PART B. AREA OF APPLICATION

B-1. FULLY PROTECTED RESIDENTIAL AREA. The Residential Area Covenants in Part C in their entirety shall apply to all lots included in Eastridge #4 Subdivision, as recorded with the Salt Lake County, Utah Recorder's Office.

PART C. RESIDENTIAL AREA COVENANTS

C-1. LAND USE AND BUILDING TYPE. No lot shall be used except for residential purposes. All land use and buildings shall be in compliance with all zoning and land use ordinances and regulations of the municipalities and agencies governing the subdivision land use and buildings, and all landscaping, grading and drainage of the land in each owner's lot shall be completed so as to comply with the Neighborhood Grading and Drainage Plan, as approved by Salt Lake County Flood Control for the subdivision and the individual lots therein.

C-2. ARCHITECTURAL CONTROL. No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved. Approval shall be as provided in Part D.

C-3. DWELLING COST, QUALITY AND SIZE. No dwelling shall be permitted on any lot at a cost of less than \$36,000 exclusive of the lot, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenant to assure that all dwellings shall be of a quality of workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size. The ground floor area of the main structure, exclusive of one-story open porches and garages, shall be not less than 1,100 square feet for a one-story dwelling, nor less than 1,100 square feet for a dwelling of more than one story.

No dwelling shall be located on an interior lot nearer than 20 feet to the rear lot line. No accessory or out buildings shall be located to encroach upon any easements.

(c) For the purpose of this covenant, eaves, steps, and open porches shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building, on a lot to encroach upon another lot.

C-5. LOT AREA AND WIDTH. No dwelling shall be erected or placed on any lot having a width of less than 65 feet at the minimum building setback line nor shall any dwelling be erected or placed on any lot having an area of less than 8,000 square feet, except that a dwelling may be erected or placed on all lots as shown on the recorded plat provided that front, side and rear setbacks required above are complied with. No lot or lots may be redivided for the purpose of creating any additional building sites.

C-6. EASEMENTS. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat and over the rear seven feet of each lot. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible.

C-7. NUISANCES. No noxious or offensive activity shall be carried upon any lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the Neighborhood. No automobile or other vehicle is to be parked on the street or front or side of any lot unless it is in running condition, properly licensed and regularly used.

C-8. TEMPORARY STRUCTURES. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out building shall be used on any lot at any time as a residence either temporarily or permanently.

C-9. No sign of any kind shall be displayed to the public view on any lot except the professional sign of not more than one square foot, one sign of not more than five square feet, advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

C-11. OIL AND MINING OPERATIONS. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.

C-12. LIVESTOCK AND POULTRY. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose and are restricted to the owner's premises or on leash under handler's control.

C-13. GARBAGE AND REFUSE DISPOSAL. No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition and away from the public view.

C-14. SIGHT DISTANCE AT INTERSECTIONS. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between 2 and 6 feet above the roadways shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line within the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.
