Such right and easement shall be appurtenant to and shall pass with title to each such Lot and in no event shall be separated therefrom. Any Owner may grant the use and enjoyment described herein to any tenant, lessee, guest, or family member, and to a contract purchaser who resides on such Lot.

Whether or not the description employed in any such instrument is in the form specified above, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

2.03 Title to Common Area. Pursuant to the Declaration and Plats, including any other relevant documents, the Declarant shall dedicate and convey all of the Common Areas to the Association and the Association shall have title to the Common Areas.

2.04 Limitations on Common Area Easement. An Owner's right and easement of use and enjoyment concerning the Common Areas shall be subject to the following:

(e) The right of the Association to reasonably restrict access to portions of the Common Areas;

(f) The easements reserved in this Declaration;

(h) The right of the Association to enter into agreements or leases which provide for use of the Common Areas by a similar association in consideration for use of the common areas of the other association, or for cash consideration.

2.05 Parking Restrictions. The Association is hereby empowered to establish and designate "parking" "guest parking" and "no parking" areas within the portions of the Common Areas improved as streets, driveways, turnarounds or community parking areas, specifically excluding any areas within the Project that are Public Roads. The Association is also empowered to include in the Rules and Regulations, the ability to enforce the parking restrictions imposed pursuant to this section by all means lawful for such enforcement, including the removal of any violating vehicle, equipment, etc., at the expense of the owner of the vehicle, equipment, trailer, etc.

2.06 Easements for Public Service Use. In addition to the foregoing easements over the Common Areas, there shall be for all Owners and all future owners within the Project, easements for public services of Weber County and the City of Ogden in which the Project is located, including but not limited to, the right of the police, ambulance and fire departments to enter upon any part of the Project, including without limitation the Common Areas, for the purpose of carrying out their official duties.

2.07 Waiver of Use. No Owner may exempt himself/itself from personal liability for assessments duly levied by the Association nor release the Lot or other property owned by him/her/it from the liens and charges hereof, by waiver of the use and enjoyment of the Common Areas or any improvements thereon or by abandonment of the Owner's Lot or any other property in the Project.

2.08 Easements for Water and Utility Purposes. In addition to the foregoing easements over the Common Areas, there shall be as reserved by the Declarant, covenants for all future Owners within the Project, easements for public and private utility purposes, including but not limited to, the right of any public utility of ingress or egress over the Common Areas for purposes of reading and maintaining meters, and using and maintaining fire hydrants located within the Project. The Lots shall also be subject to such public utility easements as shown on the Plats and as required by Weber County and/or the City of Ogden.

2.09 Taxes. Each Owner shall execute such instruments and take such action as may reasonably be specified by the Board to obtain separate real estate tax assessment of each Lot. If any taxes or assessments may, in the opinion of the Board, become a lien on the Common Areas, or any part thereof, they may be paid by the Association and the Association may levy against the Lot as a corrective assessment any amounts paid by the Association to rectify the problem.

2.10 Easement for Encroachments. If any portion of a Dwelling Unit or other improvement constructed by the Declarant or Builder, or if any portion of a Dwelling Unit or other improvement

reconstructed so as to substantially duplicate the Dwelling Unit or other improvement, encroaches upon the Common Areas, or other Lots, as a result of the construction, reconstruction, repair, shifting, settlement or movement of any portion of the Property, a valid easement for the encroachment and for the maintenance of the same shall exist so long as the encroachment exists.

2.11 Lot/Limited Common Area. To allow flexibility in the construction, in some instances the Lot may be larger than the Dwelling Unit. Each Lot is owned in fee simple by the Owner. However, area within the surveyed Lot boundaries but outside of the walls, floors and ceilings of the Dwelling Unit shall be treated as Limited Common Area for use purposes. Construction upon or to a Lot or Dwelling Unit, if any, may occupy any portion of the surveyed Lot, subject to all other provisions of this Declaration. An Owner may construct appurtenant structures that do not contain a roof or footings and personal landscaping outside the boundaries of the Dwelling Unit and within the boundaries of the Lot or Limited Common Area appurtenant to the Lot, subject to approval of the ARC or Board.

2.12 Reinvestment Fee. Upon the conveyance of a Lot there shall be a Reinvestment Fee charged to the buyer or seller, comprised of one or more of the following charges (said fees may be charged to seller or buyer, as the parties may agree):

- (b) Expenses reasonably charged to the Association by the Manager for the administration of the conveyance.

No reinvestment assessment shall exceed 0.5% of the fair market value of the Lot, plus all improvements. When the seller is a financial institution, the reinvestment assessment shall be limited to the costs directly related to the transfer, not to exceed \$250.00. The Association may assign the charges in 2.12(b) directly to the Manager.

2.13 View Impairment. Neither the Declarant nor the Association guarantees or represents that any view over and/or across any property, including any Lot or Building, will be preserved without impairment. Neither the Declarant nor the Association shall have the obligation to prune or thin trees or other landscaping except as otherwise set forth in this Declaration. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

ARTICLE III **The Association**

3.04 Transfer. Membership in the Association is nontransferable and shall not be separated from the Lot to which it appertains.

ARTICLE IV
Voting Rights

4.01 Classes of Voting Membership. The Association shall have two classes of membership, Class A and Class B as follows:

- a. Class A. Class A Members shall be all Owners of the Lots within the Project, with the exception of the Class B Member. Class A Members shall be entitled to vote on all issues before the Association. Class A Members shall have one (1) vote per Lot owned. No vote shall be cast or counted for any Lot not subject to assessment. When more than one person holds such interest or interest in any Lot (a "co-owner"), all such co-owners shall be Members and may attend any meetings of the Association, but only one such co-owner shall be entitled to exercise the vote to which the Lot is entitled. A vote cast at any Association meeting by any such co-owners, whether in person or by proxy, shall be conclusively presumed to be the vote attributable to the Lot concerned, unless an objection is immediately made by another co-owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever, other than to determine whether a quorum exists.
- b. The Class B Member shall be the Declarant. As a Class B Member, Declarant shall have three (3) votes per Lot owned by Declarant. The rights of the Class B Member, including the right to approve actions taken under this Declaration and the Governing Documents, are specified elsewhere in the Declaration and the Bylaws. The Class B Member shall be entitled to appoint a majority of the members of the Board during the Class B Control Period. The Class B membership shall terminate and shall be converted to Class A membership upon the first to occur of the following: (a) the expiration of ten (10) years after the first Lot is conveyed to a person other than the Declarant, or (b) when the total number of votes held by all Class A Members equals the total number of votes held by the Class B Member, provided that Declarant's voting rights shall be restored by any addition to the Project, even though previously lost under this subparagraph, or (c) when, in its discretion the Class B Member so determines.

ARTICLE V
Jurisdiction of Association

5.01 The Association has been organized to provide for the operation, administration, maintenance, preservation and architectural control of the Project, including without limitation the improvements within the Common Areas. The Association shall have jurisdiction and authority over the Property and the Owners, including their guests, tenants, lessees and invitees, residing on or temporarily visiting the Property, to the fullest extent allowed by law and as provided for in the Governing Documents.

ARTICLE VI
Covenant for Assessments

6.01 Creation of Assessment Obligation. Each Owner of a Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) Annual Assessments; (2) Special Assessments; (3) Corrective Assessments; and, (4) any other amount, fine or assessment levied by the Association pursuant to the Governing Documents. The determination of the reasonable cash needs for ordinary and necessary maintenance expenses, including expenses for repair and replacement, shall be within the discretion of the Board. All assessments shall be

established and collected as provided in the Governing Documents. The Association shall not levy or collect any assessment that exceeds the amount reasonably necessary for the purpose or purposes for which it is levied. All such assessments, together with interest, costs and reasonable attorney fees for the collection thereof, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorney fees, if applicable, shall also be and remain the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. This personal obligation cannot be avoided by abandonment of a Lot or by an offer to waive use of the Common Areas. No sale or transfer of a Lot shall relieve an Owner from personal liability for assessments coming due after the Owner/Purchaser takes title or from the lien of such later assessments. In a voluntary conveyance of a Lot, the grantee of the Lot shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his/her/its share of assessments up to the time of the grant or conveyance being recorded, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Association setting forth the amounts of the unpaid assessments against the grantor, and such grantee shall not be liable for, nor shall the Lot conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth.

6.02 Purpose of Annual and Special Assessments. The Annual Assessments and Special Assessments levied by the Association shall be used exclusively to promote the common health, safety, benefit and welfare of the Owners and for the improvement and maintenance of the Common Areas and other areas/improvements within the Project which the Association is obligated to maintain, repair and/or replace. Annual and Special Assessments may include establishing and funding a reserve to cover maintenance, repair or replacement of improvements within the Project and any expense necessary or desirable to enable the Association to perform or fulfill its obligations, functions, or purposes under the Governing Documents.

6.03 Annual Assessments. Annual Assessments shall be used to satisfy Common Expenses of the Association, as provided in the Governing Documents. The Annual Assessment for each fiscal year shall be established by the Board and be payable in twelve (12) equal monthly installments due on the first day of each month. Pre-payment, annually, is acceptable and will be held in a non-interest bearing account. The Annual Assessment shall be based upon the budget prepared by the Board. The Common Expenses of the Association, and therefore the Annual Assessment, may increase or decrease from time to time based upon changes to the Common Expenses or other changes to expenses or costs of the Association.

6.04 Special Assessments. In addition to the Annual Assessment, a Special Assessment can be assessed to pay the costs of any one or more of the following:

(a) Approved by Board. Special Assessments for the following extraordinary expenses can be levied by the Board without Owner approval:

- (i) An extraordinary expense required by an order of a court;
- (ii) An extraordinary expense necessary to repair, replace or maintain the Common Areas, or any other area within the Project which the Association is responsible, or any portion thereof, where a threat to personal safety within the Project is discovered. Prior to the imposition or collection of a Special Assessment pursuant to this subsection, the Board shall pass a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense is necessary and was not or could not have been reasonably foreseen in the budgeting process. The resolution shall be distributed to the Members with the notice of assessment; and

(iii) Taxes payable to Weber County as described in Section 7.02 of this Declaration.

(b) Approved by Association. Special projects which must be assented to by more than fifty percent (50%) of the total votes of the Association, or the written consent of persons holding more than fifty percent (50%) of the total votes of the Association, involve:

(i) replacement, repair, maintenance or improvement of the Common Areas or other areas within the Project for which the Association is responsible; and

(ii) an extraordinary expense necessary to repair, replace or maintain the Common Areas or any other portion of the Project for which the Association is responsible.

(c) Special Assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines.

6.05 Twin Home Assessments. In addition to the aforementioned assessments, each Owner of a Twin Home Lot within the Project shall pay additional assessments ("Twin Home Assessments") to cover the additional insurance, exterior maintenance, repair, replacement and reserve costs for the Twin Home Lots. The Twin Home Assessments shall be an additional charge added to the base assessments and collected along with the base assessments, as determined by the Board. The Twin Home Assessments shall include costs to pay for the additional insurance, exterior maintenance, repair, replacement and reserves for the actual Dwelling Units constructed upon the Twin Home Lots. The Twin Home Assessments shall be assessed equally and uniformly against all Owners of the Twin Home Lots.

6.06 Uniform Rate of Assessment. Annual Assessments and Special Assessments imposed pursuant to subsections 6.02, 6.03, and 6.04 of this Declaration shall be assessed equally and uniformly against all Owners and their Lots, except for the additional charges assessed to each Owner of a Twin Home Lot in accordance with subsection 6.05.

6.07 Date of Commencement of Annual Assessments. The Board shall authorize and levy the amount of the Annual Assessment upon each Lot, as provided herein, by a majority vote of the Board. The Annual Assessments shall commence as to particular Lots within each phase of the Project on the day of the closing of the sale or conveyance of any particular Lot by the Declarant to any contract purchase or Owner with a proper proration on any monthly assessment if the closing takes place on a day other than the first day of the month. The Board shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of any change in the amount of any Annual Assessment shall be sent to every Owner subject thereto, not less than thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments against a Lot is binding upon the Association as of the date of its issuance.

6.08 Corrective Assessments. In addition to Annual Assessments and any Special Assessments, the Association may levy corrective assessments against a particular Owner and the Owner's Lot to pay the following: costs directly attributable to, or reimbursable by, that Owner, equal to the costs incurred by the Association for corrective action, performed pursuant to the provisions of the Governing Documents, plus interest and other charges, including attorney fees and costs, if any, on such corrective assessments.

(a) As to any Owner whom the Board intends to levy a corrective assessment, the Board shall deliver a notice of noncompliance and provide said Owner with a reasonable opportunity to be heard. Corrective assessments shall be due and payable within (45) days following delivery of a written notice of the Board's adjudication and shall bear interest thereafter at the rate of eighteen percent (18%) per annum, compounded annually, until paid in full.

6.09 Exempt Property. The following property subject to this Declaration shall be exempt from the assessments herein:

- (a) All portions of the Property dedicated to and accepted by a local public authority; and
- (b) The Common Areas owned by the Association in fee; and
- (c) All Lots owned by the Declarant.

6.10 Additional Assessments. In addition to the Annual Assessments, Special Assessments, and corrective assessments, the Association may levy such additional assessments as may be necessary from time to time for the purpose of repairing and restoring damage or disruption resulting to streets or to Common Areas or other areas within the Project which the Association is responsible. Said additional assessments shall include assessments to repair or restore such areas as a result of the activities of the City of Ogden in maintaining, repairing or replacing the City's utility lines and facilities thereon. It is acknowledged that the ownership of said utility lines, underground or otherwise, is in the City up to and including the meters for individual Dwelling Units, and that they are installed and shall be maintained to City specifications.

6.11 Preparation of Budget. At least annually the Board shall prepare and adopt a budget for the Association and the Board shall present the budget at a meeting of the Members. A budget presented by the Board is only disapproved if member action to disapprove the budget is taken in accordance with the limitations under Utah Code §57-8a-215, as may be amended.

6.12 Reserve Fund. The Board shall cause a reserve analysis to be conducted no less frequently than every six (6) years and shall review and, if necessary, update a previously prepared reserve analysis every three (3) years. The Board may conduct the reserve analysis by itself or may engage a reliable person or organization to conduct the reserve analysis. The Board shall annually provide Owners a summary of the most recent reserve analysis or update and provide a complete copy of the reserve analysis or update to an Owner upon request. In formulating the budget each year, the Board shall include a reserve line item in an amount required by the Governing Documents, or, if the Governing Documents do not provide for an amount, the Board shall include an amount it determines, based on the reserve analysis, to be prudent.

ARTICLE VII

Effect of Non-Payment of Assessments Remedies of the Association

7.01 Effect of Nonpayment of Assessments; Remedies and Lien. The Association has a lien on a Lot for any assessment or other charge due under the provisions of this Declaration or other Governing Documents, including fines properly imposed in accordance with Utah Code §57-8a-208, including fees, charges, court costs and reasonable attorney fees, late charges in the amount of ten dollars (\$10.00) per month, or such larger amount as set by the Board, provided the charge does not exceed twenty-five percent (25%) of the amount of the installment payment, for each delinquent assessment or installment payment, interest at the rate of 18% per annum compounded annually, and all other costs associated with collecting an unpaid assessment or installment, and any other amount the Association is entitled to

recover under the Governing Documents, the Acts, or an administrative or judicial decision. The recording of the Declaration constitutes record notice and perfection of the lien described in this section. The Association may, in its discretion, bring a formal legal action against the Owner or seek to foreclose the lien against the Lot through nonjudicial or judicial foreclosure in accordance with the Community Association Act and the Governing Documents. Any judgment obtained by the Association and any foreclosure commenced shall include reasonable attorney fees, court costs, interest thereon, and each and every other expense incurred by the Association in enforcing its rights.

7.02 Weber County Tax Collection. It is recognized that under the Declaration the Association owns the Common Areas and that it may be obligated to pay property taxes to Weber County. It is further recognized that each Owner of a Lot is a Member of the Association and as part of the assessments may be required to pay to the Association a pro rata share of such taxes. Notwithstanding anything to the contrary contained in this Declaration, or otherwise, Weber County shall be, and is, authorized to collect such pro rata share (on an equal basis) of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot. To the extent allowable, Weber County is hereby directed to do so. In the event that the assessor shall separately assess Common Areas to the Association, the Board may impose, in its discretion a Special Assessment to pay such taxes, or they may be incorporated into the Annual Assessments.

7.03 Foreclosure Sale. The Board may elect to file a claim of lien against the Lot of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim or delinquency, (b) the interest and costs of collections which have accrued thereon, (c) the legal description of the Lot against which the lien is claimed, and (d) the name of the reputed Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or duly authorized agent or attorney of the Association. The lien shall continue until all amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. The lien shall be prior to any other lien arising thereafter, except for liens which, by law, are deemed prior to liens of a nature similar to such assessment liens. Unless paid or otherwise satisfied, the lien may be foreclosed in a like manner as a mortgage or deed of trust lien, including judicial or non-judicial foreclosure. For purpose of a foreclosure, the Association is considered to be the beneficiary under a trust deed and the Owner is considered to be the trustor under a trust deed. An Owner's acceptance of an interest in the Lot constitutes simultaneous conveyance of the Lot in trust, with power of sale, to the trustee designated in accordance with the Community Association Act. The Association hereby conveys and warrants pursuant to Sections 212 and 302 of the Community Association Act, and Utah Code §57-1-20, to attorney Carson B. Bagley, or any other attorney that the Association engages to act on its behalf to substitute for Carson B. Bagley, with power of sale, the Lot and all improvements to the Lot for the purpose of securing payment of assessments under the terms of the Governing Documents. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Lot, and the defaulting Owner shall be required to pay the reasonable rental value of such Lot during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner.

7.04 Curing of Default. Upon the timely curing of any default for which a Notice of Lien was recorded by the Association, the Board shall record an appropriate release of lien upon payment by the defaulting Owner of a reasonable fee to cover the cost of preparing and recording such release. A certificate duly executed and acknowledged by the Association or its authorized agent stating the indebtedness secured by the lien upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, to be determined by the Board.

7.05 Cumulative Remedies. The assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

7.06 Mortgage Protection. Notwithstanding all other provisions hereof, no lien created under this Article, nor any breach of this Declaration, nor the enforcement of any provision hereof shall defeat or render invalid the rights of the Beneficiary under any recorded Mortgage upon a Lot made in good faith and for value; provided that after such Beneficiary or some other person obtains title to such Lot by foreclosure or by means of the powers set forth in such Mortgage, such Lot shall remain subject to the Declaration and the payment of all installments of Assessments accruing subsequent to the date such Beneficiary or other person obtains title.

7.07 Priority of Association's Lien. A lien under this Article has priority over each other lien and encumbrance on a Lot except: (a) a lien or encumbrance recorded before this Declaration was recorded; (b) a first or second security interest on the Lot secured by a Mortgage recorded before a recorded notice of lien by or on behalf of the Association; or (c) a lien for real estate taxes or other governmental assessments or charges against the Lot. A lien under this section is not subject to Utah Code § 78B-5-501 *et seq.* (the Utah Exemptions Act). When the Beneficiary of a first or second Mortgage of record or other purchaser of a Lot obtains title pursuant to a judicial or non-judicial foreclosure of the first or second Mortgage, such person, including any successors and assigns, shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such person. In the event a Mortgagee causes a notice of default to be recorded against any Lot and the foreclosure is not completed within six (6) months from the date the notice of default is recorded, the Mortgagee and Owner shall become jointly and severally liable and obligated to pay the Association for any and all assessments that become due during the time period beginning six (6) months after the notice of default is recorded until the Lot is conveyed or otherwise transferred to a new Owner.

7.08 Rent After Foreclosure. In the event of foreclosure, if the Board desires to allow the occupant to remain in the Dwelling Unit, the occupant shall be required to pay a reasonable rent for the Dwelling Unit.

7.09 Collection of Rent. If an Owner leasing a Lot fails to pay an assessment for a period of more than sixty (60) days after an assessment is due and payable the Board may require a lessee under a Lease with an Owner to pay the Association all future lease payments due to the Owner. The Association shall give the Owner notice in accordance with Utah Code § 57-8a-310 and the Declaration or other Governing Documents. If the Owner fails to pay the amount owing within fifteen (15) days after the Owner is provided notice, the Association's Manager or Board may exercise the Association's rights by delivering a written notice to the tenant. The notice provided to the tenant shall state that: (i) due to the Owner's failure to pay the assessments within the required time, the Owner has been notified of the intent of the Board to collect all lease payments until the amount owing is paid; (ii) the law requires the tenant to make all future lease payments, beginning with the next monthly or other periodic payment, to the Association, until the amount owing is paid; and (iii) the tenant's payment of lease payments to the Association does not constitute a default under the terms of the lease with the Owner. A tenant to whom notice is given shall pay all future lease payments to the Association until the Association notifies the tenant that the amount owing is paid. An Owner shall credit each payment from the tenant to the Association against any obligation the tenant owes to the Owner as though the tenant made the payment to the Owner and the Owner may not initiate a suit or other action against the tenant for failure to make a lease payment that the tenant pays to the Association pursuant to this provision. Upon full payment to

the Association the Association shall promptly notify the tenant that the tenant is no longer required to pay future lease payments to the Association, a copy of said notice shall also be provided to the Owner.

ARTICLE VIII **Architectural Control**

8.01 **Declarant Exemption.** The Declarant and Builder (Miller Jacobsen Construction, LLC) shall not be required to comply with the provisions of this Article in the initial construction of the Project. During the Declarant Control Period the Declarant shall fulfill all functions of the ARC under this Declaration unless the Declarant expressly surrenders this right by written and recorded instrument. In order to ensure the architectural harmony of the Project, Builder shall be the sole contractor and constructor of all Dwelling Units and Accessory Buildings constructed within the Project.

8.02 **Members of Committee.** Upon expiration or termination of the Declarant Control Period, the Architectural Review Committee ("ARC") shall consist of two (2) to five (5) persons. The Board shall have the power to appoint and remove all members of the ARC. Persons appointed to the ARC by the Board need not be Members of the Association. If the ARC is not appointed, the Board itself shall perform the duties required of the ARC. Individual members of the Board may also serve as members of the ARC.

8.03 **ARC General Powers.** The Board may promulgate reasonable standards against which the ARC shall examine any request made pursuant to this Article, in order to ensure that the proposed plans conform harmoniously to the exterior design and existing materials of the improvements within the Project. The Board shall have the authority to promulgate ARC Rules and Regulations which, among other provisions, may set forth procedures for the submission of plans for approval, and state additional factors which the ARC will take into consideration in reviewing submissions. The Board shall have final authority over any decisions of the ARC, including without limitation, the ability to override any denials or approvals of the ARC.

8.04 **Review of Plans and Specifications.** The ARC shall consider and act upon any and all plans and specifications submitted for its approval under this Declaration and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans and specifications approved by the ARC. No exterior construction, alteration, removal, relocation, repainting, demolition, addition, modification, external decoration or redecoration, or reconstruction of a Dwelling Unit or improvement upon a Lot, including landscaping, within the Project shall be commenced or maintained, until the plans and specifications therefor showing the nature, kind, shape, height, width, color, materials and location of the same shall have been submitted to the ARC (together with such fees for review and inspection as may be reasonably required) and approved in writing by the ARC. The ARC shall approve plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area or the Project as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, that the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Project or the enjoyment thereof by the Members, and that the upkeep and maintenance thereof will not become an unreasonable burden on the Association.

8.05 **ARC Approval.** The ARC may condition its approval of any improvement upon such changes, alterations or modifications of such improvement as it deems appropriate and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. Such conditions may also include a requirement that the applicant complete the proposed improvement within a stated period of time. The ARC may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, landscape plans,

floor plans, as they relate to exterior appearance, site plans, exterior lighting plans and interior lighting plans as they relate to exterior illumination, drainage plans, elevation drawings and description or samples of exterior material and colors. Decisions of the ARC shall be transmitted by the ARC to the applicant at the address set forth in the application for approval, after receipt by the ARC of all materials required by the ARC and within thirty (30) days after its next duly scheduled meeting at which there is a quorum in attendance. Any application submitted pursuant to this section shall be deemed denied, unless written approval is transmitted to the applicant within the time herein set forth. In addition to complying with the ARC Rules and Regulations, the Applicant shall meet any review or permit requirements of the City of Ogden, Utah, prior to making any alterations or engaging in construction, reconstruction or remodeling permitted hereunder.

8.06 Meetings of the ARC. The ARC shall meet from time to time as necessary to perform its duties hereunder. The vote of a majority of the ARC shall be sufficient to enact an approval, denial or other decision of the ARC. The attendance of a majority of the ARC members at any meeting shall constitute a quorum.

8.07 No Waiver of Future Approvals. The approval by the ARC of any proposals or plans for any work done or proposed or in connection with any other matter requiring the approval and consent of the ARC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans or matters subsequently or additionally submitted for approval or consent.

8.08 Compensation of Members. The members of the ARC shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

8.09 Scope of Review. The ARC shall review and approve, conditionally approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Project generally. The ARC shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar architectural features, all as may be required by the basic ARC standards and the ARC Rules and Regulations. The ARC's approval or disapproval shall be based solely on the considerations set forth in this Article VIII, and the ARC shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes. Each Owner shall be responsible for obtaining all necessary permits and for complying with all City requirements with respect to the implementation of such plans.

8.10 Application Fees. The Association may charge a plan fee that is equivalent to the cost of reviewing and approving the plans. As used in this section, "plans" mean any plans for the construction or improvement of a Lot which are required to be approved by the ARC before the construction or improvement may occur.

8.11 Display of the Flag. The Association may not prohibit an Owner from displaying the United States flag inside a Dwelling Unit or on the Owner's Lot or Limited Common Area appurtenant to the Owner's Lot if the display complies with United States Code, Title 4, Chapter 1. The Association may, by rule of the Board, restrict the display of a United States flag on the Common Area.

8.12 Limitation on Liability. Neither the ARC nor the Board, nor any member thereof, acting in good faith shall be liable to the Association or to any Owner or other person for any damage, loss, or prejudice suffered or claimed on account of (i) the approval or rejection of, or the failure to approve or reject, any plans, drawings, specifications, or variance requests (ii) the construction or performance of any

work, whether or not pursuant to approved plans, (iii) the development or manner of development of any of the Project, or (iv) any engineering or other defect in approved plans, drawings and specifications.

ARTICLE IX
Maintenance and Repair Obligations

9.01 Exterior Maintenance, Repair and Replacement. All improvements in the Project shall be maintained in a safe, sanitary and attractive condition, and in good order and repair. No improvement, maintenance, repair, replacement, excavation or work which in any way alters the Common Areas or other exterior areas within the Project shall be made or done by any person other than the Association or its authorized agents, unless otherwise approved by the ARC or Board in writing.

9.02 Obligations of Owners. Except as expressly provided in section 9.03 below, including the subsections thereto, it shall be the duty of each Owner, at the Owner's sole cost and expense, subject to the provisions of the Governing Documents requiring approval of the ARC or Board, to maintain, repair, replace and restore all improvements located within the Owner's Dwelling Unit or upon the Owner's Lot or appurtenant Limited Common Areas used exclusively for the benefit of the Owner's Lot, including without limitation, all Accessory Buildings, exterior surfaces, roofs, foundations, driveways, sidewalks, HVAC equipment, doors, windows, walls, interior surfaces, floors, ceilings, outlets, lights, pipes, vents, ducts, shafts, flues, chutes, conduits, wires and other utility installations, together with all fixtures and improvements within the Lot, or within the appurtenant Limited Common Area to the Lot and used solely for the Owner's Lot. Each Owner shall ensure all driveways, sidewalks, Accessory Buildings, decks, patios, railings, steps, and doorway areas/entrances within the Lot or appurtenant Limited Common Areas are kept in a clean, neat, sanitary, safe and attractive condition. As to driveways and other elements within Limited Common Areas that are common to, or otherwise shared by, adjacent Lots, the Owners of the adjacent Lots shall equally share in the costs for maintaining, repairing and replacing such portions of said driveways and other such common elements. As to Limited Common Area between adjacent Lots, the mid-point between each Lot shall delineate the boundary of the appurtenant Limited Common Area for each adjacent Lot, said line extending along the mid-point between Lots from perimeter boundary to perimeter boundary of the Limited Common Area. If any Owner permits any improvement, the maintenance of which is the responsibility of such Owner, to fall into disrepair or to become unsafe, unsightly or unattractive or to otherwise violate the Governing Documents, the Association shall have the right to seek any remedies at law or in equity which it may have against the Owner. In addition, the Association shall have the right, but not the duty, to enter upon such Owner's Lot and appurtenant Limited Common Areas to perform such emergency and non-emergency repairs or maintenance as the Board deems appropriate and to charge the cost thereof to the Owner. Said cost shall be a corrective assessment enforceable as set forth in this Declaration. For non-emergency repairs, replacement or maintenance the Owner shall be entitled to notice of noncompliance by the Association and a right to a hearing.

9.03 Obligations of Association.

- (a) The Association shall provide for the maintenance, repair, and replacement of any improvements within the Common Areas, except: (1) improvements in the Limited Common Areas which shall be maintained, repaired and replaced by the Owner pursuant to Section 9.02 above or 9.03(c) below; and (2) the public use trail that may be installed within the boundaries of the 20' Storm Drain and Sewer Easement identified in the official plat for Sunset Ridge PRUD Phase 1, which shall be maintained by Ogden City in the event said public use trail is ever constructed.
- (b) The Association shall maintain, repair and replace all landscaping within the Project (Common Areas and Limited Common Areas), including any lawns, grass, shrubs, trees,

bushes, flora and fauna installed as part of the initial construction of the Project. The Association shall make reasonable efforts to ensure that all landscaping within the Project is maintained free of weeds, debris and disease.

- (c) As to the Dwelling Units and appurtenant Limited Common Areas, including the Accessory Buildings, if any, upon or appurtenant to the Twin Home Lots, the Association shall maintain, repair and replace all exterior: surfaces, roofs, doors, windows, lights, walls, and other utility installations appurtenant thereto. The Association's obligations set forth in this section shall not negate the Twin Home Lot Owner's responsibility to ensure all improvements within or upon the Twin Home Lot and appurtenant Limited Common Areas, including the driveways, sidewalks, Accessory Buildings, decks, patios, railings, steps, doorway areas/entrances, fixtures, and other related improvements are kept in a neat, sanitary, safe and attractive condition at all times.
- (d) The Association shall provide for the commonly metered utilities serving the Common Area or other areas within the Project, if any. The Association shall be authorized, but not required, to maintain any property within the Project which has been dedicated to and accepted for maintenance by the City, a state, local or municipal governmental agency or entity.
- (e) The Association shall maintain any emergency access easements in good repair and free from any natural or artificial obstructions, including snow removal.
- (f) To the extent reasonably feasible, the Association shall preserve and maintain Significant Groves within the Common Areas.
- (g) All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board shall determine in its judgment to be appropriate.

9.04 Damage to Dwelling Units - Reconstruction. If all or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, the Owner of such Lot shall, at the Owner's election, either rebuild, repair or reconstruct the Lot and the Dwelling Unit on such Lot in a manner which will restore them substantially to their appearance and condition immediately prior to the casualty or as otherwise approved by the ARC/Board or restore the Lot by removing from the Property all damaged or destroyed building materials. The Owner of any damaged Lot or Dwelling Unit and the ARC/Board shall be obligated to proceed with all due diligence hereunder, and such Owner shall cause reconstruction or restoration of the Lot to commence within three (3) months after the damage occurs and to be completed within fifteen (15) months after damage occurs, unless prevented by causes beyond the Owner's reasonable control. A transferee of title to the Lot which is damaged or upon which is located a damaged Dwelling Unit shall commence and complete reconstruction of the Dwelling Unit or restoration of the Lot in the respective periods which would have remained for the performance of such obligations if the Owner of the Lot at the time of the damage still held title to the Lot. However, in no event shall such transferee of title be required to commence or complete such reconstruction of the Dwelling Unit or restoration of the Lot in less than thirty (30) days from the date such transferee acquired title to the Lot.

9.05 Party Walls.

- (a) General Rules of Law to Apply. Each wall which is built as a part of the original construction in the Project and constructed in the Limited Common Area or Common Area between Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property

damage due to negligence or willful acts or omissions shall apply thereto.

- (b) Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.
- (c) Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, then, to the extent said destruction or damage is not covered by insurance and repaired out of the proceeds of the same, any Owner who has used the wall may restore it, and, if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.
- (d) Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements to the extent that said protection is not covered by insurance and paid for out of the proceeds of the same.
- (e) Right to Contribution Runs With Land. The right of any owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.
- (f) Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be made by a majority of all the arbitrators. Should any party refuse to appoint an arbitrator within ten (10) days after written request to do so, the Board shall select an arbitrator for the refusing party.

ARTICLE X Use Restrictions

All real property within the Project shall be held, used and enjoyed subject to such limitations and restrictions set forth below.

10.01 Single Family Residence. Each Lot and Dwelling Unit shall be used as a residence for a Single Family. The Lot or Dwelling Unit shall not be partitioned physically or otherwise and rented as individual rooms. A maximum of 8 Dwelling Units within the entire Project may be leased. The following lease restrictions shall apply to every Dwelling Unit that is leased:

(a) Right to Lease and Compliance. An Owner in compliance with the Governing Documents may lease the Owner's Dwelling Unit even if the lessees change or the Dwelling Unit remains unoccupied in between lease terms. An Owner must comply with all of the Governing Documents to be able to lease the Owner's Dwelling Unit.

(b) Terms of Lease. Any agreement for the leasing or rental of a Dwelling Unit (herein "Lease") shall be in writing and shall provide that the terms of such Lease shall be subject in all respects to the provisions of the Governing Documents. Any failure by the lessee to comply with the terms of the Governing Documents shall be a default under the Lease. The Owner(s) shall be responsible for assuring compliance by such Owner's lessee(s) with the Governing Documents

and the Lease.

(c) Notification of Lease. Within ten (10) calendar days prior to any Lot being occupied pursuant to a lease, the Owner shall furnish the Board with (i) a copy of the entire Lease (with the lease/rent amount redacted, if desired by the lessee or Owner), (ii) the telephone number of the lessee, and (iii) any change in the address or telephone number of the Owner. As soon as practicable after receiving such notification that an Owner has entered into a Lease, the Owner shall, and the Board may, cause copies of the Governing Documents to be delivered to such lessee. (The Governing Documents shall be binding on the lessee whether or not the Owner or the Board delivers the Governing Documents to the lessee.)

(d) No Transient Lodging. No Dwelling Unit, including any appurtenances thereto, shall be leased for hotel or transient purposes. A Lease for a period of less than twelve (12) months shall be deemed to be for transient purposes. No Owner or lessee shall lease less than the entire Dwelling Unit. Any Lease of a Dwelling Unit shall be in writing and shall include an acknowledgment by the lessee of the applicability of all the Governing Documents, including any amendments thereto.

(e) Association's Right to Lease. The Association shall have the right to lease any Association owned Dwelling Unit(s) or any Dwelling Unit that the Association has possession of pursuant to any court order or foreclosure (judicial or non-judicial).

(f) Compliance with Governing Documents and Default. Failure of an Owner to comply with the Governing Documents shall be deemed a default hereunder by such Owner. The Association, after affording the Owner an opportunity to be heard, may levy a fine against such Owner in an amount determined by the Board and set forth in a duly promulgated schedule of fines. The Owner shall have thirty (30) calendar days after receiving written notice of default to either pay the fine or request a hearing from the Board. If the fine is not timely paid or a hearing requested or the Board finds the Owner in violation after a hearing, the Association shall be entitled to exercise all of its rights hereunder and under the law, including without limitation to (i) levy fines against any Owner for continuing violations, (ii) institute proceedings in unlawful detainer/eviction on behalf of the Owner against the lessee, and (iii) collect such fines, interest, costs and attorney's fees incurred in connection therewith. Each of the charges provided for herein and any other costs or expenses (including attorney fees and costs) incurred by the Association to enforce the provisions of the Governing Documents shall constitute an assessment under Article VI, which shall become a lien against the Owner's Lot and be enforced as provided under Article VII of the Declaration.

(g) Power of Attorney. In the event an Owner fails to enforce the terms of the Owner's Lease and the Governing Documents, such Owner hereby appoints the Association as its limited attorney in fact for the purposes of filing and prosecuting any proceeding in Unlawful Detainer/Eviction that the Association elects to commence pursuant to the terms of the Governing Documents.

(h) Required Contents of Lease Agreement. An Owner shall incorporate the provisions of Exhibit "D" in its lease agreements with its lessee(s)/tenant(s).

10.02 Accountability of Members. As more fully provided in Article XI, each Owner shall be liable to the Association for any damage to any area for which the Association is responsible to maintain, repair or replace, including without limitation the Common Areas, sustained by reason of the negligence or willful misconduct of said Owner or the persons deriving their right and easement of use and enjoyment

of the Project from said Owner, or of the Owner's respective family, guests and/or tenants, both minor and adult.

10.03 Business or Commercial Activity. Subject to the following exceptions, no part of the Project shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purpose, other than a home office permitted under applicable zoning ordinances, without the vote of sixty-seven percent (67%) of all votes eligible to be cast by the Owners. Occupations without external evidence thereof, including, without limitation, traffic generation, which are merely incidental to the use of the Dwelling Unit as a residential home and for so long as such occupations are conducted in conformance with all applicable governmental ordinances shall be permitted.

10.04 Signs. Except for one professional quality "For Rent" or "For Sale" sign of not more than two (2) square feet, no advertising signs, billboards, objects of unsightly appearance, or nuisances shall be erected, placed, or permitted to remain on any Lot. Such sign shall not be placed on the Common Areas, but shall be placed in the window of a Dwelling Unit.

10.05 Quiet Enjoyment. Sunset Ridge Owners Association

ARTICLE I - GENERAL

1.1 Purpose of Bylaws.

These Bylaws are adopted for the regulation and management of the affairs of Sunset Ridge Owners Association, a Utah nonprofit corporation (the "Association"), organized to be the association to which reference is made in the Declaration of Covenants, Conditions and Restrictions, and Reservation of Easements for Sunset Ridge (a planned unit development) recorded on _____, 2017, as entry number _____ in the official records of the Weber County Recorder, State of Utah, as amended or supplemented from time to time (the "Declaration"), to perform the functions as provided in the Declaration and to further the interests of Owners of Lots within the Project.

1.2 Terms Defined in Declaration.

Unless otherwise specifically provided herein, capitalized terms in these Bylaws shall have the same meaning as given to such terms in the Declaration.

1.3 Controlling Laws and Instruments.

These Bylaws are controlled by and shall always be consistent with the provisions of the Utah Revised Nonprofit Corporation Act (Utah Code 16-6a-101, et. seq.) ("Nonprofit Act") and the Community Association Act (Utah Code 57-8a-101 et. seq.) ("Association Act") (collectively the "Acts"), the Declaration, and the Articles of Incorporation of the Association filed with the Division of Corporations and Commercial Code of the Utah Department of Commerce (the "Division"), as any of the foregoing may be amended from time to time.

ARTICLE II - OFFICES

2.1 Principal Office.

The principal office of the Corporation shall be at 3755 Washington Blvd, Ogden, UT, 84403. The Board, as defined in the Declaration, in its discretion, may change from time to time the location of the principal office.

2.2 Registered Office and Agent.

The Acts requires that the Association have and continuously maintain in the State of Utah a registered office and a registered agent. The registered agent must be an individual who resides

in the State of Utah and whose business office is identical with the registered office. The registered office and the registered agent are specified in the Articles of Incorporation and may be changed by the Association at any time, without amendment to the Articles of Incorporation, by filing a statement as specified by law with the Division.

ARTICLE III - MEMBERS

3.1 Members.

A "Member" is the person or, if more than one, all persons collectively, who constitute the Owner of a Lot within the Project. Each Owner shall be a Member of the Association.

3.2 Memberships Appurtenant.

Each membership shall be appurtenant to the fee simple title to a Unit. The person or persons who constitute the owner of fee simple title to a Lot shall automatically be the holder of the membership appurtenant to that Lot and the membership shall automatically pass with fee simple title to the Lot.

3.3 Members' Voting Rights.

Subject to the provisions in the Declaration and the Articles of Incorporation, each Member shall be entitled to one (1) vote for each Lot which he or it owns within the Project.

3.4 Voting by Joint Owners.

In the event there is more than one (1) Owner of a particular Lot, the vote relating to such Lot shall be exercised as such Owners may determine among themselves. A vote cast at any Association meeting by any of such Owners, whether in person or by proxy or through ballot, shall be conclusively presumed to be the vote attributable to the Lot concerned, unless an objection is immediately made by another Owner of the same Lot. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever, other than to determine whether a quorum exists.

3.5 Resolution of Voting Disputes.

In the event of any dispute as to the entitlement of any Member to vote or as to the results of any vote of Members at a meeting, the Board of Directors of the Association shall act as arbitrators and the decision of a disinterested majority of the Board of Directors shall, when rendered in writing, be final and binding as an arbitration award and may be acted upon in accordance with Utah law.

3.6 Transfer of Memberships on Association Books.

Transfer of membership shall be made on the books of the Association only upon presentation of evidence, satisfactory to the Association, of the transfer of ownership of the Lot to which the membership is appurtenant. Prior to presentation of such evidence, the Association may

treat the previous owner of the membership as the owner of the membership entitled to all rights in connection therewith, including the right to vote and to receive notice.

3.7 Assignment of Voting Rights to Tenants and Mortgagees.

A Member may assign his right to vote to a tenant occupying his or to a mortgagee of his Lot for the term of the lease or the mortgage and any sale, transfer or conveyance of the Lot shall, unless otherwise provided in the document of sale, transfer or conveyance, be subject to any such assignment of voting rights to any tenant or mortgagee. Any such assignment of voting rights and any revocation or termination of any assignment of voting rights shall be in writing and shall be filed with the secretary of the Association.

3.8 Delinquent Member.

As used in this section, "Delinquent Member" means a Lot owner who fails to pay an assessment when due.

3.8.1 The Board of Directors may terminate a Delinquent Member's right:

- (a) to receive a utility service for which the Member pays as a common expense; or
- (b) of access to and use of recreational facilities.

3.8.2 (a) Before terminating a utility service or right of access to and use of recreational facilities under Subsection 3.8.1 the manager or Board of Directors shall give the Delinquent Member notice. Such notice shall state:

- (i) that the Association will terminate the Member's utility service or right of access to and use of recreational facilities, or both, if the Association does not receive payment of the assessment within fourteen (14) calendar days;
- (ii) the amount of the assessment due, including any interest or late payment fee; and
- (iii) the Member's right to request a hearing under Subsection 3.8.3.

(b) A notice under Subsection 3.8.2(a) may include the estimated cost to reinstate a utility service if service is terminated.

3.8.3 (a) The Delinquent Member may submit a written request to the Board for an informal hearing to dispute the assessment.

(b) A request under Subsection 3.8.3(a) shall be submitted within fourteen (14) days after the date the Delinquent Member receives the notice under Subsection 3.8.2(a).

3.8.4 The Board of Directors shall conduct an informal hearing requested under Subsection 3.8.3 in accordance with the standards provided in Article X of these Bylaws.

3.8.5 If the Delinquent Member requests a hearing, the Association may not terminate a utility service or right of access to and use of recreational facilities until after the Board of Directors:

- (a) conducts the hearing; and
- (b) enters a final decision.

3.8.6 If the Association terminates a utility service or a right of access to and use of recreational facilities, the Association shall take immediate action to reinstate the service or right following the Member's payment of the assessment, including any interest and late payment fee.

3.8.7 The Association may:

- (a) levy an assessment against the Delinquent Member for the cost associated with reinstating a utility service that the Association terminates as provided in this section; and
- (b) demand that the estimated cost to reinstate the utility service be paid before the service is reinstated, if the estimated cost is included in a notice under Subsection 3.8.2(b).

ARTICLE IV - MEETING OF MEMBERS

4.1 Place of Members' Meetings.

Meetings of Members shall be held at the principal office of the Association or at such other place, within or convenient to the Project, as may be fixed by the Board and specified in the notice of the meeting.

4.2 Annual Meetings of Members.

Annual meetings of the Members shall be held on the second Monday in January of each year or at such date as is fixed by the Board of Directors and specified in the notice of meeting. The annual meetings of the Members shall be held to elect Directors of the Association and to transact such other business as may properly come before the meeting.

4.3 Special Meetings of Members.

Special Meetings of the Members may be called by the president or the Board of Directors or by Members holding not less than twenty-five percent (25%) of the total votes of all Members, excluding votes of Declarant, or by Declarant if it holds at least ten percent (10%) of the total votes of all Members. No business shall be transacted at a special meeting of Members except as indicated in the notice thereof.

4.4 Record Date/Members List.

4.4.1. The record date for the purpose of determining Members entitled to notice of, or to vote at, any meeting of Members or in order to make a determination of such Members for any other proper purpose for the taking of any other lawful action shall be as set forth in Subsection 4.4.2 below, unless the Board of Directors, in advance of sending notice, set a date by resolution as the record date for any such determination of Members. Such record date shall not be more than sixty (60) days prior to the meeting of Members or the event requiring a determination of Members.

4.4.2. Members entitled to notice of a meeting of the Members are the Members of the Association at the close of business on the business day preceding the day on which notice is given, or, if notice is waived, at the close of business on the business day preceding the day on which the meeting is held. Members entitled to vote at a meeting of the Members are the Members of the Association on the date of the meeting, and who are otherwise eligible to vote. The record date for the purpose of determining the Members entitled to exercise any rights in respect of any other lawful action are Members of the Association at the later of (i) the close of business on the day on which the Board of Directors adopts the resolution relating to the exercise of the right; or (ii) the close of business on the sixtieth (60th) day before the date of the exercise of the right. A record date fixed under this Section may not be more than seventy (70) days before the meeting or action requiring a determination of Members occurs. A determination of members entitled to notice of or to vote at a meeting of Members is effective for any adjournment of the meeting unless the Board of Directors fixes a new date for determining the right to notice or the right to vote.

4.4.3. The Association shall only be required to prepare a list of the names of the Members as provided for in Section 9.3.3.

4.5 Notice of Members' Meetings.

Written notice stating the place, day and hour of any meeting shall be delivered not less than ten (10) nor more than sixty (60) days before the date of the meeting. The notice of an annual, regular or special meeting shall include (a) the names of any known candidate for Director and shall identify any other matter which it is known may come before the meeting; (b) potential conflicting interest transactions of a Director, party related to a Director, or an entity in which the Director is a director or has a financial interest, if any; (c) notice of any indemnification or advance of expenses to a Director in connection with a legal "proceeding" as defined in the Acts; (d) notice of any amendment to these Bylaws proposed by the Members and a copy, summary or general statement of the proposed amendment; (e) notice of a proposed plan of merger; (f) notice of a proposed sale of the properties by the Association other than in the regular course of activities; (g) notice of a proposed dissolution of the Association; and (h) any matter a Member intends to raise at the meeting if requested in writing to do so by a person entitled to call a special meeting and the request is received by the secretary or president at least ten (10) days before the Association gives notice of the meeting. The notice of a special meeting shall state the purpose or purposes for which the meeting is called.

4.6 Proxies at Meetings.

A Member entitled to vote at a meeting may vote in person or by proxy executed in writing by the Member or his duly authorized attorney-in-fact and filed with the secretary of the meeting prior to the time the proxy is exercised.

4.7 Ballots at Meetings.

A written ballot, if delivered by the Association to every Member entitled to vote on the matter or matters therein as described in 4.8 below, may be used in connection with any annual, regular, or special meeting of Members, thereby allowing Members the choice of either voting in person or by written ballot delivered by a Member to the Association in lieu of attendance at such meeting. Any written ballot shall comply with the requirements of Sections 4.8 and 4.8.1 and shall be counted equally with the votes of Members in attendance at any meeting for every purpose, including satisfaction of a quorum requirement.

4.8 Ballots without a Meeting.

The Association may utilize ballots without a meeting to take any action that may be taken at any annual, regular or special meeting of the Members provided the Association delivers a written ballot to every member entitled to vote. Any ballot utilized without a meeting shall be valid only when (1) the time by which all ballots must be received has passed so that a quorum can be determined and (2) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

4.8.1 All solicitations for votes by written ballot shall: (a) set forth each proposed action, (b) provide for an opportunity to vote for or against each proposed action, (c) indicate the number of responses needed to meet the quorum requirements; (d) state the percentage of approvals necessary to approve each matter other than election of Directors; (e) specify the time by which a ballot must be received by the Association in order to be counted; and (f) be accompanied by written information sufficient to permit each person casting the ballot to reach an informed decision on the matter.

4.8.2 Any written ballot shall comply with the requirements in this Section and shall be counted equally with the votes of Members in attendance (by person or proxy) at any meeting for every purpose, including satisfaction of a quorum requirement.

4.8.3 Members shall be provided a fair and reasonable amount of time before the day on which the Association must receive ballots. An amount of time is considered to be fair and reasonable if (a) Members are given at least 15 days from the day on which the notice is mailed, if the notice is mailed by first-class or registered mail; (b) Members are given at least 30 days from the day on which the notice is mailed, if the notice is mailed by other than first-class or registered mail; or (c) considering all the circumstances, the amount of time is otherwise reasonable.

4.9 Revocation of Proxy or Ballot.

A proxy or ballot may be revoked, prior to the time the proxy is exercised or the ballot counted, by (a) the Member attending the meeting and voting in person, or (b) the Member signing and delivering to the secretary or other person authorized to tabulate proxy or ballot votes (i) a writing stating that the appointment of proxy or ballot is revoked, or (ii) a subsequent proxy form

or ballot. A proxy or ballot shall automatically cease upon the conveyance by a Member of the Lot of the Member and the transfer of the membership on the books of the Association. No proxy shall be valid after eleven (11) months from the date of its execution unless otherwise provided in the proxy. The death or incapacity of the Member appointing a proxy or issuing a ballot does not affect the right of the Association to accept the proxy's authority or count the ballot unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority or the ballot is counted.

4.10 Written Consents Without a Meeting.

Unless prohibited by the Articles of Incorporation, any action required to be taken or which may be taken at a meeting of Members may be taken without a meeting and without prior notice, if one or more consents in writing, setting forth the action taken, are signed by the members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all Members entitled to vote on the action were present and voted. Directors may not be elected by written consent, except by unanimous written consent of all Members entitled to vote for the election of Directors. Any action taken under this Section is not effective unless all written consents are received within a sixty (60) day period and have not been revoked. A written consent may be given by electronically transmitted facsimile or other form of communication providing the Association with a complete copy of the written consent, including a copy of the signature to the written consent.

4.11 Telecommunications.

Any or all of the Members may participate in an annual, regular, or special meeting of the Members by, or the meeting may be conducted through the use of, any means of communication by which all persons participating in the meeting may hear each other during the meeting. A member participating in a meeting by a means permitted under this Section is considered to be present in person at the meeting.

4.12 Quorum at Members' Meetings.

Except as may be otherwise provided in the Declaration, the Articles of Incorporation, or these Bylaws, and except as hereinafter provided with respect to the calling of another meeting, the representation, in person, by proxy or by ballot, of Members entitled to cast at least twenty-five percent (25%) of the votes of all Members shall constitute a quorum at any meeting of such Members. Members present in person or by proxy or represented by ballot at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members so as to leave less than a quorum. If a quorum is not present at any meeting, another meeting may be called by the Board of Directors issuing a Notice of Members Meeting at which meeting the members that are present in person or by proxy or represented by ballot shall constitute a quorum, except as otherwise provided in the Declaration, the Articles of Incorporation, or these Bylaws. No such subsequent meeting shall be held more than forty-five (45) days following such preceding meeting at which a quorum was not present.

4.13 Adjournment of Members' Meetings.

Members present in person or by proxy at any meeting at which a quorum or reduced quorum, as the case may be, was present may adjourn the meeting from time to time, without notice other than announcement at the meeting, for a total period or periods not to exceed forty-

five (45) days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall be the same as the quorum requirement of the meeting so adjourned, and any business may be transacted which might have been transacted at the adjourned meeting.

4.14 Vote Required at Members' Meetings.

At any meeting where a quorum is present, a majority of the votes present in person, ballot or by proxy and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Declaration, the Articles of Incorporation, or these Bylaws, except that, in the case of elections in which there are more than two (2) candidates, the persons receiving the highest number of votes shall be elected.

4.15 Cumulative Voting Not Permitted.

Cumulative voting by Members in the election of Directors shall not be permitted.

4.16 Order of Business.

The order of business at any meeting of Members shall be as follows: (a) roll call to determine the voting power represented at the meeting; (b) proof of notice of meeting or waiver of notice; (c) election of Directors, if applicable; (d) report of finances; and (e) any other Association business.

4.17 Expenses of Meetings.

The Association shall bear the expenses of all regular and annual meetings of Members and of special meetings of Members.

4.18 Waiver of Notice.

A Member may waive any notice required by the Acts or by these Bylaws, whether before or after the date or time stated in the notice as the date or time when any action will occur or has occurred. A waiver shall be in writing, signed by the Member entitled to the notice, and delivered to the Association for inclusion in the minutes; or filing with the corporate records. The delivery and filing required above may not be conditions of the effectiveness of the waiver. A Member's attendance at a meeting (a) waives objection to lack of notice or defective notice of the meeting, unless the Member at the beginning of the meeting objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice, and (b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice, unless the Member objects to considering the matter when it is presented.

4.19 Signature of Members.

Except as otherwise provided in the Acts, all votes, consents, written ballots, waivers, proxy appointments, and proxy or ballot revocations shall be in the name of the Member and signed by the Member with a designation of the Member's capacity; i.e., owner, partner, president, director, member, trustee, conservator, guardian, etc.

ARTICLE V - BOARD OF DIRECTORS

5.1 General Powers and Duties of the Board of Directors.

The Board of Directors shall have the duty to manage and supervise the affairs of the Association and shall have all powers necessary or desirable to permit it to do so. Without limiting the generality of the foregoing, the Board of Directors shall have the power to exercise or cause to be exercised for the Association all of the powers, rights and authority of the Association not reserved to Members in the Declaration, the Articles of Incorporation, these Bylaws, or the Acts.

5.2 Special Powers and Duties of the Board of Directors.

Without limiting the foregoing statement of general powers and duties of the Board of Directors or the powers and duties of the Board of Directors as set forth in the Declaration, the Board of Directors shall be vested with the following specific powers and duties:

5.2.1 Assessments. The duty to fix and levy from time to time assessments, special assessments, and all other assessments upon the Members of the Association as provided in the Declaration; and to enforce the payment of such delinquent assessments as provided in the Declaration.

5.2.2 Insurance. The duty to contract and pay premiums for fire and casualty and liability and other insurance in accordance with the provisions of the Declaration.

5.2.3 Common Areas. The duty to manage and care for the Common Areas, and to employ personnel necessary for the care and operation of the Common Areas, and to contract and pay for necessary or desirable improvements on property acquired by the Association in accordance with the Declaration.

5.2.4 Agents and Employees. The power to select, appoint, and remove all officers, agents, and employees of the Association and to prescribe such powers and duties for them as may be consistent with law, with the Declaration, the Articles of Incorporation, and these Bylaws.

5.2.5 Borrowing. The power, with the approval of the Members representing at least two-thirds (2/3) of the voting power of the Association, to borrow money and to incur indebtedness for the purpose of the Association, and to cause to be executed and delivered therefor, in the Association's name, promissory notes, bonds, debentures, mortgages, pledges, hypothecations or other evidences of debt, and securities therefor.

5.2.6 Enforcement. The power to enforce the provisions of the Declaration, the rules and regulations of the Association, these Bylaws, or other agreements of the Association.

5.2.7 Delegation of Powers. The power to delegate its powers according to law.

The power to adopt such rules and regulations with respect to the interpretation and implementation of the Declaration, use of Common Areas, and use of any property within the Project and to levy fines and penalties for infractions and violations thereof; provided, however, that such rules and regulations shall be enforceable only to the extent that they are consistent with the Declaration, the Articles of Incorporation, and these Bylaws.

5.2.9 Emergency Powers. The right to exercise such emergency powers as provided for in the Acts.

5.3 Qualifications of Directors.

A Director must be a natural person 18 years of age or over and an Owner of a Lot within the Project or, if the Owner of any such Lot is a partnership, corporation, or limited liability company, must be a designated representative of such partnership, corporation, or limited liability company. If a Director conveys or transfers title to his Lot, or if a Director who is a designated representative of a partnership, corporation, or limited liability company ceases to be such designated representative, or if the partnership, corporation, or limited liability company of which a Director is a designated representative transfers title to its Lot, such Director's term as Director shall immediately terminate and a new Director shall be selected as promptly as possible to take such Director's place. Notwithstanding anything in this Section to the contrary, none of the initial Directors, or Directors appointed by Declarant during the Declarant Control Period, shall be required to have any ownership interest in any Lot in order to qualify to serve as a Director until the first election of Directors by the Members after expiration of the Declarant Control Period.

5.4 Number of Directors.

The minimum number of Directors of the Association is three (3). Subject to this limitation, the number of Directors shall be three (3) until changed pursuant to this Section 5.4. The number of Directors shall not be increased beyond seven (7).

5.5 Term of Office of Directors and Elections.

The affairs of the Association shall be managed by a Board of Directors composed of no less than three (3) individuals, unless changed pursuant to Section 5.4. The Board of Directors shall be elected by secret ballot at a meeting of the Members to serve as follows:

At each annual Meeting of the Members, the Members shall elect Directors for terms of two (2) years, with an odd number of Directors (at least two (2) less than the entire Board) elected in odd-numbered years and an even number of Directors elected in even-numbered years. In the initial election of Directors, the method of election shall provide that the term of an odd number of Directors (at least two (2) less than the entire Board) shall expire in the next odd numbered year, and the term of an even number of trustees shall expire in the next even numbered year.

Directors newly elected at the annual meeting of the Members shall take office on the first day of the month following the annual meeting. Said newly elected Directors are invited to attend Board of Directors meetings to familiarize them with the Association procedures prior to taking

office. Only Members who are not in violation of the Governing Documents shall be eligible to run for a position on the Board of Directors.

In an election of multiple Directors, that number of candidates equaling the number of Directors to be elected, having the highest number of votes cast in favor of their election, are elected to the Board of Directors. When only one (1) Director is being voted upon, the candidate having the highest number of votes cast in his or her favor is elected to the Board of Directors.

5.6 Nominating Committee.

Nominations for election to the Board of Directors shall be made by a nominating committee. Nominations may also be made from the floor at the annual meeting of the Members. The nominating committee shall consist of a chairman, who shall be a member of the Board of Directors, and two or more Members of the Association. The nominating committee shall be appointed by the Board of Directors prior to each annual meeting of the members, to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting. The nominating committee shall make as many nominations for election to the Board of Directors as it shall in its discretion determine, but not less than the number of vacancies that are to be filled. Except for the initial Board of Directors appointed by the Declarant, such nominations shall be made from among the Members.

5.7 Removal of Directors By the Members.

At any meeting of the Members, the notice of which indicates such purpose, any or all of the Directors may be removed, with or without cause, by the affirmative vote of Members holding a majority of the voting interests of all Members; and a successor may be then and there elected to fill the vacancy thus created.

5.8 Resignation of Directors.

Any Director may resign at any time by giving written notice to the president, to the secretary, or to the Board of Directors stating the effective date of such resignation. Acceptance of such resignation shall not be necessary to make the resignation effective. A Director who resigns may deliver to the Utah Department of Commerce, Division of Corporations and Commercial Code a statement setting forth (a) that person's name; (b) the name of this Association; (c) information sufficient to identify the report or other document in which the person is named as a Director or officer; and (d) the date on which the person ceased to be a Director or officer or a statement that the person did not hold the position for which the person was named in the corporate report or other document.

5.9 Vacancies in the Board of Directors.

Any vacancy occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board of Directors. A Director elected or appointed to fill a vacancy shall be elected or appointed for the unexpired term of his predecessor in office. A directorship to be filled by reason of an increase in the number of Directors shall be filled only by vote of the Members. A Director elected by the Board of Directors to fill the vacancy of a Director elected by the voting Members may be removed without cause by the voting Members, but not the Board of Directors. Should any vacancy of the Board of Directors remain unfilled for a period of two (2) months, the Members may, at a special meeting of the

Members called for that purpose, elect a Director to fill such vacancy by a majority of the votes which Members present at such meeting, or represented by proxy or ballot, are entitled to cast.

5.10 Appointment of Committees.

The Board of Directors, by resolution adopted by a majority of the Directors in office, may designate and appoint one or more committees which shall consist of two or more Directors and which, unless otherwise provided in such resolution, shall have and may exercise the authority to make recommendations (but not final decisions) to the Board of Directors in the management of the Association, except authority with respect to those matters specified in the Acts as matters which such committee may not have and exercise the authority of the Board of Directors.

5.11 General Provisions Applicable to Committees.

The designation and appointment of any committee and the delegation thereto of authority shall not operate to relieve the Board of Directors, or any individual Director, of any responsibility imposed upon it or him by law. The provision of these Bylaws with respect to notice of meeting, waiver of notice, quorums, adjournments, vote required and action by consent applicable to meetings of the Board of Directors shall be applicable to meetings of committees of the Board of Directors.

ARTICLE VI - MEETING OF DIRECTORS

6.1 Place of Directors' Meetings.

Meetings of the Board of Directors shall be held at the principal office of the Association or at such other place, within or convenient to the Project, as may be fixed by the Board of Directors and specified in the notice of the meeting.

6.2 Annual Meeting of Directors.

The annual meeting of the Board of Directors shall be held on the same date as, or within ten (10) days following, the annual meeting of Members and also on the date that newly elected Directors take office. The Business to be conducted at the annual meeting of the Board of Directors shall consist of the appointment of officers of the Association and the transaction of such other business as may properly come before the meeting. No prior notice of the annual meeting of the Board of Directors shall be necessary if the meeting is held on the same day and at the same place as the annual meeting of Members at which the Board of Directors is elected or if the time and place of the annual meeting of the Board of Directors is announced at the annual meeting of Members.

6.3 Other Regular Meetings of Directors.

The Board of Directors may hold other regular meetings and may, by resolution, establish in advance the times and places for such regular meetings. The resolution of meeting schedule shall be given to all Members of the Association at least 48 hours before the first meeting scheduled. No prior notice of any regular meeting need be given after establishment of the time and place thereof by such resolution.

6.4 Special Meetings of Directors.

Special Meetings of the Board of Directors may be called by the president or any two (2) members of the Board of Directors other than the president.

6.5 Open Meetings/Member Right to Participate.

Except as provided in Subsection 6.6, a Board meeting, whether in person or by means of electronic communication, at which the Board can take binding action shall be open to each Member or the Member's representative if the representative is designated in writing. At each meeting, the Board shall provide each Member a reasonable opportunity to offer comments. The Board may limit the comments to one specific time period during the meeting. A Board member may not avoid or obstruct the requirements of this Section. However, nothing in this section shall affect the validity or enforceability of an action of a Board.

6.6 Closed Meetings.

The Board may close a meeting to: (a) consult with an attorney for the purpose of obtaining legal advice; (b) discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings; (c) discuss a personnel matter; (d) discuss a matter relating to contract negotiations, including review of a bid or proposal; (e) discuss a matter that involves an individual if the discussion is likely to cause the individual undue embarrassment or violate the individual's reasonable expectation of privacy; or (f) discuss a delinquent assessment or fine.

6.7 Notice to Directors of Board Meetings.

In the case of all meetings of the Board of Directors for which notice is required by these Bylaws, notice stating the place, day and hour of the meeting shall be delivered not less than three (3) nor more than thirty (30) days before the date of the meeting, by mail, fax, electronic means, telephone or personally, by or at the direction of the persons calling the meeting, to each member of the Board of Directors. If by telephone such notice shall be deemed to be delivered when given by telephone to the Director. If given personally, such notice shall be deemed to be delivered upon delivery of a copy of a written notice to, or upon verbally advising, the Director or some person who appears competent and mature at his home or business address as either appears on the records of the Association.

Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board of Directors need be specified in the notice to the Board member or waiver of such meeting.

6.8 Notice to Members of Board Meetings.

At least 48 hours before an open Board meeting, the Association shall give written notice of the meeting via email to each Member who requests notice of a meeting, unless: (a) notice of the meeting is included in a meeting schedule that was previously provided to the Member; or (b) the meeting is to address an emergency and each Board member receives notice of the meeting less than 48 hours before the meeting. The notice to the Members shall: (a) be delivered to the member by email, to the email address that the lot owner provides to the Board or the Association (or via mail if requested in writing by the Member); (b) state the time and date of the

meeting; (c) state the location of the meeting; and (d) if a Board member may participate by means of electronic communication, provide the information necessary to allow the member to participate by the available means of electronic communication.

6.9 Proxies.

For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Director may be considered to be present at a meeting and to vote if the Director has granted a signed written proxy: (i) to another Director who is present at the meeting; and (ii) authorizing the other Director to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy. Except as provided in this Section 6.9 and as permitted by Section 6.16, Directors may not vote or otherwise act by proxy.

6.10 Telecommunications.

The Board of Directors may permit any Director to participate in a regular or special meeting of the Board by, or conduct the meeting through the use of, any means of communication by which all Directors participating may hear each other during the meeting. A Director so participating in such a meeting is considered to be present in person at the meeting.

6.11 Quorum of Directors.

A majority of the number of Directors fixed in these Bylaws shall constitute a quorum for the transaction of business. For the purpose of determining the presence of a quorum, Directors will be counted if represented in person or by proxy, if applicable.

6.12 Adjournment of Directors' Meeting.

Directors present at any meeting of the Board of Directors may adjourn the meeting from time to time, whether or not a quorum shall be present, without notice other than announcement at the meeting, for a total period or periods of not to exceed thirty (30) days after the date set for the original meeting. At any adjourned meeting which is held without notice other than announcement at the meeting, the quorum requirement shall not be reduced or changed, but if the originally required quorum is present, any business may be transacted which might have been transacted at the meeting as originally called.

6.13 Vote Required at Directors' Meeting.

At any meeting of the Board of Directors, if a quorum is present, a majority of the votes present in person or by proxy, if applicable, and entitled to be cast on a matter shall be necessary for the adoption of the matter, unless a greater proportion is required by law, the Declaration, the Articles of Incorporation, or these Bylaws.

6.14 Officers at Meetings.

The president shall act as chairman and the Board of Directors shall appoint a secretary to act at all meetings of the Board of Directors.

6.15 Waiver of Notice.

A waiver of notice of any meeting of the Board of Directors, signed by a Director, whether before or after the meeting, shall be equivalent to the giving of notice of the meeting to such Director. Attendance of a Director at a meeting in person shall constitute waiver of notice of such meeting unless (i) at the beginning of the meeting or promptly upon the Director's later arrival the Director objects to holding the meeting or transacting business at the meeting because of lack of notice or defective notice and, after objecting, the Director does not vote for or assent to action taken at the meeting, or (ii) the Director contemporaneously requests that the Director's dissent or abstention as to any specific action taken be entered in the minutes of the meeting; or (iii) the Director causes written notice of the Director's dissent or abstention as to any specific action to be received by (a) the presiding officer of the meeting before adjournment of the meeting; or (b) the Association promptly after adjournment of the meeting.

6.16 Dissent or Abstention.

The right of dissent or abstention pursuant to Section 6.15 is not available to a Director who votes in favor of the action taken.

6.17 Action of Directors Without a Meeting.

6.17.1 By Written Consent. Any action required or permitted by the Non-Profit Act, Declaration, Articles or these Bylaws, that may be taken at a Board of Directors meeting may be taken without a meeting if all members of the Board consent to the action in writing. Action is taken under Subsection 6.17.1 at the time the last Director signs a writing describing the action taken, unless, before that time, any Director revokes a consent by a writing signed by the Director and received by the secretary or any other person authorized by these Bylaws or the Board of Directors to receive the revocation. Action under this Subsection 6.17.1 is effective at the time it is taken, unless the Board of Directors establishes a different effective date.

6.17.2 With Advance Notice. Any action required or permitted by the Non-Profit Act, Declaration, Articles or these Bylaws that may be taken at a Board of Directors meeting may be taken without a meeting if notice is transmitted in writing to each member of the Board and each member of the Board by the time stated in the notice: (i) (a) signs a writing for such action; or (b) signs a writing against such action, abstains in writing from voting, or fails to respond or vote; and (ii) fails to demand in writing that action not be taken without a meeting.

The notice required by Subsection 6.17.2 shall state: (i) the action to be taken; (ii) the time by which a Director must respond to the notice; (iii) that failure to respond by the time stated in the notice will have the same effect as: (a) abstaining in writing by the time stated in the notice; and (b) failing to demand in writing by the time stated in the notice that action not be taken without a meeting; and (iv) any other matters the Association determines to include.

Action is taken under this Subsection 6.17.2 only if at the end of the time stated in the notice: (i) the affirmative votes in writing for the action received by the Association and not revoked pursuant to this Subsection equal or exceed the minimum number of votes that would be necessary to take such action at a meeting at which all of the Directors then in office were present and voted; and (ii) the Association has not received a written demand by a Director that the action not be taken without a meeting other than a demand that has been revoked pursuant to this Subsection.

A Director's right to demand that action not be taken without a meeting shall be considered to have been waived unless the Association receives such demand from the Director

in writing by the time stated in the notice transmitted pursuant to this Subsection and the demand has not been revoked.

A Director who in writing has voted, abstained, or demanded action not be taken without a meeting pursuant to this Subsection 6.17.2 may revoke the vote, abstention, or demand in writing received by the Association by the time stated in the notice transmitted.

Unless the notice transmitted pursuant to Subsection 6.17.2 states a different effective date, action taken pursuant to this Subsection is effective at the end of the time stated in the notice.

6.17.3 General Provisions. A communication under this Section 6 may be delivered by an electronic transmission. An electronic transmission communicating a vote, abstention, demand, or revocation under Subsection 6.17.2 is considered to be written, signed, and dated for purposes of this section if the electronic transmission is delivered with information from which the Association can determine: (i) that the electronic transmission is transmitted by the Director; and (ii) the date on which the electronic transmission is transmitted. The date on which an electronic transmission is transmitted is considered the date on which the vote, abstention, demand, or revocation is signed. For purposes of this Section 6, communications to the Association are not effective until received. Action taken pursuant to this Section 6 has the same effect as action taken at a meeting of Directors and may be described as an action taken at a meeting of Directors in any document.

These Bylaws may be amended, at any regular, annual, or special meeting of the Board of Directors, by a vote of the majority of the Board of Directors, except if it would result in a change of the rights, privileges, preferences, restrictions, or conditions of a membership class as to voting, dissolution, redemption, or transfer by changing the rights, privileges, preferences, restrictions, or conditions of another class. ARTICLE X - NOTICE AND HEARING PROCEDURE

10.1 Association's Enforcement Rights.

In the event of an alleged violation by a Member or occupant ("Respondent") of the Declaration, these Bylaws, or the rules and regulations of the Association, the Board of Directors shall have the right, upon an affirmative vote of a majority of all Directors on the Board of Directors, to take any one or more of the actions and to pursue one or more of the remedies permitted under the provisions of the Declaration, these Bylaws, or the rules and regulations of the Association. If, under the provisions of the Declaration, these Bylaws, or the rules and regulations, a Notice of Noncompliance and Right to Hearing (as defined below) is required prior to taking action or pursuing remedies, the following provisions of Article X of these Bylaws shall be applicable. The failure of the Board of Directors to enforce the rules and regulations of the Association, these Bylaws, or the Declaration shall not constitute waiver of the right to enforce the

same thereafter. The remedies set forth and provided in the Declaration, the rules and regulations of the Association or these Bylaws shall be cumulative and none shall be exclusive.

10.2 Notice of Noncompliance and Right to Hearing.

A copy of the Complaint or Notice of Noncompliance and Right to Hearing ("Notice") shall contain a written statement of charges which shall set forth in ordinary and concise language the acts or omissions with which the Respondent is charged and a reference to the specific provisions of the Declaration, these Bylaws, or the rules and regulations of the Association which the Respondent is alleged to have violated. The Notice shall be given to each Respondent, together with a statement which shall be substantially in the following form:

"Unless a written request for a hearing signed by or on behalf of a person named as Respondent in the accompanying Complaint/Notice is delivered or mailed to the Board of Directors within thirty (30) days after the Complaint/Notice is served upon you, the Board of Directors may proceed upon the Complaint/Notice without a hearing, and you will have thus waived your right to a hearing. The request for a hearing may be made by delivering or mailing the enclosed form entitled "Notice of Response" to the Board of Directors at the following address:

You may, but need not, be represented by counsel at any or all stages of these proceedings. If you desire the names and addresses of witnesses or an opportunity to inspect any relevant writings or items on file in connection with this matter in the possession, custody or control of the Board of Directors, you may contact:

_____."

A Respondent shall be entitled to a hearing on the merits of the matter if the Notice of Response is timely filed with the Board of Directors. A Respondent may file a separate statement by way of mitigation, even if he does not file a Notice of Response. If the charges relate to an occupant that is not a Member, both the occupant and the Member shall be considered Respondents.

10.3 Board of Directors.

The Board of Directors shall serve as the Hearing Committee. The Board of Directors shall elect a Chairman and appoint a hearing officer who shall take evidence and ensure that a proper record of all proceedings is maintained.

10.4 Notice of Hearing.

The Board of Directors shall give a Notice of Hearing to all parties at least ten (10) days prior to the hearing, if such hearing is requested by a Respondent. The hearing shall be held no later than thirty (30) days after the Notice of Hearing is mailed or delivered to each Respondent.

The Notice of Hearing to each Respondent shall be substantially in the following form, but may include other information:

“You are hereby notified that a hearing will be held before The Board of Directors at:

on the _____ day of _____, 20____, at the hour of _____, upon the charges made in the Complaint/Notice served upon you. You may be present at the hearing, may but need not be represented by counsel, may present any relevant evidence, and will be given full opportunity to cross-examine all witnesses testifying against you. You are entitled to seek the attendance of witnesses and to compel the production of books, documents or other items in the possession of the Association by applying to the Board of Directors of the Association.”

10.5 Hearing.

(a) At the hearing, the Respondent must show cause, if any cause can be shown, why said Respondent is not in violation of the Declaration, the rules and regulations of the Association, or these Bylaws as set forth in the Notice.

(b) Oral evidence shall be taken only on oath or affirmation administered by a Member of the Board of Directors. The use of affidavits and written interrogatories in lieu of oral testimony shall be encouraged by the Board of Directors.

(c) Each party shall have these rights: to call and examine witnesses; to introduce exhibits; to cross-examine witnesses on any matter relevant to the issues; to impeach any witness; and to rebut the evidence against such party. If Respondent does not testify in his own behalf, he may be called and examined as if under cross-examination.

(d) The hearing need not be conducted according to technical rules relating to evidence of witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil action. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.

(e) Neither the complainant nor the Respondent need be in attendance at the hearing. The hearing shall be open to attendance by any Member of the Association to the extent of the permissible capacity of the hearing room.

(f) In rendering a decision, official notice may be taken at any time of any provision of the Declaration, these Bylaws, the rules and regulations of the Association, or any generally understood matter within the working of the Association. Persons present at

the hearing shall be informed of the matters to be noticed by the Board of Directors, and these Matters shall be made a part of the record of proceedings.

(g) The Board of Directors may grant continuances on a showing of good cause.

(h) Whenever the Board of Directors has commenced to hear the matter and a member of the Board of Directors is forced to withdraw prior to a final determination by the Board of Directors, the remaining Directors shall continue to hear and decide the case.

10.6 Decision.

If a Respondent fails to file a Notice of Response as provided in Section 10.2 of these Bylaws, or fails to appear at a hearing, the Board of Directors may take action based upon the evidence presented to it without further notice to Respondent. However, the Respondent may make any showing by way of mitigation. After all testimony and documentary evidence has been presented to the Board of Directors, the Board of Directors may vote by secret written ballot, or otherwise, upon the matter, with a majority of the entire Board of Directors controlling. A copy of the Notice of Adjudication of the Board of Directors may be posted by the Board of Directors at a conspicuous place in the Project, and a copy shall be provided by the president of the Association to each person directly involved in the matter and his attorney, if any. The Notice of Adjudication may include (i) the terms of any disciplinary action; (ii) the levy of any Assessment; or (iii) other such actions or remedies as the Board of Directors deems appropriate. The decision of the Board of Directors shall become effective ten (10) days after it is given to each Respondent, unless otherwise ordered in writing by the Board of Directors. The Board of Directors may order a reconsideration at any time within fifteen (15) days following service of its decision on the involved persons, on its own motion or on petition by any party. However, no action against a Respondent arising from the alleged violation shall take effect prior to the expiration of the later of (a) fifteen (15) days after each Respondent’s receipt of the Notice of Hearing; or (b) ten (10) days after the hearing required herein.

10.7 Subsequent Violations for Same Offense.

If the Board of Directors determines that an Owner violates the Notice of Adjudication, the Board of Directors may immediately issue a Notice of Noncompliance by Board of Directors and Right to Hearing or file suit to enforce the Notice of Adjudication.
