The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be

the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

(b) Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

BOOK 5414 PAGE 174

related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

(f) Notice and Quorum for Any Action Authorized Under Sections 2(c) and 2(d). Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner, subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Lot have been paid. BOOK 5414 PAGE 175

(i) Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

(j) Unpaid Assessment is a Lien. The unpaid part of an assessment that is due is secured by a lien on the unit and any improvement thereon when a claim of lien has been recorded by the Association in the public records of Salt Lake County. The Association shall not record a claim of lien until the assessment is unpaid for at least twenty (20) days after it is due. The claim of lien filed in the public records of the County Recorder shall be sufficient to perfect a lien on the unit and all improvements thereon.

(1) If an assessment is not paid within twenty (20) days after it is due, the owner shall be responsible for any reasonable attorney's fees and for costs of collecting the assessment and for foreclosing on the lien. The lien for unpaid assessments shall also secure reasonable attorney's fees and expenses of collection incurred by the Association in collecting the assessment or enforcing the lien, in addition to the lien amounts.

(2) In a foreclosure of a lien for assessments, the Association is entitled to the appointment of a receiver and to collect rent from the owner of the unit. The Association may acquire title to a unit and the improvements located on it in the course of pursuing its remedies to collect assessments. Notice of the intent to foreclose a lien for assessments shall be given by the Association to the owner at least thirty (30) days before the action is filed.

BOOK 5414 PAGE 176

(3) The owner of a unit and the improvement thereon is liable for all unpaid assessments due at the time of conveyance. The liability is not avoided by a waiver of the use or enjoyment of any part of the common area or by abandonment of the unit against which the assessment is made. A purchaser of a unit and the improvements thereon at a judicial or foreclosure sale or a mortgagee who accepts a deed in lieu of foreclosure is liable only for assessments coming due after the sale or conveyance and for that part of past due assessments prorated for the period after the date of the sale or conveyance. Nonetheless, the unit shall be subject to a lien for unpaid assessments due at the time of a conveyance. Such a purchaser at a judicial or foreclosure sale is entitled to the benefit of all prepaid assessments paid beyond the date the purchaser acquires title. Any unpaid assessment for the time before a sale or foreclosure is a common expense.

(4) The Association shall give any owner so requesting, a written statement of his assessment account at the date of the request. The statement may be relied on by subsequent purchasers and mortgagees.

(5) If the Association acquires title to a unit and the improvements thereon by judicial action or pursuant to purchase at a foreclosure sale, the cost of acquisition and maintenance is a common expense.

Pets shall be on a leash when out of doors, but pets may not be left tied outdoors. When a pet is outdoors, the owner shall be responsible for cleaning up after the pet. A maximum of one pet for each resident family shall be allowed. The Association has the right to require the removal of a pet from the PUD in the event of violation of this paragraph or in the event the pet creates a nuisance.

(14) Signs. No "For Sale" or "For Rent" signs or other displays or advertising shall be placed on any part of the common areas or units without the written permission of the Association.

(17) Costs to Association. The Association, after a two-thirds vote of its board of directors, may assess an owner for damages actually suffered by the Association resulting from the negligence or other breach of an express duty or obligation of an Owner set forth in this Declaration. The Association shall be entitled to enforce the requirements of this declaration as provided for in law or equity.

ARTICLE VI

Dwelling Requirements.

Section 1. Minimum Size. No dwelling shall be placed on a unit without the prior written approval of the Architecture Committee. Any dwelling to be built or placed on a unit must contain a minimum of 960 square feet. Any manufactured home to be placed on a unit must consist of a minimum of two sections.

Section 2. Submission of Plans. No dwelling or any other structure shall be placed or maintained on the unit nor shall any addition to or change of the dwelling or any structure be made until drawings and specifications showing the nature, kind, shape, height, material, floorplan, age, size and location are approved in writing by the Architecture Committee of the Association. The Architecture Committee of the Association may approve or disapprove the drawings and specifications upon any grounds deemed appropriate, including aesthetic grounds. Failure to disapprove drawings and specifications within thirty (30) days after submittal to the Architecture Committee shall constitute automatic approval in accordance with the drawings and specifications submitted. Incomplete drawings and specifications shall not be a basis for automatic approval. All structures

BOOK 5414 PAGE 184

shall comply with applicable HUD building codes for manufactured housing or accessory structures and all governmental regulations pertaining to them. The owner or builder must obtain all necessary governmental permits at the owner's expense. Any attachments to the dwelling shall be approved by the Architecture Committee. The wheels, hitches and axles of all manufactured homes must be removed.

Section 3. Structural Requirements. All manufactured homes must be installed on a permanent concrete foundation. The foundation shall be concrete block or formed concrete. All dwellings must have residential type siding and pitched asphalt shingle roofs or equivalent. All dwellings must be recessed at or near ground level so that the entrance to the home is approximately at ground level. The Architecture Committee shall supervise the recessing of each dwelling.

Section 4. Taxes. If taxes, assessments or other impositions are levied by any governmental authority against any property except the several units, the Association shall pay them as a common expense. All taxes levied against a unit shall be paid by the owner.

Section 5. Default. Each owner is governed by and shall comply with this Declaration of Protective Covenants, Conditions and Restrictions and the Articles of Incorporation, By-Laws and Regulations of the Association as they exist from time to time. Failure of an owner to comply entitles the Association or other owners to the following relief in addition to other remedies applicable, including but not limited to, a lien foreclosure as referred to in Article III, Section 2. The Associations remedies are cumulative.

(a) An owner is liable for the expense of maintenance, repair or replacement rendered necessary by the owner's negligence or intentionally wrongful acts or omissions and those of members of the owner's family or guests, employees, agents or lessees. An owner shall pay the Association the amount of any increase in its insurance premiums caused by the use, misuse, occupancy or abandonment of a unit or its appurtenances.

BOOK 5414 PAGE 185

(b) In the event of the failure of an owner or the Association to comply with the terms of the Declaration or Articles, By-Laws or regulations of the Association, the prevailing party is entitled to recover the costs of the proceedings and reasonable attorney's fees whether or not litigation is instituted.

(c) Failure of the Association or an owner to enforce any provision of the Declaration, Articles of Incorporation, By-Laws or regulations is not a waiver of the right to do so thereafter.

(d) An injunction may be obtained against the continuance of any default except the failure to pay assessments.

(e) The Association may use any other civil proceeding that is not prohibited by law.

Section 6. Amendment.

(a) This declaration may be amended by the written assent of seventy-five percent (75%) of the all of the members of the Association. The written assent to the Amendment to the Declaration must be recorded in the office of the Salt Lake County Recorder. Members not present in person or by proxy at the meeting considering the amendment may express their approval or disapproval in writing if it is delivered to the secretary at or before the meeting.

(b) If an amendment is passed, a copy of the amendment shall be recorded with the Salt Lake County Recorder by attaching it to or incorporating it in a certificate executed by the Association in the manner required for a conveyance of land certifying that the amendment was duly adopted. The amendment is effective when the certificate is recorded in the public records of Salt Lake County.

Section 7. Covenants with Land. All provisions of the Declaration are covenants running with the land and every part of and interest in it. Every unit owner of and claimant against the land or an interest in it and their heirs, personal representatives, successors and assigns is bound by the Declaration.

Section 8. Severability. The invalidity of part of the Declaration does not affect the validity of any other part.

Section 9. Conflict of Interest. Developer or Developer's nominees will form the Association. No contract or other transaction between the Association and Developer or another person or corporation shall be void or voidable because Developer or its nominees are financially interested in either Association or the other party to the contract or transaction.

Section 10. Retained Rights of Developer.

(a) Developer may transact any business necessary to consummate sales of units and dwellings and improvements thereon, including, but not limited to, erection and maintenance of unit models, erection and maintenance of signs and advertising for the sale of units, occupation of offices, models, and common areas, and use of the common areas for the purpose of sales. Sales office furnishings, furniture and furnishings in the model units, signs and other items pertaining to sales remain the property of Developer. Developer shall have exclusive possession of the sales office located on the common areas and the right to bring prospective purchasers through all common areas. The rights under this subparagraph shall continue until all units other than those to be retained permanently by Developer have been conveyed by Developer. Developer shall not have use of the common area to the exclusion of the unit owners.

(b) Developer, after having obtained the prior approval of FHA (which will be shown on the plat) may change the location of easements for ingress and egress from the property described in this Declaration so long as the easement conforms to the requirements of all governmental authorities having jurisdiction over it. Each unit owner and prospective unit owner in the PUD acknowledges that the change of easements does not materially affect his rights or the value of his unit.

Section 11. Phases and Annexation.

(a) The Developer intends to construct the PUD complex provided for in this Declaration in phases, although all

BOOK 5414 PAGE 187

of the property described in Exhibit "A" is now subject to the provisions of this Declaration. Any additional phases must be in accordance with the general plan approved by FHA and must be annexed by November 15, 1989.

(b)(1) The completion of subsequent phases will have no impact upon the initial phase or any succeeding phase.

(2) Each owner shall be a member of the Association and shall have equal ownership in the Association. One vote shall be attributable to each unit.

(3) All units enumerated on the recorded subdivision plat are entitled to vote.

(c) If additional acreage is added to or annexed to this PUD, all such acreage and units shall be subject to the terms of this Declaration.

(d) Additional residential property and common area may be annexed to the property with the consent of two-thirds of each class of members.

(e) The land which may be annexed is described on Exhibit "B" attached hereto and incorporated by reference.

In the event such persons fail to agree then their vote shall be cast ratably among the respective interests.

Class B. The Class B member shall be the Declarant. The Class B member shall be entitled to three (3) votes for each unit in which it holds an ownership interest, provided that the Class B membership shall cease and become converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

Section 2. Additional Rights of the Association. The rights created hereby shall be subject to the following:

(a) The right of the Association in accordance with its Articles and By-laws to borrow money for the purpose of improving the common areas and to mortgage said properties with the consent of two-thirds of each class of member.
