## ARTICLE II EASEMENTS

2.1 Easement Concerning Common Area. Each Owner shall have a nonexclusive right and easement of use and enjoyment in and to the Common Area. Such right and easement shall be appurtenant to and shall pass with title to each Lot and in no event shall be separated therefrom, or encumbered, pledged, assigned or otherwise alienated by an Owner. Any Owner may temporarily delegate the right and easement of use and enjoyment described herein to any family member, household guest, tenant, lessee, contract purchaser, or other person who resides on such Owner's Lot. Notwithstanding the foregoing, no Owner shall have any right or interest in any easements forming a portion of the Common Area except for the necessary parking, access, and utility easements for use in common with others.

2.2 Limitation on Easement. An Owner's right and easement of use and enjoyment concerning the Common Area shall be subject to the following:

(a) The right of the Association to govern by Rules the use of the Common Area for the Owners so as to provide for the enjoyment of said Common Areas by every Owner in a manner consistent with the preservation of quiet enjoyment of the Lots by every Owner, including the right of the Association to impose reasonable limitations on the number of guests per Owner who at any given time are permitted to use the Common Area;

(b) The right of the Association to suspend an Owner's right to the use of the Common Areas, or any amenities included therein, for any period during which an Owner is in violation of the terms and conditions of the Governing Documents or delinquent in the payment of a levied assessment or fee.

(c) The right of the City, County, and any other governmental or quasi-governmental body having jurisdiction over the Property, to enjoy access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Common Areas for the purpose of providing police and fire protection, transporting school children, utility access/installation, and providing any other governmental or municipal service; and

(d) The right of the Association to dedicate or transfer any part of the Common Areas to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association, provided that such dedication or

transfer must first be assented to in writing by the Owners of at least sixty-seven percent (67%) of the Lots. No such dedication or transfer, however, may take place without the Association first receiving written approval from City and/or County pursuant to all applicable state and city laws, rules and ordinances in effect at the time of such proposed dedication or transfer.

2.3 Reservation of Access and Utility Easements. The Association hereby reserves an easement for access and utilities (including but not limited to: electrical, gas, communication, phone, internet, cable, sewer, drainage and water facilities) over, under, along, across and through the Property, together with the right to grant to a City and County, or any other appropriate governmental agency, public utility or other utility corporation or association, easements for such purposes over, under, across, along and through the Property upon the usual terms and conditions required by the grantee thereof for such easement rights, provided, however, that such easement rights must be exercised in such manner as not to interfere unreasonably with the use of the Property by the Owners and the Association and those claiming by, through or under the Owners or the Association; and in connection with the installation, maintenance or repair of any facilities as provided for in any of such easements, the Property shall be promptly restored by and at the expense of the person owning and exercising such easement rights to the approximate condition of the Property immediately prior to the exercise thereof. Each Owner in accepting the deed to a Lot expressly consents to such easements and rights-of-way and authorizes and appoints the Association as attorney-in-fact for such Owner to execute any and all instruments conveying or creating such easements or rights-of-way.

2.4 Easements for Encroachments. If any part of the Common Areas now existing upon any Lot or hereinafter constructed by Association encroaches upon a Lot, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall exist. If any Common Area improvement on any Lot shall be partially or totally destroyed and then rebuilt in a manner intended to duplicate the structure so destroyed, minor encroachments of such structure upon a Lot or upon any portion of the Common Area due to such reconstruction shall be permitted; and valid easements for such encroachments and the maintenance thereof, so long as they continue, shall exist.

2.5 Easement in Favor of Association. The Lots and Common Area are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

(a) For inspection during reasonable hours of the Lots, Common Area in order to verify the performance by Owners or other persons of all items of maintenance and repair for which they are responsible;

(b) For inspection, maintenance, repair and replacement of portions of the Common Area;

(c) For correction of emergency conditions on one or more Lots or on portions of the Common Area;

(d) For the purpose of enabling the Association, the Architectural Control Committee or any other committees appointed by the Association to exercise and discharge during reasonable hours their respective rights, powers and duties;

(e) For inspection during reasonable hours of the Lots, Common Area in order to verify that the Owners and occupants, and their guests, tenants and invitees, are complying with the provisions of the Governing Documents.

### ARTICLE III COMMON AREAS

3.2 The Common Areas consist of areas designated as Common Areas on the recorded Plat(s), including any structures related to the operation or maintenance of the Common Areas, together with any rights or way and utilities, as shown on the recorded Plat(s) including, but not limited to open space, private roadways and related facilities.

### ARTICLE IV MAINTENANCE OF COMMON AREAS, TOWNHOME LOTS, & PATIO HOME LOTS

4.1 Project. The Project consists of 114 total Dwellings, with 35 free-standing Patio Homes and 79 attached Townhomes.

4.2 Maintenance by the Association. The Association shall furnish and be responsible for, at the Association's expense, the maintenance, repair and replacement of the following:

(a) Asphalt repair, maintenance and replacement of private roads within the Project;

(b) General landscape and sprinkler maintenance, including the repair, maintenance and replacement of existing sprinkler systems and landscaping within the Project that have not been modified by an Owner;

(c) Repair, maintenance and replacement of fencing within the Project that has not been modified or added to by an Owner.

(d) The Association shall make reasonable and prudent efforts to contract with a third party for the removal of snow from sidewalks, driveways and other relevant Common Areas within the Project. Owners shall be responsible for removing snow from entryways, porches, patio areas, and other applicable areas on their Lot. Owners shall be responsible and take reasonable precautions with respect to ice and ice accumulation. The work of removing snow will be delegated to a third party, who will utilize its discretion in the frequency of the snow removal and the amount of accumulation meriting removal. The Association shall not be responsible or liable for said third party's discretion and removal of snow.

- (e) Light Poles;
- (f) Community mailboxes;
- (g) Walkways and sidewalks that serve more than one Lot; and
- (h) Private utility lines/infrastructure that serves more than one Lot;

Townhomes: The Association will maintain, including repair and replacement the following items associated with those Dwellings that are Townhome Lots:

- (a) Roofs, and rain gutters;
- (b) Foundations (excluding any concrete pad within a Dwelling);
- (c) Structural components, framing and insulation in Party Walls, any exterior or bearing walls, and walls that are common to two or more Dwellings;
- (d) Sewer and drainage pipes, water, and utility lines to the extent said utilities serve two or more Dwellings; and
- (e) Outside exterior surfaces of Dwellings.

4.3 Shared Maintenance by the Association through a Credit Allowance. The Association shall use a credit system whereby the Association will pay an equal amount per Lot, and will assess the remaining balance of the repair and replacement to the respective Owner(s) for the following items. The Board will have sole discretion to determine appropriate credits for such projects based on the Association's reserve funding level at the time of the project and reserve funding projections.

- (a) Concrete driveway replacement, as determined by the Board.

The following illustration is provided as an example of how the credit allowance will operate.

*Example:*

*If it is determined that certain Lots, through normal wear and tear, need their driveways replaced, authorization by the Board may include an equal contribution for each of the affected Lots, as well as an individual assessment based on cost per Lot. For example, if the cost for Lot #5 is \$3000, and cost for Lot #20 is \$4000, and Board authorizes a \$1500 credit (or contribution), the Owner of Lot # 5 will be assessed \$1500 and the Owner of Lot #20 would be assessed \$2500.*

4.4 Owner's Responsibility for Maintenance of Dwellings. Each Owner, at such Owner's sole cost and expense, shall maintain and/or replace such Owner's Dwelling and the Improvements constituting a part thereof, in good order and repair, including:

A. Townhomes:

- (a) Entryways, decks, patios, porches and gates;
- (b) All interior and exterior doors, including frames, locks, hinges, door jams and garage doors;
- (c) Finished interior of the Dwelling, including: flooring, tiles, wallpaper, paint, carpet, wood, fireplaces, other material comprising finished interior floors, walls or ceilings;
- (d) Framing and insulation associated with interior walls;
- (e) Drywall, wallboard and similar materials within a Dwelling;
- (f) Skylights, windows, window wells, window sills, window frames, shutters, glass, screens, and patio doors;
- (g) Sewer and drainage pipes, wiring, power, water and other utility lines to the extent located within an Owner's Dwelling or serves on that Owner's Dwelling;
- (h) Concrete pads within Dwelling(s) or garage(s);
- (i) Plumbing fixtures, fans, stoves, refrigerators, appliances, heaters, furnaces, fireplaces, vents, chimneys, HVAC systems, compressors, condensers, ducting, air conditioning, water spigots, lighting fixtures, pipes, and similar appliances, fixtures and pipes that exclusively serve an Owner's Dwelling(s);

(j) All other items that are owner improvements, including solar panels, awnings, attic vents, and roof-mounted equipment and devices (and necessary attachments and water seals therefore);

(k) Any of the following located wherever they might be located (inside or outside of the Dwelling) that serve an Owner's Dwelling exclusively: lighting fixtures (including lighting attached to exterior walls, but not including Association security lights), fans, plumbing fixtures (other than pipes located outside of a Dwelling and that do not exclusively serve that Dwelling), stoves, refrigerators, hot water heaters, air conditioning units (including compressors, condensers, ducting, and forced air units). Intercoms, security systems, water spigots and bibs, vents, chimneys and fireplaces, and such other appliances, fixtures, and decorations as an Owner may install as permitted in this Declaration;

B. Patio Homes:

(a) Owners are responsible for the repair, maintenance and replacement of all elements and Improvements associated with a Dwelling located on a Patio Home Lot.

4.5 Maintain in Clean Condition. The Owner shall be responsible for keeping the Dwelling and Improvements thereon in a clean and sanitary condition, free of pests and rodents, and uncluttered. The Board of Directors may set forth in the Rules any limits, restrictions, or guidelines on what may or may not be left, stored, or installed in any Dwelling, which may include a prohibition on leaving, installing or storing any items in such places;

4.6 Repairs by Association. In the event that an Owner permits his Dwelling or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 30 days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Lot and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision. In addition, each Owner hereby grants to the Association a lien on the Lot and any improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Lot in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

4.7 Alterations of Exterior Appearance. The Owners will maintain their Lots and Improvements in substantially the same condition and appearance as that approved by the ACC.

No subsequent exterior alterations, improvements or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the ACC.

4.8 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the ACC, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Declaration is intended to prevent an Owner who has suffered property damage or loss from taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage, before re-construction begins. Such temporary measures may be taken without the consent or approval of the ACC, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. No damaged structure will be permitted to remain on any Lot for more than 90 days without repairs commencing and any damaged structure which does remain unrepaired after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Association.

#### ARTICLE V PARTY WALLS

5.1 General Rules of Law to Apply. Each wall which is built as a part of the original construction of a Townhouse Dwelling within the Project and placed on the dividing line between two Townhouse Dwellings shall constitute a Party Wall; and, to the extent not inconsistent with the provisions of the Act, the general rules of law regarding Party Walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

5.2 Repair and Maintenance. Each Dwelling that shares one or more Party Wall(s) will also share elements of a common roof, a common exterior wall, or other common exterior elements with adjacent Dwelling(s). The Owners acknowledge that certain repairs or maintenance to Dwellings with a Party Wall(s) may become necessary, which repairs or maintenance cannot be performed on one Dwelling only, but may necessarily involve the other attached Dwellings. Therefore, all repairs to the roof and exterior walls of all Townhome Dwellings will be made by the Association.

5.3 Maintenance Obligations. The Association shall maintain, repair and replace only the exterior walls and roofs of the Units with a Party Wall(s).

5.4 Insurance. The existence of Party Walls within the Project will require blanket property insurance coverage as required by the Governing Documents and/or Act on those attached Dwellings.

ARTICLE VI  
MEMBERSHIP

6.1 Membership in the Association shall at all times consist exclusively of the Owners. Each Owner shall be a member of the Association so long as such Owner has an ownership interest in a Lot and such membership shall automatically terminate when the Owner ceases to have an ownership interest in the Lot. Upon the transfer of an ownership interest in a Lot, the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association. If titled ownership to a Lot is held by more than one Person, the membership appurtenant to that Lot shall be shared by all such Person in the same proportional interest and by the same type of tenancy in which title to the Lot is held.

ARTICLE VII  
VOTING

7.1 Only an Owner that is current on all assessments and/or other fees shall be deemed in good standing and entitled to vote at any annual or special meeting.

The Association shall have one class of voting membership, and each Owner shall be entitled to one (1) equal vote for each Lot in which they are an Owner. Since an Owner may be more than one Person, if only one of such Person(s) is present at the meeting of the Association, that Person shall be entitled to cast all votes appertaining to that Lot. But if more than one of such Person(s) is present, the votes appertaining to that Lot shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the votes appertaining to that Lot without protest being made forthwith by any of the others to the person presiding over the meeting. The votes appurtenant to any one Lot may not be divided between Owners of such Lot or with respect to matters before the Association, and all such votes appurtenant to any one Lot shall be voted in one block. If the vote of a majority of the owners of a Lot cannot be determined, no vote shall be cast in relation to such Lot.

ARTICLE VIII  
HOMEOWNER ASSOCIATION

8.1 Organization. The Association has been created to effectively enforce the Governing Documents and shall operate as a non-profit corporation. The Association shall be comprised of the Owners within the Project, and is established for the benefit of the Owners and the enforcement of the Governing Documents. Membership in the Association is deemed an appurtenance to the Lot, and is transferable only in conjunction with the transfer of the title to the Lot. The Association shall serve as the organizational body for all Owners.

8.2 Enforcement Powers. The Association shall have all powers granted to it by the Governing Documents and the Act to enforce these covenants and restrictions by actions in law or equity brought in the name of the Association, and the power to retain professional services needed to the enforcement of the Governing Documents and to incur expenses for that purpose, including but not limited to: (1) record, lien, foreclose and other enforcement and collection actions against an Owner and their Lot; (2) initiate legal or similar proceedings; (3) impose fines; (4) collect any rents directly from tenant for past due assessments; (5) terminate an Owners' right to receive utility service paid as a common expense (with the exception of water, sewer, power and natural gas); (6) terminate an Owner's right to utilize Common Area and/or amenities; and (7) any other action or remedy allowed by the Governing Documents or Utah law.

(a) The Association shall have the exclusive right to initiate enforcement actions in the name of the Association. (b) The Association shall have the authority to initiate and compromise claims and litigation on behalf of the Association resulting from the enforcement of the Governing Documents. The Association has the power to levy assessments against each Lot as necessary to carry out its functions. Assessments shall be levied against all Lots in the Property, whether vacant or improved. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Lot, be deemed to covenant and agree to pay to the Association the assessments described in these covenants, together with late payment fees, interest and costs of collection (including reasonable attorney fees), if and when applicable.

(a) All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligations of the Owner or Owners of such Lot at the time the assessment fails due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights in the Common Areas or by

abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late payment fees, interest and costs of collection (including reasonable attorney fees) which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

(b) The Association may levy special assessments for the purpose of defraying, in whole or in part any expense or expenses not reasonably capable of being fully paid with funds generated by other assessments. No special assessment will be levied without approval of a majority of a quorum of the Owners at a Special or Regular Meeting, or upon the written consent of a majority of Owners.

(c) The Association may levy individual assessments on every Lot, Owner or occupant that shall cause any damage to the Project or otherwise causes the Association to incur any individual expense for maintenance, repairs, or enforcement action taken under the provisions of the Governing Documents. The amount of any such individual assessments shall be determined by the cost of such repairs, maintenance or enforcement action, including all overhead and administrative costs (including reasonable attorney fees), and shall be allocated among the affected Owner(s) or Lot(s) according to the cause of damage, maintenance, repair work or enforcement action, as the case may be, which individual assessment may be levied in advance of the performance of work.

(e) The Association shall not borrow money without the approval of at least sixty-seven percent (67%) of the Owners.

8.5 Reserve Fund Analysis. The Board shall cause a reserve analysis to be conducted no less frequently than every six (6) years to analyze the cost of repairing, replacing or restoring Common Areas that have a useful life of three years or more and a remaining useful life of less than 30 years. This reserve analysis should be reviewed no less frequently than every three (3) years and updated if necessary. The Board may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board, to conduct the reserve analysis.

(a) The Board may not use money in a reserve fund:

(i) For daily maintenance expenses, unless a majority of the Owners vote to approve the use of reserve fund money for that purpose;

(ii) For any purpose other than the purpose for which the reserve fund was established, unless a majority of the Owners vote to approve the alternate purpose; or

(iii) In the event that the Association experiences a surplus in any fiscal year, the Board may elect to place said surplus in the reserve fund account.

8.6 Reserve Fund Account Creation. The Board shall create a reserve fund account that is separate and distinct from the Association's general account, which account shall be funded from the reserve fund assessments. The amount of the reserve fund assessment shall be a separate line item in the approved budget. The Board shall cause an assessment to be made against all Owners in an amount sufficient, within the Board's discretion, to fund the reserve account.

8.7 Reinvestment Fee. The Board shall have power to levy a one-time reinvestment fee when a change in ownership of a Lot occurs in an amount determined by the Board, but no more than a maximum fee of \$250.00.

8.8 Date of Commencement of Assessments. The assessments provided for herein shall commence as to each Lot on the first day of the first month following the effective date of the first budget. Assessments shall be due and payable in a manner and on a schedule, as the Board may provide.

8.9 Fines. Following notice as required by the Act, the Association shall have the power to assess a fine against an Owner (or their Lot) for a violation of the terms and conditions of the Governing Documents in an amount set by the Board.

The Rules may supplement, clarify and add detail to issues addressed in Governing Documents. However, with the exception of Rules governing Garbage, Animals and Parking, the Rules may not contradict the Governing Documents.

8.12 Statement of Account & Payoff Information. Upon a written request from an Owner that the Association provide the Owner with a statement of his/her account, the Association may charge a fee, not to exceed \$10.00, for providing such statement. In addition, when a request is made to the Association to provide payoff information needed in connection with the financing, refinancing, or closing of a Lot Owner's sale of his/her Lot, the Association may charge a fee not to exceed \$50.

8.13 Availability of Documents. The Association shall make appropriate documents available to Owners (and their lenders, insurers and/or authorized agents) consistent with the Act and the Utah Revised Non-Profit Act. The Board may adopt a record retention policy to govern its record retention procedures.

In addition to late fees, interest shall accrue on all unpaid balances, including prior, unpaid interest and attorney fees (resulting in compounding interest), late fees, and assessments at 18% per annum or 1.5% per month. The Board may also impose other reasonable charges imposed by a Manager or attorney related to collections.

9.4 Foreclosure. The Association shall have the power to bid for the Lot at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. During the period in which a Lot is owned by the Association following foreclosure: (a) no right to vote shall be exercised on its behalf; (b) no assessment shall be charged or levied on it; and (c) each other Lot shall be charged, in addition to its usual assessment, its equal pro rata share of the assessment that would have been charged had such Lot not been acquired by the Association as a result of foreclosure. Suit to recover a money judgment for unpaid assessments and attorney fees shall be maintainable without foreclosing or waiving the lien securing the same.

9.5 Other Remedies. All rights and remedies of the Association shall be cumulative and the exercise of one right or remedy shall not preclude the exercise of any other right or remedy. The "One Action Rule" shall not be a defense to the enforcement of all rights and remedies of the Association. The Association may elect to bring an action to recover for a delinquent Assessment against the Owner or other obligee personally. Any attorney fees or costs

incurred in these efforts shall also be assessed against the Owner(s), their Lot(s), and/or other obligees jointly and severally.

11.6 Restriction on Signs. No signs will be permitted on any Lot or within the Project, except for traffic control signs placed by the City and temporary signs warning of some immediate danger. Signs indicating the Lot is for sale or for rent may be placed in accordance with City or County sign regulations. No noxious or offensive activity shall be carried out on any Lot or the Project, including the creation of loud or offensive noises or odors that detract from the reasonable enjoyment of nearby Lots. No Owner or occupant shall engage in activity within the Project in violation of any law, ordinance, statute, rule or regulation of any local, county, state or federal body. Quiet hours shall be from 10:00 pm to 7:00 a.m. Notwithstanding, it is not the intent of this provision to restrict children at play, portable basketball standards, sports nets, outdoor games, BBQs or other social gatherings that comply with the quiet hours.

11.18 No Hazardous Activity. No activity may be conducted on any Lot that is, or would be considered by a reasonable person to be unreasonably dangerous or hazardous, which would cause the cancellation of conventional homeowners' insurance policy. This includes, without limitation, the storage of caustic, toxic, flammable, explosive or hazardous materials in excess of those reasonable and customary for household uses, the discharge of firearms and setting open fires (other than property supervised and contained).

11.19 Fireworks. No aerial types of fireworks are allowed anywhere within the Project. 11.21 Garbage. All garbage, rubbish, trash, and recycled items shall be kept in covered containers and regularly removed from the Lot and shall not be allowed to accumulate thereon. Containers for garbage, rubbish and trash shall be kept in an Owner's garage or on the back patio. Containers for garbage, rubbish, trash and recycled items may be kept on patios if the lids are closed and no offensive smells or odors are impacting neighboring Units. Containers may be brought to the curb for collection not more than twelve (12) hours prior to the scheduled collection date and shall be removed from the view of the general public (i.e. stored in garage or placed on back patio) not more than twelve (12) hours after collection. If an Owner is unable to remove their containers within above stated time frame, they are responsible to make arrangements to have the container removed. The Association reserves the right to specifically adopt Rules regarding the storage, collection and disposal of garbage, rubbish, trash and recycled items that modify or alter the terms of this paragraph.

11.22 No Annoying Lights. No outdoor lighting shall be permitted except for lighting that is designed to aim downward and reasonably limit the field of light to the confines of the Lot on which it is installed. This shall not apply to street lighting maintained by the City and/or County. Holiday or seasonal decorative lights, that otherwise comply with the terms of the Governing Documents, are permitted.

11.23 No Annoying Sounds. No speakers, windbells, windchimes, or other noise making devices may be used or maintained on any Lot which creates noise that might reasonably be expected to be unreasonably or annoyingly loud to adjoining Lots, except for security or fire alarms.

11.24 Livestock, Poultry and Pets. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets (maximum of two) may be kept provided that they are not kept, bred or maintained for any commercial purpose and are restricted to the owner's control. "Control" for the above purposes shall only mean on a leash or lead, within a vehicle, within the Dwelling of the Owner, or within confines on the premises of the Owner. All animals are required to have their license and rabies tag on their collar at all times. Pet owners shall promptly remove and dispose of all excrement emitted by their pets. Fierce, dangerous or vicious animals or animals that cause a nuisance by barking or other offensive activity shall not be permitted. Failure to abide by these conditions shall result in fines as authorized by the Board. Pet restrains which are tethered outside may only be placed in the Homeowner's backyard, and may not extend further than the edge of the vinyl fence dividers.

11.25 Fencing. Only the Association may approve fencing within the Project. Any approved fencing must receive written approval from the ACC, including approval of a licensed contractor.

The Association reserves the right to adopt Rules relating to the parking of vehicles within the Project including, without limitation: (1) the right to immediately remove or cause to be removed any vehicles that are improperly parked, (2) restrictions on the time period and duration that any guest or visitor parking may be utilized; (3) restrictions or bans on vehicles without Department of Transportation compliant mufflers and exhaust systems, and (4) the assessment of fines to Owners and occupants who violate such Rules.

11.27 Exterior Antennas and Satellite Dishes. An Owner is first required to utilize existing cables, satellite dishes, antennas and related structures before installing any new hardware to the exterior of the Dwelling or Lot. Prior, written approval from the ACC as to the location of any new satellite dishes, antennas, cables and related hardware is required.

11.28 Smoking. In harmony with the Utah Indoor Clean Air Act, smoking within the Project is permitted only in designated smoking areas. The Board reserves the right to adopt Rules modifying or altering the location of the smoking designated areas. Notwithstanding, the Board shall not have authority to allow any smoking within the attached Dwellings, or within 25 feet of any Dwelling. In the event an Owner or occupant violates the prohibition on smoking within the Project, the Board shall have authority to issue Fines. Any tenant that repeatedly violates the smoking restriction shall be grounds for, among other remedies available to the Association, eviction, and the Association shall be authorized to initiate and complete eviction and assess the costs and attorney fees incurred in said eviction to the Owner and/or occupant. In said event, the Association shall be entitled to: (a) an injunction ordering the tenant to vacate the premises, or such other relief as deemed appropriate by the court, including the issuance of a writ of restitution, (b) damages against the Owner and/or occupant, and (c) recovery of its costs and attorney fees from the Owner and/or occupant, including the recordation of a lien. Notwithstanding anything to the contrary in the Governing Documents, any leasing and non-owner occupancy of a Dwelling shall be governed by this section, Rules consistent with this section, and procedures adopted as allowed in this section.

12.2 Permitted Rules. The Board of Directors may adopt Rules requiring:

(a) Reporting and procedural requirement related to non-owner occupied Dwellings and the occupants of those Dwellings, including requiring informational forms to be filled out by Owners and/or residents identifying non-owner occupants, vehicles, phone numbers, etc.; and

If a lease or agreement for non-owner occupancy (whether in writing or not) does not include these provisions, they shall nonetheless be deemed to be part of the lease or agreement and binding on the Owner and the resident;

(b) A copy of any lease or other agreement for Non-Owner Occupancy shall be delivered to the Association prior to occupancy;

(c) Daily, weekly and monthly occupation is prohibited (whether pay or not);  
and

(d) The Owner(s) of a Dwelling shall be responsible for the occupant's or any guest's compliance with the Governing Documents. In addition to any other remedy for noncompliance with this Declaration, the Association, following notice to the Owner, shall have the right to initiate a forcible entry and unlawful detainer action, or similar such action, with the purpose of removing the offending non-owner occupant. The Association, the Board of Directors, and the Manager shall not have any liability for any action taken pursuant to this subparagraph and the Owner shall indemnify and pay the defense costs of the Association, the Board of Directors, and the Manager arising from any claim related to any action taken in good faith by any of them pursuant to this subparagraph. ### ARTICLE XIII OWNERS' MAINTENANCE OBLIGATIONS

13.1 Duty to Maintain. It is the obligation of each Owner to maintain his Lot at all times in order to preserve and enhance the enjoyment of the Project.

13.2 Repairs by Association. In the event that an Owner permits his Lot or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within thirty (30) days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Lot and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision. In addition, each Owner hereby grants to the Association a lien on the Lot and any improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Lot in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

13.3 Alterations of Exterior Appearance. The Owners will maintain their Lots and Improvements in substantially the same condition and appearance as that approved by the ACC. No subsequent exterior alterations, improvements or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the ACC.

**ARTICLE XIV**  
**ARCHITECTURAL CONTROL COMMITTEE**

14.1 Architectural Control Committee (ACC). An Architectural Control Committee may be appointed by the Board in accordance with the Bylaws and Articles of the Association to oversee any construction, re-construction, remodeling or altering of exterior Improvements. If no ACC is appointed, the Board will assume the duties and responsibilities of the ACC.

14.2 Approval by Board or ACC Required. No exterior Improvement of any kind will be constructed or commenced on any Lot(s) without the prior, written approval of the ACC. Approval of the Committee will be sought in the following manner:

The Plans shall also include: (1) a description of how debris will be removed; (2) name, address and phone number of contractor(s) performing the work; (3) when construction or remodeling will begin and conclude; and (4) proposal to mitigate any nuisance to other Owner(s).

(b) Review. Within 30 days from receipt of the submitted plans, the ACC will review the plans and respond in writing to the Owner determining whether or not the plans comply with the conditions imposed by the Declaration and are consistent with and in architectural harmony with other Improvements within the Project. The Board or ACC may: (1) approve the plans; (2) reject the plans; (3) request additional information; or (4) require that certain conditions be met.

(c) Failure to Act. If the ACC fails to respond, the Owner may complete the construction in accordance with the submitted plans. 14.3 Variances. The ACC cannot grant any variance that has the effect of modifying applicable zoning or building code regulations or directly violates the Governing Documents. The burden of obtaining a variance is entirely on the applicant.

14.4 Board and ACC Not Liable. The Board, ACC and its members shall not be liable to the applicant for any damages, or to the Owners of any Lots within the Project for their actions, inactions, or approval or disapproval of any set of plans submitted for review. The Owners' shall have no claim against the Board or ACC as a result of the performance or failure to perform the duties created by this Declaration. Each Owner has an equal duty and right to enforce these covenants against every other Owner, and may seek independent redress if it believes the Board or ACC has acted improperly.

14.5 Limitations on Review. The ACC's review is limited to those matters expressly granted in this Declaration. The ACC shall have no authority over the enforcement of building codes, zoning ordinances, or other statutes, laws or ordinances affecting the development or improvement of real property and shall have no liability to any Owner whose plans were approved in a manner that included any such violation. Corrections or changes in plans to bring them into conformity with applicable codes must be approved by the ACC prior to construction.

- (i) At a minimum, any required blanket policy shall afford protection against loss or damage by: (1) fire, windstorm, hail, riot, aircraft, vehicles, vandalism, smoke, and theft; and (2) all perils normally covered by "special form" property coverage.
- (ii) Any blanket policy shall be in an amount not less than one hundred percent (100%) of current replacement cost of all property covered by such policy (including the Dwellings if applicable) at the time

the insurance is purchased and at each renewal date. The actual replacement cost of the property shall be determined by using methods generally accepted in the insurance industry.

- (iii) A blanket policy shall include either of the following endorsements to assure full insurable value replacement cost coverage: (1) a Guaranteed Replacement Cost Endorsement under which the insurer agrees to replace the insurable property regardless of the cost; or (2) a Replacement Cost Endorsement under which the insurer agrees to pay up to one hundred percent (100%) of the Property's insurable replacement cost but not more. If the policy includes a coinsurance clause, it must include an Agreed Amount Endorsement which must waive or eliminate the requirement for coinsurance.
- (iv) Each property policy that the Association is required to maintain shall also contain or provide for the following: (i) "Inflation Guard Endorsement," if available (ii) "Equipment Breakdown," if the project has central heating or cooling or other equipment or other applicable fixtures, equipment, or installations, which shall provide that the insurer's minimum liability per accident at least equals the lesser of one million dollars (\$1,000,000) or the insurable value of the building containing the equipment.

(b) Owner Responsibility for Payment of Deductible. If a loss occurs that is covered by a property insurance policy in the name of the Association and another property insurance policy in the name of an Owner:

- (i) The Association's policy provides primary insurance coverage;
- (ii) The Owner is responsible for the Association's policy deductible;
- (iii) The Owner's policy, if any, applies to that portion of the loss attributable to the Association's policy deductible;
- (iv) An Owner who owns a Dwelling and has suffered Dwelling Damage as part of Covered Loss is responsible for an amount calculated by applying the Dwelling Damage Percentage for that Dwelling to the amount of the deductible under the Association's property insurance policy; and
- (v) If an Owner does not pay the amount required under this Article within 30 days after substantial completion of the repairs to, as

applicable, the Dwelling or the appurtenant to the Dwelling, the Association may levy an assessment against the Owner for that amount.

(c) Flood Insurance. If any part of the property insured by the Association comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a policy of flood insurance shall be maintained. If the property insured by the Association is not situated in a Special Flood Hazard Area, The Association may nonetheless, if approved by a majority of Owners, purchase flood insurance to cover floods not otherwise covered by blanket property insurance.

(d) Earthquake Insurance. The Association may nonetheless, if approved by a majority of Owners, purchase earthquake insurance to cover earthquakes not otherwise covered by blanket property insurance.

(e) Association's Obligation to Segregate Property Insurance Deductible. The Association shall keep in a segregated bank account an amount equal to the Association's property insurance policy deductible or \$10,000, whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible. If the amount held in this account is used to pay any deductible, it shall be replenished within twelve (12) months.

(f) Association's Right to Not Tender Claims that are Under the Deductible. If, in the exercise of its business judgment, the Board of Directors determines that a claim is likely not to exceed the Association's property insurance policy deductible: (a) the Owner's policy is considered the policy for primary coverage to the amount of the Association's policy deductible; (b) an owner who does not have a policy to cover the Association's property insurance policy deductible is responsible for the loss to the amount of the Association's policy deductible; and (c) the Association need not tender the claim to the Association's insurer.

(g) Notice Requirement for Deductible. The Association shall provide notice to each Owner of the Owner's obligation for the Association's policy deductible and of any change in the amount of the deductible.

15.3 Comprehensive General Liability (CGL) Insurance. The Association shall obtain CGL Insurance insuring the Association, the agents and employees of the Association, and the Owner, against liability incident to the use, ownership or maintenance of the Common Area, or membership in the Association. The coverage limits under such policy shall not be less than one million dollars (\$1,000,000) covering all claims for death of or injury to any one person or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or another Owner.

15.4 Directors and Officers Insurance. The Association shall obtain Directors and Officers liability insurance protecting the Board of Directors, the Officers, and the Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). The policy shall:

- (a) Include coverage for volunteers and employees;
- (b) Include coverage for monetary and non-monetary claims;
- (c) Provide for the coverage of claims made under any fair housing act or similar statute or that are based on any form of discrimination or civil rights claims; and
- (d) Provide coverage for defamation. In the discretion of the Board of Directors, the policy may also include coverage for any manager and any employees of the manager and may provide that such coverage is secondary to any other policy that covers the manager or any employees of the manager.

15.5 Insurance Coverage for Theft and Embezzlement of Association Funds. The Association may obtain insurance covering the theft or embezzlement of funds that shall:

- (a) Provide coverage for an amount of not less than the sum of three months regular assessment in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and
- (b) Provide coverage for theft or embezzlement of funds by:
  - (i) Officers, Board of Directors, or Members of the Association;
  - (ii) Employees and volunteers of the Association;
  - (iii) Any manager of the Association; and
  - (iv) Officers, directors and employees of any manager of the Association.

15.6 Certificates. Any insurer that has issued an insurance policy to the Association shall issue a certificate of insurance to the Association and upon written request, to any Owner or Lender.

15.7 Named Insured. The named insured under any policy of insurance shall be the Association. Each Owner shall also be an insured under all property and CGL insurance policies.

15.8 Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Association's property insurance policy shall be payable to the Association and shall not be payable to a holder of a security interest. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Dwellings. Each Owner hereby appoints the Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

15.9 Owner Act Cannot Void Coverage Under Any Policy. Unless an Owner is acting within the scope of the Owner's authority on behalf of the Association and under direct authorization of the Association, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.

15.10 Waiver of Subrogation against Owners and Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

## ARTICLE XVI DAMAGE & DESTRUCTION

16.1 Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board, or its duly authorized agent, shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

16.2 Any damage or destruction to the Common Areas shall be repaired or reconstructed unless Owners representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be

extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction mortgagees providing construction financing for such damaged property.

16.3 In the event, that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas shall be restored to their natural state and maintained by the Association in a neat and attractive condition.

**ARTICLE XVII**  
**DISBURSEMENT OF PROCEEDS**

17.1 If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner(s) shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account.

**ARTICLE XVIII**  
**REPAIR AND RECONSTRUCTION**

18.1 If the damage or destruction to the Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the members, levy a special assessment against all Owners as provided in the Governing Documents.

**ARTICLE XIX**  
**CONDEMNATION**

19.1 Whenever all of any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of members representing at least sixty-seven percent (67%) of the total Association vote by any authority having the power of condemnation or eminent domain), each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking

the Owners representing at least sixty-seven percent (67%) of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If the taking does not involve any improvements of the Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

**ARTICLE XX**  
**MISCELLANEOUS PROVISIONS**

20.1 Violation Deemed a Nuisance. Any violation of these covenants that is permitted to remain on the Property is deemed a nuisance and is subject to abatement by the Association or by any other Owner.

(a) Any single or continuing violation of the covenants contained in this Declaration may be enjoined in an action brought by an Owner or by the Association. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment the reasonable costs of enforcement, including reasonable attorney fees and court costs.

(b) Nothing in this Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state or local laws and ordinances for the abatement of nuisances, health and safety, or other matters. This Declaration is to be construed as being in addition to those remedies available at law.

(c) The remedies available under this Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

(d) The failure to take enforcement action shall not be construed as a waiver of the contents contained in this Declaration in the future or against other similar violations.

20.2 Severability. Each of the covenants contained in this Declaration shall be independent of the others, and in the event that any one is found to be invalid, unenforceable, or illegal by a court of competent jurisdiction, the remaining covenants shall remain in full force and effect.

20.3 Limited Liability. Neither the Board, the Architectural Control Committee, its individual members, nor any Owner shall have personal liability to any other Owner for actions or inactions taken under these covenants, provided that any such actions or inactions are the

result of the good faith exercise of their judgment or authority, under these covenants, and without malice.

20.4 Consent, Power of Attorney, Waiver. By acceptance of a deed, lease, or other conveyance of an interest in Dwelling, each Owner or Occupant consents to the rights reserved to the Association in this Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriated documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and Bylaws. By such acceptance, each Owner or Occupant agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same; and such acceptance shall be deemed an appointment of the Association, with full right of substitution, as the attorney-in-fact of such Owner or Occupant to execute such documents and to do such things on Owner's or Occupant's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period of the Association's reserved rights as set forth in this Declaration and shall not be affected by the disability of any such Owner or Occupant.

20.5 No Representations and Warranties. EACH OWNER AND OCCUPANT UNDERSTANDS, AGREES, AND ACKNOWLEDGES THROUGH TAKING TITLE OR RESIDING IN THE PROJECT THAT THE ASSOCIATION AND THE BOARD OF DIRECTORS HAVE NOT MADE ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND RELATED TO THE PROJECT AND THAT EACH OWNER OR OCCUPANT HAS NOT RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, RELATIVE TO THE PROJECT.

20.6 Conflicting Provisions. In the case of any conflict between the Governing Documents, the order of priority from the highest to the lowest shall be the Declaration, the Plat, the Articles, Bylaws, and then the Rules.

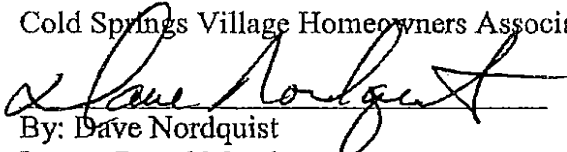

20.7 Amendment. At any time while this Declaration is in effect, the covenants herein contained can only be modified by the affirmative vote of the Owners representing not less than sixty-seven (67%) percent of the total votes of the Association. No meeting or voting shall be required for an amendment, if the required, written consent is obtained from the requisite number of Owners.

20.8 Constructive Notice. Every person who owns, occupies or acquires any right, title or interest in any Lot in the Project is conclusively deemed to have notice of this Declaration and its contents, and to have consented to the application and enforcement of each of the provision of this Declaration against his/her Lot, whether or not there is any reference to this Declaration in the instrument by which he/she acquires interest in any Lot.

20.9 Notices. All notices under this Declaration are provided as set forth in the Bylaws.

20.10 Liberal Interpretation. The provisions of this Declaration shall be interpreted liberally to further the goal of creating a uniform plan for the development of the Project. Headings are inserted for convenience only and shall not be considered an interpretation of the provisions. Singular will include plural, and gender is intended to include masculine, feminine and neuter as well.

**AMENDED & RESTATED BYLAWS  
OF  
COLD SPRINGS VILLAGE HOMEOWNERS ASSOCIATION, INC.**

---

The following are the Bylaws of Cold Springs Village Homeowners Association, Inc., a Utah nonprofit corporation (the "Association"). These Bylaws shall replace any prior bylaws, whether or not recorded, and any amendments thereto, through the date these Bylaws are recorded. Upon recordation of these Bylaws, they are binding upon the Association and all present and future Owners and/or occupants.

**ARTICLE I  
DEFINITIONS**

**Section 1.1 Definitions.** All terms used but not defined herein shall have the meanings given them under that certain Amended & Restated Declaration of Covenants, Conditions & Restrictions for Cold Springs Village, a Planned Residential Unit Development, of even date and recorded in the Official Records of the Weber County Recorder's Office (hereinafter referred to as the "Declaration"), and as the same may be amended from time to time as therein provided, said Declaration being incorporated herein, as if set forth herein at length. The term "Owner" shall mean and refer to those persons entitled to membership in the Association, as provided in the Declaration and Articles of Incorporation of the Association.

**ARTICLE II  
MEETINGS OF OWNERS**

**Section 2.1 Annual Meetings.** An annual meeting of the Owners shall be held no less than once each calendar year. Unless otherwise determined by the Board, the annual meeting of the Owners shall be held in the month of November of each year at a location and time designated by the Board. The Board may modify the date, time and location of the annual meeting in accordance with Section 2.3 below.

**Section 2.2 Special Meetings.** Special meetings of the Owners may be called at the request of the Board, or upon written request of the Owners holding at least twenty-five percent (25%) of the total membership, as defined in the Declaration.

**Section 2.3 Notice of Meetings.** Unless an Owner requests in writing that all notices be provided to said Owner by U.S. mail, all notices shall be given by, or at the direction of, the Board via: (1) email or other electronic communication, or (2) by hand-delivery, including affixing the notice to the front door of the Unit. Notice shall be provided at least ten (10) days before a meeting, but no more than sixty (60) days, to each Owner entitled to vote at the email or electronic address provided by the Owner to the Board, or by hand-delivery, including affixing the notice to the front door, of the Owner's Dwelling. Said notice is effective upon sending the email or electronic communication or upon affixing the notice to the front door of the Unit. Notices provided by U.S. mail shall

be sent via U.S. First Class Mail and effective upon depositing in the mail. Such notice shall specify the location, day and time of the meeting, and, in the case of a special meeting, the purpose of the meeting.

Owners are required to provide a valid email address to the Board or request, in writing, that all notices be sent via U.S. Mail.

**Section 2.4 Quorum.** The quorum required for any action by the Owners hereunder, unless otherwise specifically set forth in the Declaration, shall be as follows: at each scheduled meeting called, the presence of Owners holding, or holders of proxies entitled to cast, at least twenty-five percent (25%) of all outstanding votes shall constitute a quorum for the transaction of business. If a quorum is not met, the meeting shall be postponed to a date of not more than thirty (30) days and not less than twenty-four (24) hours at which time the Owners and proxies present shall constitute a quorum for transacting business. In the case of any postponement, no notice of such rescheduled meeting shall be required except an announcement thereof at the original meeting and an electronic notification with the new meeting time, date and location to those Owners who have previously provided an email or other electronic means to the Association for notice purposes.

**Section 2.5 Proxies.** At all meetings of Owners, each Owner may vote in person or by proxy. All proxies shall be in writing, signed by the Owner, and filed with the Board on or before said meeting. Notwithstanding, any proxy delivered to the Board at the meeting must be provided no later than any point in the meeting announced as the final time to deliver proxies. Every proxy shall be revocable and shall automatically terminate upon conveyance by the Owner of his Lot. If conflicting proxy votes for an Owner or Lot exist, said proxy votes will not be counted.

**Section 2.6 Conduct of Meetings.** The President, or in his absence the Vice President, shall preside over all meetings. The Secretary or other authorized person shall keep minutes of all meetings and maintain a record of the minutes including, but not limited to: election of directors, adopted resolutions, adopted Rules and other matters coming before the Owners.

**Section 2.7 Action Taken Without a Meeting.** Any action that may be taken at any annual or special meeting of members may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action taken, are signed by the members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all members entitled to vote on the action were present and voted.

In addition, the Board may obtain approvals and conduct business through mail or email/electronic ballots. The ballot must set forth each proposed action and provide the option of voting for or against each proposed action with the requisite number of members approving the action that would be necessary to authorize or take the action at a meeting at which all members entitled to vote on the action were present and voted. The

ballot must specify the period during which the Association shall accept written ballots for counting. Following this period, the Association shall provide notice of whether such action was or was not approved.

An Owner may revoke a prior written consent if the revocation is provided to the Board in writing and is received by the Board prior to the effectiveness of the action taken, as provided for in this Section.

**Section 2.8 Voting.** Only an Owner that is current on all assessments and charges due and owing shall be deemed in good standing and entitled to vote at any annual or special meeting.

The Association shall have one class of voting membership, and each Owner shall be entitled to one equal vote for each Lot in which they are an Owner. There shall only be one vote for each Lot in the Project. Since an Owner may be more than one Person, if only one of such Person(s) is present at the meeting of the Association, that Person shall be entitled to cast the vote appertaining to that Lot. But if more than one of such Person(s) is present, the vote appertaining to that Lot shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the vote appertaining to that Lot without protest being made forthwith by any of the others to the person presiding over the meeting. The vote appurtenant to any one Lot may not be divided between Owners of such Lot. If the vote of a majority of the Owners of a Lot cannot be determined, no vote shall be cast in relation to such Lot.

The Association shall honor the vote of a trustee or successor trustee of any trust that is an Owner and shall honor the vote of an individual that is a holder of a Limited or General Durable Power of Attorney with respect to an Owner who is disabled or unavailable as though such vote were the vote of the Owner.

### ARTICLE III BOARD, SELECTION AND TERM OF OFFICE

**Section 3.1 Number & Tenure.** The affairs of the Association shall be managed by a Board of Directors composed of five (5) individuals ("Board"). Members of the Board of Directors shall serve for a term of three years; provided, however, that initially, the Board shall identify two of the five members of the Board to serve for a two-year term. The other members shall serve for a three-year term. Thereafter, all members elected each year shall serve for a three-year term. The members of the Board of Directors shall serve until their respective successors are elected, or until their death, resignation or removal. Any change in the number of Directors may be made only by amendment of these Bylaws.

**Section 3.2 Eligibility.** All members of the Board shall be Owners.

**Section 3.3 Resignation & Removal.** A Director may resign at any time by delivering a written resignation to either the President or the Board. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any Director may be removed from the Board, with or without cause, by a vote of at least (51%) of the Owners of the Association. In the event of death, resignation or removal of a Director, his successor shall be selected by the remaining Directors and shall serve for the unexpired term of his predecessor.

**Section 3.4 Compensation.** No Director shall receive compensation for any service he may render to the Association. However, any Director may be reimbursed for his actual and approved expenses incurred in the performance of his duties.
