**ACCESS, DRAINAGE, AND ENCROACHMENT EASEMENT AGREEMENT**

THIS ACCESS, DRAINAGE, AND ENCROACHMENT EASEMENT AGREEMENT (the "Agreement") is made and entered into as of the date set forth on the signature page by and between DANIEL J AND JAMIE C DAVIS, individuals residing at 1779 S. 3525 West Circle, Syracuse, Utah and assigns, successors, or heirs ("Grantor") and WEST DAVIS SELF STORAGE, LLC, a Utah limited liability company, and assigns, successors, or heirs, ("Grantee") (the Parties may be referred to herein collective as the "Parties" or each individually a "Party").

**RECITALS**

WHEREAS, Syracuse City ("City") Ordinance 10.30.080 (E) allows that buffer yards may be, subject to deed restrictions, freely conveyed to adjoining land owners, provided that any such conveyance adequately guarantees the protection of the buffer yard for the purposes of City Ordinance 10.30.080;

WHEREAS, in exchange for the Grantee quit claiming Grantee's rights to certain real property, used as a buffer yard, more particularly described on **Exhibit A** attached hereto and incorporated herein by this reference ("Grantor Property"), to Grantor, the Grantor agrees to grant Grantee certain easement rights described herein;

WHEREAS the Grantor is or will be the fee simple owner of the Grantor Property located in Syracuse City ("City"), Davis County ("County"), State of Utah;

WHEREAS, Grantee is the fee simple owner of that certain real property located adjacent to the Grantor Property and in Syracuse City ("City"), Davis County ("County"), State of Utah, more particularly described on **Exhibit B** attached hereto and incorporated herein by this reference ("Grantee Property"); and

WHEREAS, Grantor desires to grant to Grantee a non-exclusive access, drainage and encroachment easement in perpetuity over, under, and across Grantor Property, as depicted on **Exhibit C** attached hereto and incorporated herein by this reference (the "Easement Area").

NOW, THEREFORE, for and inconsideration of Grantee quit claiming property rights to Grantor for the Grantor property, and for and inconsideration of the terms and conditions set forth

herein, and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

1. Grant of Easement for Access. Grantor hereby grants and conveys a non-exclusive easement (the "Access Easement") upon, over, and across the Easement Area for the purpose of providing ingress and egress access to the Grantee's self-storage for purposes of inspection, maintenance, and repair of the storage units located on the Grantee Property, at such times as the Grantee deems necessary. Such right shall extend to individuals, and/or entities hired by Grantee to perform inspection, maintenance, and repair services.

2. Grant of Easement for Drainage. Grantor hereby grants and conveys a non-exclusive easement (the "Drainage Easement") upon, over, and across the Easement Area for the purpose of storm water drainage that comes from the Grantee's self-storage buildings onto the Grantor Property.

3. Grant of Easement for Encroachment. Grantor hereby grants and conveys an easement (the "Encroachment Easement") (the Access Easement, Drainage Easement and Encroachment Easement are collectively referred to herein as the "Easement") upon, over, under, and across the Easement Area for the purpose of allowing any existing encroachments to continue which may exist from Grantee's storage buildings onto, under or over the Grantor Property, including but not limited to: foundation walls, footings, block, rain gutters and downspouts, ornamental metal, etc. Such right shall extend to future repaired or replaced items, including but not limited to foundation walls, footings, block, rain gutters and downspouts, ornamental metal, etc. Any portion of the Grantee Property or buildings thereon adjacent to the Grantor Property, which may or may not encroach onto the Grantor Property, including but not limited to, foundation walls, footings, block, rain gutters and downspouts, ornamental metal, etc. shall remain the sole property of the Grantee. The Grantor shall have no right to remove, modify, use or alter in any way the Grantee's property, buildings, or building components regardless of encroachment.

4. Shared, Non-exclusive Use. Exclusive use of the Easement Area is not hereby granted by the Grantor. Instead, Grantor expressly reserves to themselves, successors, heirs, tenants and guests, the right to use and enjoy the Grantor Property subject to the limitations of this Agreement.

5. Amendment and Termination. This Agreement may not be amended or modified except with the written consent of the Parties duly recorded in the office of the Davis County Recorder.

6. Default. A defaulting party shall have ten (10) days following receipt of written notice, which notice shall specifically describe the default(s), to cure said default(s). Failure to cure any described default(s) shall entitle the nonbreaching party to any remedies available at law or in equity including, but not limited to, specific performance, reasonable expenses, attorney fees and costs.

7. Maintenance.

- a. Grantor shall maintain the Grantor Property in a way that allows for the continued, uninterrupted and unobstructed use of the Easement by Grantee in accordance with Grantee's right pursuant to this Agreement.
- b. Grantor shall maintain the Grantor Property in a way which is consistent with City code section 10.30.080.
- c. Grantor shall not construct or cause to be constructed any permanent structures or encumbrances within the Easement Area.
- d. Notwithstanding anything herein to the contrary, Grantor shall be permitted to install a boundary fence around the Grantor Property. Provided, however, that in the event any such fence is erected, and adequate access gates are not provided, Grantee shall have the right to remove any portion necessary in order to gain access to the Easement Area for construction, repair, maintenance or other related uses of the Easement Area. Upon the conclusion of Grantee's access onto the Grantor Property, Grantee shall restore the Grantor's fence to substantially similar the condition prior to Grantee's access.
- e. Grantor shall maintain the Grantor Property at Grantor's sole expense.

8. Waiver. The failure of a Party to insist upon strict performance of any of the terms, covenants, conditions or agreements contained herein shall not be deemed a waiver of any rights or remedies that said person may have, and shall not be deemed a waiver of any subsequent breach or default in any of the terms, covenants, conditions or agreements contained herein by the same or any other Party.

9. No Joint Venture; Merger. The provisions of this Agreement are not intended to create, nor shall they be in any way interpreted or construed to create, a joint venture, partnership or any similar relationship between the Parties. This Agreement contains the entire agreement and understanding between the Parties and supersedes all prior agreements, oral or written, with respect to the subject matter hereof. The provisions of this Agreement shall be construed as a whole and not strictly for or against any Party.

10. Choice of Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah. This Agreement shall be recorded in the records of the Davis County Recorder.

11. Successors and Assigns; Run with the Land. All of the provisions in this Agreement, including the benefits and burdens, shall be and are binding upon and inure to the benefit of the successors and assigns of the Parties hereto. All obligations of each Party under this Agreement, if more than one person or entity is the successor or assign of such Party, shall be jointly and severally binding on each such person or entity. The covenants agreed to and the restrictions imposed herein shall continue as a servitude running in perpetuity with the Grantor and Grantee's respective properties and shall survive any death or termination of any party's existence. The easements, agreements, duties, responsibilities, and covenants herein contained shall be easements and covenants running with the land.

12. No Third-Party Beneficiaries. Nothing in this Agreement is intended to create an enforceable right, claim, or cause of any by any third-party against any Party to this Agreement.

13. Authority of Signatory. Each person executing this Agreement certifies that he or she is duly authorized to execute this Agreement on behalf of the Party for which he or she is signing, and that the person has the authority to bind said Party to the terms of this Agreement.

14. Independent Provisions. If any provision herein is held invalid or unenforceable, such a finding shall not affect the validity of the remainder of the Agreement, the Parties hereto hereby stipulate that all provisions contained herein are severable and independent.

15. Counterparts. This Agreement and any originals of exhibits referred to herein may be executed in two (2) or more counterparts, each of which (when the original signatures are affixed together with the applicable acknowledgement) shall be an original but all of which shall constitute one and the same instrument.
