I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 19th day of May, 1980, Case No. 8297 by Thomas Smith by Engineering Division/Salt Lake City Public Works was heard by the Board with final action being taken on the 2nd day of June, 1980. The applicant requested a variance on the property at 953 Third Avenue (the northeast corner of "P" Street and Third Avenue) to legalize a curb cut and driveway approach in the parking strip, a portion of which does not lead to a legal parking space in a Residential "R-2" District, the legal description of said property being as follows:

Commencing at the Southwest corner of Lot 2, Block 27, Plat "G", Salt Lake City Survey, running thence North 127'; thence East 46.5'; thence South 127'; thence West 46.5' to the point of beginning.

It was moved, seconded and unanimously passed that the 8.5' be removed as it does not lead to a legal parking area, unless the drive is made to lead to a legal parking area within one year.

Subscribed and sworn to before me this 7th day of July, 1980.
