Certification Read certificate and sign.

I certify: (1) The agricultural land covered by this application constitutes no less than five contiguous acres exclusive of homestead and other non-agricultural acreage (See Utah Code 59-2-503 for waiver). (2) The land is currently devoted to agricultural use with a reasonable expectation of profit and has been so devoted for two successive years immediately preceding the tax year for which valuation under this act is requested. (3) The land produces in excess of 50% of the average agricultural production per acre for the given type of land and the given county or area. (4) I am fully aware of the five year roll-back tax provision which becomes effective upon a change in use or other withdrawal of all or part of the eligible land. I understand that I must notify the county assessor of any change in use of the land to any non-qualifying use, and that a 100% penalty of the computed roll-back tax due will be imposed on failure to notify the assessor within 180 days after change in use.
