become an annoyance or nuisance, for any reason, to any owner or resident of a lot. Such animals as are permitted shall be strictly controlled and kept pursuant to Salt Lake County ordinances and regulations, and rules and regulations of the Management Committee.

5.6 No Offensive Activity: No noxious or offensive activity shall be carried on on any lot or in the common areas, nor shall anything be done therein which may be or become an annoyance or nuisance to the other owners.

5.7 Construction in Common Areas: Nothing shall be altered or constructed in or removed from the common areas, except upon the written consent of the Management Committee.

5.8 Rules: The Management Committee is authorized to adopt rules for the use of the common areas, which rules shall be in writing and furnished to the owners.

5.9 Dumping of Garbage: Except in areas designated on the map or by the Management Committee, no lot or portion of the common areas shall be used or maintained as a dumping ground for rubbish, trash, garbage or other waste, nor shall any rubbish, trash, papers, junk or debris be burned within the Project. with rules and regulations adopted by the Management Committee.

ARTICLE VI

INSURANCE

6.1 Obtaining of Insurance Policies: The Management Committee shall obtain and maintain, at all times, a policy or policies insuring the Management Committee, the lot owners and the manager against any liability to the public or to the owners of lots and common areas, and their invitees or tenants, incident to the ownership and/or use of the common areas of the Project, issued by such insurance companies and with such limits of liability as determined by the Management Committee. Said policy or policies shall be issued on a comprehensive liability basis and shall provide cross-liability endorsement wherein the rights of named insureds under the policy or policies shall not be prejudiced as in respect to his, her or their action against another named insured.

6.2 Other Insurance: In addition, the Management Committee may obtain insurance for such other risks of a similar or dissimilar nature as are or shall hereafter customarily be covered with respect to common areas or other projects similar in construction, design and use.

ARTICLE VII

COMMON ASSESSMENTS

7.1 Payment of Assessments: Each lot owner shall pay to the Management Committee his portion of the costs and expenses required and deemed necessary, and upon the terms of payment determined by the Management Committee in connection with water and sewer services, if applicable, to the lots in the Project and costs and expenses deemed necessary to manage, maintain and operate the common areas and facilities of the Project, and may include, among other things, the cost of management, taxes, special assessments, fire, casualty and public liability insurance premiums, common lighting, landscaping and the care of grounds, repairs, and renovations of common areas and facilities, recreational areas and facilities, if any, garbage collection, road maintenance and repairs, snow removal, wages, water and

ENABLING DECLARATION OF REDWOOD II

charges, legal and accounting fees, sewer charges, cost of operating all gas fired equipment and the cost of electricity, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the Articles of Incorporation or By-Laws of the Association, the payment of any deficit remaining from a previous period, the creation of a reasonable contingency or other reserve or surplus fund, as well as all other costs and expenses of any nature relating to this Project. Such payments shall be made upon the terms, at the time and in the manner provided without deduction of any off-sets or claims which the owner may have against the Committee, and if any owner shall fail to pay any installment within one (1) month from the time when the same becomes due, the owners shall pay interest thereon at the rate of one percent (1%) per month from the date when such installment shall become due to the date of payment thereof, and all costs and expenses, including reasonable attorney's fees, incurred by the Management Committee in collecting such unpaid assessments, whether or not formal legal proceedings have been commenced.

7.2 Collection of Assessments: The Management Committee may, from time to time, up to the close of the year for which such cash requirements have been so filed or determined, increase or diminish the amount previously fixed or determined for such year. The assessment may include a pro-rata reallocation among the lots of any unpaid assessments on a lot which are not assessable against a lot owner, subject to the provisions of Article VIII, below. The Committee may include in the cash requirements for any year, any liabilities or items of expense which accrued or become payable in the previous year or which might have been included in the cash requirements for a previous year, but were not included therein, and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year. In any year in which there is an excess of assessments received over amounts actually used for the purposes described in this Declaration, such excess

BOOK 5032 PAGE 655

ENABLING DECLARATION OF REDWOOD II

may, upon written consent of all of the members, be applied against and reduce the subsequent year's assessment or be refunded to the members. The preceding sentence shall automatically be repealed upon the revocation of Rev. Rul. 70-604, 1970-2, CB 9 promulgated by the Internal Revenue Service or upon a court of competent appellate jurisdiction declaring such Rev. Rul. invalid or upon amendment of the Internal Revenue Code or the Treasury Regulations thereunder obviating the requirement of a membership vote to apply such excess to the subsequent year's assessment or to refund same in order that such excess be excluded from gross income of the Association.

Notwithstanding any other provision herein to the contrary, assessments and any other charges shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the common areas and facilities that must be replaced on a periodic basis and are payable in regular installments rather than by special assessments.

7.3 Determination of Amounts: The pro-rata portion payable by the owner in and for each year or portion of year shall be that ratio, a sum within limits and on conditions hereinabove provided, calculated by multiplying to the aggregate amount of such cash requirements for such year or portion of year, by the owner's percentage of undivided interest in the common areas and facilities. All such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be required by the Management Committee, and at such times as shall be provided by the Management Committee.

7.4 Unimproved Lots: It is the express intention of this Declaration, and this Declaration shall be so construed, that the entire pro-rata assessments payable to the Management Committee herein shall be made only to the extent so as to allow occupancy of such lots. Accordingly, notwithstanding any other provision of this Declaration, the Management Committee shall have discretionary powers to assess amounts less than the entire

BOOK 5332 PAGE 655

ENABLING DECLARATION OF REDWOOD II

pro-rata assessments specified above with respect to any lot on which habitable improvements have not been completed on such lot.

7.5 Powers of Management Committee: The Management Committee shall, in addition to all powers provided in this Declaration and in the Articles of Incorporation and By-Laws of the Association, have discretionary powers to prescribe the manner of maintaining the operation of the Project, and to determine the cash requirements of the Management Committee to be paid as aforesaid by the owners under this Declaration. Every such reasonable determination by the Committee within the bounds of this Declaration shall be final and conclusive as to the owners, and any expenditures made by the Committee within the bounds of this Declaration shall be deemed, as against the owners, necessary and properly made for such purposes.

7.6 Application of Lease Payments: If any owner shall, at any time, let or sublet any lot and shall default for a period of one (1) month in payment of any management assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of such owner occupying the lot, the rent due or becoming due up to the amount of such assessment due, together with all penalties provided herein. Such payment of rent to the Committee shall be sufficient payment and discharge of such tenant or subtenant as between such tenant and subtenant and such owner to the extent of the amount so paid.

7.7 Collection of Assessments: Each monthly assessment and each special assessment shall be separate, distinct and personal debts and obligations of the owner against whom the same are assessed at the time the assessment is made, and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the lien securing the same. The amount of assessment, whether regular or special, assessed to the owner of any lot, plus interest at one percent (1%) per month and costs, including reasonable attorney's fees, shall become a lien upon such lot upon recordation of notice of assessment. Said lien for non-payment of

BOOK 53 PAGE 657

ENABLING DECLARATION OF REDWOOD II

common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(a) Tax and special assessment liens on the lot in favor of any assessment authority, or special district; and

(b) Encumbrances on the owner's lot and such owner's interest in the common areas recorded prior to the date such notice is recorded, which by law would be a lien prior to subsequently recorded encumbrances.

A certificate executed and acknowledged by a majority of the Management Committee stating the indebtedness secured by the lien upon any lot in the Project hereunder shall be conclusive upon the Management Committee and the owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any owner or any encumbrancer or prospective encumbrancer of a lot upon request at a reasonable fee, not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses which become due prior to the date of the making of such request shall be subordinate to the lien held by the person making the request. Any encumbrancer holding a lien on the lot may pay any unpaid common expenses payable with respect to such lot and upon such payment such encumbrancer shall have a lien on such lot for the amounts paid of the same ranks as the lien of his encumbrance.

Upon payment of a delinquent assessment concerning which such a certificate has been so recorded, or other satisfaction thereof the Management Committee shall cause to be recorded, in the same manner as the certificate of indebtedness, a further certificate stating the satisfaction and the release of the lien thereof. Such lien for non-payment of assessment may be enforced by sale by the Management Committee or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions

BOOK 5032 PAGE 658

ENABLING DECLARATION OF REDWOOD II

of law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure of sale, the owner shall be required to pay the costs and expenses of such proceedings and reasonable attorney's fees.

In case of foreclosure, the owner shall be required to pay a reasonable rental for the lot from the date a foreclosure action is filed with the Court having jurisdiction over the matter, and the Plaintiff in the foreclosure action shall be entitled to the appointment of a receiver, at the time such action is filed, to collect the rental without regard to the value of the mortgaged security. In any foreclosure of sale, the owner shall also be required to pay the costs and expenses of such proceedings and reasonable attorney's fees. The Management Committee or Manager shall have the power to bid in the lot at foreclosure or other sale and to hold, lease, mortgage and convey the lot.

ARTICLE VIII

MORTGAGE PROTECTION

Notwithstanding all other provisions herein to the contrary:

8.1 Rights of First Refusal: Any "right of first refusal" which may be granted herein shall not impair the rights of a first mortgage to:

(a) Foreclose or take title to a lot pursuant to the remedies provided in the mortgage, or

(b) Accept a deed (or assignment) in lieu of foreclosure in the event of default by a mortgagor, or

(c) To sell or lease a unit acquired by a mortgagee.

8.2 Title in Mortgagee: Any first mortgagee who obtains title to a lot pursuant to the remedies provided in the mortgage or foreclosure of the mortgage will not be liable for such lots unpaid dues or charges which accrue prior to the acquisition of title to such lot by the mortgagee.

BOOK 5032 PAGE 659

ENABLING DECLARATION OF REDWOOD II

8.3 Consent of Mortgagees: Unless at least two-thirds (2/3) of the first mortgagees (based upon one vote for each first mortgage owned) or owners (other than the sponsor, developer or builder) of the individual lots in the Project have given their prior written approval, the homeowners association or any corporation or trust established by the homeowners association shall not be entitled to:

(a) By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer any common areas or facilities owned, directly or indirectly, by the homeowners association or any corporation or trust established by the homeowners association, for the benefit of the lots in the Project (the granting of easements for public utilities or for other public purposes consistent with the intended use of such common areas and facilities by the Project shall not be deemed a transfer within the meaning of this clause);

(b) Change the method of determining the obligations, assessments, due or other charges which may be levied against a lot owner;

(c) By act or omission, change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of lots, the exterior maintenance of lots, the maintenance of any common property party walls or common fences and driveways, or the upkeep of lawns and plantings in the Project;

(d) Fail to maintain fire and extended coverage on insurable common areas and facilities on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);

(e) Use hazard insurance proceeds for losses to any common areas and facilities for other than

BOOK 5032 PAGE 660

ENABLING DECLARATION OF REDWOOD II

the repair, replacement or reconstruction of such common areas and facilities.

8.4 Taxes and Expenses: First mortgagees of lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any common areas and facilities and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such common areas and facilities and first mortgagees making such payments shall be owed immediate reimbursement therefore from the homeowners association.

8.5 Notice of Default by Individual Lot Borrower. A first mortgagee of a lot, upon request, shall be entitled to written notification from the homeowners' association of any default in the performance by the individual lot borrower of any obligation under this Declaration, or other constituent documents of this Planned Unit Development, which is not cured within sixty (60) days.

8.6 Management Agreements. Any agreement for professional management of the project, or any other contract providing for services of the developer, sponsor or builder, may not exceed three (3) years. Any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less written notice.

8.5 No Priority: No provision herein is intended, nor shall it be construed, to give any lot owner, or any other party, priority over any rights of the first mortgagee of a lot pursuant to its mortgage in the case of a distribution to such lot owner of insurance proceeds or condemnation awards for losses to or a taking of common areas and facilities.

ARTICLE IX

MISCELLANEOUS PROVISIONS

9.1 Interpretation: The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a planned unit development. Failure to enforce any provision hereof shall

ENABLING DECLARATION OF REDWOOD II

not constitute a waiver of the rights to enforce said provision or any other provision hereof.

9.2 Severability: The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of any other provision hereof.

9.3 Counterparts: This Declaration may be executed simultaneously in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

9.4 Paragraph Headings and Numbers: Headings and paragraph numbers have been inserted herein solely for convenience and reference and shall not be construed to affect the meanings, construction or effect of this Declaration.

9.5 Effective Date: This Declaration shall take effect upon recording.
