LEANN H KILTS, WEBER COUNTY RECORDER
11-JUL-17 1004 AM FEE \$53.00 DEP JKC
REC FOR: CHERRYWOOD CONDO

AMENDMENT TO THE BY LAWS
OF THE
CHERRYWOOD CONDOMINIUMS; Phase 1 Amended *
Parcel 13-159-0001 to 0044 .
RENTAL POLICY
APRIL 2017

Within the Cherrywood Condominiums *, only eight units may be leased or rented at any given time. There are certain exceptions made by Utah law. In order to lease or rent a unit, the following must take place: A formal written request is REQUIRED prior to any lease or rental agreement being consummated. Each time a unit is rented or leased, consent needs to be obtained. If a tenant completes or terminates the lease or rental agreement, the owner of said unit will have 60 days to obtain another Lessee/renter (if desired) or lose their position within the eight unit limit. If the Management Committee has owners on a waiting list to rent/lease their unit, the next owner line would then take the place of the previous owner's rental position.

- a. When a unit is leased or rented, the owner is responsible for all assessments, fines, or other payments, and any other obligations placed upon the residents by any rule/guideline approved by management.
- b. Unit owners must provide the management committee at inception of the agreement the name, address, phone number, and e-mail address of the tenant(s), and update every 6-12 months.
- c. All tenant must receive a copy of the Cherrywood Condominiums * rules and regulations and agree to the rules prior to moving in.

IN WITNESS WHEREOF, this _____ day of _____ 2017
Cherrywood Condominiums * Management Committee

By C  chairman
