RE: Response to Your Letter Dated August 18, 2015

Dear Jill:

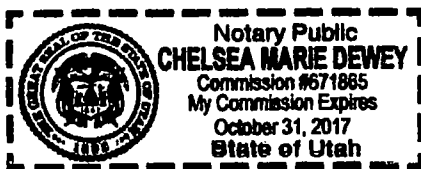

Thank you for your letter dated August 18, 2015 listing your concerns and comments. You will see on our plans we have addressed your suggestions and concerns.

Regarding the existing South Davis Sewer mains in easements at the north and west property line, we recognize the concrete curb and gutter is directly over the top of this existing sewer line. Ascent will take responsibility, including associated costs, for damaged improvements within the sewer easement including; curb and gutter, site concrete, asphalt paving, landscaping, rock retaining wall, etc. that might be associated with future repairs to our existing sewer lateral by the Central Davis Sewer District.

Should you have any questions, Please call me at 801.299.1711.

Sincerely,

Brad L. Knowlton
