COVENANTS, CONDITIONS AND RESTRICTIONS
JORDAN MEADOWS, A PLANNED RESIDENTIAL DESIGN

We the undersigned, owners in fee of the following described real property, to wit: Lots 1 through 72, inclusive, Jordan Meadows Subdivision, a Planned Residential Design, do hereby make the following declarations as to limitations, restrictions and uses to which the lots and/or tracts constituting the said addition, may be put, hereby specifying that the said declaration shall constitute covenants to run with all of the land as provided by law and shall be binding upon all of the parties and all persons claiming under them, and for the benefit of and limitations upon all future owners in said addition, the declaration of restrictions being designated for the purpose of keeping the said subdivision desirable, uniform, and suitable in architectural and landscape design and use as herein specified.

ENT 34679 BK 5022 PG 593
RANDALL A. COVINGTON
UTAH COUNTY RECORDER
1999 Mar 24 3:14 pm FEE 93.00 BY SS
RECORDED FOR DOUG YATES

AREA OF APPLICATION

Full-protected residential area. The residential area covenants in their entirety shall apply to all property listed in the above described property and also described in the attached exhibit A.

RESIDENTIAL AREA COVENANTS

1. Land use and building type. No lot shall be used except for the residential purpose. No building shall be erected, altered, placed or permitted to remain on any lot other than one (1) single-family dwelling not to exceed two (2) stories in height and private garage for not less than two vehicles. Each finished dwelling must have a minimum square footage of 1000 square feet of living area on the main level. Square footage is excluding garages, verandas, carports, patios, basements, porches and steps. Any square footage with any portion thereof beneath the top grade of the foundations will not qualify to offset the minimum square footage requirement.

2. No tank for storage of fuel may be maintained above the surface of the ground.

3. Building location. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building set back lines as required by Lehi City. The front setbacks shall vary between 20 and 25 feet.

No building shall be located nearer than 8 feet to an interior lot line. No dwelling shall be located on an interior lot nearer than 25 feet to the rear lot line. For the purpose of this covenant, eaves, steps, chimneys and open porches shall not be considered as a part of the building, provided, however, that this shall not be construed to permit any portion of a building, or a lot to encroach upon another lot.

Buildings on corner lots shall be setback from the streets 20 and 25 feet with 25 feet against the front elevation of the home. The rear setback for corner lots shall be 15 feet.

4. No building material of any kind or character shall be placed or stored upon any lot until the owner thereof is ready to commence improvements and then the material will be placed within the property lines of the plot upon which the improvements are to be erected, and shall not be placed in the streets or between the curb and the property line.

5. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. All power and telephone lines must be run underground.

6. Keeping of animals other than those ordinarily kept as family pets shall be forbidden, unless the

written permission of two-thirds of the subdivision owners is obtained for the exception. Said exception must also be in accordance with city zoning requirements.

ENT 34679 BK 5022 PG 594

7. Nuisances. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. This area is subject to all the sounds, odors, and activities normally associated with an agricultural area and use.

8. No signs, billboards, nor advertising structures may be erected or displayed on any lots hereinbefore described or parts or portions thereof, except that a single sign, not more than 3 feet by 5 feet in size advertising a specific unit for sale or house for rent or construction sign, may be displayed on the premises affected. The other exception will be signs that are deemed necessary by the original owner/developer of the subdivision, and all such signs must be removed at such time that all the lots in the subdivision are sold.

9. No satellite dishes or antennas shall be placed in set back easements of said side yards and are to be obscured from public view.

10. No trash, ashes, nor any other refuse may be dumped, or thrown, or otherwise disposed of, on any lot hereinbefore described or any part or portion thereof. All homes must subscribe to city garbage disposal service, or an incinerator must be provided.

11. Temporary structures. No structure of a temporary character, trailer basement, tent, shack, garages, barn, or other out buildings shall be used on any lot at any time as a residence, either temporary or permanently.

12. Any detached accessory building erected on the lots shall conform in design and materials with the primary residential home on the lot.

13. Fencing. No fence, wall, hedge, or other dividing structure higher than 3 ½ feet shall be permitted within the front yard setback. No dividing structure on any other portion of the lot shall be over 6 feet in height. No fencing shall be erected within 5 feet of the non-climbable metal fence adjacent to 2300 West and is only permissible if the coniferous vegetation inside the property line along 2300 West is adequately maintained to provide a continuous landscaped barrier.

14. Parking and Storage. No inoperative automobile shall be placed or remain on any lot or adjacent street for more than 48 hours. No commercial type vehicles and no trucks shall be parked or stored on the front yard setback of any lot, or within the side yard building setback on the street side of a corner lot, or on the residential street except while engaged in transportation. Trailers, mobile homes, trucks over three-quarter ton capacity, boats, campers not on a truck bed, motor homes, buses, tractors and maintenance or commercial equipment of any kind shall be parked or stored behind the front yard setback in an enclosed area screened from street view. Sufficient side yard gate access should be planned and provided for in the design of the home, to permit ingress, egress and storage of trailers and recreational type vehicles on the side and rear yards. The storage or accumulation of junk, trash, manure or other offensive or commercial materials is prohibited. Facilities for hanging, drying or airing clothing or household fabrics shall be appropriately screened from view.

15. Maintenance. Every lot, including improvements in said tract, shall be kept in good repair and maintained by the owner thereof in a clean, safe and attractive condition.

16. Landscaping. All front yard landscaping must be installed within the first growing season after

such date that occupancy permit is granted to each individual dwelling. Growing season will be considered to commence on April 1, and run through October 31. If a building permit is issued during the growing season; compliance with this restriction is required by the end of the current growing season, unless the permit is issued after September 1 of that growing season.

For lots 12-23, 45-48 and 70-72, a variety of Arborvitae, or column shaped Juniper, or other similar, suitable, approved evergreen vegetation is to be planted within 8 feet of the non-climbable metal fencing adjacent to 2300 West. This vegetation will provide a decorative barrier between the homes and 2300 West without providing a surface which may be marred by graffiti. This vegetation is to be installed by the homeowner within one year of the occupancy of each home. It is also the responsibility of the homeowner provide healthy growing conditions for, and to otherwise maintain, the vegetation along the non-climbable metal fence.

ENT 34679 BK 5022 PG 595

DESIGN GUIDELINES

In addition to the above listed Residential Area Covenants and all other restrictions and covenants outlined in this document, a set of Design Guidelines shall apply. The purpose of the Design Guidelines is to increase the aesthetic quality of the Jordan Meadows Subdivision, a Planned Residential Design, while maintaining a housing stock that remains achievable to the first-time home buyer. The Design Guidelines are intended to create a harmonious architectural approach, compatible with the site, while providing each home owner with flexibility in choosing exterior and interior features so as to avoid monotony of design, exterior elevations and colors. These Design Guidelines are listed below.

I. Architectural Standards

1. **Height of Structures**
The maximum height of any residence shall not exceed two stories above grade and shall not exceed Lehi City building height requirements for the zone.
2. **No Reflective Finishes**
No highly reflective finishes (other than glass, which may not be mirrored) shall be used on exterior surfaces (other than surfaces of hardware fixtures), including without limitation, the exterior surfaces of the following: roofs, all projections above roofs, doors, trim, fences, pipes, mailboxes and newspaper tubes.
3. **Materials - Exterior Surfaces**
Exterior surfaces will consist of the following: On all side and rear elevations of all homes, vinyl siding, stucco and masonry shall be acceptable. The front elevation of all homes will be a combination of stucco and masonry wainscot, or vinyl and masonry wainscot with the minimum masonry square footage equal to four times the length of the front elevation. The colors of the siding, stucco and masonry shall be chosen to compliment and match as closely as possible.
4. **No Two Homes Alike on Adjoining Lots**
Due to the lot size and density of Jordan Meadows, no two alike are allowed on adjoining lots. Adjoining lots shall be defined as lots which share common side yard property lines. This includes the same model with different materials, however, the same model with two different front elevation details will be permitted on adjoining lots.
5. **Setback Requirements**
Front setbacks shall vary between 20 and 25 feet to create additional visual interest to the

streetscape. The minimum side setback shall be eight feet for lots less than 8,000 square feet and 10 feet for all other lots. The minimum rear setback for standard lots shall be 25 feet. Corner lots shall setbacks from streets of 20 and 25 feet with 25 feet against the front elevation of the home. The rear setback for corner lots shall be 15 feet.

ENT 34679 BK 5022 PG 596

6. Garage Access - Corner Lots

Homes on corner lots shall have side-entry garages with at least one window on the front elevation side of the garage.

II. Landscaping

Within one year of occupancy of each home, the home shall have, within the front setback, sod, two trees and five shrubs.

The trees shall be 2" caliper if deciduous and 6' if coniferous. Shrubs shall be a minimum of one gallon. Trees and shrubs shall be chosen from the following list:

Coniferous Trees

White Fir
Colorado Green Spruce
Austrian Pine

Deciduous Trees

Red Sunset Maple
Palmore Ash
Eastern Redbud
Bradford Pear

Coniferous Shrubs

Sea Green Juniper
Compact Oregon Grape

Deciduous Shrubs

Redleaf Barberry
Compact Burning Bush
Alpine Currant

Side and rear yards shall be landscaped within two years of the home occupancy.

III. Fencing

Perimeter fencing along 2300 West Street and 1500 North Street shall be uniform and site-obscuring. Perimeter fencing along these streets shall be the responsibility of the subdivision developer. A decorative metal fence with masonry pilasters shall be installed along 2300 West Street. Homeowners along 2300 West shall install coniferous trees along the metal fence to provide a site and sound barrier. Varieties of acceptable coniferous trees shall be identified by the developer and approved by the staff prior to plat recordation. This will provide a decorative barrier along 2300 West without being attractive as a graffiti surface.

White vinyl fencing with masonry pilasters shall be installed along 1500 North. Bradford Pear street trees shall be installed, by the developer, within the park strip to provide visual continuity with the Parkside Subdivision.

ENT 34679 BK 5022 PG 597

Additionally, white, vinyl fencing shall be installed along west property line of Gene Peterson to the rear of Mr. Peterson's landscaped yard. Fencing north of the landscaped yard shall be non-climbable metal fencing.

GENERAL PROVISIONS

The said covenants, conditions, restrictions and reservations shall be perpetual and shall apply to and be forever binding upon the grantees, successors, executors, administrators and assigns, and are imposed upon the land as an obligation and charge against the same for the benefit of the grantors herein named, its successors and assigns as a general plan for the benefit of the said tract, however, the said covenants can be terminated or amended by agreement in writing signed by two-thirds of the property owners in the said tract.

ENFORCEMENT

In the event of violation of any of these covenants, property owners in the said tract are authorized and empowered to take such action as may be necessary to enforce or enjoin the violators of these covenants, it being understood and agreed by all of the signators hereto that the costs including attorney's fees of such enforcement shall be borne by property owners proportionately to the frontage each owns on any street in the subdivision. It being also understood and agreed by all of the signators hereto, that if such aforementioned signators violate the provisions of these covenants, and are proven at fault; they agree to pay the reasonable costs and attorney's fees necessary to enforce the provisions of these covenants and restrictions. If such debt remains unpaid 90 days beyond the date notice is tendered to the violator, a lien shall be recorded against the lot where the violation has been perpetuated.

SEVERABILITY

Invalidation of any one of these covenants by judgement or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, the undersigned, Providence Development Group, LLC, has executed the instrument this 23 day of March 1999.
