COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant for each Lot owned by him within the Properties hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; (2) special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in the Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Areas and of the homes situated upon the Properties, including, but not limited to, the payment of taxes and insurance thereon, the payment of the costs of repairing, replacing, maintaining and constructing or acquiring additions to the Common Area, the payment of the cost of repairing, replacing and maintaining the exteriors of each Townhouse Unit and Quadrominium Unit as provided in Article VII, and the establishment of a reserve account for repair, maintenance, replacement, taxes, insurance and other charges as herein specified.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January 1, 1975, the maximum annual assessment shall be Three Hundred Dollars (\$300.00) per Townhouse Unit, and Two Hundred Forty Dollars (\$240.00) per Quadrominium Unit.

(a) From and after January 1, 1975, the maximum annual assessment may be increased, by not more than three percent (3%) per annum, for the next succeeding three (3) years, and at the end of each such period of three (3) years for each succeeding period of three (3) years, without vote of the membership.

(b) From and after January 1, 1975, the maximum annual assessment may be increased above three percent (3%) by a vote of two-thirds (2/3) of each class of members voting, in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may, after consideration of current and future needs of the Association, fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, repair or replacement of a capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members voting, in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance of said meeting and shall set forth the purpose of the meeting.

Section 5. Change in Basis and Maximum of Annual Assessments. Subject to the limitations of Section 3 hereof, and for the periods therein specified, the Association may change the maximum and basis of the assessments fixed by Section 3 hereof prospectively for any such period provided that any such change shall have the assent of two-thirds (2/3) of the votes of each class of Members, voting in person or by proxy, at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance of said meeting and shall set forth the purpose of the meeting, provided further that the limitations of Section 3 hereof shall not apply to any change in the maximum and basis of the assessments undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under its Articles of Incorporation.

Section 6. Notice and Quorum for Any Action Authorized Under Section 3, 4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3, 4 or 5 shall be sent to all Members at least thirty (30) days in advance of said meeting. At the first meeting called, as provided in Sections 3, 4 and 5 hereof, the presence at the meeting of Members, or of proxies, entitled to cast sixty-seven percent (67%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called, subject to the notice requirement set forth in Sections 3, 4 and 5, and the required quorum at any such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting, provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate on all Townhouse Units and at a uniform rate on all Quadrominium Units for all Class I Lots and for all Class II Lots, provided that the assessments of Class II Lots shall be fixed at a uniform rate of one-tenth (1/10) of the rate of assessments of Class I Lots, and provided further that the assessments of Quadrominium Units shall be fixed at a uniform rate of four-fifths (4/5) of the rate of assessments of Townhouse Units. Both annual and special assessments may be collected on a monthly basis.

Section 8. Date of Commencement of Annual Assessments; Duties of Board of Directors; Due Dates; Adjustment of Assessments in Certain Cases. The annual assessment provided for herein shall commence on the date fixed by the Board of Directors of the Association to be the date of commencement, provided that said commencement date shall be the first day of a calendar month.

The first annual assessments shall be adjusted according to the number of months remaining in the calendar year. The same adjustment shall be made to the first assessment levied against any Class II Lot which becomes a Class I Lot at a time other than the beginning of any assessment period, and to the first assessment levied against any property which is hereafter added to the Properties now subject to assessment at a time other than the beginning of any assessment period.

The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period, and shall send written notice of the annual assessment to every Owner subject thereto.

The due dates shall be established by the Board of Directors, upon which dates the assessments for any year shall become due and payable; provided, that the Board of Directors may provide for the payment of annual assessments in twelve (12) equal monthly installments. The due date of any special assessments authorized herein shall be fixed by the Board of Directors, subject to the same notice and payment requirements pertaining to annual assessments.

The Board of Directors shall prepare a roster of the Properties and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment, which roster shall be kept by the Treasurer of the Association, shall record payments of assessment, and shall be open to inspection by any Member of the Association at reasonable times.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. Such certificates, when property issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have been paid.

Section 9. Effect of Non-Payment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of six percent (6%) per annum until paid.

The Association may bring an action at law against the Owner personally obligated to pay any such delinquent assessment, or may foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the exercise of powers of sale or fore-

closure in deeds of trusts or mortgages, or in any manner permitted by law, and there shall be added to the amount of such delinquent assessment the costs and expenses of said action, sale or foreclosure, and a reasonable attorney's fee.

The personal obligation of an owner to pay any assessments shall remain his personal obligation for the statutory period and shall not pass to his successor in title unless expressly assumed by them.

No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exempt Properties. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

(a) Any properties dedicated and accepted by the local public authority and devoted to public use;

(b) All Common Area;

(c) All properties exempted from taxation by the laws of the State of Utah, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein contained, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

Section 12. Insurance and Insurance Assessments. The Board of Directors of the Association, or its duly authorized agent, shall have the authority to, and shall, obtain and continue in effect all types of insurance necessary to protect the Association, its Members, and mortgagees holding mortgages covering Townhouse Units and Quadrominium Units, as their respective interests may appear, including but not limited to fire and extended casualty insurance coverage (including storm, smoke, and explosion damage) on all Townhouse Units and Quadrominium Units and other buildings on the Properties, and broad form public liability insurance on the Association covering all damage or injury caused by the negligence of said Association, or its agents, in caring for the Common Areas or otherwise performing any of its authorized functions.

Said insurance coverage shall be written in the name of the Association as trustee for each of the Owners of the Properties and of the buildings situated thereon, and said coverage shall be in an amount equal to the full insurable value or replacement cost of all property covered thereby and, in the case of public liability coverage, in an amount deemed adequate by the Board of Directors.

Premiums for insurance obtained by the Board of Directors pursuant to this Section shall be a common expense of the Association and shall be

collectable from Members of the Association as part of the annual assessments in the manner specified in this Article IV.

In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Association, the Board of Directors shall, upon receipt of the insurance proceeds, contract to rebuild or repair said damaged or destroyed portions of the property, as rapidly as possible, in conformity with the plans and specifications by which said properties were erected; provided, that in the event that the cost of repair or rebuilding shall exceed the insurance proceeds received therefor, the Board of Directors shall levy a special assessment as provided in Article IV, Section 8, above, to make up any deficiency necessary to repair or rebuild said property.

Provision for the acquisition of insurance coverage written in the name of the Association shall be without prejudice to the right of each Owner to insure his own personal and real property for his own benefit.

ARTICLE V

PARTY WALLS

Section 1. General Rules of Law to Apply. Each wall which is built as a part of the original construction of the homes upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, then, to the extent said destruction or damage is not covered by insurance and repaired out of the proceeds of the same, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements to the extent that said protection is not covered by insurance and paid for out of the proceeds of the same.

Section 5. Right to Contribution Runs With Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 6. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators. Should any party refuse to appoint an arbitrator within ten (10) days after

written request to do so, the Board of Directors of the Association shall select an arbitrator for the refusing party.

ARTICLE VI

ARCHITECTURAL CONTROL COMMITTEE

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with.

ARTICLE VII

EXTERIOR MAINTENANCE

Section 1. Exterior Maintenance. In addition to maintenance upon the Common Area, the Association shall provide exterior maintenance upon each Lot which is subject to assessment under Article IV hereof, as follows: paint, repair, replace and care for roofs, gutters, downspouts, exterior building surfaces, trees, shrubs, grass, walks, and other exterior improvements.

Section 2. Assessment of Cost. The cost of such exterior maintenance shall be assessed against the Lot upon which such maintenance is done and shall be added to and become part of the annual maintenance assessment or charge to which such Lot is subject under Article IV hereof and, as part of such annual assessment or charge, it shall be a lien and obligation of the Owner and shall become due and payable in all respects as provided in Article IV hereof, provided that the Board of Directors of the Association, when establishing the annual assessment against each Lot for any assessment year as required under Article IV hereof, may add thereto the estimated cost of the exterior maintenance for that year but shall, thereafter, make such adjustment with the Owner as is necessary to reflect the actual cost thereof.

Section 3. Maintenance of Patio Areas. The Owner of each Townhouse Unit and of each Quadrominium Unit shall provide exterior maintenance upon the patio area located upon the Properties and designated for his exclusive use, and shall repair, replace and care for said patio area and shall not permit any rubbish, trash, garbage or other nuisance to accumulate thereon; provided that in the event an Owner of such Townhouse Unit or Quadrominium Unit shall fail to maintain said patio area in accordance with the requirements of this Section, the Board of Directors of the Association shall have the right, through its agents and employees, to enter upon said patio area and to repair, replace, maintain and restore said patio area in accordance herewith, and the cost of such repair, replacement and maintenance shall be assessed against such Lot and shall be added to and become a part of the annual maintenance assessment or charge to which said Lot is subject under Article IV hereof.

Section 4. Access at Reasonable Hours. For the purpose solely of performing the exterior maintenance required by this Article, the

Association, through its duly authorized agents or employees shall have the right, after reasonable notice to the Owner, to enter upon any Lot or exterior of any Townhouse Unit or Quadrominium Unit at reasonable hours on any day except Sunday.

ARTICLE VIII

Section 4. Signs; Commercial Activity. No advertising signs, billboards, objects of unsightly appearance or nuisances shall be erected, placed, or permitted to remain on any Lot, except one "For Rent" or "For Sale" sign of not more than five (5) square feet, nor shall any lot be used in any way or for any purpose which may endanger the health or unreasonably disturb the residents of the Properties. No commercial activities of any kind whatever shall be conducted in any building or on any portion of the Properties except activities intended primarily to serve residents in the Properties. The foregoing restrictions shall not apply to the commercial activities, signs and billboards, if any, of the Declarant or its agents during the construction and sales period or by the Association in furtherance of its powers and purposes set forth hereinafter and in its Articles of Incorporation, ByLaws and Rules and Regulations, as the same may be amended from time to time.

Section 5. Planting and Gardening. Except in the individual patio areas designated for the exclusive use of Townhouse or Quadrominium Owners, no planting or gardening shall be done upon the Properties and no fences, hedges or walls shall be erected or maintained upon said Properties except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Directors or their designated representative.

Except for the right of ingress and egress, the Owners of Lots are hereby prohibited and restricted from using any of said Common Area outside the exterior building lines, and the patio areas, other than as permitted in this Declaration of Covenants or as may be allowed by the Board of Directors of the Association. It is expressly acknowledged and agreed by all parties concerned that this restriction is for the mutual benefit of all Owners of Lots in the Properties, and is necessary for the protection of the interests of all said Owners in and to the Common Area.

As part of the overall program of development of the Properties into a residential community, and to encourage the marketing thereof, the Declarant shall have the right of use of the Common Area and facilities thereon, including any community buildings, without charge during the sales and construction period to aid in its marketing activities.

Section 7. Oil and Mining Operations. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in the Properties or any Lot. Section 9. Interior Utilities. All utilities, fixtures and equipment installed within a Townhouse or Quadrominium, commencing at a point where the utility lines, pipes, wires, conduits or systems enter the exterior walls of a Townhouse or Quadrominium, shall be maintained and kept in repair by the Owner thereof. An Owner shall do no act nor any work that will impair any easement or hereditament, nor do any act nor allow any condition to exist which will adversely affect the other Townhouses and Quadrominiums or their Owners.

ARTICLE IX

EASEMENTS

Section 1. Encroachments. Each Lot and the property included in the Common Area shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Declarant. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the multi-family structure containing two or more Townhouses or Quadrominiums is partially or totally destroyed, and then rebuilt, the Owners of the Townhouses or Quadrominiums so affected agree that minor encroachments of parts of the adjacent Townhouse Units, Quadrominium Units or Common Area due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Section 2. Utilities. There is hereby created a blanket easement upon, across, over and under all of the said Property for ingress, egress, installation, replacing, repairing and maintaining all utilities, including but not limited to water, sewers, gas, telephone and electricity, and a

By virtue of this easement, it shall be expressly permissible for all public utilities serving the Properties to lay, construct, renew, operate and maintain conduits, cables, pipes, mains, ducts, wires and other necessary equipment on the Properties, provided that all such services shall be placed underground, except that said public utilities may affix and maintain electrical and/or telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of said Townhouses and Quadrominiums. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, or other utilities may be installed or relocated on said Property except as initially programmed and approved by the Declarant or thereafter approved by Declarant or the Association's Board of Directors. Should any utility furnishing a service covered by the general easement herein provided request a specific easement by separate recordable document, Declarant shall have the right to grant such easement on said Property without conflicting with the terms hereof.

Section 3. Police, Fire and Ambulance Services. An easement is hereby granted to all police, firemen, ambulance attendants and all similar persons to enter upon the streets and Common Area in the performance of their duties.
