TO HAVE AND TO HOLD the same unto Grantee and its successors, so long as such Facilities shall be maintained, with the reasonable right of ingress and egress for general access to the Residential Parcel and also to install, maintain, operate, repair, inspect, protect, remove and replace said Facilities. Grantee and its successors and assigns, hereby release Grantor from any and all claims relating to the condition of the Easement Area and the entry upon the Easement Area by Grantee and Grantee and its agents, servants, employees, consultants, contractors and subcontractors (collectively, "Grantee's Agents"). Grantee accepts the Easement Area and all aspects thereof in its "AS IS," "WHERE IS" condition, without warranties, either express or implied, "WITH ALL FAULTS," including but not limited to both latent and patent defects, the existence of hazardous materials, if any, and any other easements, rights, or other encumbrances affecting the Easement Area.

Grantor shall not build or construct, nor permit to be built or constructed, any building or other improvements over or across said Easement Area.

The right is granted on condition that future work shall be done with care, and that all damages to the premises caused thereby shall be repaired by and at the expense of Grantee. Grantee, at its sole cost and expense, shall maintain and repair the Facilities, Easement Area, and any and all related improvements installed by Grantee, in good order and condition. Said Easement shall include all rights and privileges therein necessary or convenient for the full enjoyment or use thereof for the purpose above described, including the unrestricted, perpetual right of ingress and egress to and from said Residential Parcel; however, Grantor shall retain the full right, title, and possession of the property except for the limited easement granted herein.

Grantor reserves the right to occupy and use said property for all purposes not inconsistent with the rights herein granted and shall retain the full right, title, and possession of the Grantor's property except for the limited easement granted herein. Grantee recognizes that the easement granted by Grantor requires access to a private drive and that Grantor has the reasonable right to restrict access during times of maintenance or repair to the drive for a reasonable period of time to maintain the private drive or make the repairs.

The rights, conditions, and provisions of this agreement shall inure to the benefit of and be binding upon the heirs, executors, administrators, successors, and assigns of the respective parties hereto.

In the event any legal action or proceeding for the enforcement of any right or obligations herein contained is commenced, the prevailing party in such action or proceeding shall be entitled to recover its costs and reasonable attorneys' fees incurred in the preparation and prosecution of such action or proceeding.
