**20.0 SANITARY SEWER EASEMENT**

**RETURNED**

**APR 29 2015**

For the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned as Grantors hereby grant, convey, sell, and set over unto Central Davis Sewer District, a body politic of the State of Utah, hereinafter referred to as Grantee, its successors and assigns, a perpetual non-exclusive right-of-way and easement to construct, maintain, operate, repair, inspect, protect, install, remove and replace underground sewer pipelines, valves, valve boxes and other sewer transmission and distribution structures and facilities, and manhole covers which are not underground, hereinafter called the Facilities, said right-of-way and easement, being situated in Davis County, State of Utah, through a parcel of the Grantors land lying within a strip Twenty (20) feet wide, said strip extending ten (10) feet on each side of and lying parallel and adjacent to a line of reference and projection thereof, more particularly described on the attached Exhibit EX-1.

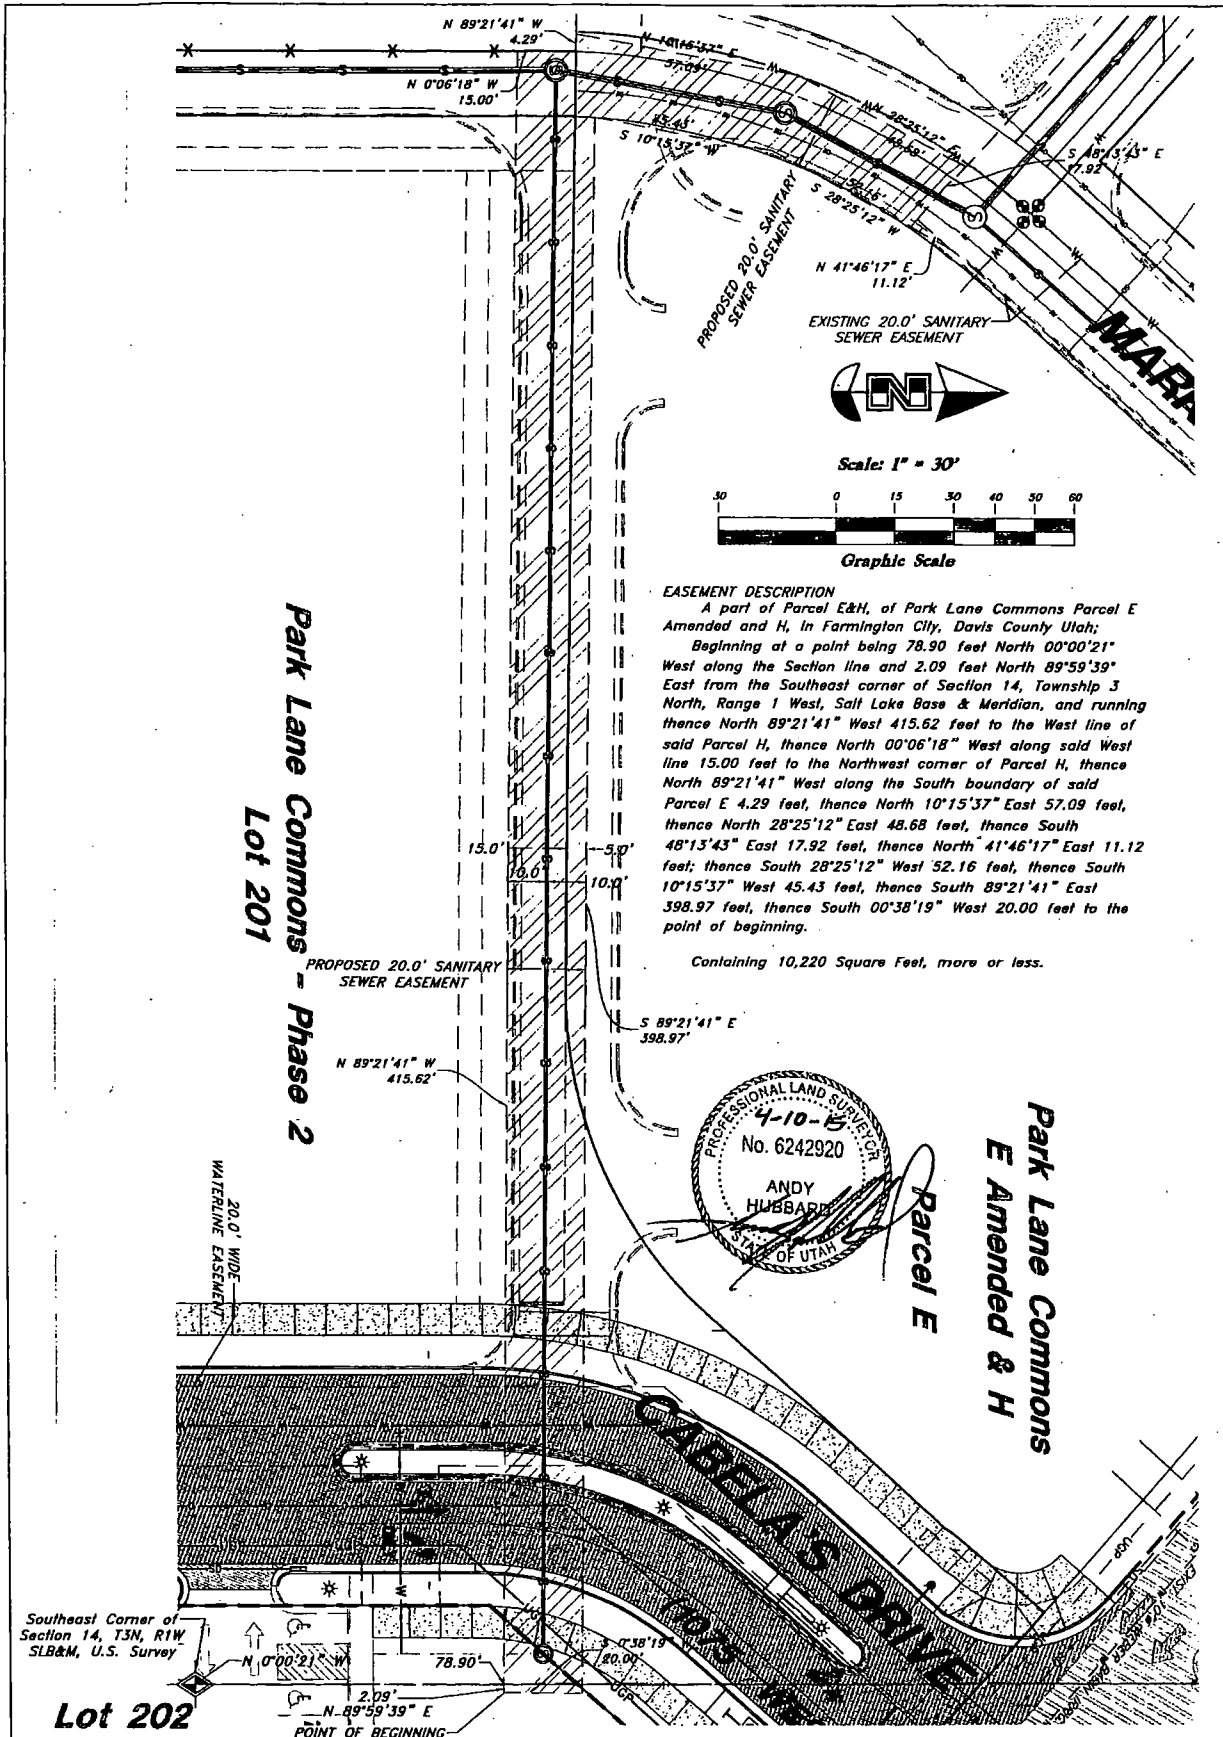

TO HAVE AND HOLD the same unto the Grantee, its successors and assigns, with the reasonable right of ingress and egress in the Grantee, its officers, employees, agents and assigns to enter upon the above-described property with such equipment as is reasonably necessary to construct, install, maintain, operate, repair, inspect, protect, remove and replace the Facilities. During construction periods, Grantee and its contractors may use such portion of Grantors property along and adjacent to the right-of-way and easement as may be reasonably necessary in connection with the construction or repair of the Facilities. The Grantee shall restore all property, through which the work traverses, to as near its original condition as is reasonably possible. Grantors shall have the right to use the above-described property except for the purposes for which this right-of-way and easement is granted to the Grantee, provided such use shall not materially interfere with the Facilities or with the discharge and conveyance of sewage through the Facilities, or any other rights granted to the Grantee hereunder, it being acknowledged that the use thereof as a road or access drive shall be permitted.

Grantors shall not build or construct, or permit to be built or constructed, any building or other vertical structures over or across this right-of-way and easement nor change the contour thereof without the written consent of Grantee. This right-of-way and easement grant shall be binding upon, and inure to the benefit of, the successors and assigns of the Grantors and the successors and assigns of the Grantee, and may be assigned in whole or in part by Grantee.
