Grantee: Utah Department of Transportation (UDOT)/The Department

Acquiring Entity: Utah Department of Transportation (UDOT)

For the subject property described in the attached deed (Exhibit A).

This Right of Entry and Occupancy Agreement ("Agreement") is entered between Mark Delmon Housley and Angelina Housley, as joint tenants ("Property Owners") and Utah Department of Transportation (UDOT).

Property Owners hereby grant to UDOT, its contractors, permittees, and assigns, including but not limited to, utilities and their contractors, the right to occupy and commence construction or other necessary activity on the property sought to be acquired/occupied with this Agreement, and to do whatever construction, relocation of utilities, and other work as may be required in furtherance of the state transportation project, located on the property described in attached Exhibit A. This Agreement is made in anticipation of a possible condemnation action by UDOT and is intended to provide for the entry and occupancy of the property pending further negotiations or the filing and pursuit of condemnation proceedings and possible alternative informal proceedings as provided for in this Agreement. Property Owners understand that, by executing this Agreement, Property Owners have waived and abandoned all defenses to the acquisition of the property.

The sum of \$127,900.00 (the "Deposit") will be paid into escrow, a non-interest bearing account, at a title company for the benefit of Property Owners as consideration for entering into this Agreement. UDOT will be responsible for the expenses of the escrow account. This amount paid into escrow shall be deducted from a final settlement, award of arbitration, or other determination of just compensation in an eminent domain action should one be pursued to acquire the property that is determined to be necessary for the project. The amount paid will be for the purposes of this Agreement only, and will not be admissible as evidence in any subsequent process used to establish the value of the property or the amount of compensation that may be due to the Property Owners. Property taxes will be the responsibility of the Property Owners until transfer of the deed(s) to UDOT.

The parties to this Agreement understand that a title report may indicate that other third parties may have a claim to part of the proceeds being paid by UDOT to the Property Owners under this Agreement. UDOT will have the right to approve the release of the Deposit from Escrow to Property Owners and to require a conveyance of the subject property from the Property Owners to UDOT prior to the release. It is not the intent of the Agreement to properly assess potential third-party claims. In the event it is later determined that part of the Deposit should properly be paid to other third parties, then UDOT will have the right to require that the third parties participate in the release of the Deposit or the Deposit will be applied to any remaining liens. In the event that UDOT desires to obtain title insurance in connection with the release of the deposit, UDOT will pay the premiums for the title coverage.

This Agreement is granted without prejudice to the rights of the Property Owners, pending any settlement, to contest the amount of compensation to be paid the Property Owners for the property described in Exhibit A. If

a satisfactory settlement can not be agreed upon, UDOT will, upon notice from the Property Owners that the amount of compensation offered and/or other proposed settlement terms are not acceptable, or at its own election, proceed to commence and diligently prosecute a condemnation proceeding in the appropriate court for a judicial determination of such compensation. If requested to do so by the Property Owners, UDOT will, prior to commencing a condemnation proceeding, enter into a mediation or arbitration procedure provided for in the Utah Code Annotated 78B-6-522 and 13-43-204 through the Office of the Property Rights Ombudsman.

If the Property Owner uses the property for a residence, business, or farming operation and is required to move as a result of UDOT's acquisition of the property, the Property Owners may be entitled to relocation assistance and/or payments as a displaced person. The relocation assistance and payment are available as a matter of right and subject to federal and state law if the Property Owners are displaced by the acquisition of this property and are not conditional upon the Property Owners signing this Right of Entry and Occupancy Agreement.

The effective date of the Right Of Entry and Occupancy Agreement shall be the date this Agreement is executed by the Property Owners, as shown below, and that date shall be the date of value for fair market valuation purposes in the context of settlement negotiations, arbitration, or an eminent domain proceeding, should one be necessary, unless the Property Owners have been previously served with a summons in regard to this property acquisition or the parties have otherwise agreed in writing to a different date for purposes of valuation. It is understood that, according to state law, any additional compensation that is ordered to be paid to the Property Owners for the acquisition of the property will include interest at an annual rate of 8 % on any additional compensation that is determined to be payable to the Property Owners over and above that paid with this Agreement, calculated from the date of entry upon the property.
