

EASEMENT AGREEMENT

This Easement Agreement ("Easement Agreement") is entered into by and between MONEVES BOREN ("Boren"), and ARTHUR F. JEPPEPERSON, RICHARD V. RUSSELL AND ESTELLA M. RUSSELL, TRUSTEES OF THE RICHARD V. RUSSELL AND ESTELLA M. RUSSELL FAMILY TRUST, KEVIN L. ANDERSON AND KASIE L. ANDERSON, THOMAS L. MACKAY AND JUDY MACKAY, DEHOYOS ENTERPRISES-WALLSBURG CABIN, LLC, and LLOYDONNA FULLMER ("Owners of the Specified Properties").

WHEREAS, Boren is the owner of certain real property located in the Wallsburg area of Wasatch County, Utah, as more fully described on Exhibit A attached hereto ("the Boren Property"); and

WHEREAS, the Owners of the Specified Properties are the owners of certain parcels of real property located near the Boren Property as more fully described on Exhibit B attached hereto ("Specified Properties"); and

WHEREAS, Boren and the Owners of the Specified Properties desire to enter into this Easement Agreement to allow the Owners of the Specified Properties to travel across the Boren Property to access the Specified Properties subject to the terms and conditions stated herein.

NOW THEREFORE, in consideration of the foregoing recitals, and the mutual promises and obligations contained herein, the sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

1. Boren hereby grants to the Owners of the Specified Properties an appurtenant and perpetual easement to allow the Owners of the Specified Properties to access the Specified Properties by traveling across the Boren Property on the terms and conditions contained in this Easement Agreement. The location of the easement shall be the same location across which the Owners of the Specified Properties have been traveling to access the Specified Properties prior to the execution of this Easement Agreement; provided, however, that Boren shall be allowed to relocate the easement elsewhere on the Boren Property, at any time, in her discretion so long as Boren pays for all costs of constructing and relocating said easement and the relocation preserves safe and reasonable access to the Specified Properties.

2. The Owners of the Specified Properties agree, for themselves and for their real property successors in interest, to bear the responsibility and expense of maintaining the route of travel in a safe, clean, and attractive condition, including snowplowing, and further, to maintain and repair the travel surface and shoulders thereof as necessary to preserve the same in good condition on a perpetual basis. The Owners of the Specified Properties agree to use only gravel or dirt to conduct any maintenance or repair to the travel surface or shoulders thereof. Furthermore, the Owners of the Specified Properties agree that they will not improve the travel surface and shoulders thereof in any fashion, including but not limited to, paving the travel surface, laying down crushed asphalt or slag on the travel surface, or oiling the travel surface;

EASEMENT AGREEMENT

provided, however, that any such material that may already be in place currently on the travel surface shall be allowed to remain.

The Owners of the Specified Properties also agree to install and maintain culverts, ditches, and drainage devices as necessary to protect and preserve the easement location, the Boren Property, and the surrounding vicinity from damage due to water runoff from the easement location, and to repair or replace any such damage caused, whether such damage occurred previously or occurs in the future. Prior to the installation of any culvert, ditch, or drainage device on or affecting the Boren Property, the Owners of the Specified Properties agree to present their installation proposal to the owner of the Boren property for review and approval, which approval shall not be unreasonably withheld.

Specifically, the Owners of the Specified Properties agree to install culvert(s) as necessary and to re-grade the surface of the ground in order to prevent water runoff from the Fullmer property from flowing onto the Boren Property, and to cause said runoff to flow under the road which begins at the Boren Property boundary line and proceeds onto the Specified Properties. Prior to the installation of any culvert or the re-grading of the surface of the ground, the Owners of the Specified Properties agree to present their installation proposal to the owner of the Boren property for review and approval, which approval shall not be unreasonably withheld. The installation of culvert(s) and re-grading required in this paragraph shall be completed within ninety (90) days of the execution of this Easement Agreement.

3. The Owners of the Specified Properties agree not to cause damage to the Boren Property by the use or existence of the easement, other than normal wear and tear (which normal wear and tear is subject to the maintenance obligations contained in paragraph 2 above), and to repair and/or replace any such damage they may cause.

4. The Owners of the Specified Properties agree that they will use the easement granted by Boren in this Easement Agreement only to access their property, and for no other reason. The Owners of the Specified Properties agree, to the extent it is within their control, not to allow any persons or parties other than owners of the Specified Properties, and their invited family members and guests who need to access the Specified Properties, to use the easement.

5. Boren agrees to allow the Owners of the Specified Properties to place and leave no more than two trash cans per specified property on the Boren Property at the end of the public road maintained by Wasatch County for up to 24 hours before and after each collection of trash by Wasatch County. The Owners of the Specified Properties agree to remove the trash cans from the Boren Property so that the trash cans will not be there at other times. The Owners of the Specified Properties agree to move the current trash can collection area, including the trash can enclosure, six (6) feet further back from the roadway towards the northwest within 45 days of the execution of this Easement Agreement. The Owners of the Specified Properties agree to pick up any trash that may fall out of, or blow from, their trash cans onto the Boren Property.

6. Arthur F. Jepperson agrees that the gate in the fenceline between his property and the Boren Property will not be used as an entrance for vehicular traffic onto the Boren Property.

7. The easement granted herein shall run with the land, both as to the property benefited and the property burdened, and shall be appurtenant to all said land.

8. This Easement Agreement may be executed in any number of counterparts, provided each counterpart is identical in its terms. Each such counterpart, when executed and delivered will be deemed to be an original, and all such counterparts shall be deemed to constitute one and the same instrument.
