

Wasatch County, Utah

June 17, 2008

A special meeting of the County Council (the "Council") of Wasatch County, Utah (the "County"), acting as the governing body of the Timber Lakes Water Special Service District, Wasatch County, Utah (the "Special Service District"), was held on Wednesday, June 17, 2008, at the hour of 7:00 p.m., at the Senior Citizens Center located at 465 East 1200 South, Heber City, Utah, at which meeting there were present and answering roll call the following members who constituted a quorum:

Steve Farrell	Chair
Neil G. Anderton	Councilmember
Jay Price	Councilmember
Kipp Bangerter	Councilmember
Kendall Crittenden	Councilmember
Val Draper	Councilmember
Michael Kohler	Councilmember

Also present:

Marie Sabey	Executive Secretary
-------------	---------------------

Absent:

Thereupon the following proceedings were duly had and taken:

Pursuant to published notice concerning the intent of the County to create the "Timber Lakes Water Improvement Special Assessment Area (the "Assessment Area"), a public hearing was held on May 20, 2008, at which interested persons were heard concerning comments or protests relating to the District. Protests were filed prior to the public meeting from the owners of property to be assessed, which filing deadline was May 19, 2008. There were 523 written protests timely received. Copies are maintained in the County Clerk's office at 25 North Main Street, Heber City, Utah. The Council continued the public hearing to the date hereof, and after considering all protests filed with the County, the Council determined that the protests received represent less than one-half of the total lots to be assessed.

The Council then concluded that the public interest will best be served by designating the Assessment Area as described in the Resolution adopted by the Council on April 16, 2008, with such changes as set forth herein.

After due consideration of the following resolution by the Council,

Councilmember Jay Price moved and Councilmember Michael Kohler seconded its adoption. The resolution was adopted by unanimous vote.

RESOLUTION NO. 08-02

A RESOLUTION DESIGNATING AN ASSESSMENT AREA TO BE KNOWN AS THE TIMBER LAKES WATER IMPROVEMENT ASSESSMENT AREA AS DESCRIBED IN THE NOTICE OF INTENTION TO DESIGNATE ASSESSMENT AREA AS HEREAFTER MODIFIED; AUTHORIZING THE COUNTY OFFICIALS TO PROCEED WITH THE CONSTRUCTION OF THE IMPROVEMENTS AS SET FORTH IN THE NOTICE OF INTENTION; AND RELATED MATTERS.

WHEREAS, pursuant to the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended (the "Act") on April 16, 2008, the County Council (the "Council") of Wasatch County, Utah (the "County"), acting as the governing body of Timberlakes Water Special Service District (the "District"), adopted a Notice of Intention to Designate Assessment Area (the "Notice of Intention") to designate a special assessment area to be known as the Timber Lakes Water Improvement Special Assessment Area (the "Assessment Area"), and after giving notice as required by the Act, held a public hearing on May 20, 2008, which was continued to June 17, 2008, at which interested persons were heard concerning comments or protests relating to said Assessment Area; and

WHEREAS, pursuant to Section 11-42-206 of the Act, the Council now desires to designate the Assessment Area as generally described in the Notice of Intention as herein modified:

BE IT RESOLVED BY THE County Council (the "Council") of Wasatch County, Utah, as follows:

Section 1. The Council hereby determines it will be in the best interest of the District to finance the costs of certain infrastructure improvements consisting of a major upgrade to the District's existing water system including the design and replacement of approximately 18 miles of pipeline and facilities, the construction of two or three concrete storage reservoirs (depending on resizing of tanks to consolidate costs), the incorporation of a basic data telemetry system which allows the collection, remote review, and remote warning of system failures, and other miscellaneous work necessary to complete the improvements in a proper and workmanlike manner (collectively, the "Improvements") the plans of which are on file in the Office of the County Engineer in Wasatch County, Utah. Said Improvements are generally described in the Notice of Intention with the following modifications made following the hearing on May 20, 2008, and receipt of bids: (1) The number of concrete storage reservoirs will be two or three depending on the resizing of tanks to consolidate costs; and (2) The Council has determined that the development of two additional springs for water supply can be accomplished within the normal operating and capital budget and is hereby deleted as an improvement to be financed within the Assessment Area. The Assessment Area hereby

designated is to be known as the "Timber Lakes Water Improvement Special Assessment Area."

Section 2. The District has received bids for the construction of the Improvements. The costs of construction are substantially less than originally estimated in the Notice of Intention. The total estimated costs of the Improvements, as modified, including the funding of reserves and overhead costs are now estimated to be \$9,390,000. The estimated costs of Improvements are hereby approved and the construction of the Improvements are hereby authorized and the Assessment Area is hereby designated to acquire and construct the Improvements and to levy assessments to pay said costs of Improvements. Based upon said estimated costs, the total estimated assessment per lot is hereby revised from \$9,310 set forth in the Notice of Intention to \$6,890 per lot (assuming certain lots are combined as discussed in the Council Meeting on June 17, 2008, and in Section 3 herein). The total estimated assessment per lot may vary if fewer lots are combined. There are 170 adjacent lots owned by common owner(s) that could potentially qualify and elect to be combined.

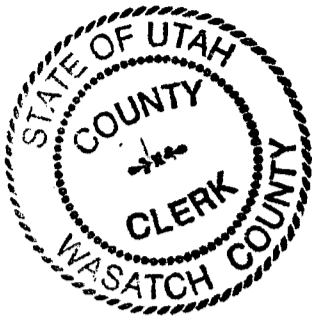

Section 3. The total number of lots anticipated to be assessed within the Assessment Area is 1,533. This number may be reduced prior to the adoption of the assessment ordinance levying the assessment by the number of adjacent lots currently owned by common owner(s) that are combined into one lot for purposes of this assessment and for water access thereafter. To qualify and to elect to combine lots for purposes of permanent water access, the owner(s) shall agree to limit the combined lots for construction of a single dwelling and a single water hookup. Such limitations as well as the designation of which of the combined lots will have water access shall be recorded against the lots on the property records of the County. The assessment lien will attach to all of the combined lots. Only common owners of adjacent lots existing on the property records of the County on June 17, 2008 will be eligible to combine lots. The timing and manner of making an election to combine lots shall be provided by the District upon proper notice to eligible lot owners, but no later than September 30, 2008, which election shall be made by the owner(s) no later than September 30, 2009. The combination of lots for the Assessment Area's purposes set forth in this section shall in no way affect the decision to combine lots for purposes of the Timber Lakes Home Owners Association or the County for taxing purposes. The legal description and tax identification numbers of the properties anticipated to be assessed within the Assessment Area are set forth in Schedule 1 of Exhibit A attached hereto.

Section 4. As required by law, the County Auditor/Clerk is hereby authorized and directed to file in the Wasatch County Auditor/Clerk's office within fifteen (15) days from the date hereof (a) a copy of the Notice of Intention and an original or certified copy of this Resolution designating the Assessment Area, and (b) a Notice of Proposed Assessments in substantially the form of Exhibit A hereof which states that the County has designated the Assessment Area and which lists the properties proposed to be assessed, described by tax identification number and legal description.

Section 5. The Council hereby determines that no more than 52% of all lots proposed to be assessed constitute unimproved property as described in the Act.

ADOPTED AND APPROVED this June 17th, 2008.
