UTILITY EASEMENT AND AGREEMENT

This UTILITY EASEMENT AND AGREEMENT (this "**Agreement**") is made and entered into effective as of the 8th day of February, 2022 (the "**Effective Date**"), by and between Suburban Land Reserve Inc a Utah corporation/limited liability company ("**Grantor**"), Clayton Properties Group II a Utah corporation/limited liability company ("**Developer**"), and the CITY OF SARATOGA SPRINGS, a Utah municipal corporation ("**Grantee**").

RECITALS

A. Grantor is the owner of that certain real property located in the City of Saratoga Springs, Utah County, Utah (the "**Grantor Property**").

B. Developer is constructing the Wander Plat F project in the City and desires the right to construct utilities on Grantor's Property as necessary to meet the utility needs of Developer's project to meet the construction standards of Grantee.

C. Grantee and Developer desire to obtain and Grantor is willing to convey a perpetual utility easement over the Grantor Property subject to the terms and conditions of this Agreement.

D. "Utilities" or "utility" are defined herein to include all utility facilities, pipes, channels, ponds, ditches, boxes, facilities, and all related appurtenances owned and operated by Grantee for the provision of services such as water, secondary water, irrigation water, drinking water, culinary water, storm drainage, storm sewer, sanitary sewer, and sewer.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

TERMS AND CONDITIONS

1. **Grant of Easement.** Grantor does hereby convey, without warranty, unto Grantee a perpetual easement and unto Developer a construction easement (the "**Utility Easement**") under and across that portion of the Grantor Property more particularly described and depicted on Exhibit A, attached hereto and incorporated herein by this reference (the "**Utility Easement Area**").

Grantor shall ensure, guarantee, and warrant that no other easements or licenses shall be granted to any other person or entity on, over, or under the Utility Easement Area and that no above or below ground improvements, buildings, or facilities of any kind shall be constructed or maintained on the Utility Easement Area, except as otherwise approved by Grantee in writing. Grantor acknowledges and agrees that the Facilities will be constructed by Clayton Properties Group II ("Developer"), and then dedicated to Grantee upon acceptance in writing by Grantee

2. **Access.** Developer and Grantee and their agents, servants, employees, consultants, contractors and subcontractors shall have the right to enter upon the Utility Easement Area solely for the purposes permitted by this Agreement. Developer and Grantee shall enter upon the Utility Easement Area at their sole risk and hazard, and Developer and Grantee hereby release Grantor from any and all claims relating to the condition of the Utility Easement Area and the entry upon the Utility Easement Area by Developer and Grantee.

3. **Purposes of the Utility Easement.** The purpose of this Utility Easement is to allow the construction of the Utilities by Developer and its successors, assigns, and agents in order to meet Grantee's development standards for the subdivision and development and to allow Grantee the ability to maintain, repair, and replace the Utilities after acceptance in writing. Developer or its successors, associates, assigns, and agents shall be responsible for the proper and timely construction and installation of the Utility Improvements per Grantee's standards. Upon the proper and timely construction of the Utilities by Developer and acceptance in writing by Grantee per Grantee's development standards, Grantee, at its sole cost and expense, shall maintain the Utility Improvements in good order and condition, except for repair of the Utilities during the 1-year warranty period per Grantee's development standards, during which time the Utilities shall be maintained and repaired by the Developer. Grantee shall also have the right to repair, replace, restore, and relocate the Utilities within the Utility Easement Area.

In performing the work permitted by this Agreement, Developer and Grantee respectively shall restore the Grantor Property to the same condition prior to Developer or Grantee's entry respectively. Notwithstanding the obligations of this Section 5, Grantor recognizes that the nature of the utility improvements may result in the inability of Developer and Grantee to fully restore the Grantor Property. So long as Developer and Grantee uses their best efforts to fully restore Grantor Property, Grantor waives the right to require strict performance of Grantee's restoration requirements under this paragraph.

4. **Replacement of Utility Easement with Subdivision Plat Recordation.** Upon the recordation of a subdivision plat with the Utah County Recorder's Office per Grantee's development standards, which shall provide for the equivalent replacement of the easements in this Agreement in the favor of Grantee, the Utility Easement shall automatically be deemed superceded and replaced, but only with respect to such portion of the Property over which a subdivision plat is recorded. Upon such subdivision plat recordation, the rights and obligations in this Agreement shall be of no force or effect so long as the equivalent rights of Grantee are granted in such recorded subdivision plat. For the remainder of Grantor's Property that is not subdivided pursuant to a recorded subdivision plat, this Agreement shall continue in full force and effect.

5. **Notices.** All notices, demands, statements, and requests (collectively, the "Notice") required or permitted to be given under this Agreement must be in writing and shall be deemed to have been properly given or served as of the date hereinafter specified: (i) on the date of personal service upon the Party to whom the notice is addressed or if such Party is not available the date such notice is left at the address of the Party to whom it is directed, (ii) on the date the notice is postmarked by the United States Post Office, provided it is sent prepaid, registered or certified mail, return receipt requested, (iii) on the date the notice is delivered by a courier service (including Federal Express, Express Mail, Lone Star or similar operation) to the address of the Party to whom it is directed, provided it is sent prepaid, return receipt requested, or (iv) on the date the notice is sent by electronic mail with both a delivery and read receipt received by the sender.
