Such co-owners may from time to time designate in writing one of their number to vote. Fractional votes shall not be allowed,

and the Class A Members' and Class B Member's vote for each Lot shall be exercised, if at all, as a unit. Where no voting co-owner is designated or if such designation has been revoked, the vote for such Lot shall be exercised as the majority of the co-owners of the Lot mutually agree. Unless the Board receives a written objection from a co-owner, it shall be presumed that the corresponding voting co-owner is acting with the consent of his or her co-owners. No vote shall be cast for any Lot where the majority of the co-owners present in person or by proxy and representing such Lot cannot agree to said vote or other action. The non-voting co-owner or co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly owned Lot and shall be entitled to all other benefits of ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or by the By-laws of the Association, shall be deemed to be binding on all Owners, their successors and assigns. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the By-laws. The due dates shall be established by the Board. The Board shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, including deposits in and withdrawals from the Common Area Reserve Fund and the Operating Fund, and shall cause to be distributed a copy of each such statement to each Member, and to each First Mortgagee who has filed a written request for copies of the same with the Board, in the manner provided in the By-laws of the Association. At least sixty (60) days prior to the beginning of each fiscal year, the Board shall prepare and distribute to the Members, a written, itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions under this Declaration (including a reasonable provision for contingencies and deposits into the Common Area Reserve Fund, less any expected income and accounting for any surplus from the prior year's Maintenance Funds.)

Each annual Common Assessment shall constitute an aggregate of separate assessments for each of the Maintenance Funds, reflecting an itemization of the amounts assessed and attributable to prospective deposits into the Common Area Reserve Fund, the Operating Fund and any other Maintenance Funds established by the Association. If the estimated sums prove inadequate for any reason, including nonpayment of any Owner's annual Common Assessment, the Board may, at any time, levy supplemental Common Assessments, subject to provisions of Section 4 of this Article, for any of the Maintenance Funds which shall be assessed equally against the Owner of each Lot.

Each annual Common Assessment may be paid by the Owner to the Association in one check or payment, or in separate checks, as payments attributable to deposits into specified

Maintenance Funds. In the event that any installment of a Common Assessment payment is less than the amount assessed and the payment does not specify the Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from the Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Common Assessment has been satisfied, and second to the Common Area Reserve Fund.

At the end of any fiscal year of the Association, the Owners may determine that all excess funds remaining in the Operating Fund, over and above the amounts used for the operation of the Association, may be returned to the Members proportionately, or may be retained by the Association and used to reduce the following year's Common Assessments. Notwithstanding anything contained in the Articles or By-laws to the contrary, if prior to dissolution of the Association the Association has not obtained tax exempt status from both the Federal and State governments, then upon such dissolution of the Association, any amounts remaining in the Common Area Reserve Funds shall be distributed to or for the benefit of the Members in a proportion equal to their individual, respective contributions.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from liens resulting from any assessments herein:

- (a) All Properties dedicated to and accepted by a local public authority, and
- (b) The Common Area.

## ARTICLE VII

### Effect of Non-Payment of Assessments

#### Remedies of the Association

Section 1. Effect of Non-Payment of Assessments: Remedies of the Association. Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment not paid within thirty (30) days after the due date shall bear interest from the due date of such installment at the rate of eighteen percent (18%) per annum. If any installment of an assessment is not paid within thirty (30) days after it is due, the Owner responsible therefor may be required further by the Board to pay a late charge of Five Dollars (\$5.00) or five percent (5%) of the amount of the delinquent installment, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner

may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. If any installment of a Common Assessment is not paid within thirty (30) days after its due date, the Board shall mail an acceleration notice to the Owner and to each First Mortgagee of a Lot which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured, and (4) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Common Assessment for the then current fiscal year and sale of the Lot. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board, at its option, may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 2. Notice of Assessment. No action shall be brought to enforce any assessment lien provided for herein, unless at least thirty (30) days has expired following the date a Notice of Assessment is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Lot, and a copy thereof has been recorded by the Association in the office of the County Recorder in which the Property is located; said Notice of Assessment must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid assessment at eighteen percent (18%) per annum, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the Association. Such Notice of Assessment shall be signed and acknowledged by an officer of the Association, and said lien shall be prior to any declaration of homestead recorded after the date on which this Declaration is recorded. The lien shall continue until fully paid or otherwise satisfied.

Section 3. Foreclosure Sale. Any such sale provided for above may be conducted by the Board, its attorneys or other persons authorized by the Board in accordance with the provisions of the Utah Code Annotated, 1953 as amended, applicable to the exercise of powers of foreclosure sale in Mortgages and powers of sale in Deeds of Trust, or in any other manner permitted by law. The Association, through duly authorized agents,

shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 4. Curing of Default. Upon the timely curing of any default with respect to which a Notice of Assessment was filed by the Association, the officers thereof shall record an appropriate Release of Lien, upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed One Hundred Dollars (\$100.00), to cover the cost of preparing and recording such release. A certificate executed and acknowledged by any two (2) Members of the Board stating the indebtedness secured by the lien upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Fifteen Dollars (\$15.00).

Section 5. Cumulative Remedies. The assessment liens and the rights to foreclosure and sale thereunder, shall be in addition to and not in substitution for, all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6. Subordination of the Lien to First Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage (meaning any recorded Mortgage with first priority or seniority over other Mortgages) made in good faith and for value and recorded prior to the date on which the assessment came due. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to Mortgage foreclosure or deed in lieu thereof, shall extinguish the lien of such assessments as to installments which became due prior to such sale or transfer. However, no sale or transfer shall relieve the Owner from personal liability for such assessment, nor such Lot from liability for any installments or assessments thereafter becoming due or from the lien thereof.

## ARTICLE VIII

### Architectural Control

Section 1. Members of Committee. The Architectural Committee shall consist of three (3) members. The initial members of the Architectural Committee shall consist of representatives of the Declarant. Each of said persons shall hold office until the election of the first Board by the Membership of the Association. Thereafter, new members of the Architectural Committee shall be appointed by the Board and shall hold

office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. Members of the Architectural Committee may be removed at any time without cause. The Board shall have the right to appoint and remove all members of the Architectural Committee.

Section 2. Review of Proposed Construction. Subject to Article X, Section 5, of this Declaration, no building, fence, wall, patio cover or other structure shall be commenced, painted, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and color and location in relation to surrounding structures and topography by the Architectural Committee. The Architectural Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the property as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association. The Architectural Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, or upon the agreement by the Owner submitting the same to grant appropriate easements to the Association for the purpose of maintenance, and may require submission of additional plans and specifications or other information and agreements prior to approving or disapproving material submitted. The Architectural Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval, requiring a fee payable to the Association to accompany each application for approval, or additional factors which it will take into consideration in reviewing submissions. The Architectural Committee may provide that the amount of such fee shall be uniform, or that it be determined in any other reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated, provided that in no event shall such fee exceed One Hundred Dollars (\$100.00). The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material and colors. Until receipt by the Committee of any required plans and specifications, the Architectural Committee may postpone review of any plans submitted for approval.

Section 3. Meetings of the Architectural Committee. The Architectural Committee shall meet from time to time as necessary to perform its duties hereunder. The Architectural Committee may from time to time, by resolution unanimously

adopted in writing, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Architectural Committee, except the granting of a variance pursuant to Section 8 of this Article VIII. In the absence of such designation, the vote of any two (2) Members of the Committee taken without a meeting, shall constitute an act of the Committee.

Section 4. No Waiver of Future Approvals. The approval of the Architectural Committee of any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Architectural Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

Section 5. Compensation for Members. The members of the Architectural Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 6. Inspection of Improvement. Inspection of Improvement and correction of defects therein shall proceed as follows:

(a) Upon the completion of any Improvement for which approved plans are required under this Article VIII, the Owner shall give written notice of completion to the Architectural Committee.

(b) Within sixty (60) days thereafter, the Architectural Committee or its duly authorized representative may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans it shall notify the Owner in writing of such noncompliance within such sixty-day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Architectural Committee shall notify the Board in writing of such failure. Upon Notice and Hearing the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If

the Owner does not comply with the Board ruling within such period the Board, at its option, may either remove the noncomplying Improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against such Owner for reimbursement.

(d) If for any reason the Architectural Committee fails to notify the Owner of any noncompliance within sixty (60) days after receipt of said written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with said approved plans.

Section 7. Non-Liability of Architectural Committee Members. Neither the Architectural Committee nor any member thereof, nor its duly authorized Committee Representative shall be liable to the Association or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the Architectural Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Architectural Committee. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed Improvement, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Property generally. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes, excepting that the Architectural Committee hereby waives the non-liability provision of this paragraph to the extent necessary to obtain insurance as provided for in Article XII hereof.

Section 8. Variances. The Architectural Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Board of Adjustment of Utah County, State of Utah. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which

the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or of any Supplemental Declaration for any purpose except as to the particular portion of the Property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises, including but not limited to zoning ordinances and lot set-back lines or requirements imposed by any governmental or municipal authority.

## ARTICLE IX

### Maintenance and Repair Obligations

Section 1. Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in Section 2, of this Article IX, it shall be the duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding Architectural Committee approval, to maintain, repair, replace and restore areas of the Property subject to his exclusive control, including any improvement thereon in a neat, sanitary and attractive condition. Areas subject to the exclusive control of the Owner shall be deemed to include, but not be limited to such Owner's Lot and the exterior and interior and all glass portions of the Owner's Dwelling Unit. In the event that any Owner shall permit any Improvement, which is the responsibility of such Owner to maintain, to fall into disrepair or not to be so maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Architectural Committee shall have the right, but not the duty, upon fifteen (15) days prior notice to the Owners of such Lot, to correct such condition and to enter upon such Owner's Lot to make such repairs or to perform such maintenance and the cost thereof shall be charged to the Owner. Said cost shall constitute a Special Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration. The Owner shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board, to the amounts payable by each Owner as Common Assessments.

Section 2. Maintenance Obligations of Association. In addition to the provisions of Section 1 of this Article IX, the Association shall maintain, or provide for the maintenance of all of the Common Area and any Improvement thereon, in good order and repair, and shall likewise provide for the painting and minor repair and replacement as necessary of the commonly metered utilities, and any and all utility laterals and structural facilities. In addition to building maintenance, the

Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Area at the time that it is conveyed to the Association. The Association shall further maintain, reconstruct, replace and refinish any paved surface in the Common Area. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board shall determine in its judgment to be appropriate.

Section 4. Damage and Destruction Affecting Dwelling Unit, Duty to Rebuild. If all of or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of said Lot or Dwelling Unit to rebuild, repair or reconstruct said Dwelling Unit in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

Section 5. Variance in Exterior Appearance and Design. Any Owner who has suffered damage may apply for approval to the Architectural Committee for reconstruction, rebuilding or repair of his Dwelling Unit in a manner which will provide for an exterior appearance and design different from that which existed prior to the date of the casualty. Application for such approval shall be made in writing together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstructions and the end result thereof. The Architectural Committee shall grant such approval only if the design proposed by the Owner shall result in a finished Dwelling Unit in harmony with the exterior design of other Dwelling Units on the Property. Failure of the Architectural Committee to act within thirty (30) days after receipt of such a request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof. If the obligation for repair falls upon the Association, Architectural Committee approval will not be required prior to the commencement of such work.

Section 6. Time Limitation. The Owner or Owners of any damaged Dwelling Unit, the Association and the Architectural Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

ARTICLE X

Use Restrictions

All real property within the Property shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemption of the Declarant as provided in Section 5 of this Article X:

Section 1. Single Family Residences, Business or Commercial Activity. Each Lot shall be used as a residence for a single family. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, merchantile, storing, vending or other such non-residential purposes without the vote of seventy-five percent (75%) of the votes eligible to be cast by Members of the Association; notwithstanding any provisions herein to the contrary, nothing herein shall be construed as prohibiting the Declarant, its successors and assigns, from using any portion of the Property for a model home site, and display and sales office during the construction and sales period in accordance with Article II Section 1 (h), of this Declaration.

Section 2. Nuisances. No noxious or offensive activity (including but not limited to the repair of motor vehicles) shall be carried on, in or upon any Lot or the Common Area, nor shall anything be done thereon which may be or become an unreasonable annoyance or nuisance to any other Owner. No loud noises or noxious odors shall be permitted on the Property, and the Board shall have the right to determine in accordance with the By-Laws if any noise, odor or activity producing such noise, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smokey vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles, or items which may unreasonably interfere with television or radio reception of any Owner in the Property, shall be located, used or placed on any portion of the Property, or exposed to the view of other Owners without the prior written approval of the Architectural Committee.

Section 3. Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property or any Lot, without the prior written consent of the Architectural Committee, except one sign for each Lot or Dwelling Unit, of not more than three (3) feet by two (2) feet plain white with black block letters, advertising the Lot or Dwelling Unit for sale or rent, or except signs, regardless of size, used by Declarant, their

successors or assigns, to advertise the Property during the construction and sale period. All signs or billboards and the regulations promulgated for the regulation thereof shall conform to the requirements of the SaltLake County, State of Utah ordinances.

Section 4. Common Area Facilities. Nothing shall be altered or constructed on or removed from the Common Area except upon the written consent of the Association.

Section 5. Declarant's Exemption. The Declarant or its successors or assigns may undertake the work of constructing Dwelling Units and developing all of the Lots included within the Property and any annexation thereto. The completion of that work and sale, rental and other disposal of Dwelling Units is essential to the establishment and welfare of the Property as a residential community. As used in this Section and its subparagraphs, the words "its successors or assigns" specifically do not include purchasers of Lots improved with completed Dwelling Units. In order that said work may be completed and the Property be established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

(a) Prevent the Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing on any Lot owned by the Declarant whatever it determines to be necessary or advisable in connection with the completion of said work, including without limitation the alteration of its construction plans and designs as the Declarant deems advisable in the course of development; or

(b) Prevent the Declarant, its successors or assigns, or its or their representatives, from erecting, constructing and maintaining on any Lot, or portion thereof, owned or controlled by the Declarant, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the Property as a residential community and disposing of the same in Lots by sale, lease or otherwise; or

(c) Prevent the Declarant, its successors or assigns, or its or its contractors or subcontractors, from conducting on any Lot, or any portion thereof, owned or controlled by the Declarant, or its successors or assigns, its business of developing, subdividing, grading and constructing Dwelling Units and other

improvements in the Property as a residential community and of disposing of Dwelling Units thereon by sale, lease or otherwise; or

(d) Prevent the Declarant, its successors or assigns, or its contractors or subcontractors, from maintaining such sign or signs on any Lot owned by or controlled by it as may be necessary in connection with the sale, lease or other marketing of Lots and Dwelling Units; or

(e) Prevent the Declarant, at any time prior to acquisition of title to a Lot by a purchaser from the Declarant, to establish on that Lot additional licenses, reservations and rights-of-way to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Property. The Declarant shall repair at its own cost or expense any damage caused by the Declarant to the Common Area as well as such damages caused to Lots or property still under the Declarant's control.

Section 6. Environmental Regulations. The Property is located in an environmentally sensitive area. Little Cottonwood Creek, which runs through the Property has been designated a non-degradation stream by the State of Utah and Salt Lake County. As a result of such designation the following restrictions with respect to environmental controls shall apply:

(a) Pets. No barn, coop, shed, sty or building of any type shall be constructed for the purpose of housing pigs, cows, sheep, goats, horses, poultry, livestock, or common household pets, and none of the foregoing shall be kept, maintained or permitted at any place within the limits of said subdivision. No animals of any kind, including dogs and/or cats, will be permitted.

(b) Berm. A Berm line shall be located by Declarant. Said Berm line shall run parallel to the north Property line. Grading permits are required before excavation or earth moving on the site. The grading permit application shall show the approved Berm line and height. Thereafter the Association shall cause the same to be maintained in accordance with the requirements of the Salt Lake County Water Quality and Pollution Control Division (the "Agency"). No debris, construction or encroachment of any kind shall be permitted on the creek-side of the Berm. No vegetation may be removed from the Berm or Buffer during or after construction except as required by the Fire Marshal for prevention

of fire hazards. The Berm shall be planted in compliance with the erosion and sediment control plan for the sites.

(c) Portable Field Sanitation Units. During the period of any construction on a Lot, the Owner thereof shall maintain one (1) or more portable field sanitation units ("Units") upon the Property in accordance with plans and specifications set forth by the Agency. After completion of offsite improvements, the undersigned shall have no further obligation to furnish any Units.

(d) Construction and Excavation Debris. The Declarant shall properly maintain the Property during the construction period so as to insure that no construction, excavation, or any other debris ("Spoils") are permitted to accumulate on any adjoining Lot, in any public right of way, or in the buffer area. Lot Owners shall take whatever action is necessary to prevent Spoils from locating beyond the centerline of the Berm. Lot Owners agree that the Declarant or the Architectural Control Committee shall be empowered to clean up any and all Spoils which are located upon any adjoining public or private property as a result of activities of construction. In the event the Lot Owners, Declarant or the Architectural Control Committee fail to discharge their responsibilities pursuant hereto, the Association shall be empowered to fulfill such obligations at the expense of the Lot Owners.

(e) Drilling and Mining. There shall be no oil drilling, mining, quarrying or related operations of any kind permitted on the Property except for existing water wells.

(f) Rubbish. No rubbish shall be stored or allowed to accumulate anywhere on the Property, except in sanitary containers.

Section 7. Insurance Rates. Nothing shall be done or kept on the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept on the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

ARTICLE XI

Damage or Destruction to Common Area

Damage to or destruction of all or any portion of the Common Area shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

(a) In the event of damage or destruction to the Common Area, the Association shall cause such Common Area to be repaired and any Improvement thereon to be reconstructed substantially as it previously existed.

(b) If the insurance proceeds are insufficient to effect total restoration, then the Association shall cause such repair and reconstruction to be substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Lot Owners in accordance with the provisions of Article VI, Section 5, of this Declaration.

(c) Each Owner shall be liable to the Association for any damage to the Common Area not fully covered by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family and guests, including minors and adults. Notwithstanding the foregoing, the Association reserves the right to charge a Special Assessment equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such Owner. In the case of joint ownership of a Lot, the liability of such Owners shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint Owners to the contrary. The cost of correcting such damage shall be a Special Assessment against the Lot owned by such Owner and may be collected as provided herein for the collection of Common Assessments.

ARTICLE XII

Insurance

Section 1. Common Area. The Association shall keep any Improvement and all other insurable property on the Common

Area insured against loss or damage by fire for the full insurance replacement cost thereof and including extended coverage for not less than 100% of the replacement cost of insurable property, and shall obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the Owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association, for the benefit of the Owners. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association shall be Common Expenses payable by included in the Common Assessments made by the Association.

Section 2. Insurance Obligations of Owners. Each Owner shall insure his entire Dwelling Unit, including the structural portions of the Dwelling Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by any Mortgagee of the Dwelling Unit. All such insurance shall be for the full replacement value of the Dwelling Unit. All such policies shall contain a provision that the same shall not be cancelled or terminated except upon at least thirty (30) days written notice to the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area, or any Improvement thereon or any other portion of the Property insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of Article XI of this Declaration. If such insurance proceeds are insufficient to cover the costs of such repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessments made against such Lot Owners, in accordance with the provisions of Article VI, Section 5, of this Declaration. In the event of total destruction of all of the Improvements on the Property, the proceeds of the insurance carried by the Association shall be divided proportionately among the Lot Owners, such proportion based upon the original base sales price of each improved Lot at the time it was initially sold by the Declarant, provided that the balance then due on any valid encumbrance of record shall be

first paid in order of priority, before the distribution of any proceeds to an Owner whose Lot is so encumbered.

Section 4. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Manager, the Declarant, and the agents and employees of each of the foregoing with respect to any loss covered by such insurance, whether or not caused by negligence or of breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 5. Liability Insurance. The Association shall obtain comprehensive public liability insurance, including medical payments, liquor liability insurance and malicious mischief, in the amount of \$1,000,000 per occurrence for personal injury and/or property damage arising from the activities of the Association or with respect to the Common Area including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. Such insurance shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of an Owner because of negligent acts of the Association or other Owners. Such insurance must include other coverage in kinds and amounts commonly required by private institutional Mortgage investors for projects similar in construction, location and use.

Section 6. Miscellaneous.

(a) Minimum Financial Rating of Carrier. Each hazard insurance policy must be written by a hazard insurance carrier which has a financial rating by Best's Insurance reports of Class VI or better. Hazard insurance policies are also acceptable from an insurance carrier which has a financial rating by Best's Insurance Reports of Class V, provided it has a general policy holder's rating of at least A. Each carrier must be specifically licensed or authorized by law to transact business within the State of Utah.

(b) No Assessments. Policies are unacceptable where:  
(i) under the terms of the carrier's charter, by-laws or policy, contributions or assessments may be made against the Association or any Owner or any First Mortgagee or its successors and assigns; or (ii) by the terms of the carrier's charter, by-laws or policy, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than

insurance conditions) which could prevent the Association or any Owner or any First Mortgagee, or its successors and assigns, from collecting insurance proceeds.

(c) Other Requirements. All policies of hazard insurance must contain or have attached the standard Mortgagee clause commonly accepted by private institutional Mortgage investors in the area in which the Property is located. The Mortgagee clause must provide that the insurance carrier shall notify the First Mortgagee named in such policies at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(d) Other Insurance and General. The Association may also obtain, through the Board, Workmens Compensation Insurance and other liability insurance as it may deem desirable insuring each Owner, the Association, the Board and the Manager from liability in connection with the Common Area, the premiums for which shall be Common Expenses payable by the Common Assessments made against the Owners. Such insurance policies shall have severability of interest clauses or endorsements which shall preclude the insurer from denying the claim of an Owner because of the negligent acts of the Association or other Owners. All policies shall be reviewed at least annually by the Board and the limits increased at its discretion.

### ARTICLE XIII

#### Mortgagee Protection Clause

Notwithstanding any and all provisions hereof to the contrary, in order to induce the Federal Home Loan Mortgage Corporation (FHLMC), the Government National Mortgage Association (GNMA) and the Federal National Mortgage Association (FNMA) to participate in the financing of the sale of Lots and Dwelling Units within the Property, the following provisions are added hereto (and to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control):

Section 1. Written Notification of Default. Each First Mortgagee of a Mortgage encumbering any Lot, at his written request, is entitled to written notification from the Association of any default by the Mortgagor of such Lot in the

performance of such Mortgagor's obligations under this Declaration, the Articles, or the By-laws, which default is not cured within sixty (60) days after the Association learns of such default.

Section 2. Right of First Refusal. Each First Mortgagee of a Mortgage encumbering any Lot which obtains title to such Lot pursuant to the remedies provided in such Mortgage, or by foreclosure of such Mortgage, or by deed (or assignment) in lieu of foreclosure, shall be exempt from any "right of first refusal". Any right of first refusal contained in the constituent documents of the Property, or hereinafter added shall not impair the rights of a First Mortgagee to (i) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or (ii) accept a deed or an assignment in lieu of foreclosure in the event of default by a Mortgagor, or (iii) interfere with the subsequent sale or lease of a Lot so acquired by the First Mortgagee.

Section 3. Non-Liability for Prior Unpaid Dues or Charges. Any First Mortgagee, or a purchaser who purchases a Lot from any First Mortgagee who obtains title to a Lot pursuant to a deed (or assignment) in lieu of foreclosure, or pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage, will not be liable for such Lot's unpaid dues or charges which accrue prior to the acquisition of title to such Lot by the First Mortgagee.

Section 4. First Mortgagee Approval. Unless at least one hundred percent (100%) of the First Mortgagees (based upon one vote for each Mortgage owned) of the Lots have given their prior written approval, the Association shall not be entitled to:

- (a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned, directly or indirectly, by the Association for the benefit of the Lots (the granting of easements for public utilities or for other public purposes consistent with the intended use of such Common Area by the Association shall not be deemed a transfer within the meaning of this clause);
- (b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against an Owner;
- (c) By act or omission change, waiver or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural control of the Lots or Dwelling Units, the maintenance of the Lots or Dwelling Units, or the maintenance of the Common Area.

(d) Fail to maintain fire and extended coverage on any insurable Improvement or property on the Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);

(e) Use hazard insurance proceeds for losses to any Improvement or property on the Common Area for other than the repair, replacement or reconstruction of such Improvement or property.

Section 4. Taxes and Charges in Default. First Mortgagees may, jointly or severally, pay taxes or other charges which are in default and which may or have become a charge against any portion of the Common Area and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such portion of the Common Area, and First Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 5. First Mortgagee Priority. No provision of the Declaration, Articles or By-laws shall give an Owner, or any other party, priority over any rights of any First Mortgagee pursuant to its Mortgage in the case of a distribution to such Owners of insurance proceeds or condemnation awards for losses to or a taking of any of the Common Area.

Section 6. Examination of Books and Records. First Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

Section 7. First Mortgagees Written Notice of Amendments and Damage. All First Mortgagees shall be given (i) thirty (30) days written notice prior to the effective date of any proposed material amendment to the Declaration, the Articles or By-laws, and prior to the effective date of any termination of an agreement for professional management of the Property following a decision of the Owners to assume self-management of the Property; and (ii) immediate notice following any damage to the Common Area whenever the cost of reconstruction exceeds Ten Thousand Dollars (\$10,000) and as soon as the Board learns of any threatened condemnation proceedings or proposed acquisition of any portion of the Property.

Section 8. Reserve Fund for Common Area. Association dues or charges shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the Common Area that must be replaced on a periodic basis and are payable in regular installments rather than by Special Assessments.

Section 9. First Mortgagee Written Notice of Default by Owner. A First Mortgagee, upon request, is entitled to written notification from the Association of any default by an Owner with respect to any obligation under the constituent documents of the Property which is not cured within sixty (60) days.

Section 10. Agreement for Professional Management. Any agreement for professional management of the Association, or any other contract providing for services of the Declarant may not exceed three (3) years. Any such agreement must provide for termination by either party without cause, and without payment of a termination fee, on ninety (90) days written notice.

Section 11. Satisfaction of Guidelines. In addition to the foregoing, the Board may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of the VA, the FHA, the FHLMC, the FNMA or the GNMA or any similar entity, so long as to allow for the purchase, insurance or guaranty, as the case may be, by such entities of the First Mortgages encumbering Lots and/or with Dwelling Units. Each Owner hereby agrees that it will benefit the Association and the Members of the Association, as a class of potential Mortgage borrowers and potential sellers of their Dwelling Units if such agencies approve the Property as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

Section 12. Amendment of Article. Neither this Article XIII nor Section 6 of Article VII of this Declaration shall be amended without the approval of one hundred percent (100%) of the First Mortgagees.

#### ARTICLE XIV

##### Annexation of Additional Property

Additional real property may be annexed to the Property and such additional real property may become subject to this Declaration by any of the methods set forth hereinafter:

##### Section 1. Additions by Declarant.

(a) If the Declarant, its successors or assigns, shall develop, or cause to be developed, additional real property (the "Annexed Property") contiguous to the Property, the Declarant, or its successors or assigns, shall have the right from time to time to add the Annexed Property or any portion or portions thereof to

the Property and to bring the Annexed Property within the general plan and scheme of this Declaration without the approval of the Association, its Board, or Members; provided that such a right of the Declarant, its successors and assigns, shall terminate five (5) years from the date of recording this Declaration.

Section 2. Other Additions. In addition to the provisions for annexation specified in Section 1 above, additional real property may be annexed to the Property and brought within the general plan and scheme of this Declaration upon the approval by vote or written consent of Members entitled to exercise no less than two-thirds (2/3) of the voting power of the Class A Members, excluding the votes of the Declarant.

Section 3. Title to Common Area. Prior to the conveyance of any Lot within the Annexed Property to any individual purchaser thereof, whether such annexation was accomplished by either method set forth in Section 1 and 2 above, title to the Common Area, if any, within said Annexed Property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, conditions and restrictions then of record, including those set forth in this Declaration.

Section 4. Notice of Addition of Property. The additions authorized under Sections 1 and 2 of this Article XIV shall be made by filing of record a Notice of Addition of Property, or other similar instrument (which Notice or instrument may contain the Supplemental Declaration, if any, affecting each Subdivision), with respect to the Annexed Property which shall be executed by the Declarant or the owner thereof and shall extend the general plan and scheme of this Declaration to the Annexed Property. The filing of record of said Notice of Addition shall constitute and effectuate the annexation of the Annexed Property described therein, and thereupon the Annexed Property shall become and constitute a part of the Property, become subject to this Declaration and encompassed within the general plan and scheme of covenants, conditions, restrictions, reservation of easements and equitable servitudes contained herein, and become subject to the functions, powers and jurisdiction of the Association; and the Owners of Lots in the Annexed Property shall automatically become Members of the Association. Such Notice of Addition may contain such additions and modifications of the covenants, conditions and restrictions, reservation of easements and equitable servitudes contained in this Declaration as may be necessary to reflect the different character, if any, of the Annexed Property, or as the Declarant may deem appropriate in the development of the Annexed Property, and as are not inconsistent with the general plan and scheme of this Declaration. In no event, however, shall such

Notice of Addition revoke, modify or add to the covenants, conditions, restrictions, reservation of easements, or equitable servitudes established by this Declaration as the same shall pertain to the Property. No addition of property shall substantially increase assessments or substantially increase the burden upon the Common Area.

## ARTICLE XV

### General Provisions

Section 1. Enforcement. This Declaration, the Articles, and the By-laws may be enforced by the Association as follows:

(a) Breach of any of the covenants contained in this Declaration, the Articles or the By-laws and the continuation of any such breach may be enjoined, abated or remedied by appropriate legal proceedings by an Owner, by the Association, or the successors-in-interest of the Association. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorney's fees in an amount as the court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs.

(b) The result of every act or omission whereby any of the covenants contained in this Declaration, the Articles or the By-Laws are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance either public or private shall be applicable against every such result and may be exercised by any Owner, by the Association or its successors-in-interest.

(c) The remedies herein provided for breach of the covenants contained in this Declaration, the Articles or in the By-laws shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

(d) The failure of the Association to enforce any of the covenants contained in this Declaration, the Articles or in the By-laws shall not constitute a waiver of the right to enforce the same thereafter.

(e) A breach of the covenants, conditions or restrictions contained in this Declaration, the Articles or in the By-laws shall not affect or impair the lien or charge of any bonafide first Mortgage made in good faith and for value on any Lot or Dwelling Unit, provided, however, that any subsequent Owner of such Lot or Dwelling Unit shall be bound by said covenants, whether such Owner's title was acquired by foreclosure in a trustee's sale, or otherwise.

(f) Salt Lake County or the Association may enforce the environmental provisions of Article X Section 6 and Section 7 hereof.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of community recreational facilities and Common Area. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine and neuter shall each include the masculine, feminine and neuter.

Section 4. Amendments. This Declaration may be amended only by the affirmative vote or written consent of the Owners holding not less than fifty-one percent (51%) of the voting power of the Members; provided, however, that the prior written approval of at least one hundred percent (100%) of all First Mortgagees must be obtained as provided in Section 12 of Article XIII above.

Section 5. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Property to the public, or for any public use.

Section 6. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Property does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument

by which such person acquired an interest in the Property, or any portion thereof.

Section 7. Reservation of Easements. Reciprocal easements are hereby reserved for the benefit of adjoining Lot Owners and Salt Lake County for the control, maintenance and repair of the utilities and storm drains of adjoining Lot Owners. The Declarant expressly reserves for the benefit of all of the real property in the Property, and the Owners, reciprocal easements of access, ingress and egress over all Lots, and over the Common Area, for the use and enjoyment of the Lots in accordance with this Declaration, including without limitation for installation and repair of utility services, for drainage over, across and upon adjacent Lots for water resulting from the normal use of adjoining Lots, and for maintenance and repair of any Dwelling Unit. Such easements may be used by the Declarant, its successors, purchasers and all Owners, their guests, tenants, lessees and invitees, residing on or temporarily visiting the Property, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot and the Common Area. No Owner of a Lot shall interfere with the established drainage pattern over his Lot from adjoining or other Lots. Each Owner of a Lot shall make adequate provision for drainage with the approval of Salt Lake County in the event he changes the established drainage over his Lot. For purposes of this Declaration, "Established Drainage" on any Lot is defined as the drainage conveyed to a purchaser from the Declarant. The Declarant further expressly reserves for the benefit of the Association, its agents and employees, easements of access, ingress and egress, over the Lots and the Common Area for the purpose of maintaining, repairing and installing sewer pipelines and laterals, in accordance with the provisions of this Declaration, and as otherwise provided by law. The Declarant, as well as Owners of Lots, and all others who shall come in contact with the Property, shall use reasonable restraints with regard to the Property when exercising any rights granted under this paragraph, and due regard shall be given to the aesthetic value, beautification, upkeep and maintenance of all of the Property, and the use and enjoyment by an Owner of his Lot.

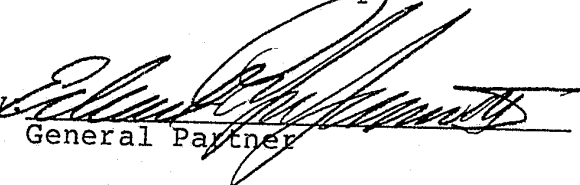

Section 8. Notices. Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the residence of such person if no address has been given to the Association. Such

address may be changed from time to time by notice in writing to the Association.

Section 9. No Representations or Warranties. No representations or warranties of any kind, express or implied, have been given or made by the Declarant or its agents or employees in connection with the Property or any portion of the Property, or any improvement thereon, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivision, sale operation, maintenance, cost of maintenance, taxes or regulation thereof as a planned unit development, except as specifically and expressly set forth in this Declaration and except as may be hereafter filed by the Declarant from time to time.

IN WITNESS WHEREOF, this Amended Declaration of Covenants, Conditions and Restrictions and Reservations of Easements for The Villas La Montagne, A Planned Unit Development, has been executed as of the day and year first above written.
