SUBSTANDARD SEWER CONNECTION

Jerry W. Peterson, the undersigned, owner of property at: Lot 1505, Mt Olympus Hills #15 4735-465

understand that the sewer lateral from the building to the sewer is less than the minimum regulations required by the Salt Lake City Suburban Sanitary District. For reasons sufficient to me and for my convenience, and with a full understanding that the line has not met the standard requirements of the Salt Lake Suburban Sanitary District, I hereby request permission to have this property connected to the sewer. Specifically, the fault is: Sewer line layed without inspection.

Instead of being required to re-lay this line, I request permission to connect to the sewer system with the knowledge that I am fully responsible for any difficulty which may arise within such line. I agree to the recording of this document and herewith pay the filing fee of \$ 4.00.
