5.12.4 The execution and filing of any estoppel certificate, whether or not the facts therein are correct; provided, however, that with respect to the liability of a member, such member has acted in good faith on the basis of such information as may be possessed by him.

Without any way of limiting the generality of any of the foregoing provisions of this section, the Architectural Committee, or any member thereof, may, but is not required to, consult with, or hear the views of any Owner with respect to any plans, drawings, specifications, or any other proposal submitted to the Architectural Committee for review.

ARTICLE 6

USE RESTRICTIONS

6.1 Commercial Activities. No hotel, store, multi-family dwelling, boarding house, guest ranch, or any other type of business of any kind, no care treatment of the physically or mentally sick or disabled, nor any commercial facility for the care or treatment of disabled animals shall be erected or permitted on the premises of any Lot, or any part thereof. The foregoing notwithstanding, an Owner or resident on a Lot may use a portion of a single-family house located on a Lot for home office use to conduct a trade or business if the house is primarily used for residential purposes and the trade or business activity: (a) is merely incidental to the residential use of the Lot; (b) consists of typical office uses only and is used only by residents of the house; (c) does not include any other commercial uses, including, without limitation, manufacturing, production, repairs, warehousing or boarding; (d) is not apparent or detectable by sight, sound or smell from the exterior of the house; (e) conforms to all zoning requirements for the Project and all other applicable laws, ordinances, rules, and regulations; (f) does not increase the liability of casualty insurance obligation or premium of the Association; and (g) is consistent with the residential character of the Project and does not constitute a nuisance or a hazardous or offensive use, including, without limitation, excessive or unusual traffic or parking of vehicles in the vicinity of any Lot as may be determined by the Board of the Association, in its sole and absolute judgment and discretion. The Park/Boat Launch may have storage units for rent.

6.2 Signs. No advertising signs, billboards, unsightly objects, or nuisances shall be erected, placed, or permitted to remain on any of said Lots, nor shall the premises be used in any way for any purposes which may endanger the health or unreasonably disturb the holder of any other Lot in the subdivision, except that a single "For Sale" or "For Rent" sign, not larger than twenty-four inches (24") by twenty-four inches (24") may be placed on any Lot; provided however, the Declarant, its successors, or its agent may erect or place signs within Lake Mountain Estates as it deems appropriate or necessary to reasonably permit the promotion and sale of Lots within the subdivision.

6.3 Utility Service. No lines, wires, or other devices for the communication or transmission of electric current or power, including telephone and radio signals, shall be erected, placed, or maintained anywhere in or upon any Lot or other property unless the same shall be contained in conduits or cables installed and maintained underground or concealed in, under, or on buildings or other structures approved by the Architectural Committee. No provision of this Declaration shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures approved by the Architectural Committee.

6.4 Trash Containers and Collections. No garbage or trash shall be placed or kept on any Property within Lake Mountain Estates, except in covered containers. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and then, only for the shortest time reasonably necessary to effect such collection.

6.5 Utility Easements. There is hereby created a blanket easement upon, across, over and under each Lot for ingress to, egress from, and the installation, replacing, repairing and maintaining of all utility and service lines and systems, including, but not limited to water, sewer, irrigation water, gas, telephones, electricity, television, cable, or communication lines and systems, etc. as such utilities are installed in connection with the initial development of the Lot and the construction of the first "Dwelling Unit" or other building thereon. Pursuant to this easement, a providing utility or service company may install and maintain facilities and equipment on the Lots and affix and maintain wires, circuits, and conduits on, in and under the roofs and exterior walls of buildings on the Lots. Notwithstanding anything to the contrary contained in this Section, no sewers, electrical lines, water lines, irrigation water lines, or other utilities or service lines may be installed or relocated on any Lot except as initially planned and approved by the Declarant or the Architectural Committee, unless approved by the Architectural Committee.

6.6 Burning and Incinerators. No open fires or burning shall be permitted on any Lot at any time without a burn permit from the Utah County Fire Marshall, and no incinerators or like equipment shall be placed, allowed, or maintained upon any Lot. The foregoing shall not be deemed to preclude the use, in customary fashion, of outdoor residential barbecues or grills.

6.7 Antennas. No antenna or broadcasting tower shall be erected on any of the said Lots in Lake Mountain Estates, except that a television antenna may be maintained so long as said antenna is attached to the roof of a residential dwelling and does not rise more than eight (8) feet above the roof of said dwelling. No antenna or other device for the transmission or reception of radio signals or any other form of electromagnetic radiation including, without limitation, satellite or microwave dishes, shall be erected, used or maintained on any Lot without the prior written approval of the Architectural Committee.

6.8 Variances. The Architectural Committee may, at its option and in extenuating circumstances, grant variances from the restrictions set forth in this Article 6 if the Architectural Committee determines in its discretion that (I) a restriction would create an

unreasonable hardship or burden on an Owner, Lessee, or Resident or a change of circumstances since the Recording of this Declaration has rendered such restrictions obsolete and (ii) that the activity permitted under the variance will not have any substantial adverse effect on the Owners, Lessees, and Residents of the Project and is consistent with the high quality of life intended for the Residents of the Project.

6.9 Garages and Driveways. Garages shall be used only for the parking of vehicles and shall not be used or converted for living or recreational activities without the prior written approval of the Architectural Committee.

6.10 Rights of the Developer. Notwithstanding any other provisions in this Declaration to the contrary, a Developer shall have the right to maintain model homes on Lots owned by the Developer and to construct and maintain parking areas for the purpose of accommodating persons visiting such model homes provided the construction, operation, and maintenance of such model homes otherwise complies with all provisions of this Declaration. Any homes constructed as a model home shall cease to be used as a model home at any time the Developer is not actually engaged in the construction and sale of Residential Units in the Project, and no Residential Unit shall be used as a model home for the sale of Residential Units not located in the project. Notwithstanding any other provision in this Declaration to the contrary, a Developer may store supplies of brick, block, lumber, and other building materials on the Lot owned by the Developer. In addition, normal construction activities of the Developer in connection with the construction of Improvements shall not be considered a nuisance or otherwise prohibited by this Declaration. A Developer constructing Improvements on Lots shall keep the Lots in a clean, safe and neat condition free of weeds, trash and debris.

ARTICLE 7

EASEMENTS

7.1 Utility easements. There is hereby created an easement upon, across, over and under the Lots for reasonable ingress, egress, installation, replacing, repairing, or maintaining of all utilities, including, but not limited to, gas, water, sewer, irrigation water, telephone, cable television, and electricity. By virtue of this easement, it shall be expressly permissible for the providing utility company to erect and maintain the necessary equipment on the Lots, but no sewers, electrical lines, water lines, or other utility or service lines maybe installed or located on the Lots except as initially designed, approved, and constructed by the Declarant or as approved by the Board.

7.2 Declarant's Use for Sales and Leasing Purposes. Declarant shall have the right and an easement to maintain sales or leasing offices, management offices, and models throughout the Lots owned by the Declarant and to maintain one or more advertising,

identification, or directional signs on the Lots owned by the Declarant while the Declarant is selling the Lots. Developer shall have the right to maintain one or more advertising, identification, or directional signs on the Lots owned by the Developers, provided such signs comply with all applicable municipal requirements. Declarant reserves the right to place models, management offices, and sales and leasing offices on any Lots owned by the Declarant in such number, of such size, and in such locations as Declarant deems appropriate. In the event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control.

7.3 Declarant's Easements. Declarant shall have the right and an easement on and over Areas of Association Responsibility to construct all Improvements the Declarant may deem necessary and to use the Areas of Association Responsibility and any Lots and other property owned by Declarant for construction or renovation related purposes including the storage of tools, machinery, equipment, building materials, appliances, supplies and fixtures, and the performance of the work respecting the Project. The Declarant shall have the right and easement upon, over and through the Areas of Association Responsibility as may be reasonably necessary for the purpose of discharging its obligations or exercising the rights granted to or reserved by the Declarant by this Declaration. In the Event of any conflict or inconsistency between this Section and any other provision of this Declaration, this Section shall control.

7.4 Easement in Favor of Association. The Lots are hereby made subject to the following easements in favor of the Association and its director, officers, agents, employees and independent contractors.

7.4.1 For inspection of the Lots in order to verify the performance by Owners of all items of maintenance and repair for which they are responsible.

7.4.2 For inspection, maintenance, repair and replacement of the Areas of Association Responsibility accessible only from such Lots.

7.4.3 For correction of emergency conditions in one or more Lots.

7.4.4 For the purpose of enabling the Association, the Board or any other committees appointed by the Board to exercise and discharge their respective rights, powers and duties under the Project Documents.

7.4.5 For inspection of the Lots in order to verify that the provisions of the Project Documents are being complied with by the Owners, their guests, tenants, invitees and the other occupants of the Lot.

ARTICLE 8

THE ASSOCIATION; ORGANIZATION; MEMBERSHIP
AND VOTING RIGHTS

8.1 Formation of Association. The Association shall be a nonprofit Utah corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws and this Declaration. In the event of any conflict or inconsistency between this Declaration and the Articles, Bylaws, Association rules or Architectural Rules, this Declaration shall control.

8.2 Board of Trustees and Officers. The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and Bylaws. Unless the Project Documents specifically require the vote or written consent of the Members, approval or actions to be given or taken by the Association shall be valid if given or taken by the Board.

8.3 The Association Rules. The Board may, from time to time, and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations pertaining to (I) the management, operation and use of the Areas of Association Responsibility including, but not limited to, any recreational facilities situated upon the Area of Association Responsibility; (ii) minimum standards for the maintenance of Lots; (iii) the health, safety or welfare of the Owners and Residents; or (iv) the use of the Lots. In the event of any conflict or inconsistency between the provisions of this Declaration and the Association Rules, the provisions of this Declaration shall prevail. The Association Rules shall be enforceable in the same manner and to the same extent as the covenants, conditions and restrictions set forth in this Declaration.

8.4 Personal Liability. No member of the Board or of any committee of the Association, no officer of the Association, and no manager or other employee of the Association shall be personally liable to any Member, or to any other person or entity, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error, or negligence of the Association, or any committee, committee member or officer of the Association; provided, however, the limitations set forth in this Section shall not apply to any person who has failed to act in good faith or has engaged in willful or intentional misconduct.

8.5 Implied Rights. The Association may exercise any right or privilege given to the Association expressly by the Project Documents and every other right or privilege reasonably to be implied from the existence of any right of privilege given to the Association by the Project Documents or reasonably necessary to effectuate any such right or privilege.

8.6 Identity of Members. Membership in the Association shall be limited to Owners of Lots. An Owner of a Lot shall automatically, upon becoming the Owner thereof, be a member of the Association and shall remain a member of the Association until such time as his

ownership ceases for any reason, at which time his membership in the Association shall automatically cease.

8.7 Classes of Members and Voting Rights. The Association shall have the following two classes of voting membership:

(i) Class A. Class A members are all Owners, with the exception of the Declarant until the termination of the Class B membership, of Lots. Each Class A member shall be entitled to one (1) vote for each Lot owned. Upon the termination of the Class B membership, the Declarant shall be a Class A member and shall be entitled to one (1) vote for each Lot owned.

(ii) Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the earlier of (I) the date on which the Declarant does not own any Lots; or (ii) when the Declarant notifies the Association in writing that it relinquishes its Class B membership.

8.8 Voting Procedures. No change in the ownership of a Lot shall be effective for voting purposes unless and until the Board is given actual written notice of such change and is provided satisfactory proof thereof. The vote for each Lot must be cast as a unit, and fractional votes shall not be allowed. In the event that a Lot is owned by more than one person or entity and such Owners are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any Member casts a vote representing a certain Lot, it will thereafter be conclusively presumed for all purposes that he was acting with authority and consent of all other Owners of the same Lot unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast by a Class A Member for a particular Lot, none of the votes shall be counted and all of the votes shall be deemed void.

8.9 Transfer of Membership. The rights and obligations of any Member other than the Declarant shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership of an Owner's Lot, and then only to the transferee of ownership to the Lot. A transfer of ownership to a Lot may be effected by deed, intestate succession, testamentary disposition, foreclosure of a mortgage of record, or such other legal process as now in effect or as may hereafter be established under or pursuant to the laws of the State of Utah. Any attempt to make a prohibited transfer shall be void. Any transfer of ownership to a Lot shall operate to transfer the membership appurtenant to said Lot to the new Owner thereof. Each purchaser of a Lot shall notify the Association of his purchase within ten (10) days after he becomes the Owner of a Lot.

8.10 Architectural Committee Membership Requirements. The Association shall have an Architectural Committee to perform the functions of the Architectural Committee set forth in this Declaration. The Architectural Committee shall be a committee of the Board. The Architectural Committee shall consist of such number of regular members and alternate members as may be provided for in the Bylaws or determined by the Board. So long as the Declarant owns any Lot, the Declarant shall have the sole right to appoint and remove members of the

Architectural Committee. At such time as the Declarant no longer owns any Lots, the members of the Architectural Committee shall be appointed by the Board. The Declarant may at any time voluntarily surrender its right to appoint and remove the members of the Architectural Committee, and in that event the Declarant may require, for so long as the Declarant owns any Lot, that specified actions of the Architectural Committee, as described in a Recorded instrument executed by the Declarant, be approved by the Declarant before they become effective. The Architectural Committee may promulgate architectural guidelines, standards and procedures to be used in rendering its decision. Such Architectural Committee Rules may include, without limitation, provisions regarding: (i) the size of Residential Units; (ii) architectural design, with particular regard to the harmony of the design with the surrounding structures and topography; (iii) placement of Residential Units and other buildings; (iv) landscaping designs, context, and conformance with the character of the Property and permitted and prohibited plants; (v) requirements concerning exterior color schemes; (vi) signage; (vii) perimeter and screen wall paper design and appearance. The decision of the Architectural Committee may from time to time amend or repeal the Architectural Committee Rules.

8.11 Suspension of Voting Rights. If any Owner fails to pay any Assessment or other amount due to the Association under the Project Documents within fifteen (15) days after such payment is due or if any Owner violates any other provision of the Project Documents and such violation is not cured within fifteen (15) days after the Association notifies the Owner of the violation, the Board of Directors shall have the right to suspend such Owner's right to vote until such time as all payments, including interest and attorney's fees are brought current, and until any other infractions of violations of the Project Documents are corrected.

ARTICLE 9

COVENANT FOR ASSESSMENT AND CREATION OF LIEN

9.1 Creation of Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned by it, hereby covenants and agrees, and each Owner, other than the Declarant, by becoming the Owner of a Lot, is deemed to covenant and agree, to pay Assessments to the Association in accordance with this Declaration. All Assessments, together with interest, late charges, and all costs, including, but not limited to, reasonable attorney's fees, incurred by the Association in collecting or attempting to collect delinquent Assessments, whether or not a suit is filed, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such Assessment is made. Each Assessment, whether or not a suit is filed, shall also be the personal obligation of the person who was the Owner of the Lot at the time when the Assessment became due. The personal obligation for delinquent assessments shall not pass to the successors in the title of the Owner unless expressly assumed by them.

9.2 Annual Assessments.

9.2.1 In order to provide for the operation and management of the Association and to provide funds for the Association to pay: (I) any common expenses, (i.e. riding arena upkeep, boat ramp upkeep, road shoulder upkeep, monument maintenance, street lighting, etc.); (ii) to perform its duties and obligations under the Project Documents; (iii) replacement and maintenance reserves, the Board, for each Assessment Period, shall assess against each Lot. This will be the Annual Assessment.

9.2.2 The Board shall give notice of the Annual Assessment to each Owner at least thirty (30) days prior to the beginning of each Assessment Period, but the failure to give such notice shall not affect the validity of the Annual Assessment established by the Board nor relieve any Owner from its obligation to pay the Annual Assessment. If the Board determines during any Assessment Period that the funds budgeted for that Assessment Period are, or will, become inadequate to meet all common Expenses for any reason, including, without limitation, nonpayment of Assessment by Members, it may increase the Annual Assessment for that Assessment Period and the revised Annual Assessment shall commence on the date designated by the Board.

9.2.3 The maximum Annual Assessment for each fiscal year of the Association shall be as follows:

(i) Until January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the maximum Annual for each Lot shall be \$100.00. Each Purchaser shall be responsible to pay the Annual Assessment prorated from the date of closing on their lot. The Declarant shall not be responsible to pay the Annual Assessments on unsold lots, however, in the event that costs of the Association exceed the Assessments paid by Purchasers, then the Declarant shall be responsible to pay any excess costs.

(ii) From and after January 1 of the year immediately following the conveyance of the first Lot to a Purchaser, the Board may, without a vote of the members, increase the maximum Annual Assessment during each fiscal year of the Association by the greater of (a) 5% of the maximum Annual Assessment for the immediately preceding fiscal year or (b) an amount based upon the percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) U.S. City Average (1982-84=100), issued by the United States Department of Labor Statistics (the "Consumer Price Index"), which amount shall be computed in the last month of each fiscal year in accordance with the following formula:

X= Consumer Price Index for September of the calendar year immediately preceding the year in which the Annual Assessment commences.

Y= Consumer Price Index for September of the year immediately preceding the calendar year for which the maximum Annual Assessment is determined.

Y-X

X multiplied by the maximum Annual Assessment for the then current fiscal year equals the amount by which the maximum Annual Assessment may be increased.

In the event the Consumer Price Index ceases to be published, then the index which shall be used for computing the increase in the maximum Annual Assessment permitted under this Subsection shall be the substitute recommended by the United States Government for the Consumer Price Index, or in the event no such successor index is recommended by the United States Government, the index selected by the Board.

(iii) As long as there is a Class B Membership, the maximum Annual Assessment may be increased by an amount greater than the maximum increase allowed pursuant to (ii) above with the approval of the Class B Member. When there is no longer a Class B Membership, the maximum Annual Assessment may be increased by an amount greater than the maximum increase allowed pursuant to (ii) above, only by a vote of Members entitled to cast at least two-thirds (2/3) of the votes entitled to be cast by Members who are voting in person or by proxy at a meeting duly called for such purpose.

9.3 Rate of Assessment. The amount of Annual Assessment for each Lot other than Lots owned by the Declarant shall be obtained by dividing the total budget of the Association for the Assessment period for which the Annual Assessment is being levied by the total number of Lots subject to Assessment at the time the Annual Assessment is levied by the Board. The Annual Assessment for Lots owned by the Declarant or the Developer shall be an amount equal to seventy-five percent (75%) rate of assessment during the period to which an Annual Assessment is attributable, the Annual Assessment shall be prorated between the applicable rates on the basis of the number of days in the Assessment Period that the Lot qualified for each rate.

9.4 Obligation of Declarant and Developer for Deficiencies. So long as there is a Class B membership in the Association, Declarant and Developer shall pay and contribute to the Association, within thirty (30) days after the end of each fiscal year of the Association, or at such other times as may be requested by the Board, such funds as may be necessary, when added to the Annual Assessments levied by the Association, to pay all Common Expenses of the Association as they become due. The payment for any such deficiency shall be divided between the Declarant and the Developer on a prorated basis according to the number of Lots owned by each as of the date the request for such deficiency payment is made by the Board.

9.5 Special Assessments. The Association may levy against each Lot which is then subject to assessment, in any Assessment Period, a Special Assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement

of an Improvement, including fixtures and personal property related thereto, provided that any Special Assessment shall have the assent of two-thirds (2/3) of the votes entitled to be cast by Members who are voting or by proxy at a meeting duly called for such purpose.

9.6 Assessment Period. The period for which the Annual Assessment is to be levied (the "Assessment Period") shall be the calendar year, except that the first Assessment Period, and the obligation of the Owners to pay Annual Assessments shall commence upon the conveyance of the first Lot to a Purchaser and terminate on December 31 of such year. The Board in its sole discretion from time to time may change the Assessment Period.

9.7 Commencement Date of Assessment Obligation. All Lots shall be subject to assessment upon the conveyance of the first Lot to a Purchaser.

9.8 Rules Regarding Billing and Collection Procedures. Annual Assessments shall be collected on a quarterly basis or such other basis as may be selected by the Board. Special Assessments may be collected as specified by the Board. The Board shall have the right to adopt rules and regulations setting forth procedures for the purpose of making Assessments and for the billing and collection of the Assessments provided that the procedures are not inconsistent with the provisions of this Declaration. The failure of the Association to send a bill to a Member shall not relieve any Member of his liability for any Assessment or charge under this Declaration, but the Assessment Lien therefore shall not be foreclosed until the Member has been given not less than thirty (30) days written notice prior to such foreclosure that the Assessment or any installation thereof is or will be due and of the amount owing. Such notice may be given at any time prior to or after delinquency of such payment. The Association shall be under no duty to refund any payments received by it even though the ownership of the Lot changes during an Assessment Period but successor Owners of Lots shall be given credit for prepayments, on a prorated basis, made by prior Owners.

9.9 Effect of Nonpayment of Assessment: Remedies of the Association.

9.9.1 Any Assessment, or any installment of an Assessment, not paid within five (5) days after the Assessment, or the installment of the Assessment, first became due shall bear interest from the due date at the rate of twelve percent (12%) per annum or the prevailing VA/FHA interest rate for new home loans, whichever is higher. In addition, the Board of Trustees may establish a late fee to be charged to any Owner who has not paid any Assessment, or any installment of an Assessment, within five (5) days after such payment was due.

9.9.2 The Association shall have a lien on each Lot for: (i) all Assessments levied against the Lot; (ii) all interest, lien fees, late charges, and other fees and charges assessed against the Lot or payable by the Owner of the Lot; (iii) all fines levied against the Owner of the Lot; (iv) all attorney fees, court costs, title report fees, costs and fees charged by any collection agency either to the Association or to an Owner, and any other fees or costs incurred by the Owner of a Lot; (v) any amounts payable to the Association pursuant to Section 10.3 or 10.4 of this Declaration; and (vi) any other amounts payable to the Association pursuant to the Project Documents. The Recording of this Declaration constitutes record notice and

perfection of the Assessment Lien. The Association may, at its option, record a Notice of Lien setting forth the name of the delinquent Owner as shown in the records of the Association, the legal description or street address of the Lot against which the Notice of Lien is recorded and the amount claimed to be past due as of the date of the recording of any Notice of Lien against a Lot, the Association shall make a written demand to the defaulting Owner for payment of the delinquent Assessments, together with interest, late charges and reasonable attorneys' fees, if any. The demand shall state the date and amount of the delinquency. Each default shall constitute a separate basis for demand, but any number of defaults may be included within the single demand. If the delinquency is not paid within ten (10) days after the delivery of the demand, the Association may proceed with recording a Notice of Lien against the Lot. If the Association records a notice of Lien, the Association may charge the Owner of the Lot against which the Notice of Lien is Recorded, a lien fee in the amount to be set from time to time by the Board.

9.9.3 The Assessment Lien shall have priority over all liens or claims except for: (I) tax liens for real property taxes; (ii) assessments in favor of any municipal or other governmental body; (iii) the lien of any First Mortgage; and (iv) Strawberry Valley Project operation and maintenance liens. Any First Mortgagee or any other Person acquiring title or coming into possession of a Lot through foreclosure of the First Mortgage, purchase at a foreclosure sale or trustee sale, or through any equivalent proceedings, such as, but not limited to, the taking of a deed in lieu of foreclosure shall acquire title free and clear of any claims for unpaid assessments and charges against the Lot which became payable prior to the acquisition of such Lot by the First Mortgagee or other Person. Any Assessments and charges against the Lot which accrue prior to such sale or transfer shall remain the obligation of the defaulting Owner of the Lot.

9.9.4 The Association shall not be obligated to release the Assessment Lien until all delinquent Assessments, interest, lien fee, fines, reasonable attorneys' fees, court costs, collection costs, and all other sums payable to the Association by the Owner of the Lot have been paid in full.

9.9.5 The Association shall have the right, at its option, to enforce collection of any delinquent Assessments together with interest, lien fees, reasonable attorneys' fees, and any other sums due to the Association in any manner allowed by law including, but not limited to, (I) bringing an action at Law against the Owner personally obligated to pay the delinquent Assessments and such action may be brought without waiving the Assessment Lien securing the delinquent Assessments or (ii) bringing an action to foreclose the Assessment Lien against the Lot in the manner provided by law for the foreclosure of a realty mortgage. The Association shall have the power to bid in any foreclosure sale and to purchase, acquire, hold, lease, mortgage, and convey any and all Lots purchased at such sale.

9.10 Evidence of Payment of Assessment. Upon receipt of a written request by a Member or any other Person, the Association, within a reasonable period of time thereafter, shall issue to such Member or other Person a written certificate stating that all Assessments, interest, fees, and charges have been paid with respect to any specified Lot as of the date of such certificate, or if all Assessments have not been paid, the amount of such Assessment, interest, fees, and charges due and payable as of such date. The Association may make a reasonable

charge for the issuance of such certificates, which charges must be paid at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matters therein stated as against any bona fide Purchaser of, or lender on, the Lot in question.

9.11 Purpose for Which Association's Funds May Be Used. The Association shall apply all funds and property collected and received by it (including the Assessments, fees, loan proceeds, surplus funds, and all property received by it from any other source) for the common good and benefit of the Project and the Owners and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision, and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies, and systems, within or without the Project, which may be necessary, desirable, or beneficial to the general common interests of the Project, the Owner, and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote, and provide for such common benefit: social interaction among Members and Residents, maintenance of public right-of-way and drainage areas within the Project, preserving all well and irrigation water rights, recreation, liability insurance, communications, utilities, public services, safety and indemnification of officers and directors of the Association. The Association may also expend its funds for any purpose for which a nonprofit corporation may expend funds under the laws of the State of Utah.

9.12 Surplus Funds. The Association shall not be obligated to spend in any year all the Assessments and other sums received by it in such year, and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year, and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

9.13 Working Capital Fund. To insure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Purchaser of a Lot from the Declarant or a Developer shall pay to the Association immediately upon becoming the Owner of the Lot a sum equal to one-half ($\frac{1}{2}$) of the current Annual Assessment for the Lot. Funds paid to the Association pursuant to this Section may be used by the Association for payment of operating expenses or any other purpose permitted under the Project Documents. Payments made pursuant to this Section shall be non-refundable and shall not be considered as an advance payment of any Assessments levied by the Association pursuant to this Declaration. Notwithstanding the foregoing provision of this Section, no payment shall be due under this Section with respect to the purchase of Lots by Developers from Declarant.

9.14 Transfer Fee. Each Purchaser of a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board. The transfer fee shall not be charged upon the sale of a Lot to a Developer or upon the first sale of each Lot to a non-Developer Owner.

MAINTENANCE

10.1 Areas of Association Responsibility. The Association, or its duly delegated representative, shall manage, maintain, repair and replace the Areas of Association Responsibility, and all Improvements located thereon, except for any part of the Areas of Association responsibility which any governmental entity is maintaining or is obligated to maintain. The Board shall be the sole judge as to the appropriate maintenance, repair and replacement of all Areas of Association Responsibility.

10.2 Lots. Each Owner of a Lot shall be responsible for maintaining, repairing, or replacing his Lot, and all buildings, Residential Units, landscaping or other Improvements situated thereon, except for any portion of the Lot which is an Area of Association responsibility. Each Lot Owner is responsible to repair any damage done by the Lot Owner or his family, tenants, guests, and invitees to the irrigation system within the boundaries of such Lot Owner's Lot. Repairs for damages to said system due to other causes shall be the responsibility of the Association. All buildings, Residential Units, landscaping, and other Improvements shall at all times be kept in good condition and repair. All grass, hedges, shrubs, vines, and plants of any type on a Lot shall be irrigated, mowed, trimmed, and cut at regular intervals so as to be maintained in a neat and attractive manner. Trees, shrubs, vines, plants, and grass which die shall be promptly removed and replaced with living foliage of like kind, unless different foliage is approved, in writing, by the Architectural Committee. No yard equipment, wood piles, or storage areas may be maintained so as to be Visible From Neighboring Property or street. All Lots upon which no Residential Units, buildings, or other structures, landscaping or Improvements have been constructed, shall be maintained in a weed free and attractive manner.

10.3 Assessment of Certain Costs of Maintenance and Repair. 11.1.3 Such other insurance as the Association shall determine from time to time to be appropriate to protect the Association or the Owners;

11.1.4 The insurance policies purchased by the Association shall, to the extent reasonably available, contain the following provisions: (i) that there shall be no subrogation with respect to the Association, its agents, servants, and employees, with respect to Owners and members of their household; (ii) no act of omission by any Owner, unless acting within the scope of his authority on behalf of the Association, will void the policy or be a condition to recovery on the policy; (iii) that the coverage afforded by such policy shall not be brought into contribution or proration with any insurance which may be purchased by Owners or their mortgagees or beneficiaries under deeds of trust; (iv) a "severability of interest" endorsement which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners; and (v) statement of the name of the insured as the Association.

11.2 Certificates of Insurance. An insurer that has issued an insurance policy under this Article shall issue a certificate or a memorandum of insurance to the Association and, upon request, to any Owner, mortgagee, or beneficiary under a deed of trust. 13.4.5 Any First Mortgagee who receives written request from the Board to respond to or consent to any action requiring the consent of the First Mortgagee shall be deemed to have approved such action if the Association has not received a negative response from such First Mortgagee within thirty (30) days of the date of the Association's request.

13.4.6 In the event of any conflict or inconsistency between the provisions of this Section and any other provision of the Project Documents, the provisions of this Section shall prevail; provided, however, that in the event of any conflict or inconsistency between the provisions of this Section and any other provisions of the Project Documents with respect to the number of percentage of Owners or First Mortgagees that must consent to (i) an amendment of the Declaration, Articles or Bylaws; (ii) a termination of the Project, or (iii) certain actions of the Association as specified in Subsection 13.4.3 of this Declaration, the provision requiring the consent of the greatest number or percentage of Owners or First Mortgagees being required, shall have the right to amend this Declaration, the Articles, or the Bylaws in order to conform this Declaration, the Articles, or the Bylaws to the requirements or guidelines of the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation, Federal Housing Administration, the Veterans Administration, or any federal, state, or local governmental agency whose approval of the Project, the Plat, or the Project Documents is required by the Declarant or the Board.

In the event of any conflict between this Declaration and the Articles, Bylaws, Association Rules, or the Architectural Committee Rules, this Declaration shall control. Recordation of a notice of violation shall serve as notice to the Owner and Resident, and any subsequent purchaser of the Lot, that there is such a violation. If, after the recordation of such notice, it is determined by the Association that the violation referred to in the notice has been cured, the Association shall record a notice of compliance which shall state the legal description of the Lot against which the notice of violation was Recorded, and the recording data of the notice of violation, and shall state that the violation referred to in the notice has been cured or that the violation didn't exist. Failure by the Association to record a notice of violation shall not constitute a waiver of any such violation, constitute any evidence that no violation exists with respect to a particular Lot or constitute a waiver of any right of the Association to enforce the Project Documents.

13.10 Laws, Ordinances, and Regulations.

13.10.1 The covenants, conditions, and restrictions set forth in this Declaration and the provisions requiring Owners and other persons to obtain the approval of the Board or the Architectural Committee with respect to certain actions are independent of the obligation of the Owners and other persons to comply with all applicable laws, ordinances, and regulations, and compliance with this Declaration shall not relieve an Owner or any other person from the obligation and also comply with all applicable laws, ordinances, and regulations.

13.10.2 Any violation of any state, municipal, or local law, ordinance or regulation pertaining to ownership, occupation, or use of any property within the Property is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures set forth herein.

13.11 References to this Declaration in Deeds. Deeds to and instruments affecting any Lot or any other part of the Project may contain the covenants, conditions, and restrictions herein set forth by reference to this Declaration; but regardless of whether any such reference is made in any Deed or instrument, each and all of the provisions of this Declaration shall be binding upon the grantee-Owner or other person claiming through any instrument and his heirs, executors, administrators, successors, and assignees.

13.12 Gender and Number. Wherever the context of this Declaration so requires, words used in the masculine gender shall include the feminine and neuter genders; words used in the neuter gender shall include the masculine and feminine genders; words in the singular shall include the plural; and words in the plural shall include the singular.

If notice of any action or proposed action by the Board or any committee or of any meeting is required by applicable law, this Declaration or resolution of the Board to be given to any Owner, Lessee, or Resident then, unless otherwise specified herein or in the resolution of the Board, such notice requirement shall be deemed satisfied if notice of such action or meeting is published once in any newspaper in general circulation in Utah County. This Section shall not be construed to require that any notice be given if not otherwise required and shall not prohibit satisfaction of any notice requirement in any other manner.

13.15 FHA/VA Approval. So long as there is a Class B membership in the Association, the following actions shall require the prior written approval of the Federal Housing Administration or the Veterans Administration: annexation of additional properties, and amendment of this Declaration.

13.16 No Absolute Liability. No provision of the Project Documents shall be interpreted or construed as imposing on Owners absolute liability for damage of association responsibility to the areas of Association Responsibility or the Lots. Owners shall be only responsible for damage to the areas or Lot caused by the Owners' negligence or intentional acts of the Owner or his family, tenants, guests, or invitees.

13.17 References to VA and FHA. In various places throughout the Project Documents, references are made to the Department of Veterans Affairs ("VA") and the Fair Housing Administration ("FHA") and, in particular, to various consents or approvals required of either of both of such agencies. However, Declarant shall have no obligation to request approval of the Project by either or both of such agencies. Unless and until the VA or the FHA have approved the Project as acceptable for insured or guaranteed loans and at any time during which such approval, once given, has been revoked, withdrawn, canceled, or suspended and there are no outstanding mortgages or deeds of trust recorded against a Lot to secure payment of an insured or guaranteed loan by either of such agencies, all references hereunto required approvals or consents of such agencies shall be deemed null and void and of no force and effect.
