**LONG-TERM STORM WATER MANAGEMENT AGREEMENT**

This Long-Term Storm Water Management Agreement ("Agreement") is made by and between Pleasant View City, a Utah municipal corporation ("City"), and ALS Development, LLC, a Limited Liability Corporation ("Owner").

**RECITALS**

WHEREAS, the City is authorized and required to regulate and control the disposition of storm and surface waters within the Small Municipal Separate Storm Sewer System, also known as the Pleasant View City Storm Drain System, ("Small MS4"), as set forth in the Pleasant View City Storm Water Ordinance, as amended ("Ordinance"), adopted pursuant to the Utah Water Quality Act, as set forth in *Utah Code Ann. §§ 19-5-101, et seq.*, as amended ("Act"); and

WHEREAS, the Owner hereby represents and acknowledges that it is the owner in fee simple of certain real property more particularly described in Exhibit "A," attached hereto ("Property"); and

WHEREAS, the Owner desires to build or develop the Property and/or to conduct certain regulated construction activities on the Property which will alter existing storm and surface water conditions on the Property and/or adjacent lands; and

WHEREAS, in order to accommodate and regulate these anticipated changes in existing storm and surface water flow conditions, the Owner is required to build and maintain, at Owner's expense, a storm and surface water management facility or improvements ("Storm Water Facilities"); and

WHEREAS, the Storm Water Facilities are more particularly described and shown in the final site plan or subdivision approved for the Property and related engineering drawings, and any amendments thereto, which plans and drawings are on file with the City and are hereby incorporated herein by this reference ("Development Plan"); and

WHEREAS, as a condition of Development Plan approval, and as required as part of the City's Small MS4 Utah Pollutant Discharge Elimination System (UPDES) General Permit from the State of Utah, Owner is required to enter into this Agreement establishing a means of documenting the operations and maintenance of the Storm Water Facilities; and

NOW, THEREFORE, in consideration of the benefits received and to be received by the Owner, its successors and assigns, as a result of the City's approval of the Storm Water Facilities, and the mutual covenants contained herein, the parties agree as follows:

#### **Section 1**

Construction of Storm Water Facilities. The Owner shall, at its sole cost and expense, construct the Storm Water Facilities in accordance with the City-approved Development Plans and specifications, and any amendments thereto which have been approved by the City.

#### **Section 2**

Maintenance of Storm Water Facilities. The Owner shall, at its sole cost and expense, adequately maintain the Storm Water Facilities. Owner's maintenance obligations shall include all system and appurtenances built to convey storm water, as well as all structures, improvements, and vegetation provided to control the quantity and quality of the storm water. Adequate maintenance, for purposes of this Agreement, is defined as the maintenance and actions required such that the Storm Water Facilities are 1) performing their design functions, 2) in good working condition, and 3) being maintained in accordance with manufacturer's recommendations, where applicable. The Owner shall, at its sole cost and expense, perform all maintenance necessary to keep the Storm Water Facilities functioning and in good working condition. A copy of the Storm Water Facilities Maintenance Plan is contained in Exhibit "B." Owner may amend the Storm Water Facilities Maintenance Plan upon submittal to and approval by the City.

#### **Section 3**

Annual Inspection Report and Certification. The Owner shall, at its sole cost and expense, inspect, or have inspected, the Storm Water Facilities and submit an inspection report and certification to the City annually. The purpose of the inspection and certification is to assure safe and proper functioning of the Storm Water Facilities. The annual inspection shall cover all aspects of the Storm Water Facilities, including, but not limited to, the parking lots, structural improvements (e.g. oil/water separators, underground infiltration galleries, underground detention basins), berms, channels, outlet structure, pond areas, access roads, vegetation, landscaping, etc. Deficiencies shall be noted in the inspection report. The report shall also contain a certification as to whether adequate maintenance has been performed and whether the structural controls are operating as designed to protect water quality. The annual inspection report and certification shall be due by June 30<sup>th</sup> of each year and shall be on forms acceptable to the City. Inspections shall be performed by qualified personnel.

#### **Section 4**

City Oversight Inspection Authority. The Owner hereby grants permission to the City, its authorized agents and employees, to enter upon the Property and to inspect the Storm Water Facilities upon reasonable notice not less than three (3) business days to the Owner. Such inspections shall be conducted in a reasonable manner and at reasonable times, as determined appropriate by the City. The purpose of the inspection shall be to determine and ensure that the Storm Water Facilities are being adequately operated and maintained to meet the intent of the design, are continuing to perform in an adequate manner, and are in compliance with the Act, the Ordinance, the Storm Water Facilities Maintenance Plan, and manufacturer's recommendations, where applicable. Notice may be waived in emergency conditions.

#### **Section 5**

Notice of Deficiencies. If the City finds that the Storm Water Facilities contain any defects or are not being maintained adequately, the City shall send Owner written notice of the defects or deficiencies and provide Owner with a reasonable time, but not less than thirty (30) days, to cure such defects or deficiencies. Such notice shall be confirmed delivery to the Owner or sent certified mail to the Owner at the address on file with the Weber County Tax Assessor.

In the event the Owner fails to adequately maintain the Storm Water Facilities in good working condition acceptable to the City, after due notice of deficiencies as provided in the above paragraph and failure to cure, then the City shall send a second notice to the Owner. Upon Owner's failure to cure or correct within thirty (30) days following the second notice, the City may issue a citation punishable as a Misdemeanor in addition to any State or EPA fine.

#### **Section 6**

Owner to Make Repairs. The Owner shall, at its sole cost and expense, make such repairs, changes, or modifications to the Storm Water Facilities as may be determined as reasonably necessary by the City within the required cure period to ensure that the Storm Water Facilities are adequately maintained and continue to operate as designed and approved.

#### **Section 7**

City's Corrective Action Authority. Upon the expiration of the thirty (30) days following the second notice, if the Owner fails to cure defects or deficiencies, the City and its authorized agents and employees shall have the authority to enter the Property and perform the necessary maintenance or corrective actions.

It is expressly understood and agreed that the City is under no obligation to maintain or repair the Storm Water Facilities, and in no event shall this Agreement be construed to impose any such obligation on the City. The actions described in this Section are in addition to and not in lieu of any and all equitable remedies available to the City as provided by law for Owner's failure to remedy deficiencies or any other failure to perform under the terms and conditions of this Agreement.

#### **Section 8**

Reimbursement of Costs. In the event the City, pursuant to this Agreement, incurs any costs, or expends any funds resulting from enforcement or cost for labor, use of equipment, supplies, materials, and the like related to correction of the defects or deficiencies, the Owner shall reimburse the City upon demand, within thirty (30) days of receipt thereof for all actual costs incurred by the City. After said thirty (30) days, such amount shall be deemed delinquent and shall be subject to interest at the rate of ten percent (10%) per annum. Owner shall also be liable for any collection costs, including attorneys' fees and court costs, incurred by the City in collection of delinquent payments. City reserves the right to file a lien on the Property in the event of non-payment.

#### **Section 9**

Successor and Assigns. This Agreement shall be recorded in the Weber County Recorder's Office, and the covenants and agreements contained herein shall run with the land. Whenever the Property shall be held, sold, conveyed, or otherwise transferred, it shall be subject to the covenants, stipulations, agreements, and provisions of this Agreement which shall apply to, bind, and be obligatory upon the Owner hereto, its successors, and assigns, and shall bind all present and subsequent owners of the Property described herein.

#### **Section 10**

Severability Clause. The provisions of this Agreement shall be severable and if any phrase, clause, sentence, or provision is declared unconstitutional, or the applicability thereof to the Owner, its successors, and assigns, is held invalid, the remainder of this Covenant shall not be affected thereby.

#### **Section 11**

Utah Law and Venue. This Agreement shall be interpreted under the laws of the State of Utah. Any and all suits for any claims or for any and every breach or dispute arising out of this Agreement shall be maintained in the appropriate court of competent jurisdiction in Weber County, Utah.

#### **Section 12**

Indemnification. This Agreement imposes no liability of any kind whatsoever on the City, and the Owner agrees to hold the City harmless from any liability in the event the Storm Water Facilities fail to operate properly. The Owner shall indemnify and hold the City harmless for any and all damages, accidents, casualties, occurrences, or claims which might arise or be asserted against the City from failure of Owner to comply with its obligations under this agreement relating to the Storm Water Facilities.

#### **Section 13**

Amendments. This Agreement shall not be modified except by written instrument executed by the City and the Owner of the Property at the time of modification, and no modification shall be effective until recorded in the Weber County Recorder's Office.

#### **Section 14**

Subordination Requirement. If there is a lien, trust deed, or other property interest recorded against the Property, the trustee, lien holder, etc., shall be required to execute a subordination agreement or other acceptable recorded document agreeing to subordinate their interest to the Agreement.

#### **Section 15**

Storm Water Facilities Maintenance Plan. The Storm Water Facilities Maintenance Plan ("Maintenance Plan") must adapt to change in good judgment when site conditions and operations change, and when existing programs are ineffective. Exhibit B, containing the Maintenance Plan, will not be filed with the agreement at the County Recorder but is included by reference and kept on file with the City Recorder. Revision applications must be filed with the City and amended into the Maintenance Plan on file with the City Recorder.

#### **Section 16**

Exhibits to this Agreement. Exhibits to this Agreement are enumerated as follows:

1. Exhibit A – Property Description
2. Exhibit B – Storm Water Facilities Maintenance Plan
