RECORDER  
SALT LAKE COUNTY,  
UTAH

I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 17th day of August, 1981, Case No. 8722 by Claude Hawk Corporation was heard by the Board. The applicant requested a variance on the property at 1425 Tomahawk Drive to construct a retaining wall and change the grade more than the permitted two feet in the front, side and rear yards in a Residential "R-1" District, the legal description of said property being as follows:

Lot 1, Arlington Hills Plat "J", a subdivision located in the NW $\frac{1}{4}$  Sec. 33, T1N, R1E, SLB&M.

It was moved, seconded and passed with one member abstaining that a variance be granted to allow the grade to be changed more than the permitted two feet and retaining walls to be erected. If a permit has not been taken out in six months, the variance will expire.
