Upon written request from the Management Committee an Owner shall at his own cost and expense remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an

Owner fail to remove and restore as required hereunder, the Management Committee shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser.

17. **Contractors.** Any contractor, subcontractor, agent, employees, or other invitee of an Owner who fails to comply with the terms and provisions of this Declaration may be excluded by the Management Committee from the Subdivision, subject to the notice and the opportunity to be heard. In the event of sanctions after notice and hearing, neither the Management Committee, the Declarant, nor their employees, agents, representatives or consultants shall be held liable to any person for exercising the rights granted by this Section.

18. **Use Restrictions and Nature of the Project.** The Lots are subject to the following use restrictions which shall govern both the architecture and the activities within the Subdivision:

a. **Private Residence.** No Lot shall be used except for residential purposes and all residents shall be obligated by the following requirements: no temporary structure including trailers, tents, shacks, garages, barns or other outbuildings shall be used on a Lot at anytime. No Dwelling shall be rented on a seasonal basis or for hotel or transient use. Individual rooms may not be rented to separate persons. The initial term of any lease shall be at least six (6) months. All leases shall be in writing.

b. **Business Use.** No commercial trade or business may be conducted in or from any Dwelling unless: (1) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the Dwelling; (2) the business activity conforms to all zoning requirements for the Subdivision; (3) the business activity does not involve persons coming onto the Subdivision who do not reside in the Subdivision or door-to-door solicitation or residents of the Subdivision; and (4) the business activity is consistent with the residential character of the Subdivision and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Subdivision, as may be determined in the sole discretion of the Management Committee. Notwithstanding the foregoing, the leasing of a Dwelling shall not be considered a trade or business within the meaning of the subsection.

c. **Storage and Parking of Vehicles.** The driving, parking, standing, and storing of motor vehicles in, on or about the Subdivision shall be subject to the following:

i. The parking rules and regulations adopted by the Management Committee from time to time;

ii. No motor vehicle or trailer, including but not limited to any car, truck, van, or any other transportation device of any kind may be parked or stationed in such a manner so as to block access to any driveway or Dwelling or to create an obstacle or potentially dangerous condition.

- iii. No Resident shall repair or restore any vehicle of any kind in, on or about any Lot, except for emergency repairs, and then only to the extent necessary to enable movement thereof to a proper repair facility.
  - iv. No garage may be altered in such a manner that the number of motor vehicles which may reasonably be parked therein after the alteration is less than the number of motor vehicles that could have been reasonably parked in the garage as originally designed and constructed.
  - v. All garages shall be used primarily for the parking and storage of vehicles.
  - vi. Daytime parking on the street is allowed.
  - vii. Overnight parking on the street is not allowed.
  - viii. All motor vehicles parked so as to be visible from the street or another Lot must be undamaged (less than \$1,000.00) to repair, in good mechanical condition, registered, and licensed.
  - ix. Except as otherwise expressly permitted, motor vehicles may not be "stored" so as to be visible from the street or another Dwelling.
  - x. Recreational, Commercial, and Oversized Vehicles may be stored on a Parking Pad provided (a) it is located in a side yard behind the houseline or in the rear of the Lot, and (b) it is in running condition and properly licensed.
  - xi. Vehicles parked in violation of this Declaration may be immobilized, impounded, or towed by the Management Committee or its designee without further notice and at the owner's sole risk and expense.
- d. Maintenance. All Lots and Dwellings shall be kept by the Owner in good repair and maintenance and in a clean, safe, sanitary and attractive condition.
- e. Garbage and Refuse Disposal. No Lot shall be used as a dumping ground. All trash, garbage, debris, rubbish or other waste shall be kept in a sealed, sanitary bag or container, and stored out of sight except for a twenty-four (24) hour period and on pick-up days.
- f. Aerials, Antennas, and Satellite Systems. No aerials, antennas, satellite dishes or systems shall be erected, maintained or used in, on or about any Dwelling, outdoors and above ground, whether attached to or on top of any building, structure, Dwelling, outdoors, within the Subdivision without the prior written consent of the Declarant or Management Committee, which shall not be unreasonably withheld. In making its decision, the Declarant and/or Management Committee shall abide by and be subject to all relevant local, state and federal laws, including but not limited to all FCC guidelines, rules and regulations as they may be amended or supplemented from time to time. Insofar as is reasonably

possible without impairing reception, satellite dishes, aerials and antennae shall be positioned so they are screened from view from the street.

g. Animals and Pets. The keeping of animals other than those ordinarily kept as family pets within the Subdivision is forbidden. No pets, animals, livestock or poultry of any kind shall be bred in, on or about the Project. Up to two domestic pets per Dwelling are allowed; provided, however, all pets must be properly licensed and registered (if required) with the appropriate governmental agencies and follow all applicable local ordinances. Pets may not create a nuisance. The following acts of an animal may constitute a nuisance: (1) it causes damage to the property of anyone other than its owner; (2) it causes unreasonable fouling of the air by odors; (3) it causes unsanitary conditions; (4) it defecates on any common area and the feces are not immediately cleaned up by the responsible party; (5) it barks, whines or howls, or makes other distributing noises in an excessive, continuous or untimely fashion; (6) it molests or harasses passersby by lunging at them or chasing passing vehicles; (7) it attacks people or other domestic animals; (8) it otherwise acts so as to bother, annoy or disturb other reasonable residents or interferes with their right to the peaceful and quiet enjoyment of their property; or (9) by virtue of the number of pets maintained, they are offensive or dangerous to the health, welfare or safety of other residents. Pets in the Subdivision at large must be behind a fence, in a cage or on a leash and under the control of a responsible person.

h. Laws. Nothing shall be done or kept in, on or about any Lot or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body.

i. Damage or Waste. Each Owner shall repair any damage he or any other residents, guests, or invitees of his Lot may cause to another Owner, Lot or Dwelling, and promptly restore the property to its original condition.

j. Signs. No signs, billboards or advertising structures or devices of any kind may be built, installed or displayed on the Property or any Lot except for a single sign with a maximum size of 2'x2' for specific purpose of advertising the sale or rental of a Dwelling; provided, however, this restriction does not apply to and is not binding upon the Declarant, who may use whatever signs it deems necessary for its construction and marketing activities.

k. Zoning. All land use and building shall be in compliance with all zoning and land use ordinances as well as all regulations of the municipalities and agencies governing the Subdivision land use and buildings.

l. Landscaping. All landscaping, grading, and drainage of the land in each Lot shall be completed strictly in accordance with the Landscape Guidelines adopted by the Declarant or the

Management Committee, and so as to comply with and not impair all TOOELE County Ordinances and flood control requirements.

m. Easements. Easements and rights of way for the installation and maintenance of utilities, drainage systems and facilities, and irrigation are reserved, as set forth herein and in the legal descriptions of the Property. Within these easements and rights of way, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in, on or about the easements and rights of way, or which may obstruct or retard the flow of water through the drainage channels in the easements and rights of way. The easement and right of way of each Lot and all improvements within said area shall be maintained continuously by their Owners, excepting those improvements for which a public authority or utility company is expressly responsible.

n. Slope and Drainage Control. No structure, plant, improvement or other material may be placed or permitted to remain, or other activities undertaken which may damage or interfere with established Lot ratios, create erosion or sliding problems, or which may change the direction of flow of drainage channels, or obstruct or retard the flow of water through the channels. The slope control area of each Lot and all improvements therein shall be maintained continuously by the Owner of the Lot, excepting those improvements for which a public authority or utility company is expressly responsible. It shall be the responsibility of the Owner to see that his Lot strictly conforms with the grading and drainage plan established by the Declarant and TOOELE County.

o. Nuisances. No noxious or offensive activity shall be carried on, in or about the Property, nor shall anything be done or permitted thereon which may be or may become an annoyance, disturbance, bother or nuisance to the neighborhood, or which might interfere with the right of other residents to the quiet and peaceful enjoyment of the property.

p. Temporary Structures. No structure of a temporary nature or character, including but not limited to any trailer, shack, shed, tent, garage, barn or other out-building shall be used on any Lot at any time as a residence.

q. Fines. After written notice of the violation and a hearing, the Management Committee may fine or otherwise sanction an Owner for his failure to comply with this Declaration or any rules and regulations adopted by the Management Committee from time to time.

r. Declarant's Sales Program. Notwithstanding anything to the contrary, until the termination of the Period of Declarant Control neither the Owners nor the Declarant shall interfere or attempt to interfere with the Declarant's completion of improvements and sale of all its remaining Lots and Dwellings, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Lots and Dwellings owned by it:

i. *Sales Office and Models.* Declarant shall have the right to maintain (1) or more sales offices and one (1) or more model Lots, Homes or Dwelling at any one time. Such office and/or models may be one or more of the Lots owned by it, or one or more of any separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

ii. *Promotional.* Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

iii. *Relocation and Removal.* Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the happening of the occurrence, Declarant shall have the right to remove from the Subdivision any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

s. Limitation on Improvements by the Management Committee. Until the termination of the Period of Declarant Control, neither the Owners nor the Declarant shall, without the written consent of Declarant, make any improvement to the Subdivision or alteration to any improvement created or constructed by Declarant.

19. **Debt Collection.** An assessment, fine or other monetary obligation imposed upon an Owner under this Declaration is a debt of the Owner at the time it is made and is collectable as such. Suit to recover a personal judgment for unpaid fines is maintainable by the Association without foreclosing or waiving the lien securing it. If any Owner fails or refuses to make any payment of a fine when due, that amount constitutes a lien on the interest of the Owner in the Property, and upon the recording of notice of lien, it is a lien on the interest of the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except (a) tax and special assessments on the Lot in favor of any assessing unit or special improvement district; and (b) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances. The lien may be foreclosed in the same manner as a deed of trust under Utah law.

a. **Late Fees.** A late fee of \$20.00 may be charged on all payments due under this Declaration received more than ten (10) days after they were due.

b. **Finance Charge.** A finance charge of 1.5% per month may be assessed on the outstanding balance of all delinquent amounts owing under this Declaration. 6.7

**20. Transfer Of Lot By Sale Or Foreclosure.** The sale or transfer of any Lot shall not affect any Assessment lien, or relieve the Lot from any liability therefore, whether the lien pertains to payments becoming due prior or subsequent to such sale or transfer. Notwithstanding the foregoing, the sale or transfer of any Lot pursuant to foreclosure or by deed in lieu of foreclosure of a recorded first mortgage given in good faith and for value, without notice, shall extinguish the lien of all such Assessments as to payments which became due prior to such sale or transfer (except for Assessment liens arising prior to recording of the mortgage). Sale or transfer pursuant to mortgage foreclosure shall not, however, affect the personal liability of the prior record Owner(s) for unpaid Assessments. In a voluntary conveyance of a Lot, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the grantor up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Board, setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for, nor shall the Lot conveyed be subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in the statement; provided, however, the grantee shall be liable for any such Assessment becoming due after the date of any statement.

**21. Declarant's Rights Assignable.** All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Lots or Dwellings in the Subdivision title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protection and controls which are accorded to Declarant (in its capacity as Builder) herein.

**22. Interpretation.** To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the term "shall" is mandatory and the term "may" is permissive, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or

unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

**23. Covenants to Run with Land.** This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant and all parties who hereafter acquire any interest in a Lot, the Subdivision or the Property, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or resident of a Lot shall comply with, and all interest in all Lots shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Lot, the party acquiring such interest consents to, and agrees to be bound by, each and every provision on this Declaration.

**24. Reservation of Rights.**

a. **Withdrawal of Property.** During Development and sale period, the Declarant may amend this Declaration to remove any unimproved portion of the Community from the coverage of this Declaration, provided such withdrawal does not reduce the total number of Units then subject to the Declaration by more than 10%. "Unimproved" means that no permanent structure has yet been completed on the property. Such amendment shall not require the consent of any Person other than the Owner(s) of the property to be withdrawn, if not the Declarant. If the property is Common Area, the Association shall consent to such withdrawal.

b. **Marketing and Sales Activities.** Notwithstanding anything in the Governing Documents to the contrary, during the Development and sale period the Declarant and its designees or assigns may construct, use, and maintain upon portions of the Common Area and other property they own, such facilities and activities as, in the Declarant's opinion, may reasonably be required, convenient, or incidental to the construction or sale of Units. Such permitted facilities and activities shall include business offices, signs, flags (whether hung from flag poles or attached to a structure), model homes, sales offices, holding or sponsoring events, and exterior lighting features or displays. In addition, if reasonably required, convenient, or incidental to construction or sales activities, the Declarant and its employees, agents, and designees may park vehicles in designated parking areas.

c. **Right to Make Improvements, Replat.** During the Development and sale period, the Declarant and its employees, agents and designees shall have a right of access and use and an easement over and upon all

of the Common Area for the purpose of making, construction, and installing improvements on the Common Area as it deems appropriate. In addition, during the Development and sale period, the Declarant may replat property that is or a Declarant Affiliate owns and converts Units it or a Declarant Affiliate owns in the Common Area.

d. Right to Approve Changes in the Community Standards. During the Development and Sale Period, no amendment to or modification of any Rules or design guidelines shall be effective without prior notice to and the written approval of the Declarant.

e. Additional Covenants and Restrictions. During the Development and Sale Period, no one other than the Declarant or a Declarant Affiliate may record and additional covenants or restrictions affecting any portion of the Community without the Declarant's written consent. Any instrument recorded without the required consent shall be void and of no force and effect.

f. Exclusive Rights to the Name of Development. No Person shall use the name of the Community or any derivative of such name or in any logo or depiction associated with the Community in any printed or promotional material without the Declarant's prior written consent. However, Owner may use the name of the Community in printed or promotional matter where such term is used solely to specify that particular property is located within the Community.

g. Community Systems. The Declarant reserves for itself, Declarant Affiliates, and its respective successors and assigns, a perpetual right and easement over all property in the Community to install and operate such Community Systems as the Declarant, in its discretion, deems appropriate to serve any portion of the Community. Such right shall include, without limitation, the Declarant's right to select and contract with companies licensed to provide telecommunications, cable television, and other Community System services in the region. The Declarant also has the right to charge individual users a reasonable fee not to exceed the maximum allowable charge for such service, as from time to time is defined by the laws, rules, and regulations of the relevant governing authority, if applicable. Notwithstanding the above, there is no guarantee or representation that any particular Community will be made available.

h. Easement to Inspect and Right to Correct. The Declarant reserves for itself and others it may designate the right, but not the obligation, to inspect, monitor, test, redesign, and correct any structure, improvement, or condition that may exist on any portion of the property within the Community, including Units, and a perpetual nonexclusive easement of access throughout the Community, including Units, and

a perpetual nonexclusive easement of access throughout the Community to the extent reasonably necessary to exercise such right. Except in an emergency, entry onto a Unit shall be only after reasonable notice to the Owner, and no entry into an enclosed structure shall be permitted without Owner's consent. The person exercising this easement shall promptly repair, at such person's own expense, any damage he or she causes. Nothing in this paragraph shall relieve an Owner of the responsibility for the maintenance and repair of his or her Unit..

i. Right to Notice of Design or Construction Claims. No person shall retain an expert for the purpose of inspecting the design or construction of any structures or improvements within the Community in connection with or in anticipation of any potential or pending claim, demand, or litigation involving such design or construction unless the Declarant and any builder involved in the design or construction have been first notified in writing and given an opportunity to meet with the owner of the property to discuss the owner's concerns and conduct their own inspection.

j. Development of Open Space. Plans for the Community identify or may identify certain areas as "Open Space." Declarant shall have the right, in its discretion, to determine appropriate uses for, or improvements that may be constructed on, such Open Space areas. In addition, for any Open Space owned by the City, the County, or an SSD, such entity shall have the right, with the approval of Declarant, to determine appropriate uses for, or improvements that may be constructed on such Open Space. Appropriate uses or improvements may include, without limitation, signage, walls, landscaping, conservation, drainage, parks, green areas, pathways, or cellular towers. Open Space areas may be owned and maintained by the Association, the City, the County, the SSD, or the Council.

k. Right to Use Common Area for Special Events. As long as Declarant or a Declarant Affiliate owns any property, Declarant may use the Common Area to sponsor special events for charitable, philanthropic, political, or marketing purposes, subject to the following conditions:

- i. The availability of the facilities at the time requested;
- ii. Declarant shall pay all costs and expenses incurred and shall indemnify the Association against any loss or damage resulting from the special event.
- iii. Declarant shall return the facilities and personal property used in conjunction with the special event to the Association in the same condition as existed prior to the special events; and
- iv. Declarant shall have the right to assign its rights to charitable organizations or foundations selected by Declarant. Declarant's right to use the Common Area for special events shall

be enforceable by injunction, by any other remedy in law or equity, and by the terms of this Declaration.

l. Right to Storm water Runoff. Declarant reserves for itself and its designees and its assigns all rights to ground water, surface water, and storm water runoff located within the Community, and each Owner agrees, by acceptance of a deed to a Unit, that Declarant shall retain all such rights. Such rights shall include the reservation of an easement over the Community for access, and for installation and maintenance of facilities and equipment to capture and transport such water, and runoff. All such water shall be available for use by Declarant, the Association, the Council, the City, and/or an SSD for irrigation, fire protection, and similar purposes, as such right of use may be designated by the Declarant from time to time. Declarant may establish programs for reclamation of storm water runoff and wastewater for appropriate uses within or outside the Community and may require Owners and occupants of Units to participate in such programs to the extent reasonably practical. No Owner or occupant of a Unit shall have any right to be compensated for water claimed or reclaimed from his or her Unit. This Section may not be amended without Declarant's consent, and the rights created in this Section shall survive termination of this Declaration.

m. Right to Transfer or Assign the Declarant's Rights. Any or all of the Declarant's special rights and obligations set forth in this Declaration or the Bylaws may be transferred in whole or in part to other Persons. However, such a transfer shall not reduce an obligation or enlarge a right beyond that which Declarant has under this Declaration or the Bylaws. No such transfer or assignment shall be effective unless it is in a recorded instrument the Declarant signs. The foregoing sentence shall not preclude the Declarant from permitting other Persons to exercise, on a one-time or limited basis, any right reserved to the Declarant in this Declaration where the Declarant does not intend to transfer such right in its entirety. In such case, it shall not be necessary to record any written assignment unless necessary to evidence the Declarant's consent to such exercise.

n. Surface Water Drainage and Grading Easement. Exclusive of the portion of each Lot that is occupied by a Residence, the Association hereby reserves an easement allowing, but not requiring, the Association and its agents to enter onto each Lot for the purpose of installing, creating, grading, re-grading, maintaining, repairing, correcting, altering and restoring surface water drainage flows and surface water drainage systems. No Person shall alter, obstruct or redirect the final grade of a Lot or the drainage of surface water from a Lot without the prior written consent of the Association.

## **RESERVATION OF ADDITIONAL RIGHTS**

**Declarant's Reserved Rights.** Any other provision herein notwithstanding, Declarant reserves, in its sole discretion, the following developmental rights and other special Declarant's rights, on the terms and conditions and subject to the expiration deadlines, if any, set forth below:

**Right to Complete Improvements and Construction Easement.** Declarant reserves, for a period terminating on the fifteenth (15<sup>th</sup>) anniversary of Recordation of this Declaration, the right, in Declarant's sole discretion, to complete the construction of the Improvements of the Community and an easement over the Community for such purpose; provided, however, that if Declarant still owns any property in the Community on such fifteenth (15<sup>th</sup>) anniversary date, then such rights and reservations shall continue for one additional successive period of sixty (60) months thereafter. Any damage to any Unit of the Common Areas caused by Declarant or its agents in the use of exercise of said right and/or easement shall be repaired by and at the expense of Declarant.

**Exercise of Development Rights.** Declarant reserves the right to add or withdraw property from the Community.

**Offices, Model Homes and Promotional Signs.** Declarant reserves the right to maintain signs, sales and management offices, and models in any Unit owned or leased by Declarant in the Community, and signs anywhere on the Commons Areas, for so long as Declarant owns or leases any Unit.

**Appointment and Removal of Directors.** Declarant reserves the right to appoint and remove the members of the Board as set forth in this Declaration.

**Amendments.** Declarant reserves the right to amend this Declaration from time to time, as set forth in detail, above, during the time periods set forth therein.

**Easements.** Declarant has reserved certain easements, and related rights, as set forth in this Declaration.

**Other Rights.** Declarant reserves all other rights, powers, and authority of Declarant set forth in this Declaration.

**Restriction of Traffic.** Declarant reserves the right, until the Close of Escrow of the last Unit in the Community, to unilaterally restrict and/or re-route all pedestrian and vehicular traffic within the

Community, in Declarant's sole discretion, to accommodate Declarant's construction activities and sales and marketing activities; provided that no Unit shall be deprived of access to a dedicated street adjacent to the Community.

Exempt of Declarant. Notwithstanding anything to the contrary in this Declaration, the following shall apply:

Nothing in this Declaration shall limit, and no Owner or the Association shall do anything to interfere with, the right of Declarant to complete excavation and grading and the construction of Improvements to and on any portion of the Community, or to alter the foregoing and Declarant's construction plans and designs, or to construct such additional Improvements as Declarant deems advisable in the course of development of the Community, for so long as any Unit owned by Declarant remains unsold.

This Declaration shall in no way limit the right of Declarant to grant additional licenses, easements, reservations and rights-of-way to itself, to governmental or public authorities (including without limitation public utility companies), or to others, as from time to time may be reasonably necessary to the proper development and disposal of Units.

Prospective purchasers and Declarant shall have the right to use all and any portion of the Common Areas for access to the sales facilities of Declarant and for placement of Declarant's signs.

Declarant may use any structures owned or leased by Declarant, as model home complexes or real estate sales or management offices, subject to the time limitations set forth herein, after which time, Declarant shall restore the Improvement to the condition necessary for the issuance of a final certificate of occupancy by the appropriate governmental entity.

All of any portion of the rights of Declarant in this Declaration may be assigned by Declarant to any successor in interest, by an express and written Recorded assignment which specifies the rights of Declarant so assigned.

The prior written approval (which shall not be unreasonably withheld) of Declarant, as developer of the Community, shall be required before any amendment to the Declaration affecting Declarant's rights or interest (including, without limitation, this Article) can be effective.

**24. Phases of Development/ Expansion of Project.** The Declarant reserves the unilateral and exclusive right to develop the Project in one or more phases. Declarant further reserves the unilateral and exclusive right to add contiguous or geographically related properties to the Project and Subdivision by expansion. Declarant shall have the exclusive and unilateral right to develop such additional phases and/or add such additional property to the Project by amendment to the Plat or expansion of the Subdivision without notice to, or consent of the Owners. Declarant's rights shall include the exclusive and unilateral right to add and designate Common Areas and Common Facilities and Lots as Declarant may determine in its sole discretion. Declarant shall have the unilateral right to reallocate the Assessments among the Lots and Owners, based on the total number of Lots in the Project, as modified or expanded by Declarant. Any such expansion shall be deemed to have occurred at the time of the recordation of a revised plat, together with an amendment to the Declaration, duly executed and acknowledged by the Declarant. The amendment shall contain a legal description of the land added to the Project and shall reallocate Assessments and undivided interests in Common Areas and Common Facilities as appropriate.

**25. Enforcement and Right to Recover Attorney's Fees.** Should the Management Committee or an aggrieved Owner be required to take action to enforce or construe the Declaration or any rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, including a claim for injunctive relief or damages, whether such remedy is pursued by filing suit or otherwise, the prevailing party shall be entitled to recover his reasonable attorneys fees, costs and expenses which may arise or accrue.

**26. Limitation of Liability.** The protective covenants, conditions and restrictions set forth in this Declaration, together with any rules and regulations adopted by the Management Committee, are established for the benefit of the Property and the Owners. Any damage, loss, claim or liability which might arise due to any decision, act, or failure to act of Declarant of the Committee or any of its members shall be exempt from any civil claim or action, including negligence, brought by any person owning or having an interest in any Lot. The Committee and its members shall be indemnified, saved and held harmless from any such action of failure to act, and exempt from any civil claim or action resulting from an act of failure to act (whether intended or implied) while functioning as a member of the Management Committee, or for decisions that may render during the course of their service, unless said party is guilty of gross negligence.

27. **Mortgage Protection.** Nothing herein contained, and no violation of these covenants, conditions and restrictions, shall invalidate or impair the lien of any mortgage or deed of trust, given in good faith and for value.

28. **Amendments.** This Declaration may be amended upon the affirmative written approval of a least a majority of the Owners of the Lots and shall be valid immediately upon recording the document amending the Declaration in the office of the County Recorder of [county] County, Utah; provided, however, (a) so long as Declarant shall own at least one (1) Lot in the Subdivision, no amendment shall be valid or enforceable without express prior written consent of Declarant, and (b) any amendments affecting fencing, grading, or any municipal ordinance shall require the prior written consent of [county] County. Provided, however, the foregoing Mortgage Protection section cannot be amended without the consent of all first mortgagees.

29. **Duration.** The covenants and restrictions of this Declaration shall endure for a term of twenty (20) years from the date of this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless after such initial twenty (20) year period, a majority of Owners vote to terminate this Declaration.
