(a) The right of the Association to charge reasonable admission and other fees for the use of any recreational facilities situated upon the Common Area, provided that such fees charged by the Association shall in no way affect its status as a non-profit corporation.

(b) The right of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Area and in aid thereof to mortgage said property; the rights of such mortgage in said property to be subordinate to the rights of the Owners hereunder;

(c) The right of the Association to suspend the voting rights of a member and to deny said member use of any recreational facility for any period during which any assessment against his Lot remains unpaid; and for a period of not to exceed sixty (60) days for any infraction of

its published rules and regulations.

(d) With the approval of all the holders of first mortgage liens on lots, and two-thirds of the owners, the right of the Association to sell, exchange, hypothecate, alienate, encumber, dedicate, release or transfer all or part of the Common Area to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the members. The granting of easements for public utilities or other public purposes consistent with the intended use of such Common Area by the Association shall not be deemed a transfer within the meaning of this clause. No such dedication or transfer shall be effective unless an instrument agreeing to such dedication or transfer signed by two-thirds (2/3) of each class of members has been recorded.

(e) The right of the Association to take such steps as are reasonably necessary or desirable to protect the Common Area against foreclosure.

(f) The right of the Declarant and of the Association to grant and reserve easements and right-of-ways through, under, over and across the Common Area, for the installation, maintenance and inspection of lines and

303999

appurtenances for public or private utilities and the construction of additional Townhomes.

Section 2. Delegation of Use. Any member may designate, in accordance with the Bylaws, his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside on the property.

Section 3. Title to the Common Area. The Declarant covenants for itself, its heirs and assigns, that it will convey fee simple title to the Common Area to the Homeowners' Association, free and clear of all encumbrances and liens, prior to the conveyance of the first Lot, except, (i) any state of facts an accurate survey may show, (ii) covenants, restrictions, easements, encumbrances and liens created by or pursuant to this Declaration, (iii) easements and rights-of-way of record, and (iv) a covenant to maintain the Common Area in good repair and condition at all times and to operate the same at its own expense in accordance with high standards, which shall be deemed to run with the land and shall be binding upon the Association, its successors and assigns.

Section 4. Limitation in Actions of Homeowners Association. The Homeowners Association will not abandon, partition, subdivide, encumber, sell or transfer the Common Area without receiving prior written approval from at least two-thirds (2/3) of the first mortgagees and lot owners.

ARTICLE III

MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every owner of a Lot which is subject to assessment shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. Classes of Membership. The Association shall have two classes of membership:

(a) Class A. Class A member(s) shall be all owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person owns an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot.

(b) Class B. The Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

1. When the total votes outstanding in the Class A membership equal the total votes

303999

outstanding in the Class B membership, or
2. On January 1, 1991.

- (c) Changes in Voting Procedure. If Declarant shall exercise his option to add additional lots, then at such time as additional subdivision plats are filed, the voting shall be adjusted accordingly, including that developer may regain his Class B voting status for all lots owned, even if previously converted to Class A status in prior phases and according to the terms hereof.

ARTICLE IV

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such Deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments, (b) special assessments, and (c) capital assessments, such assessments to be levied, fixed, established and collected from time to time as hereinbelow provided. The assessments, together with interest, costs and reasonable attorney's fees, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs and

303999

reasonable attorney's fees shall also be the personal obligation of the person who was the owner of such Lot at the time when the assessment became due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the members and in particular for the improvement, repair and maintenance of the Common Area, services and facilities devoted to this purpose and related to the use and enjoyment of the Common Area and of Townhomes situated upon the Properties. They shall include, but are not limited to, funds for the actual cost to the Association of all taxes, utilities, insurance and shall include a reserve for repairs, replacement and maintenance of those elements of the Common Area and for the maintenance of the exteriors of the Townhomes that must be replaced on a periodic basis, caring for the grounds, landscaping, garbage pickup, snow removal and other services furnished to owners by the Association, and other charges required by this Declaration or that the Board of Directors shall determine to be necessary to meet the primary purposes of the Association. Special and capital improvement assessments shall be used exclusively for the purposes for which such assessments were levied as provided for in this declaration.

Section 3. Basis and Maximum of Annual Assessments.

Until January 1st of 1988, the maximum annual assessment for each lot shall be determined by using an annual base assessment of Nine Hundred Dollars (\$900.00) per Lot. Each lot will then be assessed according to the total square footage of the townhome (basements included), exclusive of garage area, and according to the following schedule:

0-1300 square feet: 100% of base assessment

1301-2500 square feet: 125% of base assessment

2501+ square feet: 150% of base assessment

For any lot owned by the Declarant, but on which construction has not yet begun, the annual assessment shall be five percent (5%) of the base assessment. For any lot owned by the Declarant and on which construction of a townhome has commenced, but which has not yet been sold to a purchaser, the annual assessment shall be fifteen percent (15%) of the base assessment.

(a) From and after January 1, 1988, the maximum annual base assessment may be increased each year not more than ten percent (10%) above the maximum base assessment for the previous year without a vote of the membership.

(b) From and after January 1, 1988, the maximum annual base assessment may be increased more than ten percent (10%) only by a vote of two-thirds (2/3) of each class of members who are

303999

voting in person or by proxy, at a meeting duly called for this purpose. The limitations hereof shall not apply to any change in the maximum and basis of the assessments undertaken incident to a merger or consolidation which the Association is authorized to participate in under its Articles of Incorporation.

- (c) The Board of Trustees shall fix the annual base assessment at an amount not in excess of the maximum.

Section 4. Capital Improvement Assessments.

In addition to annual assessments, with the approval of two-thirds (2/3) of each class of members, the Association may levy, for any assessment period, capital improvement assessments, applicable to the assessment period only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon any Common Area.

Section 5. Special Assessments.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement, upon the Common Area, including fixtures and personal property related thereto, and for the repair of the

exteriors of the Townhomes, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum for any Action Authorized Under Sections 3,4 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3, 4, or 5 shall be sent to all members not less than 30 days, nor more than 60 days, in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting shall be called subject to the same notice requirement, and the required quorum of the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 7. Rate of Assessment. The Association, in determining the rate of assessment for annual, special and capital assessments, shall determine a base assessment and then assess each lot according to the formula contained in Section 3 of this article for each townhome. The assessments may be collected by the Association on a monthly basis.

303999

Section 8. Date of Commencement of Regular Assessments; Due Dates. The annual assessments provided for herein shall commence as to all lots on the first day of the month following the conveyance of the Common Area to the Association. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Trustees shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates for payment of said assessment shall be established by the Board of Trustees.

The Association shall, upon demand at any time furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. Furthermore, a first mortgage holder, upon request, is entitled to a written certificate from the Association advising of any default by the Lot owner of any obligation not cured within sixty (60) days. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessments which are not paid when due shall be delinquent. If the assessment is not paid within thirty (30) days after the due date, the

assessment shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum, or such other rate as the Board of Trustees may establish from time to time. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property, and interest, costs of suit, and reasonable attorney's fees incurred shall be added to the amount of such assessment. Notwithstanding any other remedy provided in the By-laws for collection of assessments, the Association shall reserve the right to withhold and interrupt service of utilities to any such unit on which the assessment is delinquent in excess of thirty (30) days from the due date.

Each such owner, by his acceptance of a deed to a Lot, hereby expressly grants to the Association, its successors, assigns, or agents the right and power to bring all actions against such owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or deed or trust lien on real property, and such owner hereby expressly grants to the Association a power of sale in connection with said lien. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other lot owners. The Association, acting on behalf of the lot owners, shall have the power to bid in an interest

foreclosed at foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

Section 10. Nonuse and Abandonment. No owner may waive or escape personal liability for the assessments provided for herein, nor release the Lot owned by him from the liens and charges hereof, by nonuse of any Common Area or abandonment of his Lot.

Section 11. Subordination of the Lien to Mortgages. The lien created hereunder upon any Lot shall be subject and subordinate to and shall not affect the rights of the holder of the indebtedness secured by any first mortgage (meaning a mortgage with first priority over other mortgages) or equivalent security interest on any Lot, made in good faith and for value, recorded prior to the date any such assessment becomes due. Any holder of a first mortgage lien or equivalent security interest on a Lot who comes into possession by virtue of foreclosure of a mortgage, or by deed or assignment in lieu of foreclosure, or any purchaser at a foreclosure sale will take said Lot and the improvements appurtenant thereto free of any claims for unpaid assessment charges against said Lot which accrue prior to the time such holder comes into possession of the Lot, except for the claims for a share of such expenses or charge resulting from a reallocation of such assessment or charges to all lots including the mortgaged Lot. Any first mortgagee, who obtains title to a lot in the development pursuant to the remedies in the mortgage/deed of trust or through foreclosure

of the mortgage deed of trust or any other security instrument, shall not be liable for more than six (6) months of the lot's unpaid dues or charges which have accrued before the acquisition of title to the lot by the mortgagee through foreclosure. However, no such sale or transfer shall relieve such Lot from liability for any assessments which thereafter become due or from the lien thereof.

Section 12. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) All Properties dedicated to and accepted by any local public authority;
- (b) The Common Area.

Section 13. Management Agreements. The Board may employ a manager or other persons who may contract with independent contractors or managing agents to perform all or any part of the duties and responsibilities of the Association. Any contract with a person or firm appointed as a manager or managing agent shall be terminable by the Association for cause upon thirty (30) days' written notice thereof. Any such contract, and any other contract (except prepaid casualty and/or liability insurance policies of not to exceed three (3) years duration where the policy permits short term cancellation by the insured) with a third person wherein the third person is to furnish goods or services for any Common Area or the Association, shall be limited to a duration of one (1) year; provided, however, that such

contracts may be renewable for successive one (1) year periods with the approval, for each such period, by a vote or written consent of a majority of each class of members of the Association.

Section 14. Insurance Assessments. The Board of Trustees, or its duly authorized agent, shall have the authority to and shall obtain insurance for all the buildings, including all townhouses, unless the owners thereof have supplied proof of adequate coverage to the Board of Trustees' complete satisfaction and approval, which shall not be unreasonably withheld, against loss or damage by fire or other hazard, and shall also obtain a broad form public liability policy covering all Common Area and all damage or injury caused by the negligence of the Association or any of its agents. Said insurance may include coverage against vandalism. All fire and extended coverage on the improvements located on the Common Area shall include coverage to cover the replacement value of all such improvements.

Premiums for all such insurance coverage, including insurance on townhouses obtained by the Board of Trustees, shall be written in the name of the Association as Trustee for each of the townhouse owners in the same proportions as the square footage of each townhouse bears to the total square footage of all the townhouses combined. Insurance on individual townhouses obtained by the Board of Trustees on townhouses shall not be a part of the common expense, but

303999

shall be an expense of the specific townhouse or townhouses so covered and a debt owed by the owners, and shall be collectable by a lawful procedure permitted by the laws of the State of Utah.

In addition, if said debt is not paid within twenty (20) days after notice of such debt, such amount shall automatically become a lien upon such owner's lot and townhouse and shall continue to be such a lien until fully paid. This lien shall be subordinate to liens as set forth in Section 11 above and shall be enforceable in the same manner as any lien created by failure to pay the maintenance assessments. In addition to the aforementioned insurance required to be carried by the owners and/or the Association, any owner may, if he wishes, at his own expense, insure his own townhouse unit for his own benefit and carry any and all other insurance he deems advisable. It shall be the individual responsibility of each owner at his own expense to provide, as he sees fit, homeowner's liability insurance, theft, and other insurance covering personal property damage and loss.

In the event of damage or destruction by fire or other casualty to any properties covered by insurance written in the name of the Association, the Board of Trustees shall with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damaged or destroyed portions of the properties to as good condition as formerly. All such

Insurance proceeds shall be deposited in a bank or other financial institution, whose accounts are insured by a Federal governmental agency, with the proviso agreed to by said bank or institution that such funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Trustees. The Board of Trustees shall advertise for sealed bids with any licensed contractors, and then may negotiate with any contractor, who shall be required to provide a full performance and payment bond for the repair, reconstruction, or rebuilding of such destroyed building or buildings.

In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Board of Trustees shall levy a special assessment against all owners of the damaged townhouses in such proportions as the Board of Trustees deem fair and equitable in the light of the damage sustained by such townhouses. Such payments shall be made to all such owners and their mortgagees in proportion to their percentage interests.

In the event of damage or destruction by fire or other casualty to any townhouse or other property covered by insurance written in the name of an individual owner, said owner shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to repair or rebuild such damaged or destroyed portions of the exterior of the townhouse in good workmanlike manner in conformance

303999

with the original plans and specifications of said townhouse. In the event such owner refuses or fails to so repair and rebuild any and all such damage to the exterior of the townhouse area within thirty (30) days, the Association, by and through its Board of Trustees, is hereby irrevocably authorized by such owner to repair and rebuild any such townhouse in a good and workmanlike manner in conformance with the original plans and specifications of the townhouse. The owner shall then repay the Association in the amount actually expended for such repairs, and the Association shall have a lien securing the payment of insurance premiums, and subject to foreclosures as above provided.
