This Declaration containing covenants, conditions and restrictions relating to the Project shall be enforceable equitable servitudes which shall run with the land and this Declaration and its servitudes shall be binding upon Declarant, its successors and assigns and upon all Unit Owners or subsequent unit owners, their grantees, mortgagees, successors, heirs, executors, administrators, devisees and assigns.

5. Description of Property.

(a) Description of Land. The land is that tract or parcel in Salt Lake County, Utah, more particularly described on the first page of this Declaration.

(b) Description of Building. The significant improvements contained or to be contained in the Project include those described in this Paragraph (b). Ten buildings of two different configuration configurations are to be constructed on the property. One configuration will be designated "A" and the other "B". There will be six "A" buildings and four "B" buildings. Each building will contain four units, one two-bedroom unit, two three-bedroom units and one-four bedroom unit. All units will be on three levels with a garage storage area and furnace room on the lower level and kitchen, dining, living area and bedrooms and bathrooms on the main and upper levels. All units will have separate heating and air conditioning facilities and separately metered utilities except for power to the common areas and water, which will be metered centrally and charged to the Association. There will be visitor parking which will be part of the common area. The buildings will be mostly of frame construction with redwood siding and trim, cedar shake shingles and brick fireplaces and some brick siding. The interiors will be furnished with sheetrock and paint on the walls and ceilings and carpet, tile or linoleum on the floors. The Unit Owners will purchase each unit in an unfinished, undecorated and unfurnished "as is" condition except as described herein.

(c) Description and Legal Status of Units. The Map shows the Unit Number of each Unit, its location, and the Common Areas and Facilities to which it has immediate access.

(1) Each Unit shall include the part of the building containing the Unit which lies within the boundaries of the Unit, which boundary shall be determined in the following manner:

(A) The upper boundary shall be the plane of the lower surface of the ceiling slab of the upper level of each unit.

(B) The lower boundary shall be the plane of the upper surface of the floor slab of the lower level of each unit; and

(C) The vertical boundaries of the Unit shall be (i) the interior surface of the outside walls of the building bounding a Unit; (ii) the center line of any non-bearing interior walls bounding a Unit excepting the structural pillars, girders, beams, etc.; and (iii) the interior surface of any interior bearing walls bounding a Unit.

(2) The Units of the Project are described below.

(A) There are forty (40) Units, each Unit consisting of a portion of one building and four (4) units being located in each of ten (10) buildings. The Units are numbered from A-1 through J-4, as shown on Exhibit "B".

(B) The Map shows the Unit Number of each Unit, its location and the immediate Common Areas to which each Unit has access.

(C) Exhibit "B" attached hereto shows the appurtenant percentage of undivided ownership of each Unit in the Common Areas.

(d) Common Areas and Facilities. Except as otherwise provided in the Declaration, the Common Areas and Facilities shall consist of the areas and facilities described in the definitions and constitute in general all of the parts of the Property except the Units. Without limiting the generality of the foregoing, the Common Areas and Facilities shall include the following, whether located within the bounds of a Unit or not;

(1) All structural parts of the buildings, including, without limitation, foundations, columns, joists, beams, supports, supporting walls, floors, ceilings and roofs;

(2) Driveways, parking areas, and entrance ways.

(3) Any utility pipe or line or system servicing more than a single Unit, and all ducts, wires, conduits, and other accessories used therewith;

(4) All other parts of the Property necessary or convenient to its existence, maintenance and safety, or normally in common use, or which have been designated as Common Areas and Facilities in the Map;

(5) All repairs and replacements of any of the foregoing.

6. Alterations. For the two (2) years following the recordation hereof, the Declarant reserves the right to change the interior design and interior arrangement of any Unit and to alter the boundaries between Units, so long as the Declarant owns the Units so altered. Any such change shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in Section 24 of this Declaration. Such change may increase the number of Units and alter the boundaries of the Common Areas and Facilities. If the boundaries between Units are altered or the number of Units increased, in the amendment related thereto the Declarant shall reapportion the percentage of ownership in the Common Areas and Facilities which are allocated to the altered Units on the basis of the change in floorspace which results from the boundary alteration.

7. Statement of Purpose and Restriction on Use.

(a) Purpose. The purpose of the Condominium Project is to provide residential living space for Unit Owners and their immediate families or their tenants.

(b) Restrictions on Use. The Units and Common Areas and Facilities shall be used and occupied as hereinafter set forth.

(1) Each of the Units shall be occupied by the Unit Owner(s) and/or their lessees, tenants, invitees and guests. The Common Areas and Facilities shall be used only for the purposes for which they are intended as single family residential living units.

(2) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities which will increase the rate of insurance on the building or contents thereof beyond that customarily applicable for residential use, or will result in the cancellation of insurance on the building, or on the contents thereof, without the prior written consent of the Management Committee. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Areas and Facilities which is in violation of any law, ordinance or regulation of any governmental authority.

(3) No Unit Owner shall cause or permit anything (including, without limitation, a sign, awning, canopy, shutter, window box, doorstep, porch, balcony, patio, radio or television antenna, or other apparatus) to hang, be displayed or otherwise affixed to or placed on the exterior walls or roof or any part thereof, or on the outside of windows or doors, without the prior written consent of the Management Committee.

(4) No noxious or offensive activity shall be carried on in any Unit or in the Common Areas and Facilities, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants.

(5) Nothing shall be done in any Unit or in, on, or to the Common Areas and Facilities which will impair the structural integrity of the building or any part thereof or which would structurally change the building or any part thereof except as is otherwise provided herein.

(6) The Common Areas and Facilities shall be kept free and clear of all rubbish, debris and other unsightly materials.

8. Person to Receive Service of Process. The person to receive service of process in the cases provided herein or in the Act is W. Dee Halverson, whose address is 7350 Wasatch Boulevard, Salt Lake City, Utah. The said person may be changed by the recordation by the Management Committee of an appropriate instrument.

9. Ownership and Use.

(a) Ownership of a Unit. Except with respect to any of the Common Areas and Facilities located within the bounds of a Unit, each Unit Owner shall be entitled to the exclusive ownership and possession of his Unit and to the ownership of an undivided interest in the Common Areas and Facilities in the percentage expressed in Exhibit "B".

(b) Nature of and Restrictions on Ownership and Use. Each Unit Owner shall have and enjoy the rights and privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own Units, it being intended that they may and shall be owned as any other property rights by persons, corporations, partnerships, or trusts and in the form of common tenancy. The Unit Owners may lease or rent their Units with their appurtenant rights subject to terms and conditions chosen solely by the Unit Owner and his lessee, except that all Unit Owners, their tenants and other occupants or users of the Project, shall be subject to the Act, this Declaration, the By-Laws, and all rules and regulations of the Association of Unit Owners and Management Committee.

(c) Prohibition Against Subdivision of Unit. No Unit Owner, by deed, plat or otherwise, shall subdivide or in any manner cause the ownership of his Unit to be separated into physical tracts or parcels smaller than the whole Unit as shown on the Map.

(d) Ownership of Common Areas and Facilities. The Common Areas and Facilities contained in the Project are described and identified in Section 5(d) of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants in common. No percentage of undivided ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, such a percentage of undivided ownership interest shall automatically accompany the transfer of the Unit to which it relates. The Common Areas and Facilities shall be used only in a manner which is consistent with their community nature and with the use restrictions applicable to the Units contained in the Project.

(e) Use of Common Areas and Facilities. Each Unit Owner may use the Common Areas and Facilities in accordance with the purpose for which they are intended, but subject to this Declaration and the By-Laws. This right of use shall be appurtenant to and run with each Unit.

(f) Computation of Undivided Interest. The percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to each Unit has been computed by determining the ratio between the par value associated with such Unit (as set forth in Exhibit "B") and the aggregate par values of all Units in the Project. A Unit Owner's percentage of ownership interest in the Common Areas and Facilities shall be for all purposes, including voting and assessment of common expenses.

10. Voting-Multiple Ownership. The vote attributable to and exercisable in connection with a Unit shall be the percentage of undivided ownership interest in the Common Areas and Facilities which is appurtenant to such Unit. In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

11. Management.

(a) Management Committee. The business, property and affairs of the Canyon Racquet Club Condominiums shall be managed, operated and maintained by the Management Committee as agent for the Unit Owners. The Management Committee shall, in connection with its exercise of any of the powers delineated in paragraphs (1) through (9) below, constitute a legal entity capable of dealing in its own name. The Management Committee shall have, and is hereby granted, the following authority and powers:

(1) The authority, without the vote or consent of the Unit Owners or of any other person(s), to grant or create, on such terms as it deems advisable, utility and similar easements, over, under, across and through the Common Areas and Facilities; and work performed pursuant to such easements must be done in a workmanlike manner and any damage to the interior structure or decor of a Unit must be repaired;

(2) The authority to execute and record, on behalf of all Unit Owners, any amendment to the Declaration or Map which has been approved by the vote or consent necessary to authorize such amendment;

(3) The power to sue and be sued;

(4) The authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(5) The power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained;

(6) The power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as such action has been authorized by any vote or consent which is necessary under the circumstances;

(7) The power and authority to add any interest in real property obtained pursuant to Paragraph (6) above to the Condominium Project, so long as such action has been authorized by the necessary vote or consent;

(8) The authority to promulgate such reasonable rules, regulations, and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the interests of the Unit Owners; and

(9) The power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions as agent for the Unit Owners.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

(b) Composition of Management Committee. The committee shall be composed of three (3) members. At the first regular Owners meeting two (2) Committee members shall be elected for two-year terms and one (1) member for a one-year term. At each annual Owners meeting thereafter any vacant seat on the Committee shall be filled with a member elected for a two-year term. Only Unit Owners and officers and agents of Owners other than individuals shall be eligible for Committee membership. At the annual meeting the percentage of undivided ownership interest appurtenant to a Unit may be voted in favor of as many candidates for Committee membership as there are seats on the Committee to be filled; provided, however, that until the annual Owners meeting held on January 13, 1983, or until Units to which an aggregate of at least three-fourths (3/4) of the undivided Ownership interest in the Common Areas and Facilities appertain have been conveyed by Declarant, whichever occurs first (hereinafter referred to as the "Event"), Declarant alone shall be entitled to select two (2) of the three (3) Committee members. Notwithstanding the foregoing limitations, until the first annual meeting of the Owners, the members of the Committee shall be the following persons and each shall hold the office indicated opposite his name:

Gerald H. Bagley	President
W. Dee Halverson	Vice-President
Thomas G. Bagley	Secretary/Treasurer

Any Committee member who fails on three successive occasions to attend Committee meetings (whether regular or special) or who has failed to attend at least 25% of all Committee meetings (whether regular or special) held during any twelve-month period shall automatically forfeit his seat. In the event a Committee seat which

was filled by Declarant becomes vacant prior to the Event, whether by reason of forfeiture or due to another cause, Declarant shall select a replacement member to sit on the Committee for the balance of the term associated with the vacated seat. In all other cases of vacancy the remaining Committee members shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced was elected. Unless he forfeits or otherwise loses his seat as herein provided, a member shall serve on the Committee until his successor is elected and qualifies. Committee members shall be reimbursed for all expenses reasonably incurred in connection with Committee business.

(c) Responsibility. The Management Committee shall be responsible for the control, operation and management of the Project in accordance with the provisions of the Act, this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by said Committee.

(d) Additional Facilities. The Management Committee shall, subject to any necessary approval, have the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the best interests of the Unit Owners and to effect the necessary amendment of documents and maps in connection therewith.

(e) Name. The Management Committee shall be known as The Canyon Racquet Club Condominiums Management Committee.

(f) Manager. The Committee may carry out through a Building Manager any of its functions which are properly the subject of delegation. Any Manager so engaged shall be an independent contractor and not an agent or employee of the Committee, shall be responsible for managing the Project for the benefit of the Committee and the Unit Owners, and shall, to the extent permitted by law and the terms of the agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any agreement for professional management of the building which may be entered into by the Management Committee or the Association shall call for a term not exceeding three (3) years and shall provide that for cause such management agreement may be terminated by the Management Committee or by the Association upon not in excess of ninety (90) days written notice.

12. Easements.

(a) Each Unit shall be subject to such easements as may be necessary for the installation, maintenance, repair or replacement of any Common Areas and Facilities.

(b) In the event that, by reason of the construction, reconstruction, settlement or shifting of any part of any of the buildings, any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon any part of any Unit or any part of the Common Areas and Facilities or any other Unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Areas and Facilities, as the case may be, so long as all or any part of the building containing any such Unit shall remain standing; provided, however, that in no event shall a valid easement or any encroachment be created in favor of any Unit Owner or in favor of the Unit Owners as owners of the Common Areas and Facilities if such encroachment occurred due to the willful conduct of such Unit Owner or Owners.

BOOK 5270

13. Change in Ownership. The Management Committee shall maintain up-to-date records showing the name of each person who is an Owner, the address of such person, and the Unit which is owned by him. In the event of any transfer of a fee or undivided fee interest in a Unit either the transferor or transferee shall furnish the Management Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Management Committee may for all purposes act and rely on the information concerning Owners and Unit ownership which is thus acquired by it or, at its option, the Management Committee may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of Salt Lake County, Utah. The address of an Owner shall be deemed to be the address of the Unit owned by such person unless the Management Committee is otherwise advised.

14. Assessments. Every Unit Owner shall pay his proportionate share of the common expenses. Payment thereof shall be in such amounts and at such times as the Management Committee determines in accordance with the Act, the Declaration or the By-Laws. There shall be a lien for nonpayment of common expenses as provided by the Act.

In assessing Unit Owners, no assessment for a single improvement in the nature of a capital expenditure exceeding the sum of \$5,000.00 shall be made without the same having been first voted on and approved by at least a majority of the Project's undivided ownership interest.

15. Destruction or Damage. In the event of destruction or damage of part or all of the Condominium Project, the procedures of this section shall apply.

(a) If proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

(b) If less than 75% of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Units shall be assessed for any deficiency on the basis of their respective appurtenant percentages of undivided ownership interest.

(c) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within 100 days after the destruction or damage by a vote of at least 75% of the entire undivided ownership interest in the Project elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under subsection (b) above.

(d) If 75% or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not, within 100 days after the destruction or damage and by a vote of at least 75% of the entire undivided ownership interest in the Project, elect to repair or reconstruct the affected improvements, the Management Committee

BOOK 5270

shall promptly record with the Salt Lake County Recorder a notice setting forth such facts. Upon the recording of such notice the provisions of subsections (1) through (4) of Section 57-8-31, Utah Code Annotated (1953), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

(e) Any reconstruction or repair which is required to be carried out by this section shall be accomplished at the instance and direction of the Management Committee. Any determination which is required to be made by this section regarding the extent of damage to or destruction of Project improvements shall be made as follows: The Management Committee shall select three MAI appraisers; each appraiser shall independently arrive at a figure representing the percentage of project improvements which have been destroyed or substantially damaged; the percentage which governs the application of the provisions of this section shall be the average of the two closest appraisal figures.

16. Taxes. It is understood that under the Act each Unit, together with its percentage of undivided interest in the Common Areas and Facilities in the Project, is deemed a parcel and subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law. Each Unit Owner will, accordingly, pay and discharge any and all taxes which may be assessed against his Condominium Unit.

17. Insurance.

(a) Hazard Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force hazard insurance meeting the following requirements:

(1) A multi-peril type policy covering the entire Condominium Project (both Units and Common Areas and Facilities) shall be maintained. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and by sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage, and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use.

(2) The named insured under each policy required to be maintained by the foregoing shall be in form and substance essentially as follows: "Association of Unit Owners of The Canyon Racquet Club Condominiums, or its authorized representative, for the use and benefit of the individual Owners."

(3) Each such policy shall include the standard mortgagee clause (without contribution) which either shall be endorsed to provide that any proceeds shall be paid to the Association of Unit Owners for the use and benefit of Mortgagees as their interests may appear or shall be otherwise endorsed to fully protect the interests of Mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each Mortgagee at least thirty (30) days in advance of the effective date of any reduction in or cancellation of the policy.

(4) Each such policy shall provide that notwithstanding any provision thereof which gives the carrier the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable if it is in conflict with any requirement of law or without the prior written approval of the Association.

(b) Liability Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force a comprehensive policy of public liability insurance covering all of the Common Areas and Facilities. Such insurance shall include a "Severability of Interest Endorsement" or its equivalent which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of other Owners, the Management Committee, or the Association of Unit Owners. The coverage afforded by such public liability insurance shall include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. The limits of liability under such insurance shall not be less than \$500,000.00 for all claims of personal injury and/or property damage arising out of a single occurrence.

(c) General Requirements Concerning Insurance. Each insurance policy maintained pursuant to the foregoing Sections 17(a) and 17(b) shall be written by an insurance carrier which is licensed to transact business in the State of Utah. Each such policy shall provide that: (a) coverage shall not be prejudiced by any act or neglect of the Unit Owners when such act or neglect is not within the control of the Association of Unit Owners or the Management Committee; (b) coverage shall not be prejudiced by any failure by the Association or Committee to comply with any warranty or condition with regard to any portion of the Project over which the Association and Committee have no control; (c) coverage may not be cancelled or substantially modified (including cancellation for nonpayment of premium) without at least thirty (30) days prior written notice to any and all insureds named therein, including any Mortgagee named as an insured; and (d) the insurer waives any right of subrogation it might have as to any and all claims against the Association, the Management Committee, any Unit Owner, and/or their respective agents, employees or tenants. If due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under Section 17(a) and 17(b) hereof cannot reasonably be secured, with respect to such coverage the Association or the Committee shall obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist.

18. Payment of Expenses.

(a) Each Unit Owner shall pay the Management Committee his allocated portion of the cash requirement deemed necessary by the Management Committee to manage and operate the Condominium Project, upon the terms, at the time, and in the manner herein provided without any deduction on account of any set-off or claim which the Owner may have against the Management Committee or Association. If the Unit Owner shall fail to pay any installment within one month of the time when the same becomes due, the Owner shall pay interest thereon at the rate of fifteen (15%) percent per annum from the date when such installment shall become due to the date of the payment thereof.

(b) The cash requirements above referred to for each year, or portions of the year, are hereby defined and shall be deemed to be such aggregate sum as the Management Committee from time to time shall determine, in its judgment, is to be paid by all the Owners of the Condominium Project then in existence to enable the Management

Committee to pay all estimated expenses and outlays of the Management Committee to the close of such year, growing out of or in connection with the maintenance and operation of such building and improvements; which sum may include, among other things, the cost of management, special assessments, fire, casualty, fidelity, public liability and other insurance premiums, common lighting, and the care of the grounds, repairs and renovations to Common Areas and Facilities, snow removal, wages, water charges, utility services (except telephone and other services which are separately billed or metered to the individual Units by the utility or party furnishing such service), legal and accounting fees, management fees, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the payment of any deficit remaining from the previous period, the creation of a reasonable contingency or other necessary reserve or surplus fund, as well as all other costs and expenses relating to the Condominium Project. The Management Committee may, from time to time, up to the close of the year for which such cash requirements have been so filed or determined, increase or diminish the amount previously fixed or determined for such year. It may include in the cash requirements of any year, any liabilities or items of expense which accrued or became payable in the previous year, or which might have been included in the cash requirements for a previous year, but were not included therein; and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

(c) The portion payable with respect to each Unit in and for each year or for a portion of a year shall be a sum equal to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, multiplied by the percentage of undivided interest in the Common Areas and Facilities appurtenant to such Unit, as shown in Exhibit "B". Such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be provided by the Management Committee.

(d) The Management Committee shall have discretionary powers to prescribe the manner of maintaining and operating the Condominium Project and to determine the cash requirements of the Management Committee to be paid as aforesaid by the Owners under this Declaration. Every such reasonable determination by the Management Committee within the bounds of the Act, and this Declaration shall be final and conclusive as to the Owners, and any expenditures made by the Management Committee, within the bounds of the Act and this Declaration shall as against the Owner be deemed necessary and properly made for such purpose.

(e) If an Owner shall at any time let or sublet his Unit and shall default for a period of one month in the payment of any assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner occupying the Unit the rent due or becoming due and payment of such rent to the Management Committee shall be sufficient payment and discharge of such tenant or sub-tenant and the Owner to the extent of the amount so paid.

(f) Each monthly assessment and each special assessment shall be separate, distinct and personal obligations of the Owner(s) of the Unit against which the same is assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid common expenses may be maintained without foreclosing or waiving the following lien securing the same: The amount of any assessment, whether regular or special, assessed to a Unit plus interest at fifteen (15%) percent per annum, and costs, including reasonable attorney's fees, shall constitute a lien upon such Unit and upon recordation of a notice of lien as provided by the Act, the lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(1) Tax and special assessment liens on the Unit in favor of any assessing unit, and special district; and

(2) Encumbrances on the interest of the Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

(g) A certificate executed and acknowledged by the Manager or Management Committee stating the unpaid common expenses then outstanding with respect to a Unit shall be conclusive upon the Management Committee and the Owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner or encumbrancee or prospective Owner or encumbrancee of a Condominium Unit upon request at a reasonable fee not to exceed Ten (\$10.00) Dollars. Unless a request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid common expenses which became due prior to the date of making of such request shall be subordinate to the lien or interest held by or obtained by the person making the request. Any encumbrancee holding a lien on a Condominium Unit may pay any unpaid Common Expenses payable with respect to such Condominium Unit and upon such payment such encumbrancee shall have a lien on such Unit for the amounts paid of the same rank as the lien of his encumbrance.

(h) Upon payment or other satisfaction of delinquent assessments concerning which a Notice of Lien has been recorded, the Management Committee shall cause to be recorded in the same manner as the Notice of Lien a further notice stating the satisfaction and release of the lien thereof. Such lien for nonpayment of assessment may be enforced by sale by the Management Committee or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any manner permitted by law. In any foreclosure or sale, the Unit Owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

(i) In the event of foreclosure, the Unit Owner shall be required to pay a reasonable rental for the Condominium Unit and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Management Committee or Manager shall have the power to bid in the Condominium Unit at foreclosure or other sale and to hold, lease, mortgage and convey the Condominium Unit.

19. Maintenance.

(a) Each Owner of a Unit at his own expense shall keep the interior of such Unit and its equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of such Unit. Except to the extent that the Management Committee is protected by insurance against such injury, the Unit Owner shall repair all injury or damages to the Unit or building caused by the act, negligence or carelessness of the Unit Owner or that of any tenant or subtenant, employee or guest of the Owner or his tenant or subtenant and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the Unit in good repair, the Unit Owner shall be responsible for the maintenance or replacement of any plumbing fixtures that may be in or connected with the Unit. Without the written permission of the Management Committee first had and obtained, a Unit Owner shall not make or permit to be made any structural alteration, in or to the Unit, or in or to the exterior of the building, and shall not paint or decorate any portion of the exterior of the Unit or of the building.

(b) Except as hereinafter provided, the Management Committee shall provide for such maintenance and operation of the Common Areas and Facilities as may be reasonably necessary to keep clean, functional, attractive and generally in good condition and repair. The Management Committee shall have no obligation regarding maintenance or care of Units.

20. Right of Entry. The Management Committee and its duly authorized agents shall have the right to enter any and all of the Units in case of an emergency originating in or threatening such Unit or any other part of the Project, whether or not the Unit Owner or occupant thereof is present at the time. The Committee and its duly authorized agents shall also have the right to enter into any and all of said Units at all reasonable times as required for the purpose of making necessary repairs upon the Common Areas and Facilities of the Project or for the purpose of performing emergency installations, alterations or repairs to the mechanical or electrical devices or installations located therein or thereon; provided, however, such emergency installations, alterations or repairs are necessary to prevent damage or threatened damage to other Units in the Project; and provided further, that the Unit Owner affected by such entry shall first be notified thereof if available and if time permits.

21. Administrative Rules and Regulations. The Management Committee shall have the power to adopt and establish by resolution, such building management and operational rules as it may deem necessary for the maintenance, operation, management and control of the Project. The Committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the Unit Owners, such amendment, alteration or provisions shall be taken to be a part of such rules. Unit Owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all Unit Owners, tenants, subtenants or other occupants of the Units.

22. Obligation to Comply Herewith. Each Unit Owner, tenant, subtenant or other occupant of a Unit shall comply with the provisions of the Act, the Declaration, the By-Laws, and the rules and regulations, all agreements and determinations lawfully made and/or entered into by the Management Committee or the Unit Owners, when acting in accordance with their authority, and any failure to comply with any of the provisions thereof shall be grounds for an action by the Management Committee or other aggrieved party for injunctive relief or to recover any loss or damage resulting therefrom.

23. Indemnification of Management Committee. Each member of the Management Committee shall be indemnified and held harmless by the Association of Unit Owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees, reasonably incurred by him in connection with any proceeding to which he may become involved by reason of his being or having been a member of said Committee; provided, however, the foregoing indemnification shall not apply if the loss, expense or liability involved resulted from the willful misconduct, gross negligence or other intentional act of the member.

24. Amendment. In addition to the amendment provisions contained in Section 6 above, this Declaration and/or the Map may be amended upon the affirmative vote or approval and consent of not less than two-thirds (2/3) of the undivided interest in the Common Areas and Facilities. Any amendment so authorized shall be accomplished by recordation of an instrument executed by the Management Committee. In said instrument the Committee shall certify that the vote or consent required by this section has occurred. Notwithstanding any other provision contained herein, until occurrence of the "Event" referred to in Section 11 hereof, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control accorded to Declarant (in his capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

25. Declarants' Sales Program. Notwithstanding any other provision in this Declaration, until Declarant ceases to be a Unit Owner or the expiration of four (4) years after the date on which this Declaration is filed for record in the Office of the County Recorder of Salt Lake County, Utah, whichever first occurs (hereinafter referred to as the "Occurrence"), Declarant shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

(b) Declarant shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Property, but any such device shall be of a size and in a location as is reasonable and customary.

26. Limitation on Improvements by Association. Until the occurrence described in Section 25, neither the Association nor the Management Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

All present or future owners, tenants, or other persons who might use the facilities of the Canyon Racquet Club Condominiums in any manner are subject to the regulations set forth in these By-Laws. The mere acquisition or rental of any of the Units or parts thereof or the Common Areas and Facilities will signify that these By-Laws are accepted, ratified, and will be complied with by said persons.

III. ADMINISTRATION OF CONDOMINIUM PROJECT

1. Place of Meetings. Meetings of the Unit Owners shall be held at such place within the State of Utah as the Management Committee may specify in the notice, except as herein otherwise specified.

2. Annual Meetings. The first annual meeting of the Unit Owners shall be held at the Project on the second Tuesday in January, 1981. Thereafter, the annual meetings shall be held on such day of each succeeding year; provided, however, that whenever such date falls on Saturday, Sunday or a legal holiday, the meeting shall be held on the next succeeding business day, and further provided that the Management Committee may by resolution fix the date of the annual meeting on such date or at such other place as the Management Committee may deem appropriate.

4. Notices. Any notice permitted or required to be delivered as provided herein may be delivered either personally or by mail. If delivery is by mail, it shall be deemed to have been delivered 24 hours after a copy of the same has been deposited in the United States Mail, postage prepaid, addressed to the Unit Owner concerned.

5. Quorum. At the meeting of the Unit Owners, the Owners of more than fifty (50) percent in the aggregate of interest in the undivided ownership of the Common Areas and Facilities shall constitute a quorum for any and all purposes, except where by express provisions a greater vote is required, in which event a quorum shall be the percentage of interest required for such vote. In the absence of a quorum the chairman of the meeting may adjourn the meeting from time to time, without notice other than by announcement at the meeting, until holders of the amount of interest requisite to constitute a quorum shall attend.
