Said reservations of the "Grantor" Redevelopment Agency of Salt Lake City, being as follows:

Grantor, his successors or assigns, reserve the subterranean rights to the entire area beneath the right-of-way as well as the air space above the entire area beginning at a height of 15 feet over said right-of-way extending upwards from a point 15 feet above the surface. Air rights over the right-of-way shall only be used to provide ingress and egress to buildings on either side of the right-of-way or for a canopy or covering over the right-of-way. Grantor further reserves the right to temporarily interrupt grantees right of ingress or egress over or along the surface of said right-of-way for the purpose of constructing or maintaining improvements on the property. Said improvements may be constructed above, beneath, or at ground level so long as they do not permanently interfere with grantee's right of pedestrian and vehicle ingress and egress. Vehicles shall be excluded from the Easternly 5 feet of said right-of-way.
