This Declaration contains covenants, conditions and restrictions relating to the Project which are and shall be enforceable equitable servitudes which shall run with the land and be binding upon Declarant, its successors and assigns and upon all Unit Owners or subsequent Unit Owners, their grantees, mortgagees, successors, heirs, personal representatives, devisees and assigns.

ARTICLE V

DESCRIPTION OF PROPERTY

(a) Description of Land. The land is that tract or parcel in Salt Lake County, Utah more particularly described in Article I of this Declaration.

(b) Description of Improvements. The Project has been constructed in accordance with the information contained in the Map. The building is of frame construction with a built-up tar and gravel roof and contains an enclosed courtyard. The building contains a total of twelve (12) two-bedroom Units and twelve (12) one-bedroom Units. Electricity is separately metered to each Unit. Hot water for each Unit and the Common Areas of the building is provided by central heating plants with individual registers and controls in each Unit. Each Unit is equipped with its own gas furnace, but heating costs will nevertheless be Common Expenses. Water, sewage and garbage disposal will not be separately billed or metered and will be paid as Common Expenses. Each Unit is equipped with carpet, drapes, an electric air conditioning unit, refrigerator, dishwasher, disposal, range and trash compactor. The Project will be subject to the easements which are reserved through the Project and as may be required for Utility Services.

(c) Description and Legal Status of Units. The Map and Exhibit "C" hereto show the Unit Number of each Unit, its location, and the Common Areas and Facilities to which it has access. All

Units shall be capable of being independently owned, encumbered and conveyed.

(1) Each Unit shall include that part of the building which lies within the boundaries of the Unit, which boundary shall be determined in the following manner:

(a) The upper boundary shall be the plane of the lower surface of the ceiling,

(b) The lower boundary shall be the plane of the upper surface of the floor; and

(c) The vertical boundaries of the Unit shall be (i) the interior surface of the outside walls of the building bounding a Unit; (ii) the center line of any non-bearing interior walls bounding a Unit; and (iii) the interior surface of any interior bearing walls bounding a Unit.

(d) Description of Common Areas and Facilities. Except as otherwise in this Declaration provided, the Common Areas and Facilities shall consist of the areas and facilities described in the definitions and constitute in general all of the parts of the Property except the Units. Without limiting the generality of the foregoing, the Common Areas and Facilities shall include the following, whether located within the bounds of a Unit or not:

(1) All structural parts of the building including, without limitation, foundations, columns, joists, beams, supports, supporting walls, floors, ceilings and roofs;

(2) driveways, parking areas, lawns, patios, shrubs, trees, entrance ways, halls, stairways, and service areas including clothes laundering facilities, recreation room, heating and mechanical equipment room, and all related heating and mechanical equipment and controls;

(3) any utility or heating pipe or line or system servicing more than a single Unit, and all ducts, wires, conduits, and other accessories used therewith;

(4) all other parts of the Property necessary or convenient to its existence, maintenance and safety, or normally in common use, or which have been designated as Common Areas and Facilities in the Map;

(5) all repairs and replacements of any of the foregoing.

ARTICLE VI

ALTERATIONS

For one year following the recordation hereof, Declarant reserves the right to change the interior design and interior arrangement of the Common Areas or of any Unit and to alter the boundaries between Units, so long as the Declarant owns the Units so altered. Any change of the boundaries between Units or any alteration of the Common Areas shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in Article XXVII of this Declaration. Any change in unit size shall be accompanied by a reallocation of percentage interest in Common Area on a square-footage basis. No such change shall materially alter the boundaries of the Common Areas and Facilities nor change the fraction of ownership of Common Areas and Facilities associated with the non-altered Units without amendment of this Declaration and of the Map in the manner described in Article XXVII of this Declaration.

ARTICLE VII

STATEMENT OF PURPOSE AND RESTRICTION ON USE

(a) Purpose. The purpose of the Condominium Project is to provide residential housing space for Unit Owners, their families, guests and lessees, and to provide parking space for use in connection therewith, all in accordance with the provisions of the Act.

(b) Restrictions on Use. The Units and Common Areas and Facilities shall be used and occupied as hereinafter set forth.

(1) Each of the Units shall be occupied only as a residence and for no other purpose. No business shall be operated in or from any Unit other than the rental of the Unit itself, subject to applicable zoning and business regulation laws and ordinances. Each parking stall shall be used for the parking or storage of operable motor vehicles and for no other purpose. The Common Areas and Facilities shall be used only for the purposes for which they are intended.

(2) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities which will increase the rate of insurance on the building or contents thereof beyond that customarily applicable for residential use, or will result in the cancellation of insurance on the building, or the contents thereof, without the prior written consent of the Management Committee. No Unit Owner shall permit anything to be done or kept in his Unit or in the

Common Areas and Facilities which is in violation of any law or regulation of any governmental authority.

(3) No Unit Owner shall cause or permit anything (including, without limitation, an awning, canopy, shutter, storm door or screen door) to hang, be displayed, be visible or otherwise be placed on the exterior walls or roof of the building or any part thereof, or on the outside of windows or doors, without the prior written consent of the Management Committee. No sign of any kind shall be displayed to the public view on or from any residential Unit or the Common Areas unless it is for the common benefit of all Unit Owners.

(4) No noxious or offensive activity shall be carried on in any Unit or in the Common Areas and Facilities, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants.

(5) Nothing shall be done in any Unit or in, on or to the Common Areas and Facilities which will impair the structural integrity of the building or any part thereof or which would structurally change the building or any part thereof except as is otherwise provided herein.

(6) No pets or animals of any kind shall be allowed, kept, bred or raised in any Unit or on any of the Common Areas in the Project.

(7) The Common Areas and Facilities shall be kept free and clear of all rubbish, debris and other unsightly materials.

(8) No admission fees, charges for use, leases or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas and Facilities without the prior written consent of the Management Committee.

ARTICLE VIII

PERSON TO RECEIVE SERVICE OF PROCESS

The person to receive service of process in the cases provided herein or in the Act is Arthur Edway Redd, whose address is 2270 East 4500 South #1A, Salt Lake City, Utah 84117. The said person may be changed by the recordation by the Management Committee of an appropriate instrument.

ARTICLE IX

OWNERSHIP AND USE

(a) Ownership of a Unit. Except with respect to any of the Common Areas and Facilities located within the bounds of a Unit, each Unit Owner shall be entitled to the exclusive ownership and possession of his Unit and to the ownership of the undivided interest in the Common Areas and Facilities shown on Exhibit "C".

(b) Nature of and Restrictions on Ownership and Use. Each Unit Owner shall have and enjoy the rights and privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own Units, it being intended that they may and shall be owned as any other property rights by persons, corporations, partnerships or trusts and in the form of common or joint tenancy.

(c) Prohibition Against Subdivision of Unit. No Unit Owner, by deed, plat or otherwise, shall subdivide or in any manner cause his Unit to be separated into physical tracts or parcels smaller than the whole Unit as shown on the Map.

(d) Restrictions on Leasing of Unit. With the exception of a First Mortgagee in possession of a Unit following a default in a First Mortgage, a foreclosure proceeding or any deed or other arrangement in lieu of foreclosure, no Unit Owner shall be permitted to lease his Unit for transient or hotel purposes. No Unit Owner may lease less than the entire Unit. Any lease agreement shall be required to provide that the terms of the lease shall be subject in all respects to the provisions of the Declaration and the Bylaws and that any failure by the lessee to comply with the terms of such documents shall be a default under the lease. All leases shall be required to be in writing. Other than the foregoing, there is no restriction on the right of any Unit Owner to lease his Unit.

(e) Ownership of Common Areas and Facilities. The Common Areas and Facilities contained in the Project are described and identified in Article V(d) of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants in common. The percentage interest in Common Areas appurtenant to each Unit and set forth on Exhibit "C" has been determined on the basis of the square footage of the Unit as set forth on the Map and in Exhibit "C" divided by the total square footage of all Units in the Project. No percentage ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, such a percentage of undivided ownership interest shall automatically accompany the transfer of

BOOK 4860 PAGE 984

the Unit to which it relates. A Unit Owner's percentage ownership interest in the Common Areas and Facilities shall be the same for all purposes, including voting and assessment of Common Expenses.

(f) Use of Common Areas and Facilities. The Common Areas and Facilities shall be used only in a manner which is consistent with their community nature and with the use restrictions applicable to the Units contained in the Project, subject to the Declaration, Bylaws, and Rules and Regulations lawfully promulgated by the Management Committee. This right of use shall be appurtenant to and run with each Unit.

ARTICLE X

LIMITED COMMON AREAS

Each Unit Owner shall be entitled to the exclusive use and occupancy of the Limited Common Areas assigned to his Unit as set forth on the Map or in Exhibit "C", subject, however, to the same restrictions on use which apply generally to the Common Areas and Facilities and to Rules and Regulations to be promulgated by the Management Committee as authorized in the Bylaws. Such right to use the Limited Common Areas shall be appurtenant to and contingent upon ownership of the Unit associated therewith, and even though not specifically mentioned in the instrument of transfer, shall automatically pass to the grantee or transferee of such Unit. Such right of use shall not be revocable, nor may it be voluntarily or involuntarily relinquished, waived, or abandoned.

ARTICLE XI

VOTING - MULTIPLE OWNERSHIP

The vote attributable to and exercisable in connection with a Unit shall be the percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to such Unit. In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such Owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

BOOK 1850 PAGE 982

ARTICLE XII

MANAGEMENT

(a) Management Committee. The business, property and affairs of the Project shall be managed, operated and maintained by the Management Committee as agent for the Unit Owners. The Management Committee shall, in connection with its exercise of any of the powers delineated in paragraphs (1) through (9) below, constitute a legal entity capable of dealing in its own name. The Management Committee shall have, and is hereby granted, the following authority and powers:

(1) the authority, without the vote or consent of the Unit Owners or of any other person(s), to grant or create, on such terms as it deems advisable, utility and similar easements, over, under, across and/or through the Common Areas and Facilities;

(2) the authority to execute and record, on behalf of all Unit Owners, any amendment to the Declaration or Map which has been approved by the vote or consent necessary to authorize such amendment;

(3) the power to sue and be sued;

(4) the authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(5) the power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained;

(6) the power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances;

(7) the power and authority to add any interest in real property obtained pursuant to paragraph (6) above to the Condominium Project, so long as such action has been authorized by the necessary vote or consent;

(8) the authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Unit Owners; and

BOOK 860 PAGE 983

(9) the power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions as agent for the Unit Owners.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

(b) Composition of Management Committee. The Committee shall be composed of three (3) members. At each annual Owners' meeting, Committee members shall be elected for one-year terms. Only Unit Owners and officers and agents of Owners other than individuals shall be eligible for Committee membership. At the annual meeting, the Owner(s) of each Unit shall be entitled to a vote equal to that Unit's percentage ownership in Common Areas and Facilities for each seat to be filled. Said votes may be voted in favor of as many candidates for Committee membership as the Owner(s) desire, or may be cumulated and voted for a lesser number of candidates; provided, however, that until the annual Owners' meeting held in March of 1980 or until all Units owned by Declarant have been sold, whichever occurs first, Declarant alone shall be entitled to select the three (3) Committee members. Notwithstanding the foregoing limitations, until the first meeting of the Owners, the members of the Committee shall be the following persons and each shall hold the office indicated opposite his name:

Arthur Edway Redd	President
Evans Vandergrift	Vice President
Ila K. Redd	Secretary-Treasurer

Any Committee member who fails on three successive occasions to attend Committee meetings (whether regular or special) or who has not attended at least 75% of all Committee meetings (whether regular or special) held during any twelve-month period shall automatically forfeit his seat. In the event a Committee seat becomes vacant, whether by reason of forfeiture or due to another cause, the remaining Committee members shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected. Unless he forfeits or otherwise loses his seat as herein provided, a member shall serve on the Committee until his successor is elected and qualifies. Committee members shall be reimbursed out of Common Expense assessments for all expenses reasonably incurred in connection with Committee business, but shall receive no additional compensation for their services as Committee members.

(c) Responsibility. The Management Committee shall be responsible for the control, operation and management of the Project

in accordance with the provisions of the Act, this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by said Committee.

(d) Approval Required. The Management Committee shall not, without the prior favorable vote or the written consent of the Owners of a majority interest in the undivided ownership of the Common Area, have the authority to purchase or sell any real property or add any property to the Common Area.

(e) Additional Facilities. The Management Committee shall, subject to any necessary approval, have the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the best interests of the Unit Owners and to effect the necessary amendment of documents and maps in connection therewith.

(f) Name. The Management Committee shall be known as the Sierra Dawn Condominiums Management Committee.

(g) Manager. The Committee may carry out through a Project Manager any of its functions which are properly the subject of delegation. Any Manager so engaged shall be an independent contractor and not an agent or employee of the Committee, shall be responsible for managing the Project for the benefit of the Committee and the Unit Owners, and shall, to the extent permitted by law and the terms of the agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any agreement for professional management of the Project or any other contract providing for services of the Declarant which may be entered into by the Management Committee or the Association shall call for a term not exceeding one (1) year and shall provide that such management agreement may be terminated by the Management Committee or by the Association without cause and without payment of a termination fee upon not in excess of thirty (30) days written notice.

ARTICLE XIII

EASEMENTS

(a) Each Unit shall be subject to such easements as may be necessary for the installation, maintenance, repair or replacement of any Common Areas and Facilities located within the boundaries of such Unit or reasonably accessible only through such Unit.

BOOK 4860 PAGE 985

(b) In the event that, by reason of the construction, repair, reconstruction, settlement, movement or shifting of any part of the Project, any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon any part of any Unit or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Areas and Facilities or any other Unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Areas and Facilities, as the case may be, so long as all or any part of the building containing any such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any Unit Owner or in favor of the Unit Owners as owners of the Common Areas and Facilities if such encroachment occurred due to the willful conduct of such Unit owner or Owners occurring after the date on which this Declaration is recorded.

ARTICLE XIV

CHANGE IN OWNERSHIP

The Management Committee shall maintain up-to-date records showing the name of each Owner, the address of such Owner, and the Unit which is owned by him. In the event of any transfer of a fee or undivided fee interest in a Unit either the transferor or transferee shall furnish the Management Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Management Committee may for all purposes act and rely on the information concerning Owners and Unit Ownership which is thus acquired by it or, at its option, the Management Committee may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Salt Lake County, Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such Owner unless the Management Committee is otherwise advised. An Owner (other than a mortgagee in possession pursuant to foreclosure or deed in lieu of foreclosure) who fails to so furnish the above information shall continue to be liable for monthly assessments of Common Expenses even after transferring ownership of the Unit.

ARTICLE XV

ASSESSMENTS

Every Unit Owner shall pay his proportionate share of the Common Expenses. Payment thereof shall be in such amounts and at such times as the Management Committee determines in

accordance with the Act, the Declaration or the Bylaws. There shall be a lien for nonpayment of Common Expenses as provided in the Act.

In assessing Unit Owners for capital improvements, no assessment for a single improvement in the nature of a capital expenditure exceeding the sum of \$10,000.00 shall be made without the same having been first voted on and approved by at least a majority of the Project's undivided ownership interest.

ARTICLE XVI

DESTRUCTION OR DAMAGE

In the event of destruction or damage to part or all of the improvements in the Condominium Project, the procedures of this section shall apply.

(a) If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

(b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Unit Owners shall be assessed for any deficiency on the basis of their respective appurtenant percentages of undivided ownership interest in the Common Areas, said assessment becoming a lien on the Units as provided in the Act.

(c) If 75% or more of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least 75% of the entire undivided ownership interest in the Common Areas of the Project elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection (b) above.

(d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least 75% of the entire undivided ownership interest in the Common Areas of the Project, elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the Salt Lake

County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of subsections (1) through (4) of §57-8-31, Utah Code Annotated (Repl. Vol. 1974) (Supp. 1977), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

(e) Any reconstruction or repair which is required to be carried out by this section shall be accomplished at the instance and direction of the Management Committee. Any determination which is required to be made by this section regarding the extent of damage to or destruction of Project improvements shall be made as follows:

The Management Committee shall select three appraisers; each appraiser shall independently estimate the percentage of Project improvements which have been destroyed or substantially damaged; the percentage which governs the application of the provisions of this section shall be the median of the three estimates.

ARTICLE XVII

TAXES

It is understood that under the Act each Unit, together with its percentage of undivided interest in the Common Areas and Facilities in the Project, is deemed a parcel and subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law. Each Unit Owner will, accordingly, pay and discharge any and all taxes which may be assessed against his Condominium. All taxes, assessments and charges which may become liens prior to any First Mortgage shall relate only to the individual Unit against which they are assessed and not to the Project as a whole.

ARTICLE XVIII

INSURANCE

(a) Hazard Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force hazard insurance meeting the following requirements:

(1) A multi-peril type policy covering the entire Condominium Project (both Units and Common Areas and Facilities) shall be maintained. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and by debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage,

BOOK 4860 PAGE 988

and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location and use. As a minimum, such policy shall provide coverage on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage specified in the policy, but not less than one hundred percent (100%) of the full insurable value of the Project (based upon replacement cost). Such policy shall include an "Agreed Amount Endorsement" or its equivalent, a "Demolition Endorsement" or its equivalent, and, if necessary or appropriate, an "Increased Cost of Construction Endorsement" or its equivalent, and a "Contingent Liability from Operation of Building Laws Endorsement" or its equivalent.

(2) If a steam boiler is or comes to be contained in the Project, there shall be maintained boiler explosion insurance and a broad form policy of repair and replacement boiler and machinery insurance, evidenced by the standard form of boiler and machinery insurance policy. Said insurance shall, as a minimum, provide coverage in the amount of Fifty Thousand Dollars (\$50,000.00) per accident per location.

(3) If the Project is or comes to be situated in a locale identified by the Secretary of Housing and Urban Development as an area having special flood hazards and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on the Condominium Project shall be obtained and maintained. The minimum amount of coverage afforded by such policy shall be the lesser of the maximum amount of insurance available under said Act or the aggregate of the unpaid principal balances of the Mortgages affecting the individual Units. Such policy shall be in the form of the standard policy issued by members of the National Flood Insurers Association or in the form of a policy which meets the criteria established by the Flood Insurance Administration.

(4) The named insured under each policy required to be maintained by the foregoing items (1), (2) and (3) shall be in form and substance essentially as follows: "The Management Committee and the Association of Unit Owners of Sierra Dawn Condominiums, a Utah condominium, or their authorized representative, for the use and benefit of the individual Owners".

(5) Each such policy shall include the standard mortgagee clause (without contribution) which either shall be endorsed to provide that any proceeds shall be paid to the Management Committee or the Association of Unit Owners for the use and benefit of Mortgagees as their interests may appear or shall be otherwise endorsed to fully protect the interests of Mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each Mortgagee at least thirty (30) days in advance of the effective date of any reduction in or cancellation of the policy.

(6) Each such policy shall provide that notwithstanding any provision thereof which gives the carrier the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable if it is in conflict with any requirement of law or without the prior written approval of the Association.

(b) Fidelity Insurance. The Management Committee or Association shall be authorized to maintain in force fidelity coverage against dishonest acts on the part of managers (and employees of managers), trustees, employees, officers, Committee members, or volunteers responsible for handling funds belonging to or administered by the Management Committee or Association of Unit Owners. The fidelity bond or insurance shall name the Association as the obligee or insured and shall be written in an amount sufficient to afford the protection reasonably necessary, but in no event less than one-and-one-half times (150%) the Project's estimated annual operating expenses and reserves. An appropriate endorsement to the policy shall be secured to cover persons who serve without compensation if the policy would not otherwise cover volunteers.

(c) Liability Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force a comprehensive policy of public liability insurance covering all of the Common Areas and Facilities. Such insurance shall include a "Severability of Interest Endorsement" or its equivalent which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of other Owners, the Management Committee, or the Association of Unit Owners. The coverage afforded by such public liability insurance shall include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, garage-keeper's liability (if applicable), and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. The limits of liability under such insurance shall not be less than \$1,000,000.00 for all claims for personal injury, death and/or property damage arising out of a single occurrence.

(d) General Requirements Concerning Insurance. Each insurance policy maintained pursuant to the foregoing Article XVIII Section (a) through (c) shall be written by an insurance carrier which has a financial rating by Best's Insurance Reports of Class VI or better. No such policy shall be maintained where: (1) under the terms of the carrier's charter, bylaws or policy, contributions may be required from, or assessments may be made against, a Unit Owner, a Mortgagee, the Management Committee, the Association of Unit Owners, a Unit, the Common Areas, or the Project; (2) by the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors,

policyholders, or members; (3) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled from collecting insurance proceeds; or (4) the policy provides that the insurance thereunder shall be brought into contribution with insurance purchased by the individual Unit Owners or their Mortgagees. Each such policy shall provide that: (a) coverage shall not be prejudiced by any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association of Unit Owners or the Management Committee; (b) coverage shall not be prejudiced by any failure by the Association or Committee to comply with any warranty or condition with regard to any portion of the Project over which the Association and Committee have no control; (c) coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty (30) days prior written notice to any and all insureds named therein, including any Mortgagee named as an insured; and (d) the insurer waives any right of subrogation it might have to any and all claims against the Association, the Management Committee, any Unit Owner, and/or their respective agents, employees or tenants, and any defense it might have based upon co-insurance or upon invalidity arising from acts of the insured. If, due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under Sections (a) through (c) of this Article XVIII cannot reasonably be secured, with respect to such coverage, the Association or the Committee shall obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist.

ARTICLE XIX

PAYMENT OF EXPENSES

(a) Each Unit Owner shall pay the Management Committee his allocated portion of the cash requirement required to manage and operate the Condominium Project, upon the terms, at the time, and in the manner herein provided without any deduction on account of any set-off or claim which the Owner may have against the Management Committee or Association. If the Unit Owner shall fail to pay any installment within one (1) month of the time when the same becomes due, the Owner shall pay interest thereon at the rate of eighteen percent (18%) per annum from the date when such installment shall become due to the date of the payment thereof.

(b) The cash requirements above referred to for each year, or portion of the year, are hereby defined and shall be deemed to include an adequate reserve fund for maintenance, repairs and replacement of those Common Areas and Facilities that must be replaced on a periodic basis, plus such aggregate sum as the Management Committee from time to time shall determine, in its judgment, is to be paid by all the Owners of the Condominium Project

then in existence to enable the Management Committee to pay all estimated expenses and outlays of the Management Committee to the close of such year, growing out of or in connection with the maintenance and operation of such land, building, and improvements; which sum may include, among other things, the cost of management, special assessments, fire, casualty, flood, fidelity, public liability and other insurance premiums, common lighting, landscaping and the care of the grounds, repairs, replacements and renovations of Common Areas and Facilities, snow removal, wages, water charges, natural gas charges, charges for electricity furnished to the Common Areas and Facilities, and all other utility services (except telephone, electricity and other services which are separately billed or metered to the individual Units by the utility or party furnishing such service), legal and accounting fees, management fees, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the payment of any deficit remaining from the previous period, the creation of a reasonable contingency or other necessary reserve or surplus fund, as well as all other costs and expenses relating to the Condominium Project. The Management Committee may, from time to time, up to the close of the year for which such cash requirements have been so fixed or determined, increase or diminish the amount previously fixed or determined for such year. It may include in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in the previous year, or which might have been included in the cash requirements for a previous year, but were not included therein; and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

(c) The portion payable with respect to each Unit in and for each year or for a portion of a year shall be a sum equal to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, multiplied by the fraction of undivided interest in the Common Areas and Facilities appurtenant to such Unit, as shown in Exhibit "C". Such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be provided by the Management Committee. The Management Committee has estimated that the Common Area expenses for the first year will be \$15,000.00. The monthly share initially attributable to each Unit is set forth on Exhibit "C" and constitutes the initial assessment. A sum equal to two times the initial monthly assessment is to be paid by the initial purchaser at the time of purchase. Thereafter monthly payments shall be made on the first day of each month. The foregoing initial annual assessment is only an estimate, however, and may be revised by the Management Committee as experience is accumulated.

(d) The Management Committee shall have discretionary powers to prescribe the manner of maintaining and operating the Condominium Project and to determine the cash requirements of the Project to be paid as aforesaid by the Owners under this Declaration. Every such reasonable determination by the Management Committee within the bounds of the Act and this Declaration shall be final and conclusive as to the Owners, and any expenditures made by the Management Committee within the bounds of the Act and this Declaration shall as against the Owners be deemed necessary and properly made for such purpose.

(e) If an Owner shall at any time let or sublet his Unit and shall default for a period of one (1) month in the payment of any assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner occupying the Unit so much of the rent due or becoming due and payable as is necessary to cure said default and the payment of such rent to the Management Committee shall be sufficient payment and discharge of such tenant or subtenant and the Owner to the extent of the amount so paid.

(f) Each monthly assessment and each special assessment shall be separate, distinct and personal obligations of the Owner(s) of the Unit against which the same is assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosure or waiving the lien (described hereafter) securing the same. If not paid when due, the amount of any assessment, whether regular or special, assessed to a Unit plus interest at eighteen percent (18%) per annum, costs of action and reasonable attorney's fees, shall become a lien upon such Unit upon recordation of a notice thereof as provided by the Act. The said lien for non-payment of Common Expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(1) tax and special assessment liens on the Unit in favor of any assessing unit, or special district; and

(2) encumbrances on the interest of the Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

(g) In any conveyance, except to a mortgagee as herein-after set forth, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Manager or Management Committee setting forth the amounts of the unpaid assessments against the grantor, and such grantee shall

not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth.

(h) A certificate executed and acknowledged by the Manager or Management Committee stating the unpaid Common Expenses then outstanding with respect to a Unit shall be conclusive upon the Management Committee and the Owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner or encumbrancee or prospective Owner or encumbrancees of a Unit upon request at a reasonable fee initially not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid Common Expenses which become due prior to the date of the making of such request shall be subordinate to the lien or interest held by or obtained by the person making the request. Any encumbrancee holding a lien on a Unit may pay any unpaid Common Expenses payable with respect to such Unit and upon such payment that encumbrancee shall have a lien on the Unit of the same rank as the lien of his encumbrance for the amounts paid.

(i) Upon payment or other satisfaction of delinquent assessments concerning which a notice of assessment has been recorded, the Management Committee shall cause to be recorded in the same manner as the notice of assessment a further notice stating the satisfaction and release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Management Committee or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

(j) In the event of foreclosure of the lien provided above, the Unit Owner shall be required to pay a reasonable rental for the Unit and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the security. The Management Committee or Manager shall have the power to bid on the Unit at foreclosure or other sale and to hold, lease, mortgage and convey the Unit.

ARTICLE XX

MORTGAGEE PROTECTION

(a) From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall notify such Mortgagee in writing in the event that the Owner of the Unit encumbered by the Mortgage held by such Mortgagee neglects for a period of sixty (60) or more days to cure any failure on his part to perform any of his obligations under this Declaration.

(b) The lien or claim against a Unit for unpaid assessments or charges levied by the Management Committee or by the Association of Unit Owners pursuant to this Declaration or the Act shall be subordinate to a First Mortgage affecting such Unit. A Mortgagee who comes into possession of a Unit pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall not be liable for such Unit's unpaid assessments which accrue prior to the acquisition of title to such Unit by the Mortgagee and shall take the same free of such lien or claim for unpaid assessments or charges, but only to the extent of assessments or charges which accrue prior to the acquisition of title to such Unit by the Mortgagee (except for claims for a pro rata share of such prior assessments or charges resulting from a pro rata reallocation thereof to all Units including the Unit in which the Mortgagee is interested). No assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not a burden to a Mortgagee coming into possession pursuant to his Mortgage or a deed or assignment in lieu of foreclosure shall be collected or enforced by either the Management Committee or the Association from or against a Mortgagee, a successor in title to a Mortgagee, or the Unit affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the Mortgagee or successor in title to the Mortgagee interested in such Unit).

(c) Without the prior written approval of each institutional First Mortgagee, neither Declarant, the Management Committee nor the Association of Unit Owners shall be entitled, by act, omission, or otherwise:

(1) to abandon or terminate the Condominium Project or to abandon or terminate the arrangement which is established by this Declaration and the Record of Survey Map (except as provided in Article XVI hereof in the event of certain destruction or damage and as provided in Article XXI in the event of a taking by condemnation or eminent domain);

(2) To partition or subdivide any Unit;

BOOK 4860
PAGE 995

(3) To seek to abandon, partition, subdivide, encumber, sell or transfer all or any of the Common Areas and Facilities (except for the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas and Facilities except as provided in Article XVI hereof in the event of certain destruction or damage);

(4) To use hazard insurance proceeds resulting from damage to any part of the Condominium Project (whether to Units or to the Common Areas) for purposes other than the repair, replacement, or reconstruction of such improvements, except as provided by statute in the event of substantial loss to the Units and/or Common Areas and Facilities.

(5) To change the pro rata interests or obligations of any Unit which apply for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for (b) determining the pro rata share of ownership of each Unit in the Common Areas and Facilities;

(6) To alter the provisions of Article XVIII hereof in such a way as to diminish the insurance protection required to be afforded to the parties designed to be protected thereby, or to fail to maintain the insurance coverage described therein.

(7) To effectuate any decision by the Association to terminate professional management and assume self-management of the Project.

(d) Any Mortgagee shall have the right, at its request and expense and upon reasonable notice, to (a) examine the books and records of the Management Committee, or the Association of Unit Owners, or of the Condominium Project during normal business hours and (b) receive an annual audited financial statement of the Project within ninety (90) days following the end of any fiscal year of the Project, and (c) written notice of all meetings of the Association and be permitted to designate a representative to attend all such meetings. From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall furnish to such Mortgagee copies of such annual operating reports and other reports or writings summarizing or reflecting the financial position or history of the Condominium Project as may be prepared for distribution to or use by the Committee, the Association, or the Unit Owners.

(e) The Management Committee and the Association shall establish an adequate reserve fund to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and Facilities and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Units rather than by special assessments.

(f) The Committee or the Association shall notify each First Mortgagee in writing in the event that there occurs any substantial damage or loss to, or any taking or anticipated condemnation of: (a) the Common Areas and Facilities or any part thereof; or (b) the Unit covered by the Mortgage of such First Mortgagee. Said notice shall be given within ten (10) days after the Management Committee or the Association learns of such damage, loss, taking or anticipated condemnation.

(g) Nothing contained in this Declaration shall give a Unit Owner, or any other party, priority over any rights of a First Mortgagee pursuant to its Mortgage in the case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of Condominium Units and/or Common Areas and Facilities.

(h) In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article XX, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations, or limits of authority as the case may be, applicable to the Management Committee and Association of Unit Owners with respect to the subject concerned.

(i) No amendment to this Article XX which has the effect of diminishing the rights, protection or security afforded to Mortgagees including, but not limited to, any amendment which would change the percentage interests of the Unit Owners in the Project, shall be accomplished or effective unless all of the First Mortgagees of the individual Units have given their prior written approval to such amendment. Any amendment to this Article XX shall be accomplished by an instrument executed by the Management Committee and filed for record in the office of the Salt Lake County Recorder. In any such instrument an officer of the Management Committee shall certify that any prior written approval of Mortgagees required by this Article XX as a condition to amendment has been obtained.

ARTICLE XXI

EMINENT DOMAIN

In the event that eminent domain proceedings are commenced against the Project or any portion thereof, the provisions of §57-8-32.5, Utah Code Annotated (Repl. Vol. 1974, Supp. 1977) shall apply. The Management Committee shall give written notice of such proceedings to all Mortgagees of record. No first lien priority of any Mortgagee shall be diminished or otherwise disturbed by virtue of such proceedings.

ARTICLE XXII

MAINTENANCE

(a) Each Owner of a Unit at his own expense shall keep the interior of such Unit and its equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of such Unit. Except to the extent that the Management Committee on behalf of all Unit Owners is protected by insurance against such injury, the Unit Owner shall repair all injury or damages to the Unit, building or buildings caused by the act, negligence or carelessness of the Unit Owner or that of any tenant or subtenant or any member of the Unit Owner's family or of the family of any tenant or subtenant or any agent, employee or guest of the Owner or his tenant or subtenant and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the Unit in good repair, the Unit Owner shall be responsible for the maintenance or replacement of any plumbing fixtures that may be used exclusively by the Unit. Each Unit Owner shall be entitled to the exclusive use and possession of the Limited Common Areas appurtenant to his Unit and shall be responsible for the maintenance and upkeep of same (except for parking areas, which will be maintained by the Management Committee); provided, however, that without the written permission of the Management Committee first had and obtained, a Unit Owner shall not make or permit to be made any structural alteration, in or to the Unit or in or to the exterior of the building, and shall not paint or decorate any portion of the exterior of the Unit or of the building in which the Unit is located.

(b) Except as hereinafter provided, the Management Committee shall provide for such maintenance and operation of the Common Areas and Facilities as may be reasonably necessary to keep them clean, functional, attractive and generally in good condition and repair. The Management Committee shall have no obligation regarding maintenance or care of Units.

ARTICLE XXIII

RIGHT OF ENTRY

The Management Committee and its duly authorized agents shall have the right to enter any and all of the Units in case of an emergency originating in or threatening such Unit or any other part of the Project, whether or not the Unit Owner or occupant thereof is present at the time. The Committee and its duly authorized agents shall also have the right to enter into any and all of said Units at all reasonable times as required for the purpose

of making necessary repairs upon the Common Areas and Facilities of the Project or for the purpose of performing emergency installations, alterations or repairs to the mechanical or electrical devices or installations located therein or thereon; provided, however, such emergency installations, alterations or repairs are necessary to prevent damage or threatened damage to other Units in the Project; and provided further, that the Unit Owner affected by such entry shall first be notified thereof if available and if time permits.

ARTICLE XXIV

ADMINISTRATIVE RULES AND REGULATIONS

The Management Committee shall have the power to adopt and establish by resolution, such Project management and operational rules as it may deem necessary for the maintenance, operation, management and control of the Project. The Committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the Unit Owners, such amendment, alteration or provision shall be taken to be a part of such rules. Unit Owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all Unit Owners, tenants, subtenants or other occupants of the Units.

ARTICLE XXV

OBLIGATION TO COMPLY HEREWITH

Each Unit Owner, tenant, subtenant or other occupant of a Unit shall comply with the provisions of the Act, this Declaration, the Bylaws, and the rules and regulations, all agreements and determinations lawfully made and/or entered into by the Management Committee or the Unit Owners, when acting in accordance with their authority, and any failure to comply with any of the provisions thereof shall be grounds for an action by the Management Committee or other aggrieved party for injunctive relief or to recover any loss or damage resulting therefrom, including costs and reasonable attorney's fees.

BOOK 2850
PAGE 999

ARTICLE XXVI

INDEMNIFICATION OF MANAGEMENT COMMITTEE

Each member of the Management Committee shall be indemnified and held harmless by the Association of Unit Owners against

all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees reasonably incurred by him in connection with any proceeding in which he may become involved by reason of his being or having been a member of said Committee; provided, however, the foregoing indemnification shall not apply if the loss, expense or liability involved resulted from the willful misconduct or gross negligence of the member.

ARTICLE XXVII

AMENDMENT

In addition to the amendment provisions contained in Article VI hereof, but subject to the terms of Article XX, this Declaration and/or the Map may be amended upon the affirmative vote or consent of Owners having ownership of not less than two-thirds (2/3rds) of the undivided interest in the Common Areas and Facilities. Any amendment so authorized shall be accomplished by recordation of an instrument executed by the Management Committee. In said instrument the Committee shall certify that the vote or consent required by this Article XXVII has occurred. Notwithstanding any other provision contained herein, until occurrence of either of the events referred to in Article XXIX hereof, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control given to Declarant (in its capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

ARTICLE XXVIII

CONSENT IN LIEU OF VOTE

In any case in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the stated percentage of undivided ownership interest. The following additional provisions shall govern any application of this section:

(a) all necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Owner;

(b) any change in ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

(c) unless the consents of all Owners having an interest in the same Unit are secured, the consent of none of such Owners shall be effective.

ARTICLE XXIX

DECLARANT'S SALES PROGRAM

Notwithstanding any other provision of this Declaration to the contrary until Declarant ceases to be a Unit Owner, or until the expiration of three (3) years after the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, whichever first occurs (hereinafter referred to as the "Occurrence"), Declarant shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant.

(a) Declarant shall have the right to maintain a sales office and/or model Unit(s). Such office and/or model Unit(s) may be Unit(s) (at any location) owned by Declarant.

(b) Declarant shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Property, but any such device shall be of a size and in a location as is reasonable and customary.

(c) Declarant shall have the right to use the Common Areas and Facilities of the Project to entertain prospective purchasers or to otherwise facilitate Unit sales, provided said use is reasonable as to both time and manner.

Declarant shall have the right from time to time to locate or relocate its sales office, model unit(s), and/or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Article. Within a reasonable period of time after the happening of the Occurrence, Declarant shall have the right to remove from the Project, any signs, banners or similar devices.

ARTICLE XXX

LIMITATION ON IMPROVEMENTS BY ASSOCIATION

Until the Occurrence described in Article XXIX, neither the Association nor the Management Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as they existed at the time the Declaration was recorded.

ARTICLE XXXI

SEVERABILITY

The invalidity of any one or more phrases, sentences, subparagraphs, paragraphs, sections or articles hereto shall not affect the remaining portions of this instrument nor any part thereof, and in the event that any portion or portions of this instrument should be invalid or should operate to render this instrument invalid, this instrument shall be construed as if such invalid phrase or phrases, sentence or sentences, subparagraph or subparagraphs, paragraph or paragraphs, section or sections, or article or articles had not been inserted.

ARTICLE XXXII

DECLARANT'S RIGHTS ASSIGNABLE

All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Condominium Units in the Project, title to which is vested in the Declarant, shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then-unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant herein).

ARTICLE XXXIII

GENDER

The singular, wherever used herein, shall be construed to mean the plural when applicable, and the necessary grammatical changes required to make the provisions hereof apply either to corporations or individuals, male or female, shall in all cases be assumed as though in each case fully expressed.

ARTICLE XXXIV

WAIVERS

No provision contained in this Declaration shall be deemed to have been waived by reason of any failure to enforce it, irrespective of the number of violations which may occur.

BYLAWS OF SIERRA DAWN CONDOMINIUMS

A CONDOMINIUM PROJECT

I

IDENTITY

These are the Bylaws of Sierra Dawn Condominiums, a Utah Condominium Project, duly made and provided for in accordance with the Act. Any term used herein which is defined in the Declaration to which these Bylaws are appended shall have the meaning ascribed therein.

II

APPLICATION

All present or future owners, tenants or any other persons who might use the facilities of Sierra Dawn Condominiums in any manner are subject to the regulations set forth in these Bylaws. The mere acquisition or rental of any of the Units or parts thereof, or the mere act of occupancy or use of any of said Units or part thereof or the Common Areas and Facilities will signify that these Bylaws are accepted, ratified, and will be complied with by said persons.

III

ADMINISTRATION OF CONDOMINIUM PROJECT

1. Place of Meetings. Meetings of the Unit Owners shall be held at such place within the State of Utah as the Management Committee may specify in the notice, except as herein otherwise specified.

2. Annual Meetings. The first annual meeting of the Unit Owners shall be held at the Project on the first Wednesday in March 1980. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the Management Committee may by resolution fix the date of the annual meeting on such date or at such other place as the Management Committee may deem appropriate.

BOOK 1860
PAGE 1005

3. Special Meetings. Special meetings of the Association of Unit Owners may be called at any time by the Management Committee or by Unit Owners who collectively hold at least thirty percent (30%) of the total vote. Notice of said meetings shall be delivered not less than ten (10) days prior to the date fixed for said meeting. Such meeting shall be held on the Project or such other place as the Management Committee may specify and the notice thereof shall state the date, time and matters to be considered.

4. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by registered mail. If delivery is by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States Mail, postage prepaid, addressed to the Unit Owner concerned.

5. Quorum. At the meeting of the Unit Owners, the Owners of more than fifty percent (50%) in the aggregate of interest in the undivided ownership of the Common Areas and Facilities shall constitute a quorum for any and all purposes, except in situations in which express provisions require a greater vote in which event a quorum shall be the percentage of interest required for such vote. In the absence of a quorum in person or by proxy, the meeting shall be adjourned for twenty-four (24) hours, at which time it shall reconvene and any number of Unit Owners present at such subsequent meeting, in person or by proxy, shall constitute a quorum. At any such adjourned meeting held as set forth above, any business may be transacted which might have been transacted at the meeting as originally noticed.

6. Voting.
