liability, liability for non-owned and hired automobiles and liability for property of others. Such insurance policy shall contain a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association, its committee members, its Officers or the Owners. The scope of coverage must include all other coverage in the kinds and amounts required by private institutional mortgage investors for similar projects in location, construction and use.
- (c) **Workmen's Compensation Insurance.** The Association shall obtain and maintain for the benefit of and on behalf of the Association, workmen's compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms now *or* hereafter required by law.
- (d) **Fidelity Insurance or Bond.** The Association shall purchase for the benefit of and on behalf of the Association, in amounts not less than three months Assessments for all Units, and in such forms as it deems appropriate, fidelity insurance or a bond to cover against dishonesty of Committee members, Officers, employees and others who hold or administer funds, destruction or disappearance of money or securities, and forgery. The fidelity policy or bond shall name the Association as the insured.

9.2 Additional Provisions. The following additional provisions shall apply with respect to insurance.

- (a) In addition to the insurance and bond coverage described above, the Association shall secure and at all times maintain for the benefit of and on behalf of the Association, insurance against such risks as are or hereafter may be customarily insured against in connection with all P.U.D. projects similar to the Project in construction, nature and use.
- (b) All insurance policies shall be written by a company holding a "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance Reports -International Edition, an "A" or better rating in Demotech's Hazard Insurance Financial Stability Ratings, a "BBBq" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's Insurer Solvency

Review, or a "BBB" or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service. Each insurer must be specifically licensed to transact business within the State of Utah. Policies are unacceptable where (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessments may be made against the Association, any Owners or a Mortgagee; (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent a Mortgagee or the Association from collecting insurance proceeds.

- (c) The Association, on behalf of all Owners, individually and collectively, shall have the authority to adjust losses with respect to insurance secured and maintained by the Association, to pursue claims, negotiate and settle claims, and to enter into agreements relative to the same, and each Owner shall be deemed to have appointed the Association as an attorney-in-fact for such purpose.
- (d) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual Owners or their Mortgagees.
- (e) Each policy of insurance obtained by the Association for the benefit of the Association shall provide: a standard mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the Project is located; a waiver (if available) of the insurer's subrogation rights with respect to the Association, the Officers of the Association, the Manager, the Management Committee and its members, the Owners, and their respective servants, agents and guests; that it cannot be canceled, suspended or invalidated due to the conduct of any member, officer, or employee of the Association or of the Manager without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by the Owners; and that a mortgagee clause endorsement which must provide that the insurance carrier shall notify in writing any and all insureds, including the servicers on behalf of Mortgagees thereof at least 30 days in advance of the effective date of any substantial modification or cancellation of the policy.
- (f) Any Owner will obtain additional insurance (H06 policy) at his own expense, so long as such additional insurance does not have the effect of decreasing the amount which may be realized under any policy maintained by the Association. Any Owner who individually obtains insurance covering any portion of the Project shall supply the Management Committee with a copy of his policy within 30 days after he acquires such insurance. Additional Insurance would be up to the deductible limits for the project Master Policy.
- (g) Insurance coverage required by this Article must not be prejudiced by (i) any act or neglect of the Owners, or (ii) any failure of the Association to comply with any warranty or condition regarding any portion of the Project over which the Association has no control.
- (h) All policies of property insurance must provide that notwithstanding any provision affording the insurer the right to elect to restore damage in lieu of a cash settlement, such option shall not be exercisable without the prior written approval of the Association (or any insurance trustee) or when in conflict with the provisions of any insurance trust agreement to which the insurance may be a party, or any requirement of law.
- (i) The foregoing provisions of this Article shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage. In addition to any insurance coverage required hereunder, the Association may obtain such other insurance or

additional insurance in such amounts and in such forms as the Association may deem proper from time to time.

- (j) The Association shall have no responsibility regarding insurance on the personal property of Owners. Each Owner shall acquire for his own protection, such insurance on his contents as he deems appropriate.
- (k) The maximum deductible amount for policies covering Lots or Units and Common Areas shall be the lesser of \$10,000 or 1% of the policy face amount.

X. DAMAGE OR DESTRUCTION

10.1 Procedures. In the event of damage of or destruction of part or all of the improvements in the Project, the following procedures shall apply:

- (a) If proceeds of the insurance maintained by the Association are alone sufficient to repair or reconstruct the damage or destroyed improvement, such repair or reconstruction shall be carried out.
- (b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Association are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all Owners shall be assessed for any deficiency on the basis of their respective Percentage Interests.
- (c) If 75% or more of the Project's improvements are destroyed or substantially damaged and if proceeds of the insurance maintained by the Association are not alone sufficient to accomplish restoration, then unless the Owners within 100 days after the destruction or damage by a vote of at least 67% elect not to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection (b) above.
- (d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Association are insufficient to accomplish restoration, and if the Owners, within 100 days after the destruction by a vote of at least 67% elect not to repair or reconstruct the affected improvements, the Association shall promptly record in the Official Records a notice setting forth such facts. Upon the recording of such notice the provisions of the Act shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

10.2 Determination of Extent of Damage or Destruction. Any determination as to reconstruction or repair which is required to be carried out by this Article regarding the extent of damage to or destruction of Project improvements shall be made by three MAI appraisers selected by the Association. The decision of any two such appraisers shall be conclusive.

XI. OBSOLESCENCE

11.1 Adoption of a Plan. The Owners representing an aggregate voting interest of 80% or more of the Project may agree that the Project is obsolete and adopt a written plan for the renewal and reconstruction, provided that such plan receives the unanimous approval of all first Mortgagees of record at the time of the adoption of such plan. Written notice of adoption of such a plan shall be given to all Owners. Such plan shall be recorded in the Official Records.

11.2 Payment for Renewal and Reconstruction. The expenses of renewal or reconstruction shall be

payable by all of the Owners as Assessments against their respective Lots. These Assessments shall be levied in advance pursuant to Article VIII hereof and shall be allocated and collected as provided in that Article. Further levies may be made in like manner if the amounts collected prove insufficient to complete the renewal and reconstruction.

11.3 Dissents from the Plan. An Owner not a party to such a plan for renewal or reconstruction may give written notice of dissent to the Association within 15 days after the recordation of such plan. The Association shall then give written notice of such dissent to all Owners within five days after the expiration of such 15 day period. Within 15 days after receipt of such notice from the Association, the Owners representing an aggregate voting interest of more than 20% of the Project may cancel the plan by written instrument recorded in the Official Records. If the plan is not canceled then the Lots of each dissenter shall be purchased according to the following procedures. If the Owner and the Association can agree on the fair market value of such Owner's Lot, then such sale and conveyance shall be completed within 60 days thereafter. If the parties are unable to agree on the fair market value of such Owner's Lot, the date when either party notifies the other that he or it is unable to agree with the other shall be the "commencement date" from which all following time periods set forth in this Section shall be measured. Within 10 days following the commencement date, each party shall nominate a qualified appraiser by written nomination and shall give notice to the other of such nomination. In the event a party fails to nominate an appraiser, the appraiser nominated shall, within five days after notice of the other party's failure to appoint an appraiser, appoint and associate with him another qualified appraiser. If the two appraisers designated by the parties, or selected pursuant hereto in the event of default of one party, are unable to agree, they shall appoint another qualified appraiser to be umpire between them, if they can agree on such person. If they are unable to agree upon such umpire, then each appraiser previously appointed shall nominate two qualified appraisers, and from the names of the four persons so nominated one shall be drawn by lot by a judge of any court of record in Utah, and the person whose name is so drawn shall be the umpire. The nominations from among which the name of the umpire is to be drawn by lot shall be submitted within 10 days of the failure of the two appraisers to agree, which, in any event, shall not be later than 20 days, following the appointment of the second appraiser. The decision of the appraisers as to the fair market value, or in the case of their disagreement, the decision of such umpire shall be final and binding. The expenses and fees of such appraisers shall be borne equally by the Association and the Owner. The sale shall be consummated within 60 days after decision of the appraisers, and the Association as attorney-in-fact shall disburse the proceeds first to Mortgagees and encumbrancers (including the Association) in the order of the priority of their liens and the balance remaining to the Owner. The obligation of the Association to make such purchase shall be conditioned on the fair market value of the Unit exceeding the obligations secured by Mortgages and liens on such Lot, and upon the marketability of the title of the Owner. An Owner shall furnish the Association an appropriate commitment for title insurance evidencing marketability of his title not less than 15 days prior to the date set forth completion of the sale. The Association, pursuant to Article VIII hereof, may levy a special Assessment sufficient to provide funds to pay for other Units of the dissenters, provided that such Assessments shall not apply to any of the Owners who are among the dissenters and shall not be liens against the Lots of such Owners.

11.4 Sale of Obsolete Lots. The Owners representing an aggregate ownership interest of 80% or more of the Lots may agree that the Lots are obsolete and that the Project should be sold. Such an agreement must have the unanimous approval of every first Mortgagee of record at the time such agreement is made. In such instance the Association shall forthwith record a notice setting forth such fact or facts, and upon the recording of such notice by the Association the Project shall be sold by the Association as attorney-in-fact for all of the Owners free and clear of the provisions contained in this Declaration, the Map and the Bylaws. The sale proceeds shall be apportioned among the Owners in proportion to the respective undivided interests in the Common Areas, and such apportioned proceeds shall be paid into separate accounts, each such account representing one Lot. Each such account shall remain in the name of the Association, and shall be further identified by the Lot designation and the name of the Owner. From each separate account the Association, as attorney-in-fact, shall use and disburse the total amount

of such accounts without contribution from one account to the other, first to Mortgagees and encumbrancers (including the Association) in the order of the priority of their liens and the balance remaining to each respective Owners.

11.5 Distribution of Excess. In the event amounts collected pursuant to Section 11.2 are in excess of the amounts required for renewal and reconstruction, the excess shall be returned to the Owners by the Association by a distribution to each Owner in an amount proportionate to the respective amount collected from each such Owner.

XII. CONDEMNATION

12.1 Consequences of Condemnation. If at any time or times during the continuance of the P.U.D. ownership pursuant to this Declaration, all or any part of the Project shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the following provisions shall apply.

12.2 Proceeds. All compensation, damages or other proceeds therefrom, the sum of which is hereinafter called the "Condemnation Award", shall be payable to the Association. The Association, on behalf of all Owners, individually and collectively, shall have the authority to represent the Association and all Owners and in such regard shall represent their interests in proceedings; negotiations, settlement and agreements, and each Owner shall be deemed to have appointed the Association as attorney-in-fact for such purpose.

12.3 Complete Taking. In the event that the entire Project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the P.U.D. ownership pursuant thereto shall terminate. The Condemnation Award shall be apportioned among the Owners in proportion to the respective Percentage Interests, provided that if a standard different from the value of the Project as a whole is employed to measure the Condemnation Award in the negotiations, judicial decree, or otherwise, then in determining such shares the same standard shall be employed to the extent it is relevant and applicable. On such basis, the Association shall as soon as practicable determine the share of the Condemnation Award to which each Owner is entitled, and such shares shall be paid into separate accounts and disbursed as soon as practicable in the manner provided in Section 12.4 hereof.

12.4 Partial Taking. In the event that less than the entire Project is taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the P.U.D. ownership hereunder shall not terminate. Each Owner shall be entitled to a share of the Condemnation Award to be determined in the following manner: (a) as soon as practicable the Association shall, reasonably and in good faith, allocate the Condemnation Award between compensation, damages, or other proceeds, and shall apportion the amounts so allocated to taking of or injury to the Common Areas among Owners in proportion to their respective Percentage Interests, (b) the total amount allocated to severance damages shall be apportioned to those Lots which were not taken or condemned, (c) the respective amounts allocated to the taking of or injury to a particular Lot and/or improvements an Owner has made within his Lot shall be apportioned to the particular Lot involved, and (d) the total amount allocated to consequential damages and any other takings or injuries shall be apportioned as the Association determines to be equitable in the circumstances. If an allocation of the Condemnation Award is already established in negotiation, judicial decree, or otherwise, then in allocating the Condemnation Award the Association shall employ such allocation to the extent it is relevant and applicable. Distribution of apportioned proceeds shall be made by checks payable jointly to the respective Owners and their respective Mortgagees and encumbrancers.

12.5 Reorganization. In the event a partial taking results in the taking of a complete Lot, the Owner thereof automatically shall cease to be a member of the Association. Thereafter the Association shall reallocate the ownership, voting rights, and Assessment ratio determined in accordance with this

Declaration according to the same principles employed in this Declaration at the creation of the community association and as required by the Act and shall submit such reallocation to the Owners of remaining Lots for amendment of this Declaration as provided herein.

12.6 Reconstruction and Repair. Any reconstruction and repair necessitated by condemnation shall be governed by the procedures specified in Article X, above.

XIII. USE OF LOTS AND COMMON AREAS

13.1 Lot Use Restrictions. All Lots within the Project shall be used exclusively for residential single family housing (including but not limited to long or short term leases or month to month tenancy, after an initial lease term, for residential purposes) and for no other purposes. Any lease or rental agreement for a Lot must be in writing and subject to the terms of the Declaration, Bylaws, rules, and regulations, and other documentation of the Association.

13.2 Use of Common Areas. There shall be no obstruction of the Common Areas by the Owners or their tenants, guests, or invitees without the prior consent of the Association. The Association may by rules and regulations prohibit or limit the use of the Common Areas as may be reasonably necessary for the purpose of protecting the interests of all the Owners or protecting the Lots or the Common Areas. Nothing shall be kept or stored on any part of the Common Areas without the prior written consent of the Association, except as specifically provided herein. Nothing shall be altered on, constructed in, or removed from, the Common Areas except upon the prior written consent of the Association.

13.3 Prohibition of Damage and Certain Activities. Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would result in the cancellation of the insurance on the Project or any part thereof or an increase of the rate of the insurance on the Project or any part thereof, over what the Association, but for such activity, would pay, without the prior written consent of the Association. Nothing shall be done or kept in any Lot or in the Common Areas or any part thereof which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or any invitee of any Owner, and each Owner shall indemnify and hold the Association and other Owners harmless against all loss resulting from such damage or waste caused by him or his invitees, provided that any invitee of the Declarant shall not be under any circumstances deemed to be an invitee of any other Owner. No noxious, destructive or offensive activity shall be carried on in any Lot or in the Common Areas or any part thereof, nor shall anything be done therein which may be or may become an annoyance or nuisance to any other owner or to any person at any time lawfully occupying a Lot in the Project.

13.4 Rules and Regulations. No Owner or occupant shall violate the rules and regulations for the use of the Lots and/or of the Common Areas as adopted from time to time by the Association.

13.5 Structural Alterations. No structural alterations to any Lot shall be made, no other alterations modifying the external appearance of any Lot and no plumbing, electrical or similar work within the Common Areas (including but not limited to Limited Common Areas) shall be done or caused to be done by any Owner without the prior written consent of the Association.

13.6 Restriction on Signs and Attachments. No signs, flags, satellite dishes, windsocks, wind chimes, hanging plants, bird feeders, advertising devices, or other exterior attachments or attachments visible from outside of a Lot (collectively, "Attachments") shall be erected, displayed or maintained on any part of the Project without the prior written approval of the Association, except (i) as may be necessary temporarily to caution or warn of danger or to provide directions as required by law, and (ii) such signs as Declarant may erect or maintain incident to sale or lease of Lots. If the Association

consents to the erection of any Attachment, the same shall be removed promptly at the request of the Association.

13.7 Animals. No animals of any kind shall be raised, bred, or kept in or on the Property for any purpose, except an Owner or occupant may have one appropriately licensed cat or dog ("Pet") per Lot, provided: (a) they abide by the rules and regulations adopted by the Committee, (b) **the Pet does not weigh more than 30 pounds**, and (c) the Pet does not have a known propensity for violence. No animal enclosures shall be erected, placed, or permitted to remain on any portion of the Common Areas, nor shall any animal be kept tied to any structure outside the Unit. The keeping of Pets and use of the Common Areas shall be subject to such rules and regulations as may be issued by the Management Committee from time to time. Pets shall be on a leash at all times when outside a Unit. No Pet shall be permitted to defecate or urinate on any portion of the Common Areas, and the Owner of any Pet which does so shall immediately remove and clean up any feces or urine left upon the Common Areas by his/her Pet. If an Owner or occupant fails to abide by the rules and regulations and/or covenants applicable to Pets, the committee may, in addition to all other actions permitted hereunder, bar such Pet from the Common Areas. The Management Committee may regulate the use of the Common Areas through a user fee, which may be a general fee for all similarly-situated persons or a specific fine or fee imposed for failure of an Owner or occupant to abide by the rules, regulations, and/or covenants applicable to Pets. In addition, any Pet which endangers the health of any Owner or occupant of any Lot or which creates a nuisance or an unreasonable disturbance or is not a common household Pet, as may be determined in the sole discretion of the Committee, must be permanently removed from the Property upon seven days written notice by the Management Committee.

13.8 Recreational Vehicles and Parking. No recreational vehicle (boat, camper, trailer, motor home, or similar item) shall be parked on any portion of the Common Areas except in common areas designated for loading and unloading only, nor shall the same be left in such area longer than 24 hours. All such parking shall be subject to rules and regulations adopted by the Association. Notwithstanding any other provisions hereof, Declarant, until all Lots have been sold, and thereafter the Association, shall have the right to assign, lease and/or sell parking stalls to individual Lot Owners on such terms as it may desire, as long as a number of unassigned, un-rented and unsold parking stalls remains available equal to the number of Lots for which a parking stall has not be assigned, rented or sold. All parking stalls are shown on the Map as "Common Area" or "Limited Common Area," and whether or not assigned, sold or rented, the Association shall be responsible for the maintenance and repair thereof, and the cost of such management, operation, maintenance and repair by the Association shall be borne as provided in Article VIII.

13.9 No Overloading. No Owner shall bring anything into his Unit or permit anything to be done in his Unit that will cause damage to the Buildings. No Owner shall permit the use or operation in his Unit of any equipment or other device that will in any manner injure the Buildings or any portion thereof.

13.10 Exemption of Declarant. The provisions of this Article shall not apply to any improvement or structure constructed on the Property by Declarant prior to the time that Lots and appurtenant Percentage Interests are conveyed by Declarant to purchasers; and the Declarant shall have the right to use any Lot owned by it, and any part of the Common Areas reasonably necessary or appropriate, in furtherance of any construction, marketing, sales, management, promotional, or other activities designed to accomplish or facilitate improvement of the Common Areas or improvement and sale of Lots owned by Declarant.

XIV. MORTGAGEE PROTECTION

14.1 Notice to First Mortgagee. From and after the time a first Mortgagee (or an insurer or guarantor thereof) makes written request to the Association there for, stating both its name and address and the

Lot number or address of the Lot on which it has (or insures or guarantees) a Mortgage, the Association shall notify such first Mortgagee (or such insurer or guarantor thereof) in writing of the following: (i) in the event that the Owner of the Lot neglects for a period of 60 or more days to cure any failure on his part to perform any of this obligations under this Declaration; (ii) any condemnation or casualty loss that affects either a material portion of the Project or the Lot securing its Mortgage; (iii) a lapse, cancellation, or material modification of any insurance policy maintained by the Association; (iv) any proposed action that requires the consent of a specified percentage of first Mortgagees; and/or (v) any material changes to the Project, the Bylaws, this Declaration, the Assessments or the Percentage Interests.

14.2 Priority of Liens for Unpaid Assessments. The lien or claim against a Lot for unpaid Assessments or charges levied by the Association pursuant to this Declaration or the Act shall be subordinate to a Mortgage affecting such Lot provided that such Mortgage was recorded prior to recording of such notice of lien or claim levied by the Association, and the Mortgagee thereunder which comes into possession of or which obtains title to the Lot shall take the same free of such lien or claim for unpaid Assessments or charges, but only to the extent of Assessments or charges which accrue prior to foreclosure of the Mortgage, exercise of a power of sale available thereunder, or deed or assignment in lieu of foreclosure (except for claims for a pro rata share of such prior Assessments or charges resulting from a pro rata reallocation thereof to all Lots including the Lot in which the Mortgagee is interested). No Assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not to burden a Mortgagee which comes into possession or which obtains title shall be collected or enforced by the Association from or against a Mortgagee, a successor in title to a Mortgagee, or the Lot affected or previously affected by the Mortgage concerned.

14.3 First Mortgagee Consents. Unless at least 67% of the first Mortgagees (based upon one vote for each Mortgage) of the individual Lots subject to first Mortgages consent in writing, the Association shall not be entitled, by act, omission, or otherwise:

- (a) To abandon or terminate the Project or to abandon or terminate the community association arrangement which is established by this Declaration and the Map;

- (b) To partition or subdivide any Lot;

- (c) To abandon, partition, subdivide, encumber, sell or transfer all or any part of the Common Areas (except for the granting of easements for utilities and similar purposes consistent with the intended use of the Common Areas);

- (d) To use hazard insurance proceeds resulting from damage to any part of the Project (whether to Units or to the Common Areas) for purposes other than the repair, replacement or reconstruction of such improvements, except as provided in Article IX;

- (e) To change the interest or obligations of any Lot which apply for purposes of (i) levying Assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, and (ii) determining the pro rata share of ownership of each Lot in the Common Areas, except as such changes may occur as a result of partial condemnation or as otherwise permitted hereunder.

14.4 Miscellaneous Mortgagee Rights.

- (a) The Association shall not: (i) alter the provisions of Article IX in such a way as to diminish the insurance protection required to be afforded to the parties designated to be protected thereby; or (ii) fail to maintain the insurance coverage described in said Article.

- (b) Any first Mortgagee shall have the right, at its request and expense and upon reasonable

notice, to examine the books and records of the Association. After the commencement of sale of individual Lots, the Association shall establish an adequate reserve to cover the cost of reasonably predictable and necessary major repairs, maintenance and replacement of the Common Areas and shall cause such reserve to be funded by regular monthly or other periodic Assessments against the Lots rather than by special Assessments.

(c) From and after the time a first Mortgagee makes written request to the Association therefore, the Association shall notify such Mortgagee in writing in the event that there occurs any damage or loss to, or taking or anticipated condemnation of: (i) the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of, \$50,000.00; or (ii) any Lot encumbered by the Mortgage held by such Mortgagee, if the amount involved in such damage, loss, or taking is in excess of, or reasonably estimated to be in excess of, \$10,000.00. Said notice shall be given within ten days after the Association learns of such damage, loss, taking or anticipated condemnation.

(d) No provision of this Declaration gives or may give any Owner or any other party priority over any rights of Mortgagees pursuant to their respective Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for loss to or taking of Lots and/or the Common Areas.

(e) In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations or limits of authority, as the case may be, applicable to the Association with respect to the subject concerned.

(f) No amendment to this Declaration which has the effect of diminishing the rights, protection, or security afforded to first Mortgagees shall be accomplished or effected unless 51% of the first Mortgagees of the individual Lots have given their prior written approval to such amendment. A change to the provisions governing the events set forth in Section 15.1(c) would be considered material requiring the consent of first Mortgagees as provided herein. Any amendment to this Article shall be accomplished by an instrument executed by the Association and recorded in the Official Records. In any such instrument an officer of the Association shall certify that any prior written approval of first Mortgagees required by this Article as a condition to amendment has been obtained.

14.5 Implied Approval. In the event that the approval of a first Mortgagee is required pursuant to the provisions of this Article or elsewhere herein, and in the event a first Mortgagee fails to submit a response to any written proposal for an amendment within 30 days after it receives proper notice of the proposal, approval will be deemed to have been given, provided notice was delivered to such Mortgagee by certified or registered mail, "return receipt" requested.

XV. AMENDMENT

15.1 Except as provided in and/or subject to the terms of items (a) through (c) below, the vote of Owners holding at least 67% of the Percentage Interest In Madison Square PUD Phase II shall be required to amend this Declaration or the Map. Any amendment so authorized shall be accomplished through the recordation in the Official Records of an instrument executed by the Association. In such instrument an officer of the Association shall certify that the vote required by this Article for amendment has occurred. The foregoing right of amendment shall, however, be subject to the following:

(a) Any amendment to Article XIV ("Mortgagee Protection") shall be subject to the requirements for amendment contained in such Article.

(b) Until the Declarant has sold all Lots, Declarant shall have the right unilaterally to

amend and supplement this Declaration and the Map to correct any technical errors or to clarify any provision to more fully express the intent of the Declarant for development and management of the Project.

(c) Until the Declarant has sold all Lots which it intends to sell to purchasers, no amendment to the Map or to any provisions of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection, or control accorded to Declarant (in its capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by the Declarant.

(d) A change to the following provisions shall require the vote of Owners as provided in this Section 15.1 as well as the vote of first Mortgagees in accordance with the requirements of Section I 4.4 (f) above:

- (i) voting rights;
- (ii) increases in Assessments that raise the previously assessed amount by more than 25% in any year, Assessment liens, or the priority of Assessment liens;
- (iii) reductions in reserves for maintenance, repair, and replacement of Common Areas
- (iv) responsibility for maintenance and repairs;
- (v) reallocations of interests in the Common Areas or Limited Common Areas, or rights to their use;

- (xiii) restoration or repair of the Project (after damage or partial condemnation) in a manner other than that specified in the Declaration;
- (xiv) any provisions that expressly benefit first Mortgagees, insurers, or or guarantors.
