## NOTICE OF DISCONNECTION OF WATER SERVICE

Benchland Water District ("the District") hereby provides notice that the parcel identified below previously received secondary/irrigation water service from the District. However, due to nonpayment of water service charges or other reasons, water service to the parcel has been disconnected. The parcel may be reconnected to the District system only if (1) a \$350 reconnection fee is paid to the District, and (2) the annual service charge for the then-current year is paid in full.
