Each Owner shall, at his sole cost, keep the interior of his Unit, including without limitation, interior walls, windows, ceilings, floors, and permanent fixtures and appurtenances thereto, and the Limited Common Areas and Limited Common Facilities, the use of which is limited to use by such Owner, including but not limited to patio(s) and/or deck(s), in a clean and sanitary condition and in a state of good repair. In the event that any Unit or such Limited Common Area or Limited Common Facility should develop an unsanitary or unclean condition or fall into a state of disrepair, and in the event that the Owner of such Unit or the Unit to which the exclusive right to use the Limited Common Area or Limited Common Facility appertains should fail to correct such condition or state of disrepair promptly following written notice from the Association, the Association shall have the right, at the expense of the Owner and without liability to the Owner for trespass or otherwise, to enter said Unit, Limited Common Area, or Limited Common Facility and correct or eliminate said unsanitary or unclean condition or state of disrepair.

To the extent permitted in the written consent of the Association, any walls, floors, or other structural separations between any two such Units, or any space which would be occupied by such structural separations but for the utilization of the two Units as one Unit, may, for as long as the two Units are utilized as one Unit, be utilized by the Owner or Owners of the adjoining Units as Limited Common Areas, except to the extent that any such structural separations are necessary or contain facilities necessary for the support, use, or enjoyment of other parts of the Project. At any time, upon the request of the Owner of one of such adjoining Units, any opening between the two Units which, but for joint utilization of the two Units, would have been occupied by such structural separations, shall be closed, at the equal expense of the Owner or Owners of each of the two Units and the structural separations between the two Units shall thereupon revert to Common Areas.

4.04. Title. Title to a Condominium within the Project may be held or owned by any person or entity or any combination thereof and in any manner in which title to any other real property may be held or owned in the State of Utah, including without limitation, joint tenancy or tenancy in common.

Except as otherwise provided in this Declaration, any Owner shall be entitled to the nonexclusive use of the Common Areas and Common Facilities (other than Limited Common Areas and Facilities) in any manner that does not hinder or encroach upon the rights of other Owners and is not contrary to any rules or regulations promulgated by the Association. Except as otherwise provided in this Declaration, any Owner shall have the exclusive right to use and enjoy and Limited Common Areas and Facilities that may be designated for exclusive use by such Owner. The Unit Owners will each be responsible for the taxes, insurance, maintenance and all other costs relating to non-exclusive Common Areas in proportion to their respective individual interests in the Common Areas, until such time as other Phases may be completed and occupied. If said future Phases are completed and occupied, the aforesaid taxes, insurance, maintenance and all other costs relating to such non-exclusive Common Areas will be shared by each Unit Owner based on the square footage of the Condominium Units in All Phases that may become a part of the Project.

4.07. Limited Common Areas. Each balcony and each patio, as shown on the Map, shall be Limited Common Areas for exclusive use by the Owner of the particular Unit which is contiguous with such balcony or patio. with the Washington County Recorder. Although there is no assurance any additional Common Areas will be added to the Project. The Unit Owners in the Project will each initially be responsible for their proportionate share of the taxes, insurance, maintenance and all other costs relation to such future non-exclusive Common Areas based upon the square footage of all of the Condominium Units within the project, including additional land, if any. If such future Phases are completed and occupied the aforesaid taxes, insurance, maintenance and all other costs relating to such non-exclusive Common Areas will be shared by all owners based upon the square footage of all of the Condominium Units in the project. For the purpose of filing an Amended Record of Survey Map, each Owner as set forth in this paragraph 4.08 hereby designates Declarant as its attorney in fact, to make, execute and deliver for recording the aforesaid Record of Survey Map.

4.09. Inseparability. Title to no part of a Condominium within the Project may be separated from any other part thereof and each Unit and the undivided interest in the Common Areas and Common Facilities appurtenant to each Unit shall always be conveyed, devised, encumbered, and otherwise affected only as a complete Condominium. Every devise, encumbrance, conveyance, or other disposition of a Condominium, or any part thereof, shall be construed to be a devise, encumbrance, conveyance, or other disposition, respectively, of the entire Condominium, together with all appurtenant rights created by law or by this Declaration, including appurtenant membership in the Association as hereinafter set forth.

4.11. Separate Mortgages by Owners. Each Owner shall have the right separately to mortgage or otherwise encumber his Condominium. No Owner shall attempt to or shall have the right to mortgage or otherwise encumber the Common Areas, the Common Facilities or any part thereof, except the undivided interest therein appurtenant to his Condominium. Any mortgage or other encumbrance of any Condominium within the Project shall be subordinate to all of the provision of this Declaration, and in the event of foreclosure the provisions of this Declaration shall be binding upon any Owner whose title is derived through foreclosure by private power of sale, judicial foreclosure, or otherwise.

4.12. Separate Taxation. Each Condominium within the Project shall be deemed to be a parcel and shall be assessed separately for all taxes, assessments, and other charges of the State of Utah or of any political subdivision thereof or of any special improvement district or of any other taxing or assessing authority. For purposes of such assessment, the valuation of the Common Areas and/or Common Facilities shall be apportioned among the Units in proportion to the undivided interests in the Common Areas and Common Facilities appurtenant to such Units. All such taxes, assessments, and other charges on each respective Condominium shall be separately levied against the Owner thereof. No forfeiture or sale of any Condominium for delinquent taxes, assessments, or other governmental charges shall divest or in any way affect the title to any other Condominium.

4.13. Mechanics Liens. No labor performed or material furnished for use in connection with any Unit, Limited Common Area, or Limited Common Facility with the consent or at the request of an Owner or his agent or subcontractor shall create any right to file a statement, claim, or notice of mechanic's lien against the Condominium of any other Owner not expressly consenting to or requesting the same or against any interest in the Common Areas or Common Facilities, except the undivided interest therein

appurtenant to the Unit of the Owner for whom such labor shall have been performed or such materials shall have been furnished.

4.14. Description of Condominium. Every contract for the sale of a Condominium and every other instrument affecting title to a Condominium within the Project may describe a Unit by its identifying number or symbol as indicated in this Declaration or as shown on the Map. 4.15. Non-Exclusive Easements. All entrances to and exits from the Project providing access to public roads outside the Project have been designated on the Map as Access Easements. Notwithstanding anything on the Map to the contrary, these Easements are for the non-exclusive use of the Owners of the respective Units, reserving to the Declarant the right to grant other Owners of Units on the Additional Lands that may be added to the Project a right to use such Easements on a non-exclusive basis with the Unit Owners.

If any part of the Common Areas or any part of a Unit shall hereafter encroach on real property now owned by the Declarant outside the boundaries of the Subject Land, an easement for such encroachment shall and does exist. Such encroachments shall not be considered to be encumbrances either on the Common Areas or the Units. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the original construction of one or more of the Buildings or any improvements constructed or to be constructed within the Project, by error in the Map, by settling, rising, or shifting of the earth, or by changes in position caused by repair or reconstruction of the Project or any part thereof.

5.02. Easements for Maintenance, Cleaning, and Repair. Some of the Common Areas, Common Facilities and/or Limited Common Areas and Facilities are or may be located within the Units or may be conveniently accessible only through the Units. The Association shall have the irrevocable right to have access to each Unit and to all Common Areas, Common Facilities and/or Limited Common Areas and Facilities from time to time upon giving notice to the Owner and during such reasonable hours as may be necessary for the maintenance, cleaning, repair, or replacement thereof or for making emergency repairs at any time herein necessary to prevent damage to the Common Areas, Common Facilities, or to any Unit. In addition, upon giving notice to the Owner and during such reasonable hours as may be necessary, the Association or its agents may enter any Unit when necessary in connection with any cleaning, maintenance, repair, replacement, landscaping, construction, or reconstruction for which the Association is responsible. Such entry shall be made with as little inconvenience to the Owners as practicable, and any damage caused thereby shall be repaired by the Association with funds from the Common Expense Fund.

5.03. Right to Ingress, Egress, and Support. Each Owner shall have the right to ingress and egress over, upon, and across the Common Areas (other than Limited Common Areas) as necessary for access to such Owner's Unit and to any Limited Common Areas appurtenant to such Unit, and shall have the right to horizontal, vertical, and lateral support of such Unit, and such rights shall be appurtenant to and pass with the title to each Condominium.

5.04. Association's Right to Use Common Areas and Common Facilities. The Association shall have an easement to make such use of the Common Areas and Common Facilities as may be necessary or convenient to perform the duties and functions that it is obligated or permitted to perform pursuant to this Declaration, including, without limitation, the right to construct and maintain in the Common Areas (other than Limited Common Areas) facilities for use by Owners generally or by the Association and its agents exclusively.

5.05. Easement for Completion of Project. The Declarant shall have a transferable easement over and on the Common Areas for the purpose of completing construction of the Project and improvements therein as shown on the Map and for the purpose of doing all things reasonably necessary or appropriate in connection therewith. To the extent that damage is inflicted on any part of the Project by any person utilizing said easement, the Declarant and the person causing the damage shall be liable for the prompt repair of such damage.

5.06. Easements Deemed Created. All conveyances of Condominiums within the Project hereafter made, whether by the Declarant or otherwise, shall be construed to grant and reserve such reciprocal easements as are provided herein, even though no specific reference to such easements appears in any such conveyance.

5.07. Easements Reserved by Declarant and Association. The Association shall have power to grant and convey to any third party and the Declarant hereby reserves unto itself easements and rights of way, including but not limited to rights of ingress and egress, in, on, over and/or under the Common Areas and Common Facilities for the purpose of constructing, erecting, operating or maintaining lines, cables, wires, conduits or other devices for electricity, cable television, power, telephone and other purposes, public sewers, storm drains and pipe, water systems, sprinkling systems, water, heating and gas lines or pipes, and any similar public or quasi-public improvements or facilities to provide common utility services to the Project, the additional land or upon lands owned by Declarant, its successors or assigns appurtenant to the Project or additional Land. Further Declarant reserves unto itself a transferable easement over and upon the Common Areas and Common Facilities, access roads or similar property within the Project (including additional lands) for the purpose of constructing, developing, maintaining, improving or expanding the Project, the additional land or properties owned by the Declarant, its successors or assigns which are adjacent to the Project or Additional Land. Such easement shall entitle Declarant the use of all access roads within the Project and Additional Land and to tie into all utility lines, sewage and drainage systems within or transversing the Project and/or additional lands.

ARTICLE VI

RESTRICTIONS ON USE

6.01. Residential Uses Only. Each Unit contained in the Project is intended to be used for single family residential housing and is restricted to such use except for such Units, as are designated upon the Map for commercial use and purposes. Owners of

Commercial units shall strictly limit the use and occupation of their Commercial Units to the Commercial Areas designated upon the Map and shall be subject to the Rules and Regulations applicable to Commercial Units as designated by the Association. No Residential Unit shall be used for business or commercial activity; provided, however, that nothing herein shall be deemed to prevent (a) the Declarant or its duly authorized agent from using any Units owned by the Declarant as sales models or property management offices, or (b) any Owner or his duly authorized agent from freely renting or leasing his Unit from time to time.

6.02. No Noxious or Offensive Activity. No noxious or offensive activity shall be carried on, in, or upon any part of the Project, nor shall anything be done or placed in or upon any part of the Project which is or may become a nuisance or may cause embarrassment, disturbance, or annoyance to Owners. No activities shall be conducted, nor improvements constructed, in or upon any part of the Project which are or may become unsafe or hazardous to any person or property.

6.03. Restriction on Recreational Vehicles, etc.. No boats, trailers, recreational vehicles, trucks, commercial vehicles, or inoperable vehicles belonging to Owners or other residents of the Property shall be parked or stored in or upon any of the Common Areas, except in such portions of the Common Areas as the Association may specify, and subject to such rules and regulations as the Association may from time to time promulgate.

6.04. Restriction on Signs. Except as may be temporarily necessary to caution or warn of danger, no signs, flags, or advertising devices of any nature, including without limitation commercial, political, informational, or directional signs or devices, shall be erected or maintained on any Residential Portion of the Project, without the prior inspection and written approval of the Association. If the Association consents to the erection of any such signs or devices, the same shall be promptly removed at the request of the Association. None of the foregoing shall be construed as to limit in any way, Declarants right and easement to locate and relocate its sales offices and all similar signs, banners or similar sales devices upon the Common Areas and Common Facilities as permitted under Article 15, hereof.

6.05. No Structural Alterations. No owner shall, without the prior written consent of the Association, make or permit to be made any structural alteration, improvement, or addition in or to his Unit or to the Common Areas. No Owner shall, without the prior written consent of the Association, do any act that would impair the structural soundness or integrity of one or more of the Buildings or the safety of property or impair any easement or hereditament appurtenant to the Project.

6.06. No Obstructions. There shall be no obstruction of the Common Areas by any Owner. Except with the prior written consent of the Association, Owners shall neither store nor leave any of their property in the Common Areas, except the Limited Common Areas.

6.07. Prohibition of Damage and Certain Activities. Except with the prior written consent of the Association, nothing shall be done or kept in any Unit, in the Common Areas, or in any other part of the Project which may result in cancellation of any insurance on the Project or any part thereof, nor shall anything be done or kept in any Unit which may increase the rate of insurance on the Project or any part hereof over that which the Association, but for such activity, would have to pay. Nothing shall be done or kept in any Unit or in the Common Areas or any part thereof which would be in violation of any statute, rule, ordinance, regulation, permit, or other validly imposed

requirement of any governmental authority. No damage to, or waste of, the Common Areas or any part thereof shall be committed by any Owner or guest of any Owner, and each Owner shall indemnify and hold the Association and other Owners harmless against all loss resulting from any such damage or waste caused by such Owner, his guests, lessees, licensees, or invitees.

6.08. Rules and Regulations. The Owners shall comply with all of the rules and regulations governing use of the Units, Common Areas, and/or Common Facilities, as such rules and regulations may from time to time be adopted, amended, or revised by the Association, in the sole discretion of its Board of Trustees.

6.09. Construction Period Exemption. During the course of actual construction of any structures or improvements which are permitted to be located on the Subject Property, the Additional Land, and Land owned by the Declarant, its successors or assigns, adjacent to the Project or additional lands, the provisions, covenants, conditions, and restrictions contained in this Declaration shall be deemed waived to the extent necessary or convenient to permit such construction; provided, however, that during the course of such construction, nothing shall be done which would result in a violation of any of said provisions, covenants, conditions, or restrictions following completion of such construction.

## ARTICLE VII

### THE ASSOCIATION

7.01. Membership. Each Owner shall be entitled and required to be a member of the Association; membership shall begin immediately and automatically upon becoming an Owner and shall terminate immediately and automatically upon ceasing to be an Owner. If title to a Condominium is held by more than one person, the membership appurtenant to that Condominium shall be shared by all such persons in the same proportionate interests and by the same type of tenancy in which title to the Condominium is held. An Owner shall be entitled to one membership for each Condominium owned by him. Each membership shall be appurtenant to the Condominium to which it relates and shall be transferred automatically by conveyance of that Condominium. Ownership of a Condominium within the Project cannot be separated from membership in the Association appurtenant thereto, and any devise, encumbrance, conveyance, or other disposition of a Condominium shall be construed to be a devise, encumbrance, conveyance or other disposition, respectively, of the Owner's membership in the Association, and the rights appurtenant thereto. No person or entity other than an Owner may be a member of the Association, and membership in the Association may not be transferred except in connection with the transfer of a Condominium.

7.02. Management Committee. The Management Committee shall initially consist of three (3) members which can be increased up to as many as five (5) members upon the majority vote of the existing Management Committee, without further amendment of this Declaration. Members of the Management Committee may be removed at any time without cause by the person appointing or electing such member as provided herein. Declarant reserves the right to appoint some or all of the Management Committee and to exercise all powers and responsibilities associated with committee membership until the first of the following occurs:

- (a) Six years from the Date of Recordation of the Declaration.
- (b) 75% of the undivided interest in the common areas and facilities have been

conveyed to Unit Owners other than the Declarant or all additional properties have been annexed to the Project pursuant to Article II, which ever occurs last.

7.03. Voting. The Association shall have two (2) classes of voting membership:

Class A. Class A Members shall be all Owners, with the exception of the Declarant. Each Class A members shall be entitled to the number of votes appurtenant to each respective Unit as shown on Exhibit A. In the event more than one Class A Member owns an interest in a Condominium, the votes of such Condominium shall be exercised as they themselves determine, but in no case shall more than the applicable number of votes designated on Exhibit A be cast with respect to any one Condominium by Class A members.

Class B. The Class B Member shall be the Declarant who shall be entitled to three time (3x) the number of votes appurtenant to each respective Unit as shown on Exhibit A for each Condominium owned by the Declarant.

7.04. Bylaws. The initial Bylaws of the Association shall be in the form attached hereto as Exhibit "B" and by this reference made a part hereof.

7.05. Amplification. The provisions of this Article VII may be amplified by the Articles of Incorporation and Bylaws of the Association; provided, however, that no such amplification shall substantially alter or amend any of the rights or obligations of the Owners set forth in this Declaration.

7.06. Association as Manager. All duties, responsibilities, powers, and authority imposed upon or granted to the "management committee" or the "manager" by the Condominium Act shall be duties, responsibilities, powers, and authority of the Association as the case may be. In the event, the Association contracts for management services with the Declarant or an affiliate of the Declarant such contract shall not exceed a period in excess of one year and shall be terminable upon not more than 30 days written notice, without cause or penalty.

## ARTICLE VIII

### CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

8.01. The Common Areas. The Association, subject to the rights and duties of the Owners as set forth in this Declaration, shall be responsible for the exclusive management and control of the Common Areas and Common Facilities and all improvements thereon including the assignment of parking stalls to Association members, annually or otherwise which have not been previously assigned pursuant to this Declaration or upon the Map and shall keep the same in a good, clean, attractive, safe, and sanitary condition, order, and repair; provided, however, that each Owner shall keep the Limited Common Areas designated for use in connection with his Unit, if any, in a good, clean, safe, sanitary, and attractive condition. Except as otherwise herein provided with respect to Limited Common Areas and Limited Common Facilities, the Association shall be responsible for the maintenance and repair of the exterior of the Buildings and the grounds, including without limitation painting thereof, repair and replacement of exterior trim and roofs, and maintenance of landscape, walkways, and driveways. In particular, the Association shall be responsible for the maintenance of the road and associated improvements located or to be located in part upon the nonexclusive

easement for ingress and egress described in Recital A of this Declaration. The Association shall also be responsible for maintenance, repair, and replacement of all Common Facilities, except Limited Common Facilities, improvements, or other material located within or used in connection with the Common Areas. The specification of duties of the Association with respect to particular Common Areas shall not be construed to limit its duties with respect to other Common Areas, as set forth in the first sentence of this Section. All goods and services procured by the Association in performing its responsibilities under this Section shall be paid for with funds from the Common Expense Fund.

8.02. Manager. The Association may by written contract delegate in whole or in part to a professional Manager such of the Association's duties, responsibilities, functions, and powers hereunder as are properly delegable. The services of any Manager retained by the Association shall be paid for with funds from the Common Expense Fund.

8.03. Miscellaneous Goods and Services. The Association may obtain and pay for the services of such personnel as the Association shall determine to be necessary or desirable for the proper operation of the Project, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or which it contracts. The Association may obtain and pay for legal and accounting services necessary or desirable in connection with the operation of the Project, the enforcement of this Declaration, or any other matter. In addition to the foregoing, the Association may acquire and pay for out of the Common Expense Fund water, sewer, garbage collection, electrical, gas, and other necessary or desirable utility services for the Common Areas (and for the Units to the extent not separately metered or billed), and insurance, bonds, and other goods and services common to the Units.

8.04. Real and Personal Property. The Association may acquire and hold real, personal, and mixed property of all types for the use or benefit of all of the Owners and may dispose of such property by sale or otherwise. All such property, including Common Facilities, shall be paid for out of the Common Expense Fund and all proceeds from the disposition thereof shall become part of such Fund.

8.05. Rules and Regulations. The Association, by action of its Board of Trustees, may make reasonable rules and regulations governing the use of the Units and of the Common Areas and Common Facilities, which rules and regulations shall be consistent with the rights and duties established in this Declaration. The Association may take judicial action against any Owner to enforce compliance with such rules and regulations or other obligations of Owners arising hereunder, or to obtain damages for noncompliance therewith, as permitted by law. In the event of such judicial action, the Association shall be entitled to recover its costs, including reasonable attorney's fees, from the offending Owner.

8.06. Granting of Easements. The Association may, without the vote or consent of the Owners or of any other person, grant or create, on such terms as it deems advisable, utility, ingress, egress, construction and similar easements over, under, across, and through the Common Areas.

8.07. Implied Rights. The Association may exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

8.08. Reserves. The Association shall maintain an adequate reserve fund for

maintenance, repairs and replacement of those common elements that must be replaced on a periodic basis, and such reserves shall be funded by monthly assessments.

## ARTICLE IX

### ASSESSMENTS

9.01 Agreement to Pay Assessments. The Declarant, for each Condominium owned by it within the Project, and for and as the owner of the project and every part thereof, hereby covenants, and each Owner of any Condominium by the acceptance of instruments of conveyance and transfer therefor, whether or not it be so expressed in said instruments, shall be deemed to covenant and agree with each other and with the Association to pay to the Association all assessments, both Regular and Special, made by the Association for the purposes provided in this Declaration. Such assessments shall be fixed, established, and collected from time to time as provided in this Article IX.

9.02. Regular Assessments. Regular Assessments shall be computed and assessed against all Condominiums in the Project as follows:

(a) Common Expenses.

(1) Annual Budget. On or before the 1st day of December of each year, the Association shall prepare, or cause to be prepared, an operating budget setting forth an itemized statement of the anticipated receipts and disbursements for the coming calendar year and taking into account the general condition of the Project. Each such budget, together with a written statement from the Association outlining a plan of operation for the year in question and justifying in every important particular the estimates made, shall be submitted to the Members in final draft on or before the 15th day of December of each year. Such budget, with any changes therein, shall be adopted by the Members at each annual meeting of of the Members. Said operating budget shall serve as the basis for the schedule of proposed monthly assessments for the annual period for which it is prepared. Said budget shall also constitute a major guideline under which the Association shall operate during such annual period.

(2) Basis of Annual Budget. The annual budget shall be based upon the Association's advance estimates of the Association's cash requirements to provide for payment of estimated expenses, arising out of or connected with maintenance and operation of the Common Areas and provision of utility services (to the extent not separately metered or billed) and other common items to the Units. Such actual expenses and estimated expenses may include, among other things, the the following: Expenses of management, governmental taxes and special assessments, unless and until Condominiums are separately assessed; premiums for all insurance that the Association is required or permitted to maintain; repairs and maintenance; wages for Association employees, including fees for a Manager, if any; utility charges (including charges for utility services to the Units to the extent not separately metered or billed); legal and accounting fees; any deficit remaining from a previous period; creation of a reasonable contingency reserve; surplus, and/or sinking funds; and any other expenses and liabilities which may be incurred by the Association for the benefit of all of the Owners or by reason of this Declaration.

(3) Annual Assessments. The Annual Assessment shall be payable in one of two options as follows: (1) The full Assessment may be paid prior to the 25th day of January of each year, or (2) the Assessment may be paid in monthly installments equal to one-twelfth (1/12) of the amount of the Annual Assessment so

apportioned to the Owner. The dates and manner of payment shall be determined by the Association. The foregoing method of assessing the Common Expenses to the Owners may be altered by the Association so long as the method it adopts is consistent with good accounting practice and requires that the portion of Common Expenses borne by each Owner during a twelve-month period be determined on the basis of his undivided ownership interest. Each monthly installment of the annual Assessment shall bear interest at the rate of one and one-half percent (1- 1/2) per month from the date it becomes due and payable until paid. Failure of the Association to give timely notice of any assessment as provided herein shall not affect the liability of the Owner of any condominium for such assessment.

(b) Inadequate Funds. In the event that the Common Expense Fund proves inadequate at any time for whatever reason, including nonpayment of any Owner's assessment, the Association may levy additional assessments in accordance with the procedure set forth in Section 9.03 below, except that the vote therein specified shall not be necessary.

9.03 Special Assessments. In addition to the Regular Assessments authorized by this Article, the Association may levy, at any time and from time to time, upon affirmative vote of at least fifty-one percent (51%) of the total votes of the Association, special assessments, payable over such periods as the Association may determine, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of the Project or any part thereof, or for any other expenses incurred or to be incurred as provided in this Declaration. This Section shall not be construed as an independent source of authority for the Association to incur expenses, but shall be construed to prescribe the manner of assessing for expenses authorized by other Sections or Articles hereof. Any amounts assessed pursuant hereto shall be assessed to Owners on the basis provided for in Section 9.04 below. Notice in writing of the amount of such special assessments and the time for payment thereof shall be given promptly to the Owners; no payment shall be due less than thirty (30) days after such notice shall have been mailed. All unpaid portions of any special assessment shall bear interest at the rate of one and one-half percent (1- 1/2%) per month from the date such portions become due until paid.

9.04. Apportionment of Assessments. All assessments made under Section 9.02 and 9.03 shall be apportioned among and assessed to all Owners in the proportion which their respective undivided interest in the Common Areas bears to the total of the undivided interest in the Common Areas of all owners provided, however, that for purposes of this Section 9.04, the Declarant shall be deemed the Owner of a Condominium only after the construction thereof has been completed to the extent that it is ready for occupancy.

9.05. Lien for Assessments. All sums assessed to the Owner of any Condominium within the Project pursuant to the provisions of this Article IX, together with interest thereon as provided herein, shall be secured by a lien on such Condominium in favor of the Association. To evidence a lien for sums assessed pursuant to this Article IX, the Association may prepare a written notice of lien setting forth the amount of the Assessment, the date due, the amount remaining unpaid, the name of the Owner of the Condominium, and a description of the Condominium. Such a notice shall be signed and acknowledged by a duly authorized officer of the Association and may be recorded in the office of the County Recorder for Washington County, State of Utah. No notice of lien shall be recorded until there is a delinquency in payment of the assessment. Such lien may be enforced by judicial foreclosure by the Association in the same manner in which mortgages on real property may be foreclosed in the State of Utah. In any such

foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, including reasonable attorneys' fees, and such costs and expenses shall be secured by the lien being foreclosed. The Owner shall also be required to pay to the Association any assessments against the Condominium, which shall become due during the period of foreclosure. The Association shall have the right and power to bid in at any foreclosure sale, and to hold, lease, mortgage or convey the subject Condominium.

9.06. Personal Obligation of Owner. The amount of any regular or special assessment against any Condominium shall be the personal obligation of the Owner of such Condominium to the Association. Suit to recover a money judgment for such personal obligation shall be maintainable by the Association without foreclosing or waiving the lien securing the same. No Owner may avoid or diminish any such personal obligation by waiver of the use and enjoyment of any of the Common Areas and/or Common Facilities by abandonment of this Condominium, or by waiving any services of amenities. In the event of any suit to recover a money judgment for unpaid assessments hereunder, the involved Owner shall pay the costs and expenses incurred by the Association in connection therewith, including a reasonable attorney's fees.

9.07 Statement of Account. Upon payment of a reasonable fee not to exceed Ten Dollars (\$10.00) or such greater amount as may be allowed by the Condominium Act, and upon written request of any Owner, Mortgagee, prospective Mortgagee, or prospective purchaser of a Condominium, the Association shall issue a written statement setting forth the following: (a) The amount of the unpaid assessments, if any with respect to such condominium; (b) the amount of the assessment under the start-up budget or the amount of the current regular assessment with respect to such condominium and the date such assessment becomes or became due; and (c) credit for advanced payments or prepaid items, including without limitation the Owner's share of prepaid insurance premiums. Such statement shall be conclusive upon the Association in favor of persons who rely thereon in good faith.

9.08 Personal Liability of a Purchaser. Subject to the provisions of Section 9.06, a purchaser of a Condominium shall be jointly and severally liable with the seller thereof for all unpaid assessments against such Condominium up to the time of the grant of conveyance; provided, however, that the provisions of this Section shall not prejudice the purchaser's right to recovery from the seller the amount paid by the purchaser for such assessments.

9.09 Assessments Part of Common Expense Fund. All funds received from assessments under this Article IX shall be a part of the Common Expense Fund.

9.10 Amendment of Article. Except as may be necessary to conform to the law, as it may be amended from time to time, this Article IX shall not be amended unless the Owners of all Condominiums in the Project unanimously consent and agree to such amendment by a duly recorded instrument.

## ARTICLE X

### INSURANCE

10.01 Types of Insurance. The Association shall obtain and keep in full force and effect at all times the following types of insurance coverage, provided by companies licensed to do business in the State of Utah.

- (a) Fire and Casualty Insurance. A policy or policies of insurance on

the Project in such amounts as shall provide for replacement thereof in the event of damage or destruction from the casualty against which such insurance is customarily maintained by other condominium projects similar in construction, design, and use. Such insurance shall include fire and extended coverage, vandalism and malicious mischief, and such other risks and hazards against which the Association shall deem it appropriate to provide insurance protection. The Association may comply with the above requirements by the purchase of blanket coverage and may elect such "deductible" provisions as in the Association's opinion are consistent with good business practice.

(b) Public Liability and Property Damage Insurance. The Association shall obtain a broad form of comprehensive liability insurance coverage, in such amounts and in such forms as it deems advisable to provide adequate protection against liability for personal injury, death and property damage. Coverage shall include without limitation, liability for operation of automobiles on behalf of the Association and all activities in connection with the ownership, operation, maintenance, and other use of the Project.

(c) Flood Hazard Insurance. If the Project is or comes to be situated in a locale identified by the Secretary of Housing and Urban Development as an area having special flood hazard and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on the Condominium Project shall be obtained and maintained. The minimum amount of coverage afforded by such policy shall be the lesser of the maximum amount of insurance available under the said Act or the aggregate of the unpaid principal balances of the Mortgages affecting the individual Units. Such policy shall be in the form of the standard policy issued by members of the National Flood Insurers Association or in the form of a policy which meets the criteria established by the Flood Insurance Administration.

(d) Workmen's Compensation Insurance. Workmen's compensation and employer's liability insurance and all other similar insurance with respect to employees of the Association in the amounts and in the forms now or hereafter required by law.

(e) Fidelity Insurance or Bond. Fidelity insurance or a bond in such amounts and in such forms as the Association deems appropriate to cover against dishonesty of employees, destruction or disappearance of money or securities, and forgery.

10.02 Form of Insurance. Insurance coverage on the Project, insofar as possible, shall be in the following form:

(a) Casualty and Flood Hazard Insurance. Casualty and flood hazard insurance in a form or forms naming the Association as the insured, as trustee for the Owners and for the Declarant, whether or not the Declarant is an Owner, and which policy or policies shall specify the interest of each Owner (Owner's name, Unit number and the appurtenant undivided interest in the Common Areas) and shall contain a standard, noncontributory mortgagee clause in favor of each Mortgagee which from time to time shall give notice to the association of its Mortgage. The Association shall furnish to each Owner, and to each Mortgagee requesting in writing the same, a certificate of coverage, including an identification of the Owner's interest.

(b) public Liability and Property Damage Insurance. Public liability and property damage insurance which names the Association as the insured, as trustee

for each Owner, for the Manager, if any, and for the Declarant, whether or not the Declarant is an Owner, and which protects each Owner, the Manager, if any, and the Declarant against liability for acts or omissions of any of them in connection with the ownership, operation, maintenance, or other use of the Project.

(c) Policies. Insurance policies which provide for the following:

(i) That the insurer shall waive subrogation as to any claims against the Association, the Manager, if any, the Owners, the Declarant, and their respective servants, agents, and guests.

(ii) That the policy or policies cannot be cancelled, invalidated, or suspended on account of the conduct of any one or more individual owners;

(iii) That the policy or policies cannot be cancelled, invalidated, or suspended on account of the conduct of any trustee, officer, or employee of the Association, without a prior demand in writing that the Association cure the defect;

(iv) That any "no other insurance" clause in the policy or policies shall not apply to individual Owners' policies of insurance; and

(v) That the policy or policies cannot be cancelled either by the insured or the insurance company until after ten (10) days written notice to the Association, to each Owner, to the Declarant, and to each Mortgagee who has made a written request for such notice.

10.03 Additional Coverage. The provisions of this Declaration shall not be construed to limit the power or authority of the Association to obtain and maintain insurance coverage in addition to any insurance coverage required by this Declaration in such amounts and in such forms as the Association may from time to time deem appropriate.

10.04 Adjustment and Contribution. Exclusive authority to adjust losses under the insurance policies hereafter in force on the Project shall be vested in the association. In no event shall the insurance coverage obtained and maintained by the Association hereunder be brought into contribution with insurance purchased by individual Owners or their Mortgagees.

10.05 Owner's Own Insurance. Notwithstanding the provisions of this Article X, each Owner may obtain insurance at his own expense providing coverage upon his Condominium, his personal property, for his personal liability, and covering such other risks as he may deem appropriate; provided that if the insurer under said policy is the insurer under any policy issued pursuant to Section 10.01 through 10.03 above, then any insurance policy obtained by an Owner shall provide that it does not diminish the insurance carrier's coverage for liability arising under any of the insurance policies obtained by the Association pursuant to this Article. If such insurance obtained by an Owner can be obtained in the normal practice without additional premium charge for a waiver of subrogation rights, then all such insurance shall waive the insurance company's right or subrogation against the Association, other Owners, the Manager, if any, the Declarant, and the servants, agents, and guests of any of them.

10.06 Review of Insurance. The Association shall review annually the coverage and policy limits of all insurance on the Project and shall adjust the same at its discretion. Such annual review may include an appraisal of the improvements in the

Project by a representative of the insurance carrier or carriers providing the policy or policies on the Project, or such other qualified appraisers as the Association may select.

## ARTICLE XI

### DAMAGE OR DESTRUCTION

11.01 Association as Attorney in Fact. All of the Owners irrevocably constitute and appoint the Association their true and lawful attorney in fact in their name, place and stead for the purpose of dealing with the Project upon its damage or destruction as hereinafter provided. Acceptance by any grantee of a deed from the Declarant from any Owner shall constitute an appointment by said grantee of the Association as his attorney in fact as herein provided. As attorney in fact, the Association shall have full and complete authorization, right, and power to make, execute, and deliver any contract, deed or other instrument with respect to the interest of an Owner which may be necessary or appropriate to execute the powers herein granted.

11.02 Definition of Repair and Reconstruction. Repair and reconstruction of the improvements as used herein means restoring the Project to substantially the same condition in which it existed prior to damage, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before.

11.03 Procedure. In the event of damage to or destruction of any part of the Project, the following procedures shall apply:

(a) Estimate of Costs. As soon as practicable after an event causing damage to or destruction of any part of the project, the Association shall obtain complete and reliable estimates of the costs of repair or reconstruction of that part of the Project damaged or destroyed.

(b) Insurance Sufficient. If the proceeds of the insurance maintained by the Association equal or exceed the estimated costs to repair or reconstruct the damaged part of the Project.

(c) Insurance Insufficient - Less than Seventy-Five Percent Destroyed. If less than seventy-five percent (75%) of the Project is destroyed or damaged, and if the proceeds of the insurance maintained by the Association do not equal or exceed the estimated costs to accomplish repair or reconstruction, restoration shall be carried out and all the Owners shall be assessed a special assessment for any deficiency. Such special assessment shall be allocated and collected as provided in Section 9.03 hereof, except that the vote therein specified shall not be necessary. Further assessments may be made in a like manner if the amounts collected prove insufficient to complete the repair or reconstruction.

(d) Insurance Insufficient - Seventy Five Percent or More Destroyed. If seventy-five percent (75%) or more of the Project is destroyed or damaged, if the proceeds of the insurance maintained by the Association do not equal or exceed the estimated costs to accomplish repair or reconstruction, and if the Owners within one hundred (100) days after the destruction or damage by a vote of at least seventy-five percent (75%) of the total votes of the Association elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection (c) above. In the event that Owners holding at least seventy-five percent (75%) of the total votes of the Association do not vote, within one hundred days (100) after destruction of or damage to three-fourths of the Project, to repair or rebuild the

affected improvements, the Associations shall file with the County Recorder for Washington County, State of Utah, a notice setting forth such facts. Upon filing of such notice, the following shall occur:

(i) The Project shall be deemed to be owned in common by the Owners;

(ii) The undivided interest in the Project owned in common which shall appertain to each Owner shall be the percentage of undivided interest of the respective Owner in the Common Areas;

(iii) Any liens affecting any of the Condominiums shall be deemed to be transferred, in accordance with the existing priorities, to the undivided interest of the respective Owner in the Project; and

(iv) The Project shall be subject to an action for partition at the suit of any Owner, in which event the net proceeds of any sale resulting from such suit for partition, together with the net proceeds of the insurance on the Project, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each respective Owner in the Common Areas, as set forth in Exhibit "A" attached hereto, after first paying out of the respective share of each Owner, to the extent sufficient for such purpose, all liens on the undivided interest in the Project owned by such Owner.

**11.04 Repair or Reconstruction.** As soon as practicable after receiving estimates on the cost of repair or reconstruction, the Association shall, if repair or restoration is to occur, diligently pursue to completion the repair or reconstruction of that part of the Project damaged or destroyed. The Association may take all necessary or appropriate action to effect repair or reconstruction, as attorney in fact for the Owners, and no consent or other action by any Owner shall be necessary in connection therewith. The Project shall be restored or repaired to substantially the same condition in which it existed prior to the fire or other disaster, with each Unit and the Common Areas having substantially the same vertical and horizontal boundaries as before such fire or disaster.

**11.05 Disbursement of Funds for Repair or Reconstruction.** If repair or reconstruction is to occur, then the insurance proceeds held by the Association and any amounts received from assessments made pursuant to Section 11.03(c) hereof shall constitute a fund for the payment of the costs of such repair and reconstruction. It shall be deemed that the first month disbursed in payment for the costs of such repair or reconstruction shall be made from insurance proceeds; if there is a balance after payment of all of the costs of such repair or reconstruction, such balance shall be distributed to the Owners in proportion to their respective percentages of ownership of the Common Areas.

**11.06 Amendment of Article.** This Article XI shall not be amended unless the Owners of all Condominiums in the Project unanimously consent and agree to such amendment by duly executed and recorded instruments.

ARTICLE XII**OBSOLESCENCE, SALE OF PROJECT, AND REMOVAL FROM ACT**

**12.01 Adoption of Plan.** Owners holding eighty-five percent (85%) or more of the total votes of the Association may agree that the Project is obsolete and adopt a written plan for the renewal and reconstruction of the Project provided that such plan has the unanimous approval of all of the holders of first mortgages on Condominiums in the Project of record at the time such plan is adopted. Written notice of adoption of such plan, together with a copy of the plan, shall be given to all Owners.

**12.02 Payment for Renewal and Reconstruction.** The expense of renewal and reconstruction shall be payable by all of the Owners as assessments against their respective Condominiums. Such assessments shall be levied in advance and shall be allocated and collected as provided in Section 9.03 above, except that the vote therein specified shall not be necessary. Further levies may be made in a like manner if the amount collected prove insufficient to pay all costs of renewal or reconstruction. In the event amounts collected pursuant hereto as in excess of the amounts required for renewal and reconstruction, the excess shall be returned to the Owners by the Association by a distribution to each Owner in proportion to their respective percentages of ownership of the Common Areas.

**12.03 Sale of Project.** Notwithstanding all other provisions of this Declaration, the Owners may, by an affirmative vote of at least eighty-five percent (85%) of the total votes of the Association, at a meeting of Owners duly called for such purpose, elect to sell or otherwise dispose of the Project. Such action shall be binding upon all Owners and it shall thereupon become the duty of every Owner to execute and deliver such instruments and to perform all acts in such manner and form as may be necessary to effect such sale. The proceeds of any such sale shall be divided among all Owners in proportion to the undivided interest in the Common Areas owned by each respective Owner, as set forth in Exhibit "A" attached hereto, after first paying out of the respective share of each Owner, to the extent sufficient for such purpose, all liens on the interest of such Owner in the Project.

**12.04 Removal of Project from Act.** Notwithstanding all other provisions of this Declaration, all of the Owners may remove the Project from the provisions of the Condominium Act if (i) the holders of all liens affecting any of the Condominiums consent or agree by duly recorded instruments that their liens be transferred to the percentage of the undivided interest of the Owner in the Project owning the affected Condominium and (ii) all Owners execute an instrument provided for such removal of the Project and the same is duly recorded. Upon removal of the Project from the provisions of the Condominium Act the Project shall be deemed to be owned in common by the Owners. The undivided interest in the Project which shall appertain to each Owner shall be the percentage of undivided interest owned by such Owner as set forth in Exhibit "A" attached hereto.

**12.05 Amendment of Article.** This Article XII shall not be amended unless the Owners of all Condominiums in the Project unanimously consent and agree to such amendment by duly executed and recorded instruments.

ARTICLE XIII  
CONDEMNATION

13.01 Condemnation. If at any time or times all or any part of the Project shall be taken or condemned by any public authority under power of eminent domain, the provisions of this Article shall apply. A voluntary sale or conveyance of all or any part of the Project in lieu of condemnation, but under threat of condemnation, shall be deemed to be taken by power of eminent domain.

13.02 Proceeds. All compensation, damages, and other proceeds from any such taking by power of eminent domain (hereinafter the "condemnation award") shall be made payable to the association and shall be distributed by the Association as herein provided.

13.03 Complete Taking. In the event the entire Project is taken by power of eminent domain, condominium ownership with respect to the Project shall terminate and the condemnation award shall be allocated among and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Such distribution shall be made by check payable jointly to the respective Owners and their respective Mortgagees, as appropriate.

13.04 Partial Taking. In the event that less than the entire Project is taken by power of eminent domain, the following shall occur:

(a) Allocation of Award. As soon as practicable, the Association shall, reasonably and in good faith, apportion the condemnation award between compensation, severance damages, or other proceeds, and shall allocate such apportioned amounts and pay the same to the Owners as follows:

(i) The total amount apportioned to the taking of or injury to the Common Areas shall be allocated and distributed to all Owners (including Owners whose entire Units have been taken) in proportion to their respective undivided interest in the Common Areas.

(ii) The respective amounts apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit;

(iii) The respective amounts apportioned to the taking of or injury to a particular Unit shall be allocated and distributed to the Owner of such Unit;

(iv) The total amount apportioned to consequential damages and any other takings or injuries shall be allocated and distributed as the Association determines to be equitable under the circumstances;

(v) If apportionment or allocation is already established by negotiation, judicial decree, statute, or otherwise, the Association shall employ such apportionment and allocation to the extent it is relevant and applicable; and

(vi) Distribution of allocated proceeds shall be made by check payable jointly to the respective Owners and their respective Mortgagees, as appropriate.

(b) Continuation and Reorganization. If less than the entire Project is taken by power of eminent domain, condominium ownership with respect to the Project shall not terminate, but shall continue. If any partial taking results in the taking of an

entire Unit, the Owner thereof shall cease to be a member of the Association. The Association shall reallocate the voting rights and the undivided interest in the Common Areas appertaining to such Unit in accordance with the Condominium Act. If any partial taking results in the taking of a portion of Unit and a determination is made by judicial decree with respect to whether the Owner of such Unit shall continue to be an Owner in the Project and/or to what extent such Owner's undivided interest in the Common Areas should be reduced and apportioned among the Owners in the Project, then the Association shall take all steps necessary to effectuate such judicial decree. If any partial taking results in the taking of a portion of a Unit and there shall be no judicial decree with respect to such matters, then the Association shall determine the fair market value of the portion or portions of the Unit not taken and the undivided interest in the Common Areas appertaining to any such Unit shall be reduced in proportion to the diminution of the fair market value of the Unit resulting from the partial taking. The portion of the undivided interest in the Common Areas thus divested from the Owner shall be reallocated among all Units in the Project, including the Unit of which only a portion is taken, in proportion to their undivided interests in the Common Areas with any unit, a portion or portions of which are taken, participating thereon on the basis of the undivided interest in the Common Areas as reduced as provided herein. If any partial taking results in the taking of a portion of a Unit such that it is impractical to use the remaining portion of the Unit for any lawful purpose permitted by this Declaration, then the entire undivided interest in the Common Areas appertaining to such Unit shall thenceforth appertain to the remaining Units in the Project, being allocated to such Units in proportion to their respective undivided interests in the Common Areas, and the remaining portion of such partially taken Unit shall thence forth be a Common Area in the Project.

(c) Reconstruction or Repair. Any reconstruction or repair necessitated by condemnation shall be governed by the procedures specified in Article XI hereof for cases of damage or destruction.

#### ARTICLE XIV

##### COMPLIANCE WITH DECLARATION AND BYLAWS

14.01 Compliance. Each Owner shall comply with the provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association, rules and regulations promulgated by the Association, and the decisions and resolutions of the Association adopted pursuant thereto, as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due and for damages or injunctive relief or both, maintainable by the Association or, in a proper place, by an aggrieved Owner. The Association shall, upon request during normal business hours, make copies of the Declaration, Bylaws, Articles of Incorporation, as well as the most recent financial records and books of the Association, ~~make~~ available to the Owners, perspective buyers and Mortgagees of the first Mortgage upon any Unit.

14.02 Enforcement and Remedies. The obligations, provisions, covenants, restrictions and conditions contained in this Declaration, or in any Supplemental or Amended Declaration, with respect to the Association or Condominiums within the Project shall be enforceable by the Declarant or by any Owner of a Condominium with the Project subject to this Declaration, by a proceeding for a prohibitive or mandatory injunction. The obligations, provisions, covenants, restrictions and conditions contained in this declaration, or in any Supplemental or Amended Declaration, with respect to a person or entity or property of a person or entity other than the Association or the

Declarant shall be enforceable by the Declarant or the Association by a proceeding for a prohibitive or mandatory injunction or by a suit or action to recover damages or to recover any amount due or unpaid.

#### ARTICLE XV

##### DECLARANT'S SALES PROGRAM

15.01 Declarant's Right to Promote and Sell the Project. Notwithstanding any other provisions of this Declaration, until Declarant ceases to be a Unit owner or the expiration of seven (7) years after the date on which this Declaration is filed for record in the office of the County Recorder of Washington County, State of Utah, whichever occurs first (hereinafter referred to as the "Occurrence"), Declarant, its successors or assigns shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all units owned by Declarant:

(a) Sales Offices and Model Units. Declarant, its successor or assigns shall have the right to maintain a sales office and/or model Units. Such office and/or model Units may be Units (at any location) owned by Declarant.

(b) Promotional Devices. Declarant, its successor or assigns, shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Project, or upon additional land, but any such device shall be of a size and in a location as is reasonable and customary.

(c) Right to Use the Common Areas and Facilities. Declarant shall have the right to use the Common Areas and Facilities of the Project to entertain prospective purchasers or to otherwise facilitate Unit sales, provided said use is reasonable as to both time and manner.

15.02 Declarant's Rights to Relocate Sales and Promotional Activities. Declarant shall have the right from time to time to locate or relocate its sales office, model units and/or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Article. With a reasonable period of time after the happening of the Occurrence, Declarant shall have the right to remove from the Project, any signs, banners or similar devices.

15.03 Limitation on Improvements by Association During Sales Program. Prior to the Occurrence described in this Article, the Association shall not, without the written consent of the Declarant, make any improvement to or alteration in any of the Common Areas and Facilities, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as they existed at the time the Declaration was recorded.

#### ARTICLE XVI

##### MORTGAGE PROTECTION

16.01 Mortgage Protection. No breach of any of the covenants, conditions, restrictions, or limitations contained herein shall defeat or render invalid the lien of any Mortgage made in good faith and for value; provided, however, that all such covenants, conditions, restrictions or limitations contained herein shall be binding upon an owner whose title is derived through foreclosure or Trustee's sale.

**16.02 Priority of Liens.** No enforcement of any lien provision herein contained shall defeat or render invalid the lien of any Mortgage. All sums assessed in accordance with the provisions hereto shall constitute a lien on each respective Condominium prior and superior to all other liens except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto; and (2) the lien or charge of any recorded Mortgage on such Condominium made in good faith and for value and recorded prior to the date on which any such assessment or assessments become due.

**16.03 Prior Liens Relate Only to Individual Units.** All taxes, assessments and charges which may become liens prior to the first Mortgage under local law shall relate only to the individual Condominium and not to the Project as a whole.

**16.04 Mortgage Holder Rights in Event of Foreclosure.** Whenever the Mortgagee of a Mortgage of record obtains title to a Condominium by the foreclosure of the Mortgage on the Condominium Unit or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale, such acquirer shall take the Condominium free of any claims for unpaid assessments and charges against the Condominium which accrued prior to the date of the acquisition of title to such Condominium by such acquirer except for claims for the pro rata reallocation of such assessments or charges to all Condominiums in the Project, including the mortgaged Condominium. Such unpaid share of assessments, shall be deemed to be common expenses collectible prospectively pro rata from all of the Condominiums in the Project, including the Condominium that has been acquired in accordance with the provisions of this Section.

**16.05 Notice to First Mortgage Holders.** The Association shall give the applicable holder of the first Mortgage, if any, prompt notice of any default in the Condominium mortgagor's obligations under the condominium documents not cured within thirty (30) days of default.

**16.06 Matters Requiring Mortgagee Approval.** Notwithstanding any other provision contained in this Declaration, at least two-thirds (2/3) (based upon one vote for each first Mortgage owned per Condominium Unit) of the first Mortgagees of any Condominium, as then appears on the official records of Washington County, Utah, shall have given their prior written approval before the Association shall be entitled to:

- (a) By act or omission, seek to abandon or terminate the Project;
- (b) Change the pro rata interest or obligations of any individual Condominium for the purpose of:
  - (i) Levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards; or
  - (ii) Determining the pro rata share of ownership of each Condominium in the Common Areas and Common Facilities;
- (c) By act or omission, seek to abandon, encumber, sell or transfer the Common Areas (the granting rights to use by other Phases or of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas and Common Facilities by the Project shall not be deemed a transfer within the meaning of this clause);
- (d) Use hazard insurance proceeds for losses to the Project (whether to Units, Common Areas, or Common facilities) for other than the repair, replacement or

reconstruction of such condominium property, except as provided by the Condominium Act and Article XI and XIII in case of substantial loss to the Units, Common Areas and/or Common Facilities of the Project.

16.07 Amendment. No provision of this Article XVI shall be amended without the prior written consent of at least two-thirds (2/3) (based on one vote for each Mortgage) of all first Mortgagees as appears on the official records of Washington County, State of Utah, as of the date of such amendment.

#### ARTICLE XVII GENERAL PROVISIONS

All notices or demands intended to be served upon any Owner may be sent by first class U.S. mail, postage prepaid, addressed to the Owner at his registered mailing address, or, if no address has been registered, to the Unit of such Owner. No diminution or abatement of any assessments under this Declaration shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs, maintenance, or improvements to the Project or any part thereof, or from any action taken to comply with any law, ordinance, or orders of a governmental authority.

17.09 Owner's Obligations. All obligations of an Owner under and by virtue of the provisions contained in this Declaration shall continue, notwithstanding that he may be leasing, renting, or selling his Condominium under Contract.
