#### PROPOSED SERVICES

The Service District will be authorized to provide recreational services through the acquisition and/or construction of recreational facilities, systems or improvements to be located within the Service District, together with necessary appurtenances and equipment therefor.

#### METHOD OF FINANCING

Pursuant to the provisions of the Utah Special Service District Act, Utah Code Annotated, Sections 17A-2-1301, et seq. (1953), as amended, and Article XIV, Section 8 of the Utah Constitution, the Service District may annually impose fees and charges to pay for all or part of the services to be provided by the Service District. It may also annually levy taxes upon all taxable property within the Service District, to provide the proposed services, and may issue bonds for the acquisition and construction of facilities, systems or improvements to provide said services, provided, however, that the levy to provide said services or to repay said bonds, must be authorized and approved by a majority of the qualified electors of the Service District

at an election for that purpose.

**PUBLIC HEARING ON PROPOSED ESTABLISHMENT  
OF SPECIAL SERVICE DISTRICT**

The Board will hold a public hearing on the establishment of the proposed Service District and the furnishing of recreational services therein at 7:00 p.m. on October 7, 1991 at the Summit County Services Building Kamas, Utah. Any interested person may protest the establishment of the proposed Service District or the furnishing of said services therein either orally at the hearing or in writing, at or at any time prior to the hearing. Written protests must be filed with the County Clerk in Coalville, Utah, and may be withdrawn by the protestant at any time before the Board established or abandons the Service District.

Any protest signed on behalf of a corporation owning property in the proposed Service District shall be sufficient if it is signed by the president, vice president, or any duly authorized agent of the corporation. Where title to any property is held in the name of more than one person, all of the persons holding title to the property must join in the signing of the protest.

At said public hearing, the Board will give full consideration to all protests which shall have been filed and will hear and consider all interested persons desiring to be heard. The Board may continue the hearing from time to time. After conclusion of the hearing, the Board shall adopt a resolution either establishing the Service District or determining that the establishment of the Service District should

be abandoned, or may, in its discretion, reduce the boundaries of the proposed Service District and establish the Service District by resolution, as modified.

If, within fifteen (15) days after the conclusion of the hearing, over fifty percent (50%) of the qualified voters of the territory proposed to be included within the Service District or the owners of over 50% of the assessed value of the taxable property included within the proposed Service District file written protest against the establishment of the proposed Service District or against the specified type of service to be provided within the Service District with the County Clerk, the Board is required by law, in the former instance, to abandon the proposed establishment of the Service District and, in the latter instance, to eliminate the type of service objected to from the resolution finally establishing the Service District.

Any person who shall, at or any time prior to the date and time above-specified for the hearing, file a written protest with the County Clerk against the establishment of the Service District and who is a qualified voter residing within the proposed Service District or whose property has been included within the boundaries of the Service District notwithstanding such protest, may, within thirty (30) days after the adoption of the Resolution establishing the District, apply to the District Court of the Third Judicial District for a writ of review of the actions of the Board in establishing the Service District, only upon the grounds, however, that his property will not be benefited by the services authorized to be furnished by the

Service District or that the proceedings taken in the establishment of the Service District have not been in compliance with law.

A FAILURE TO APPLY FOR SUCH WRIT OF REVIEW WITHIN THE PRESCRIBED TIME SHALL FORECLOSE ALL OWNERS OF PROPERTY OR QUALIFIED VOTERS WITHIN THE PROPOSED SERVICE DISTRICT SO ESTABLISHED FROM THE RIGHT FURTHER TO OBJECT THERETO.
