C. Declarant intends to develop a residential subdivision on the Property pursuant to the Community Association Act, Utah Code Sections 57-8a-101, *et seq.*, as amended from time to time. Declarant will develop and convey all of the Lots within the Subdivision subject to a general plan of development, and subject to certain protective covenants, conditions and restrictions all as set forth in this Declaration, and which are deemed to be covenants running with the land mutually burdening and benefitting each of the Lots within the Subdivision.

D. Declarant desires to subject the Property, to the terms of this Declaration, to the terms and conditions of this Declaration. The Common Areas are those areas that are depicted as Common Areas in the recorded Plat(s), as well as future Common Areas depicted on future recorded Plat(s). Common Areas shall include any structures, fencing and/or detention basin(s) depicted on the official and recorded Plat(s) for the Subdivision. Said structures, fencing and/or detention basins, including any structures related to the operation or maintenance thereof shall be conveyed to the Association upon the recording of the Plat(s) depicting said structures.

E. Declarant has deemed it desirable, for the efficient preservation of the values and amenities of the Property, to create an entity which possesses the powers to maintain and administer the Common Areas and collect and disburse the assessments and charges provided for in this Declaration and otherwise administer and enforce the provisions of this Declaration. For such purposes, contemporaneously with the recording of this Declaration, Declarant will register with the Utah Department of Commerce Easton Villages Subdivision Owners' Association (the "Association").

F. The Association is governed by the terms of this Declaration, the Articles of Incorporation for Easton Villages Subdivision Owners' Association and the Bylaws for Easton Villages Owners' Association, which is attached hereto as **Exhibit "A"** and shall be recorded in the Davis County Recorder's Office contemporaneously with the recording of this Declaration.

G. Declarant declares that the Property shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied, and improved, subject to the following easements, restrictions, covenants, conditions and equitable servitudes, all of which are for the purpose of uniformly enhancing and protecting the value, attractiveness and desirability of the Property, in furtherance of a general plan for the protection, maintenance, subdivision, improvement and sale of the Property or any portion thereof. The covenants, conditions, restrictions, reservations, easements and equitable servitudes set forth herein shall run with each Lot located on the Property, including any additions thereto, and shall be binding upon all persons having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns and shall inure to the benefit of every portion of the Property and any interest therein; and shall inure to the benefit of and be binding upon Declarant, and its successors in interest; and may be enforced by any Owner and its successors in interest and by the Association.

H. Notwithstanding the foregoing, no provision of this Declaration shall prevent the Declarant from doing any of the following, which shall be deemed to be among Declarant's reserved rights in addition to such rights as may be described elsewhere in this Declaration: (1) installation and completion of the Subdivision Improvements; (2) use of any Lot owned by the Declarant as a model home, or for the placement of a temporary construction or sales office; (3) installation and maintenance of signs incidental to sales or construction which are in compliance with applicable City or County ordinances; (4) assignment of Declarant's rights under this Declaration in whole or part to one or more builders intending to construct homes or model homes within the Subdivision; and (5) retention of Declarant's rights with respect to subsequent phases of the Subdivision. This Declaration shall be binding upon the Declarant as well as its successors in interest, and may be enforced by the Declarant, the Association, or by any Owner of a Lot within the subdivision on the Property. A supplemental declaration, with such modifications or supplemental provisions as may be deemed appropriate by Declarant on a phase-by-phase basis to address differences in the circumstances affecting any Lots to be constructed after the initial phase.

Said easement being reserved to the Declarant, its successors and assigns, is intended hereby to run with the land in perpetuity to burden the Property for the benefit of Declarant's real property located near or adjacent to the Property, subject to the payment of a prorata share of the costs of maintenance thereof.

### ARTICLE III

#### OWNERS

3.1 Owner shall mean and refer to one (1) or more Persons who hold the record title to any Lot which is part of the Property, but excluding in all cases any party holding an interest merely as security for the performance of an obligation. If a Lot is sold under a recorded contract of sale and the contract specifically so provides, then the purchaser (rather than the fee Owner) will be considered the Owner. If a Lot is subject to a written lease with a term in excess of one (1) year and the lease specifically so provides, then upon filing a copy of the lease with the Board of Trustees, the lessee (rather than the fee owner) will be considered the Owner.

### ARTICLE IV

#### MEMBERSHIP

4.1 One (1) membership in the Association shall be granted per Lot. No Owner, whether one (1) or more Persons, shall have more than one (1) membership in the Association per Lot owned. In the event the Owner of a Lot is more than one (1) Person, voting rights and rights of use and enjoyment shall be exercised as provided by this Declaration and as agreed amongst such interest holders. The rights and privileges of membership may be exercised by a Member or the Member's spouse, subject to the provisions of this Declaration and the Bylaws. The membership rights of a Lot owned by a corporation, partnership or other legal entity shall be exercised by the individual designated from time to time by the Owner in a written instrument provided to the Secretary of the Association, subject to the provisions of this Declaration and the Bylaws.

### ARTICLE V

#### VOTING

5.1 The Association shall have two (2) classes of voting membership, Class "A" and Class "B", as follows:

- (A) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Class "A" membership shall be entitled to one (1) equal vote for each Lot in which they are an Owner. There shall be only one (1) vote per Lot. In any situation where an Owner is entitled personally to exercise the vote for his Lot and more than one (1) Person holds the interest in such Lot required for membership, the vote for such Lot shall be exercised as those Persons determine among themselves and advise the Board, in writing, prior to any meeting. In the absence of such advice, the

Lot's vote shall be suspended if more than one (1) Person seeks to exercise it.

- (B) Class "B". The Class "B" Member shall be Declarant. In all matters requiring a vote, the Class "B" membership shall receive four (4) votes for each recorded Lot owned by Declarant. The Class "B" membership shall also be entitled to appoint the members of the Board of Trustees during the Class "B" Control Period.

#### ARTICLE VI

##### CONTROL PERIOD

6.1 The Class "B" Member Control Period runs until the later of the following occurs:

- (A) When the total number of votes for the Class B Member is less than the total number of votes for the Class A Members; or
- (B) When, at its discretion, the Class B member so determines.

#### ARTICLE VII

##### HOMEOWNERS ASSOCIATION

7.1 To effectively enforce this Declaration, the Declarant has created an Association called EASTON VILLAGES SUBDIVISION OWNERS' ASSOCIATION. The Association shall be comprised of the Owners of Lots within the Subdivision, and is established to perform the following functions and exercise the following rights and powers for the benefit of the Owners and the enforcement of these covenants. Membership in the Association is deemed an appurtenance to the Lot, and is transferable only in conjunction with the transfer of the title to the Lot. The Association shall have and exercise, as necessary, the following powers:

7.2 Enforcement Powers. The Association shall have the power to enforce these covenants by actions in law or equity brought in the name of the Association, the power to retain professional services needed to the enforcement of these covenants and to incur expenses for that purpose. The officers of the Association shall have the authority to compromise claims and litigation on behalf of the Association resulting from the enforcement of these covenants. In the event that the Board of the Association initiates legal action against a specific lot owner or owners to enforce these covenants, and the Association prevails in a court of law, then the Board of the Association shall have the right to assess the costs of such litigation against the lot or lots in question. The Board of the Association may file against such lot or lots with the amount involved to carry interest at the current statutory rate for judgments unpaid paid. The Board is further authorized to take whatever reasonable action is necessary to obtain payment including, but not limited to, foreclosure of the lien.

The Board of the Association shall have the exclusive right to initiate enforcement actions in the name of the Association, however this shall not limit the individual right of Lot Owners to personally enforce these covenants in their own name. The Association may appear and represent the interest of the Subdivision at all public meetings concerning zoning, variances, or other matters of general application and interest to the Owners. Owners may appear individually.

7.3 Assessments. The Association has the power to levy assessments against each Lot as necessary to carry out these functions. An equal assessment shall be levied against all Lots, whether vacant or improved. Assessments will be made annually to meet the anticipated and recurring costs, expenses and other expenditures of the Association including, but not limited to, the costs of litigation, maintenance, acquisition, repair and replacement of capital facilities, liability insurance, any water for irrigation of areas within the control of the Association, reimbursement of expenses incurred by the Board and Architectural Committee in performance of their obligations, the costs of complying with and enforcing rights under these covenants, and working capital, capital improvements and contingency reserves. Notice of the assessment and the proposed amount of the annual assessment will be given in advance along with the notice of the annual meeting of the Association, provided that the amount of the proposed assessment may be increased or decreased at the meeting in which it is approved by the Owners. The Association may also levy special assessments to cover unanticipated expenses or shortfalls. No special assessment will be levied without approval of a majority of a quorum of the Owners in attendance in person or by proxy at a meeting called for that purpose.

7.4 Reserve Fund Analysis. Following the conclusion of the Class "B" Control Period, the Board shall cause a reserve analysis to be conducted no less frequently than every five (5) years, separately for the Common Areas. The Board may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board, to conduct the reserve analysis.

- (A) The Board may not use money in a reserve fund:
- (i) For daily maintenance expenses unless a majority of the Owners vote to approve the use of reserve fund money for that purpose;
  - (ii) For any purpose other than the purpose for which the reserve fund was established;

7.5 Reserve Fund Creation. Based on the results of the reserve analysis, the Board shall create a reserve fund into which the Board shall cause to be deposited those Common Area assessments collected from Owners for the purpose of funding a separate reserve fund for Common Areas. The Board shall cause an assessment to be made against all Owners, which assessment shall be collected on the same terms and conditions as other common expenses, in an amount sufficient to fund the reserve fund according to the findings of the reserve analysis. The Board shall maintain a reserve fund separate from other funds of the Association.

7.6 Date of Commencement of Assessments. The assessments provided for herein shall commence as to each Lot on the first day of the first month following: (i) the date of conveyance of the Lot by Declarant; or (ii) the effective date of the first budget, whichever is later. Assessments shall be due and payable in a manner and on a schedule as the Board of Trustees may provide. The first annual assessment shall be adjusted according to the number of days remaining in the fiscal year at the time assessments commence on the Lot.

7.7 Association Rules. The Board from time to time and subject to the provisions of this Declaration may adopt, amend, repeal and enforce rules and regulations governing, among other things, (a) the use of the Common Areas; (b) the use and operation of any facilities owned by the Association, including the preparation and execution of contracts for the maintenance and operation of the Common Areas; (c) the collection and disposal of refuse; (d) the maintenance of animals on the Property; (e) other matters concerning the use and enjoyment of the Property and the conduct of residents; and additional architectural guidelines, as deemed necessary by the Board.

7.8 Statement of Account. Any Owner may request the Association to provide a statement of his account to any lender or prospective buyer of that Lot showing the assessments to be paid in full, or the amount of any past due assessments. The Buyer or Lender for whom such statement was prepared will be entitled to rely on its accuracy, and will not be held liable for any amounts now shown on the statement. The Association may charge a transfer fee, not to exceed the amount(s) set forth in the Utah Community Association Act for providing such statements and for changing its records to reflect the name of the new Owner. Those individuals selling Lots and those individuals buying Lots subject to these covenants agree to share that cost equally.

7.9 Indemnity of Association Board and Officers. The Association will indemnify the officers, agents and Board of the Association against any and all claims arising against them personally which are a result of the good faith exercise of the powers, duties and responsibilities of their office under this Declaration.

7.10 Election. The elections for members of the Board of Trustees, or any other matter which is presented to the Association, each Owner, including the Declarant, shall be entitled to cast one vote for each Lot he or she owns. In the case of a Lot with multiple Owners, the Owners will agree among themselves how the vote applicable to that Lot will be cast, and if no agreement can be reached, no vote will be received from that Lot. Any of the multiple Owners appearing at the meeting in person or by proxy is deemed to be acting with proper authority for all the other Owners of that Lot unless the other Owners are also present or have filed written objections to that Owner's representation of the other Owners of the Lot in question.

7.11 Notice of Election, Notice of Meeting and Special Meetings. Notice of any meeting shall be conducted as set forth in the Articles of Incorporation and Bylaws of the Association.

7.12 Number of Board, Term of Office. The appointment, election and term of the Members of the Board are set forth in the Bylaws and Articles. Members of the Board of Trustees may serve consecutive terms, and may also serve as officers of the Association.

7.13 Independent Accountant. The Association may retain the services of an independent accountant to assist the Board of Trustees and Officers to maintain accurate financial records of the Association.

## ARTICLE VIII

### LIEN FOR ASSESSMENTS & THE APPOINTMENT OF TRUSTEE

8.1 Upon recording of a notice of lien on any Lot, there shall exist a perfected lien for unpaid assessments prior to all other liens, except: (1) all taxes, bonds, assessments, and other levies which by law would be superior thereto; and (2) the lien or charge of any first or second Mortgage of record (meaning any recorded Mortgage with first priority over other Mortgages) made in good faith and for value.

8.2 Such lien, when delinquent, may be enforced by suit, judgment, and foreclosure.

8.3 The Association, acting on behalf of the Owners, shall have the power to bid for the Lot at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be charged or levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged had such Lot not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid Common Expenses and attorney fees shall be maintainable without foreclosing or waiving the lien securing the same.

8.4 The Declarant hereby conveys and warrants pursuant to U.C.A. Sections 57-1-20 and 57-8a- 4022 to Melven E. Smith, Esq., a licensed member of the Utah State Bar, with power of sale, any Lot and all improvements thereon for the purpose of securing payment of Assessments under the terms of this Declaration.

8.5 All rights and remedies of the Association shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy. The "One Action Rule" shall not be a defense to the enforcement of all rights and remedies of the Association.

**ARTICLE IX**

**SUBORDINATION OF THE LIEN TO INSTITUTIONAL  
FIRST AND SECOND MORTGAGES**

9.1 The lien of assessments, including interest, late charges (subject to the limitations of Utah law), and costs (including attorney fees) provided for herein, shall be subordinate to the lien of any institutional first or second Mortgage upon any Lot. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of an institutional first or second Mortgage, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer; provided, that to the extent there are any proceeds of the sale on foreclosure of such Mortgage or by exercise of such power of sale in excess of all amounts necessary to satisfy all indebtedness secured by and owed to the holder of such Mortgage, the lien shall apply to such excess. No sale or transfer shall relieve such Lot from lien rights for any assessments thereafter becoming due. Where the Mortgagee holding an institutional first or second Mortgage of record or other purchaser of a Lot obtains title pursuant to remedies under the Mortgage, its successors and assigns shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer. Such unpaid share of Common Expenses or assessments shall be deemed to be Common Expenses collectible from Owners of all the Lots, including such acquirer, its successors and assigns. No foreclosure, sale or transfer shall relieve any Owner who was the Owner prior to such foreclosure, sale or transfer from personal liability for any assessments due and owing prior to such foreclosure, sale or transfer.

**ARTICLE X**

**OWNERS= MAINTENANCE OBLIGATIONS**

10.1 Duty to Maintain. It is the obligation of each Owner to maintain his Lot at all times in order to preserve and enhance the enjoyment of the Subdivision. The Owner of each Lot shall maintain his Lot in a good state of repair and in an attractive, safe and healthy condition.

10.2 Repair by Association. In the event that an Owner permits his Lot or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 30 days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Lot and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision. In addition, each Owner hereby grants to the Association a lien on the Lot and any improvements to secure

repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Lot in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

10.3 Alterations of Exterior Appearance. The Owners will maintain their Lots and Improvements in substantially the same condition and appearance as that approved by the Architectural Committee. No subsequent exterior alterations, improvements or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the Committee.

10.4 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the Architectural Committee, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Declaration is intended to prevent an Owner who has suffered property damage or loss from taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage, before re-construction begins. Such temporary measures may be taken without the consent or approval of the Architectural Committee, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. No damaged structure will be permitted to remain on any Lot for more than 90 days without repairs commencing and any damaged structure which does remain unrepaired after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Association.

## ARTICLE XI

### INSURANCE

11.1 Casualty Insurance. The Board, or its duly authorized agent, shall have the authority to and shall obtain blanket all-risk casualty insurance, if reasonably available, for all insurable improvements on the Common Areas. If blanket all-risk coverage is not available, then at a minimum, an insurance policy providing fire and extended coverage shall be obtained. This insurance shall be in an amount sufficient to cover one hundred (100%) percent of the replacement cost of any repair or reconstruction in the event of damage or destruction to the Common Areas from any insured hazard.

11.2 Liability Insurance. The Board, or its duly authorized agent, shall also obtain a public liability policy covering the Common Areas, the Association, and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, their invitees, guest, successor or assigns. The public liability policy shall be in an adequate amount as determined by the Board from time to time.

11.3 Premiums. Premiums for all insurance on the Common Areas shall be Common Expenses of the Association and shall be included in the Base Assessment.

11.4 Name of the Association. All insurance coverage obtained by the Board of Trustees shall be written in the name of the Association as trustee for the respective benefited parties, as further identified in below. Such insurance shall be governed by the provisions hereinafter set forth:

- (A) All policies shall be written with a company licensed to do business in Utah which holds a Best's rating of A or better and is assigned a financing size category of XI or larger as established by A.M. Best Company, Inc., if reasonably available, or if not available, the most nearly equivalent rating.
- (B) All policies on the Common Areas shall be for the benefit of the Association, its Members, and Mortgagees providing construction financing on the Common Areas.
- (C) Exclusive authority to adjust losses under policies obtained by the Association on the Property shall be vested in the Association's Board of Trustees; provided, however, no Mortgagee having an interest in such losses may be prohibited from participating in the settlement negotiations, if any, related thereto.
- (D) In no event shall the insurance coverage obtained and maintained by the Association's Board of Trustees hereunder be brought into contribution with insurance purchased by individual Owners, occupants, or their Mortgagees.
- (E) All casualty insurance policies shall have an inflation guard endorsement, if reasonably available, and an agreed amount endorsement with an annual review by one or more qualified persons, at least one of whom must be in the real estate industry and familiar with construction in the Davis County, State of Utah area.
- (F) The Association's Board of Trustees shall be required to make every reasonable effort to secure insurance policies that will provide for the following:
  - (i) a waiver of subrogation by the insurer as to any claims against the Association's Board of Trustees, its manager, the Owners, and their respective tenants, servants, agents, and guests;
  - (ii) a waiver by the insurer of its rights to repair and reconstruct, instead

of paying cash;

- (iii) a statement that no policy may be canceled, invalidated, suspended, or subject to non-renewal on account of any one or more individual Owners;
- (iv) a statement that no policy may be canceled, subject to non-renewal on account of the conduct of any Trustee, officer, or employee of the Association or its duly authorized manager without prior demand, in writing, delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Owner, or any Mortgagee;
- (v) that any "other insurance" clause in any policy exclude individual Owners' policies from consideration; and
- (vi) that the Association will be given at least thirty (30) days' prior written notice of any cancellation, substantial modification, or non-renewal.

11.5 Worker's Compensation. In addition to the other insurance required by this section, the Board shall obtain, as a Common Expense, worker's compensation insurance, if and to the extent required by law; the Board's and officers' liability coverage, if reasonably available, a fidelity bond or bonds on the Board, officers, employees, and other Persons handling or responsible for the Association's funds, if reasonably available, and flood insurance, if required. The amount of fidelity coverage shall be determined in the Board's best business judgment. Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

## ARTICLE XII

### DAMAGE & DESTRUCTION

12.1 Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board of Trustees or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by

changes in applicable building codes.

12.2 Any damage or destruction to the Common Areas shall be repaired or reconstructed unless the Members representing at least sixty-seven (67%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No Mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction Mortgagees providing construction financing for such damaged property.

12.3 In the event, that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

### ARTICLE XIII

#### DISBURSEMENT OF PROCEEDS

13.1 If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and the Mortgagee(s) as their interest may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Lot and may be enforced by such Mortgagee.

### ARTICLE XIV

#### REPAIR AND RECONSTRUCTION

14.1 If the damage or destruction to the Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board of Trustees shall, without the necessity of a vote of the Members, levy a Special Assessment against all Owners on the same basis as provided for Base Assessments. Additional

assessments may be made in like manner at any time during or following the completion of any repair or reconstruction.

## ARTICLE XV

### CONDEMNATION

15.1 Whenever all of any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of Members representing at least two-thirds (2/3) of the total Association vote by any authority having the power of condemnation or eminent domain, each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the common areas on which improvements have been constructed, then, unless within sixty (60) days after such taking Declarant and Members representing at least sixty-seven percent (67%) of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Trustees of the Association. If such improvements are to be repaired shall apply. If the taking does not involved any improvements of the Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board of Trustees of the Association shall determine.

This includes, without limitation, the storage of caustic, toxic, flammable, explosive or hazardous materials in excess of those

### ARCHITECTURAL COMMITTEE

17.1 Purpose. It is the intention and purpose of this Declaration to impose architectural standards on the improvements to any Lot of a type and nature that result in buildings which are architecturally compatible in terms of lot coverage, proportion, materials, colors and general appearance. To accomplish this goal, the Declarant hereby establishes the Architectural Committee, which is empowered to oversee and enforce the Architectural Design Standards set forth in this Declaration.

17.2 Architectural Committee Created. The Architectural Committee will consist of three members, at least two of whom shall be members of the Board of Trustees of the Association. The initial committee will consist of three people appointment by the Declarant, who do not need to be Owners. At the time that all Lots on the Property have been built on, all of the members of the Architectural Committee will be elected by the Owners; however, the Architectural Committee may wish to retain a qualified planning or architectural professional to handle the day to day work of the committee.

17.3 Approval by Committee Required. No Improvements of any kind will be made on

any Lot without the prior written approval of the Architectural Committee. Approval of the Committee will be sought in the following manner:

- (A) Plans Submitted. Two complete sets of the plans for the construction of any new Dwelling or Improvements must be submitted to the Committee for review. In the case of an addition or modification of an existing Dwelling, the Committee may waive any of the foregoing it feels are unnecessary to its review of the remodel or addition.
  
- (B) Review. Within 30 days from receipt of a complete submission, the committee will review the plans and make an initial determination whether or not the plans comply with the conditions imposed by the Declaration. If they do not, the plans will be rejected. If they are in compliance, the committee will approve the plans. The Committee may also approve the plans subject to specific modifications or conditions. Owners may desire to submit preliminary plans for review. The committee will review preliminary plans, and make its comments known to the Owner provided; however, that no preliminary approval is to be considered a final approval, and no final approval will be granted on less than a complete submission. Upon approval, the Committee will sign a copy of the plans, one of which shall be left with the Committee. No construction that is not in strict compliance with the approved plans will be permitted.
  
- (C) Failure to Act. If the committee has not approved or rejected any submission within 45 days after submission of complete plans, the submission is deemed to have been disapproved. If the plans are disapproved as a result of the committee's failure to act, then the applicant may send, by certified mail, return receipt requested, notice to any member of the Architectural Committee that if the plans are not either approved or disapproved, as submitted, within 15 days from the date the notice is MAILED, then the plans will be deemed to be approved. If within such 15 day period, the committee fails to respond to the notice by either approving or disapproving the plans, then the plans will be deemed to have been approved; provided, however, that the submission and Improvements do not, in fact, violate any conditions imposed by this Declaration.

17.4 Variations. Variations to the design standards contained in this Declaration may be granted when strict application would create an unforeseen or unreasonable hardship to the Owner of any Lot; provided, however, that any variance granted pursuant to this Section 3.3 is consistent with the intent of this Declaration. The Architectural Committee cannot grant any variance that has the effect of modifying applicable zoning or building code regulations. The burden of obtaining a variance is entirely on the applicant.

17.5 General Design Review. The Committee will use its best efforts to provide a consistent pattern of development, and consistent application of standards of this Declaration. These standards are, of necessity, general in nature, and it is the Committee's responsibility to apply them in a manner that results in a high quality, attractive and well-designed community.

17.6 Declarant, Board and Committee not Liable. The Declarant, the Board, and the Committee and its members shall not be liable to the applicant for any damages, or to the Owners of any Lots within the Subdivision for their actions, inactions, or approval or disapproval of any set of plans submitted to the Committee for review. The Owners' shall have no claim against the Declarant or Committee as a result of the performance or failure to perform the duties created by this Declaration. Each Owner has an equal duty and right to enforce these covenants against every other Owner, and may seek independent redress if it believes the Committee has acted improperly.

17.7 Limitations on Review. The Committees review is limited to those matters expressly granted in this Declaration. The Committee shall have no authority over the enforcement of building codes, zoning ordinances, or other statutes, laws or ordinances affecting the development or improvement of real property and shall have no liability to any Owner whose plans were approved in a manner that included any such violation. Corrections or changes in plans to bring them into conformity with applicable codes must be approved by the Committee prior to construction.

17.8 Exclusion of Declarants. Neither Declarant nor its assigns are subject to any review or conditions opposed upon other Lot owners by the Architectural Committee. Declarant need not receive any approval from the Architectural Committee.
