ARTICLE II EASEMENTS

2.1 Easement Concerning Common Area. Each Owner shall have a nonexclusive right and easement of use and enjoyment in and to the Common Area. Any Owner may temporarily delegate the right and easement of use and enjoyment described herein to any family member, household guest, tenant, lessee, contract purchaser, or other person who resides on such Owner's Lot. Notwithstanding the foregoing, no Owner shall have any right or interest in any easements forming a portion of the Common Area except for the necessary parking, access, and utility easements for use in common with others.

2.2 Limitation on Easement. An Owner's right and easement of use and enjoyment concerning the Common Area shall be subject to the following:

(a) The right of the Association to govern by Rules the use of the Common Area for the Owners so as to provide for the enjoyment of said Common Areas by every Owner in a manner consistent with the preservation of quiet enjoyment of the Lots by every Owner, including the right of the Association to impose reasonable limitations on the number of guests per Owner who at any given time are permitted to use the Common Area;

(b) The right of the Association to suspend an Owner's right to the use of the Common Areas, or any amenities included therein, for any period during which an Owner is in violation of the terms and conditions of the Governing Documents or delinquent in the payment of a levied assessment or fee.

(c) The right of the City, County, and any other governmental or quasi-governmental body having jurisdiction over the Property, to enjoy access and rights of ingress and egress over and across any street, parking area, walkway, or open area contained within the Common Areas for the purpose of providing police and fire protection, utility access/installation, and providing any other governmental or municipal service.

2.3 Reservation of Access and Utility Easements. Declarant hereby reserves an easement for access and utilities (including but not limited to: electrical, gas, communication, phone, internet, cable, sewer, drainage and water facilities) over, under, along, across and through the Property, together with the right to grant to a City and County, or any other appropriate governmental agency, public utility or other utility corporation or association, easements for such purposes over, under, across, along and through the Property upon the usual terms and conditions required by the grantee thereof for such easement rights, provided, however, that such easement rights must be exercised in such manner as not to interfere unreasonably with the use of the Property by the Owners and the Association and those claiming by, through or under the Owners or the Association; and in connection with the installation, maintenance or repair of any facilities as provided for in any of such easements, the Property shall be promptly restored by and at the expense of the person owning and exercising such easement rights to the approximate condition of the Property immediately prior to the exercise thereof. Each Owner in accepting the deed to a Lot expressly consents to such easements and rights-of-way and authorizes and appoints the Association as attorney-in-fact for such Owner to execute any and all instruments conveying or creating such easements or rights-of-way.

2.4 Easements for Encroachments. If any part of the Common Areas as improved by Declarant now or hereafter encroaches upon any Lot or if any structure constructed by Declarant on any Lot now or hereafter encroaches upon any other Lot or upon any portion of the Common Area, a valid easement for such encroachment and the maintenance thereof, so long as it continues, shall exist. If any structure on any Lot shall be partially or totally destroyed and then rebuilt in a manner intended to duplicate the structure so destroyed, minor encroachments of such structure upon any other Lot or upon any portion of the Common Area due to such reconstruction shall be

permitted; and valid easements for such encroachments and the maintenance thereof, so long as they continue, shall exist.

2.5 Easements for Construction and Development Activities. Declarant reserves easements and rights of ingress and egress over, under, along, across and through the Property and the right to make such noise, dust and other disturbance as may be reasonably incident to or necessary for the (a) construction of Dwellings on Lots, (b) to maintain sales or leasing offices, management offices and models throughout the Project and to maintain one or more advertising signs on the Common Area with respect to the sales of Lots, or other property in the Project, (c) improvement of the Common Area, and construction, installation and maintenance thereon of roadways, walkways, buildings, structures, landscaping, and other facilities designed for the use and enjoyment of some or all of the Owners, and (d) construction, installation and maintenance on lands within, adjacent to, or serving the Property of roadways, walkways, and other facilities, planned for dedication to appropriate governmental authorities.

2.6 Easement in Favor of Association. The Lots and Common Area are hereby made subject to the following easements in favor of the Association and its directors, officers, agents, employees and independent contractors:

- (a) For inspection during reasonable hours of the Lots and Common Area in order to verify the performance by Owners or other persons of all items of maintenance and repair for which they are responsible;
- (b) For inspection, maintenance, repair and replacement of portions of the Common Area;
- (c) For correction of emergency conditions on one or more Lots or on portions of the Common Area;

2.8 Income Generated from Service Providers. Declarant, as owner of the real property at the time it is annexed into the Subdivision through recordation of a plat, which includes the dedication of certain utility easements to the City or County, may negotiate terms with service

providers that desire to install infrastructure to provide services to owners in the Subdivision. During the Declarant Control Period, any income gained from these negotiations with service providers by Declarant may be retained by the Declarant.

ARTICLE III COMMON AREAS & MAINTENANCE

3.1 The Common Areas consist of areas designated as Common Areas on the recorded Plat(s) or described in this Declaration, including any structures related to the operation or maintenance of the Common Areas, together with any rights of way and utilities, as shown on the recorded Plat(s).

3.2 Notwithstanding anything contained in this Declaration to the contrary, all Common Areas appurtenant to each recorded Plat of the Project shall be conveyed to the Association upon recordation of a Plat depicting such Common Areas, reserving all easements as set forth in this Declaration.

3.3 Except as otherwise provided in this Declaration, the Association, or its duly designated agent, shall maintain all Common Areas, including, without limitation, the improvements and landscaping located thereon in good order and repair and shall otherwise manage and operate all Common Areas as it deems necessary and appropriate. The Association shall have the authority to assess its members for the costs of said maintenance in accordance with the terms of this Declaration.

3.4 Snow Removal. The Association shall make reasonable and prudent efforts to contract with a third party for the removal of snow from sidewalks, driveways and Common Areas within the Subdivision. Owners shall be responsible for removing snow from entryways, porches, patio areas, and other applicable areas on their Lot. Owners shall be responsible and take reasonable precautions with respect to ice and ice accumulation. The work of removing snow will be delegated to a third party, who will utilize its discretion in the frequency of the snow removal and the amount of accumulation meriting removal. The Association shall not be responsible or liable for said third party's discretion and removal of snow.

3.5 Landscaping. The Association shall perform general landscaping maintenance in the Subdivision, including the front, side and back yards of the Lots, which shall generally include mowing, edging, blowing of grass, raking and disposal of leaves. The Association shall maintain the original sprinkler system, as originally installed. Owner is responsible for any approved changes in sprinkler system, or other modifications to the landscaping from the original installation. The Association may adopt Rules to add further detail with regard specific landscape maintenance provided by the Association and those responsibilities of Owners concerning such items including, but not limited to; gardens, flowerbeds, bushes, trees, and other landscaping elements.

ARTICLE IV OWNERS' MAINTENANCE OBLIGATIONS

4.1 Duty to Maintain. It is the obligation of each Owner to maintain his Lot and Improvements located thereon in a clean and sanitary condition, free of pests and rodents, and uncluttered at all times in order to preserve and enhance the enjoyment of the Project.

4.2 Repairs by Association. In the event that an Owner permits his Lot or Improvements to fall into a state of disrepair that is dangerous, unsafe, unsanitary or unsightly condition or fails to comply with any other covenant or restriction in violation of this Declaration, the Association may give written notice to the Owner describing the condition complained of and demand that the Owner correct the condition within 30 days. If the Owner fails to take corrective action, the Association shall have the right, but not the obligation, to enter upon the offending Owner's Lot and take corrective action to abate the condition. All costs of abatement shall be charged to the Owner, who agrees to promptly pay the reasonable costs of any work performed under this provision, plus 15%. In addition, each Owner hereby grants to the Association a lien on the Lot and any improvements to secure repayment of any sums advanced pursuant to this section, which lien may be foreclosed at any time by the Association in the manner prescribed in Utah for the foreclosure of mortgages. Alternatively, without requiring foreclosure, the Association may seek collection of sums advanced directly from the Owner of the Lot in question. Unpaid amounts will bear interest from the date advanced at the lawful judgment rate under applicable state law.

4.3 Alterations of Exterior Appearance. The Owners will maintain their Lots and Improvements in substantially the same condition and appearance as that approved by the Board. No subsequent exterior alterations, improvements or remodeling, whether structural or changes in landscaping, paint color or materials will be made without the advance consent of the Board.

4.4 Repair Following Damage. In the event of casualty loss or damage to the improvements, the Owner will be entitled to reconstruct the Improvements as they existed prior to the damage or loss without review by the Board, provided however that alterations or deviations from the original approved plans will require review. Nothing in this Declaration is intended to prevent an Owner who has suffered property damage or loss from taking temporary measures to secure the property and prevent injury or dangerous conditions following loss or damage, before re-construction begins. Such temporary measures may be taken without the consent or approval of the Board, provided that any such measure must be of a temporary nature, and repair or reconstruction must begin as soon as circumstances will permit. Unless delayed by City/County approval or insurance carrier approval, no damaged structure will be permitted to remain on any Lot for more than 90 days without repairs commencing and any damaged structure which does remain unrepairs after 90 days following the occurrence of damage is deemed a nuisance which may be abated by the Association.

ARTICLE V
MEMBERSHIP

5.1 Membership in the Association shall at all times consist exclusively of the Owners. Each Owner shall be a member of the Association so long as such Owner has an ownership interest in a Lot and such membership shall automatically terminate when the Owner cease to have an ownership interest in the Lot. Upon the transfer of an ownership interest in a Lot the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association. If titled ownership to a Lot is held by more than one Person, the membership appurtenant to that Lot shall be shared by all such Person in the same proportional interest and by the same type of tenancy in which title to the Lot is held. Notwithstanding the foregoing, the Declarant shall also be granted voting rights as a Class "B" Member, as defined below.

ARTICLE VI
VOTING

6.1 The Association shall have two (2) classes of voting membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Class "A" membership shall be entitled to one (1) equal vote for each Lot in which they are an Owner. Since an Owner may be more than one Person, if only one of such Person(s) is present at the meeting of the Association that Person shall be entitled to cast all votes appertaining to that Lot. But if more than one of such Person(s) is present, the votes appertaining to that Lot shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the votes appertaining to that Lot without protest being made forthwith by any of the others to the person presiding over the meeting. The votes appurtenant to any one Lot may not be divided between Owners of such Lot or with respect to matters before the Association, and all such votes appurtenant to any one Lot shall be voted in one block. If the vote of a majority of the owners of a Lot cannot be determined, no vote shall be cast in relation to such Lot.

(b) Class "B". The Class "B" Member shall be Declarant. In all matters requiring a vote, the Class "B" membership shall receive one hundred (100) votes for each recorded Lot owned by Declarant. The Class "B" membership shall also be entitled to appoint the members of the Board and Association during the Class "B" Control Period.

ARTICLE VII
CONTROL PERIOD

7.1 The Class "B" Control Period runs until ninety (90) days after the first to occur of the following:

(a) When the total number of votes for the Class B Member is less than the total number of votes for the Class A Members; or

(b) When, at its discretion, the Class B Member so determines.

7.2 Notwithstanding anything to the contrary in this Declaration, Declarant may exercise its discretionary termination of control in whole or in part as to any portion of the Subdivision at its sole election and determination. In doing so as to a portion of the Subdivision, it does not waive any reversionary or remaining control as to all other portions of the Subdivision, the control of which is not expressly terminated by Declarant.

ARTICLE VIII HOMEOWNER ASSOCIATION

8.1 Organization. The Association has been created to effectively enforce the Governing Documents and shall operate as a non-profit corporation. The Association shall be comprised of the Owners within the Project, and is established for the benefit of the Owners and the enforcement of the Governing Documents. Membership in the Association is deemed an appurtenance to the Lot, and is transferable only in conjunction with the transfer of the title to the Lot. The Association shall serve as the organizational body for all Owners.

8.2 Enforcement Powers. The Association shall have all powers granted to it by the Governing Documents and the Act to enforce these covenants and restrictions by actions in law or equity brought in the name of the Association, and the power to retain professional services needed to the enforcement of the Governing Documents and to incur expenses for that purpose, including but not limited to: (1) record, lien, foreclose and other enforcement and collection actions against an Owner and their Lot; (2) initiate legal or similar proceedings; (3) impose fines; (4) collect any rents directly from tenant for past due assessments; (5) terminate an Owners' right to receive utility service paid as a common expense (with the exception of water, sewer, power and natural gas); (6) terminate an Owner's right to utilize Common Area and/or amenities; and (7) any other action or remedy allowed by the Governing Documents or Utah law.

(a) The Association shall have the exclusive right to initiate enforcement actions in the name of the Association. The Association may appear and represent the interest of the Project at all public meetings concerning zoning, variances, or other matters of general application and interest to the Owners.

(b) The Association shall have the authority to initiate and compromise claims and litigation on behalf of the Association resulting from the enforcement of the Governing Documents. In the event that the Association initiates legal action against a specific Owner or Owners to enforce these Governing Document, whether or not such action results in the commencement of a formal legal proceeding, the Association shall have the right to assess the costs of such litigation, dispute, or enforcement action, including reasonable attorney

fees, against the Owner(s) or Lot(s) in question and collect those assessment in any manner authorized in the Governing Documents or Utah law.

(c) The Board shall be afforded discretion to utilize its reasonable judgment to determine whether and how to: impose fines, record liens, pursue legal action; otherwise enforce the Governing Documents; or when and how to settle or compromise claims.

8.3 Assessments. Assessments will be made to meet the anticipated and recurring costs, expenses and Common Expenses of the Association. The Association has the power to levy assessments against each Lot as necessary to carry out its functions. Assessments shall be levied against all Lots in the Property, whether vacant or improved. Each Owner shall by acquiring or in any way becoming vested with his/her interest in a Lot, be deemed to covenant and agree to pay to the Association the assessments described in these covenants, together with late payment fees, interest and costs of collection (including reasonable attorney fees), if and when applicable.

(a) All such amounts shall be, constitute and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made until fully paid; and (b) the personal, joint and several obligations of the Owner or Owners of such Lot at the time the assessment fails due. No Owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights in the Common Areas or by abandonment of his Lot. In a voluntary conveyance of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments, late payment fees, interest and costs of collection (including reasonable attorney fees) which shall be a charge on the Lot at the time of the conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor.

(b) Special Assessment. The Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction, or unexpectedly required repairs or replacement of the Common Areas.

(c) Individual Assessment. The Association may levy individual assessments on every Lot, Owner or occupant that shall cause any damage to the Project or otherwise causes the Association to incur any individual expense for maintenance, repairs, or enforcement action taken under the provisions of the Governing Documents. The amount of any such individual assessments shall be determined by the cost of such repairs, maintenance or enforcement action, including all overhead and administrative costs (including reasonable attorney fees), and shall be allocated among the affected Owner(s) or Lot(s) according to the cause of damage, maintenance, repair work or enforcement action, as the case may be, which individual assessment may be levied in advance of the performance of work.

(d) The Association may levy a reserve fund assessment, as set forth in this article.

(e) The Association may levy other assessments or fees, as authorized by the Governing Documents.

8.4 Budget. The Board is authorized and required to adopt a budget annually, which shall be presented to the Owners at a meeting of members.

(a) The Board may revise the approved budget from time to time as necessary to accurately reflect actual and/or anticipated expenses that are materially greater than previously budget.

(b) The budget shall estimate and include the total amount for the Common Expenses, shall contain an appropriate amount for reserves, and may include an amount for other contingencies. The budget shall also be broken down into reasonably detailed expense and income categories.

(c) Unless otherwise established by the Board, regular Assessments shall be paid in equal monthly installments.

8.5 Reserve Fund Analysis. Following the Class B Period, the Board shall cause a reserve analysis to be conducted no less frequently than every six (6) years to analyze the cost of repairing, replacing or restoring Common Area that have a useful life of three years or more and a remaining useful life of less than 30 years. This reserve analysis should be reviewed no less frequently than every three (3) years and updated if necessary. The Board may conduct a reserve analysis itself or may engage a reliable person or organization, as determined by the Board, to conduct the reserve analysis.

8.6 Reserve Fund Account Creation. The Board shall create a reserve fund account that is separate and distinct from the Association's general account, which account shall be funded from the reserve fund assessments. The amount of the reserve fund assessment shall be a separate line item in the approved budget. The Board shall cause an assessment to be made against all Owners in an amount sufficient, within the Board's discretion, to fund the reserve account.

8.7 Reinvestment Fee. The Board shall have power to levy a one-time reinvestment fee when a change in ownership of a Lot occurs in the amount of one half of one percent (1/2%) of the sales price, unless a lesser amount is determined by the Board.

8.8 Date of Commencement of Assessments. Assessments provided for herein shall commence as to each Lot on the first day of the first month following the effective date of the first budget. Assessments shall be due and payable in a manner and on a schedule, as the Board may provide. Notwithstanding, Assessments for those Lots owned by Declarant or its assigns,

successors, subsidiaries, related construction entities, or other entities established by Declarant, or Declarant's members, for the purpose of constructing Dwellings on the Lot (collectively "Declarant Related Entities") shall not commence until the completed Dwelling is conveyed to an Owner that is not the Declarant or a Declarant Related Entity. No amendment of this Declaration changing the allocation assessments with regard to Declarant or Declarant Related Entities shall be valid without the consent of the Declarant.

8.9 Fines. Following notice as required by the Act, the Association shall have the power to assess a fine against an Owner (or their Lot) for a violation of the terms and conditions of the Governing Documents in an amount set by the Board.

8.10 Hearing Process. The Board shall have authority to create a reasonable hearing process, consistent with the Act, applicable when the Association takes an adverse action related to any particular Owner(s).

8.11 Association Rules. - (d) Provide coverage for defamation. In the discretion of the Board of Directors, the policy may also include coverage for any manager and any employees of the manager and may provide that such coverage is secondary to any other policy that covers the manager or any employees of the manager.

16.5 Insurance Coverage for Theft and Embezzlement of Association Funds. The Association may obtain insurance covering the theft or embezzlement of funds that shall:

- (a) Provide coverage for an amount of not less than the sum of three months regular assessment in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and
- (b) Provide coverage for theft or embezzlement of funds by:
 - (i) Officers and Board of Directors member of the Association;
 - (ii) Employees and volunteers of the Association;
 - (iii) Any manager of the Association; and
 - (iv) Officers, directors and employees of any manager of the Association.

16.6 Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Association's property insurance policy shall be payable to the Association; and shall not be payable to a holder of a security interest. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Dwellings.

Each Owner hereby appoints the Association, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representative, successors or assigns of an Owner.

16.7 Owner Act Cannot Void Coverage under Any Policy. An Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.

16.8 Waiver of Subrogation against Owners and Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Association and the Owners and their respective agents and employees.

ARTICLE XVII DAMAGE & DESTRUCTION

17.1 Immediately after damage or destruction by fire or other casualty to all or any part of the Common Areas covered by insurance written in the name of the Association, the Board, or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed Common Areas. Repair or reconstruction, as used in this paragraph, means repairing or restoring the Common Areas to substantially the same condition in which they existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes.

17.2 Any damage or destruction to the Common Areas shall be repaired or reconstructed unless Owners representing at least seventy-five (75%) percent of the total vote of the Association, shall decide within sixty (60) days after the casualty not to repair or reconstruct. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the costs of repair or reconstruction, or both, are not made available to the Association within said period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) additional days. No mortgagee shall have the right to participate in the determination of whether the damage or destruction to Common Areas shall be repaired or reconstructed; provided, however, this provision shall not apply to construction mortgagees providing construction financing for such damaged property.

17.3 In the event, that it should be determined in the manner described above that the damage or destruction to the Common Areas shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the affected portion of the Common Areas shall be restored to their natural state and maintained by the Association, in a neat and attractive condition.

ARTICLE XVIII
DISBURSEMENT OF PROCEEDS

18.1 If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Areas shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner(s) shall be retained by and for the benefit of the Association and placed in a capital improvements and/or reserve account.

ARTICLE XIX
REPAIR AND RECONSTRUCTION

19.1 If the damage or destruction to the Common Areas for which insurance proceeds are paid is to be repaired or reconstructed, and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the members, levy a special assessment against all Owners as provided in the Governing Documents.

ARTICLE XX
CONDEMNATION

20.1 Whenever all of any part of the Common Areas shall be taken (or conveyed in lieu of and under threat of condemnation by the Board acting on the written direction of members representing at least sixty-seven percent (67%) of the total Association vote by any authority having the power of condemnation or eminent domain), each Owner shall be entitled to notice thereof. The award made for such taking shall be payable to the Association as trustee for all Owners to be disbursed as follows: if the taking involves a portion of the Common Areas on which improvements have been constructed, then, unless within sixty (60) days after such taking the Owners representing at least sixty-seven percent (67%) of the total vote of the Association shall otherwise agree, the Association shall restore or replace such improvements so taken on the remaining land included in the Common Areas to the extent lands are available therefor, in accordance with plans approved by the Board of Directors of the Association. If the taking does not involve any improvements of the Common Areas, or if there is a decision made not to repair or restore, or if there are net funds remaining after any such restoration or replacement is completed, then such award or net funds shall be disbursed to the Association and used for such purposes as the Board shall determine.

ARTICLE XXI
MISCELLANEOUS PROVISIONS

21.1 Violation Deemed a Nuisance. Any violation of these covenants that is permitted to remain on the Property is deemed a nuisance, and is subject to abatement by the Association or by any other Owner.

(a) Any single or continuing violation of the covenants contained in this Declaration may be enjoined in an action brought by an Owner or by the Association. In any action brought to enforce these covenants, the prevailing party shall be entitled to recover as part of its judgment the reasonable costs of enforcement, including reasonable attorney fees and court costs.

(b) Nothing in this Declaration shall be construed as limiting the rights and remedies that may exist at common law or under applicable federal, state or local laws and ordinances for the abatement of nuisances, health and safety, or other matters. This Declaration is to be construed as being in addition to those remedies available at law.

(c) The remedies available under this Declaration and at law or equity generally are not to be considered as exclusive, but rather as cumulative.

(d) The failure to take enforcement action shall not be construed as a waiver of the contents contained in this Declaration in the future or against other similar violations.

21.2 Association Litigation.

(a) In recognition of the expenses and disruption associated with litigation, the Association shall not commence a judicial or administrative proceeding without the approval of the Declarant for so long as the Members govern the Association and thereafter only upon the approval of Owners representing at least 80% of the total vote of the Association.

(b) Neither the Association nor any Owner shall institute an action against any person which arises out of an alleged defect in the development of the Subdivision until: (i) Declarant and the person(s) who physically constructed the portion of the subdivision in which the alleged defect exists have been notified and given a reasonable time and opportunity in which to inspect, assess, correct, or redesign any alleged defect or other portions of the Subdivision (provided, however, that the terms of this Section shall not create an obligation of any person to effect a repair of an alleged defect); (ii) the Association or Owner(s) have pursued their remedies under any express warranty covering all or any portion of the alleged defect; (iii) the Declarant and the affected contractor(s) have been given the opportunity to be heard at a meeting of the Association regarding the alleged defect; and (iv) all proposed parties to the action have been given a reasonable

opportunity to mediate any dispute or disagreement relating to the alleged defect, and have either participated or refused to participate in such mediation.

(c) Notwithstanding any other provision to the contrary in this Declaration, the Association shall not file, commence or maintain any lawsuits, actions or legal proceedings against Declarant, the individual managers, owners, members or officers of Declarant, Declarant's contractors, or any other person or entity involved in the construction of the Dwellings unless and until all of the following requirements have been satisfied:

- (i) The Association has obtained a legal opinion from an attorney licensed to practice law in Utah having at least ten (10) years of experience in litigation practice, with the legal opinion providing in substance the following: (i) a description of the factual allegations and legal claims to be asserted in the action; (ii) an analysis of the facts and legal claims explaining why it would be in the best interests of the Association to file and pursue such action, taking into account the anticipated costs and expenses of litigation, the likelihood of success on the merits of the claims, and the likelihood of recovery if a favorable judgment is obtained by the Association; and (iii) providing a budget of the estimated amounts of legal fees, costs, expert witness fees and other expenses likely to be incurred in connection with such action (the "Litigation Budget"); and
- (ii) The Association has collected funds from the Owners, by special assessment or otherwise, equal to at least one-half (1/2) of the Litigation Budget.

(d) If any claims or actions falling within the scope of this Section are filed without satisfying all of the requirements set forth above, such claims/action shall be dismissed without prejudice and shall not be re-filed unless and until all such requirements have been satisfied. In any action to enforce the requirements of this Section, the prevailing party shall be entitled to an award of reasonable attorney fees and costs. Individual Owners, however, shall not be allowed to file or pursue any actions or claims belonging to other Owners or to the Association.

(e) No action affected by this Section shall be conducted utilizing legal counsel who are compensated on a contingency fee or similar means of compensation in which litigation costs and attorney's fees are not paid on a current basis or are paid out of the settlement or judgment amount recovered by the Association in such action.

(f) This Section shall not apply to: (i) actions brought by the Association to enforce the Governing Documents (including, without limitation, the foreclosure of liens); (ii) the collection of assessments; (iii) proceedings involving challenges to ad valorem taxation; (iv) counterclaims brought by the Association in proceedings instituted against it;

or, (v) actions brought by the Association against any contractor, vendor, or supplier of goods or services arising out of an express contract with the Association or its manager for services or supplies. This Section shall not be amended unless such amendment is approved by the percentage of votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

21.3 Repurchase Option for Construction Defect Claims. In the event any Owner shall commence action against Declarant or Declarant Related Entities for the purpose of constructing Dwellings on the Lot (collectively "Declarant") in connection with any alleged construction defects in such Owner's Dwelling, Declarant shall have the option, but not the obligation, to purchase such Dwelling on the following terms and conditions:

(a) The purchase price shall be an amount equal to the sum of the following, less any sums paid to such Owner under any homeowner's warranty, in connection with the alleged defect:

- (i) The purchase price paid by the original Owner of the Dwelling & Lot when originally purchased from Declarant;
- (ii) The agreed upon value of any improvements made to the Dwelling by anyone other than Declarant; and
- (iii) The Owner's reasonable moving costs.

(b) Close of escrow shall occur not later than forty-five (45) days after written notice from Declarant to the Owner of Declarant's intent to exercise the option herein.

(c) Title shall be conveyed to Declarant free and clear of all monetary liens and other encumbrances other than non-delinquent real estate taxes.

(d) Exercise of the repurchase option as provided for herein above shall constitute full and final satisfaction of all claims relating to the subject Dwelling and Lot. The Owner shall promptly execute and deliver any notice of dismissal or other document necessary or appropriate to evidence such satisfaction.

(e) Declarant's option to repurchase granted herein with respect to any particular Dwelling and Lot shall automatically terminate upon the expiration of the last applicable statute of limitations applicable to any construction or warranty claim governing such Dwelling and Lot including all applicable tolling periods.

21.4 Amendment Requires Consent of Declarant. Notwithstanding any other provision of this Declaration, this Article and its subsections may not be amended except with the prior written consent of the Declarant.

21.5 Severability. Each of the covenants contained in this Declaration shall be independent of the others, and in the event that any one is found to be invalid, unenforceable, or illegal by a court of competent jurisdiction, the remaining covenants shall remain in full force and effect.

21.6 Consent, Power of Attorney, Waiver. By acceptance of a deed, lease, or other conveyance of an interest in Dwelling, each Owner or Occupant consents to the rights reserved to the Association in this Declaration, including but not limited to, the right to prepare, execute, file, process, and record necessary and appropriated documents and other items to establish and grant easements and to make necessary and appropriate amendments of this Declaration, the Plat and Bylaws. By such acceptance, each Owner or Occupant agrees to execute all documents and to do all other things as may be necessary or convenient to effect the same; and such acceptance shall be deemed an appointment of the Association, with full right of substitution, as the attorney-in-fact of such Owner or Occupant to execute such documents and to do such things on Owner's or Occupant's behalf; and such appointment, being coupled with an interest, shall be irrevocable for the specific period of the Association's reserved rights as set forth in this Declaration and shall not be affected by the disability of any such Owner or Occupant.

21.7 No Representations and Warranties. Each Owner and occupant understands, agrees, and acknowledges through taking title or residing in the Project that the Declarant, Association and the Board have not made any representations or warranties of any kind related to the Project and that each Owner or occupant has not relied upon any reorientations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose relative to the Project.

21.8 Amendment. At any time while this Declaration is in effect, the covenants herein contained can be modified by the Declarant or Declarant's successors and assigns during the Class B Control Period at the sole discretion of the Declarant. Thereafter, the covenants herein contained can only be modified by the affirmative vote of the Owners representing not less than sixty-seven (67%) percent of the total votes of the Association. No meeting or voting shall be required for an amendment, if the required, written consent is obtained from the requisite number of Owners.

21.9 Constructive Notice. Every person who owns, occupies or acquires any right, title or interest in any Lot in the Project is conclusively deemed to have notice of this Declaration and its contents, and to have consented to the application and enforcement of each of the provision of this Declaration against his/her Lot, whether or not there is any reference to this Declaration in the instrument by which he/she acquires interest in any Lot.

21.10 Notices. All notices under this Declaration are provided as set forth in the Bylaws.

21.11 Liberal Interpretation. The provisions of this Declaration shall be interpreted liberally to further the goal of creating a uniform plan for the development of the Project. Headings are inserted for convenience only and shall not be considered in interpretation of the provisions.

Singular will include plural, and gender is intended to include masculine, feminine and neuter as well.

21.12 Right to Modify Lot Boundaries and Interior Boundary Lines. Declarant reserves the unilateral right to modify Lot boundaries and interior boundary lines and/or combine Lots or Dwellings so long as it owns the Lots; provided, however, such changes may not extensively alter the boundaries of the Common Area and Facilities nor change the percentages of ownership interest.
