3.2. **Construction of Improvements.** No Improvements shall be constructed upon a Parcel, nor shall there be any alteration, repainting or refurbishing of the exterior of any existing Building or other Improvement unless and until complete plans and specifications therefor have first been submitted to and approved by the Design Review Board as set forth in Article VIII; provided, however, that the consent of the Design Review Board shall not be required for any repair, repainting or refurbishing of an existing Improvement if upon completion of such repair, repainting or refurbishing the Improvement shall be in compliance with plans and specifications previously approved by the Design Review Board for such Improvement. Approval from the Design Review Board is not required for Improvements to be constructed by Declarant on Maintenance Areas. No temporary structure shall be permitted on any Parcel; provided, however, that trailers, temporary construction offices, sheds, and other similar temporary structures shall be permitted for construction purposes during the actual construction of the Improvements. Once commenced, construction of all Improvements shall be diligently prosecuted to completion. During construction of Improvements contemplated by the Plat, the Declarant shall at all times keep streets contiguous to the Parcel reasonably free from any dirt, mud, garbage, trash or other debris which might be occasioned by construction of the Improvements.

The Company shall be responsible for the maintenance of the Maintenance Areas and Common Facilities. The responsible Sub-association shall perform the exterior maintenance of Buildings

and any and all improvements and landscaping of its Common Areas and Facilities, excepting only the deck of any Lot or Unit which shall be maintained by the Owner. Responsibility for maintenance of Improvements may be allocated among the Company and the Sub-associations as they may determine by contract. If the Company reasonably determines that the level of exterior maintenance on any Improvement located on an Owner's Parcel or the maintenance of a vacant Parcel is unacceptable, the Company shall so notify the Sub/association/Owner in writing, and the Sub-association/Owner shall have thirty (30) days thereafter to correct the deficiencies specified in such notice. If, in the Company's opinion, the Sub-association/Owner shall fail to correct the stated deficiencies within said thirty (30) day period, the Company may order the necessary work (the "Required Maintenance") performed at the Sub-association/Owner's expense. The cost of the Required Maintenance shall be assessed to said Sub-association/Owner as a Reimbursement Assessment.

As specifically set forth in the Design Standards, all parking and driving surfaces constructed upon a Parcel must be (i) properly graded to assure adequate drainage and collection and distribution of storm water runoff, (ii) paved with concrete, asphalt or other hard surface paving material approved by the Design Review Board, (iii) marked to designate approved parking areas, with appropriate parking reserved to permit access by persons with physical impairments, (iv) adequately lighted, and (v) screened as required by the Design Review Board. The appropriate Sub-association/Owner shall be responsible to maintain all parking and driving surfaces located upon such Owner's Parcel.

3.5. **Landscaping.** Declarant shall be responsible to cause Landscaping to be initially planted upon the Maintenance Areas. After such initial planting, the Sub-association shall be responsible for maintenance of the same, and costs and expenses incurred for such maintenance shall be a Common Expense; provided, however, that the Company shall be entitled to the actual benefit of any warranty that may be related to such initial planting. The Company and the Sub-associations may allocate responsibility for Landscaping maintenance among them as they determine by contract. No Landscaping shall be installed upon a Parcel, nor shall there be any alteration of any Landscaping, unless and until complete plans for such Landscaping or alteration of existing Landscaping have first been submitted to and approved by the Design Review Board; provided, however, that approval from the Design Review Board for Landscaping to be installed by Declarant on Maintenance Areas is not required. No Owner shall be required to cause Landscaping to be planted or installed upon any Parcel upon which no Improvements have been constructed; provided, however, that in the event that an Owner shall utilize only a portion of its Parcel by the construction of limited Improvements (e.g., a parking lot), then that portion of the Parcel that shall be required to be landscaped as part of the construction of such limited Improvements shall be determined by the Design Review Board. In any event, each Owner shall be required to keep such Owner's Parcel free from rubbish, debris, fire hazards or any unsanitary, unsightly or offensive condition and to conduct such weed abatement, rubbish and debris removal and other maintenance as shall be required to cause said Parcel to be maintained in compliance with standards established by the Company, or, in the event the Company shall not have established such standards, then such maintenance shall, at a minimum, be in compliance with applicable ordinances of the County.

3.5.1. Landscaping Plan. Any and all changes to original Landscaping installed by Declarant shall be planted, installed and maintained pursuant to a Landscaping Plan which shall be submitted to and approved by the Design Review Board prior to installation; provided, however, that approval from the Design Review Board for original Landscaping to be planted or installed by Declarant on any portion of the Project, is not required. Once installed, the Company shall maintain the Landscaping in accordance with the maintenance standards set forth in the approved Landscaping Plan, including the planting of replacement plants as necessary to maintain a well-kept appearance. Any changes in the Landscaping shall be approved by an amendment or revision of the existing Landscaping Plan submitted to and approved by the Design Review Board.

3.5.2. Failure to Maintain. If the Company reasonably determines that the Landscaping for a Parcel is not being maintained in accordance with the approved maintenance standards, the Company shall so notify the appropriate Sub-association of such Parcel in writing, and the Sub-association shall have thirty (30) days thereafter to correct the deficiencies specified in such notice. If, in the Company's opinion, the Sub-association fails to correct the stated deficiencies within said thirty (30) day period, the Company may order the necessary work performed on the Landscaping and assess the Sub-association the expense as a Reimbursement Assessment.

3.6. Maintenance Areas and Common Facilities. The real property upon which Maintenance Areas are located is owned by the Owners as tenants in common. The Company shall manage, administer and maintain the Maintenance Areas and Common Facilities; provided, however, that nothing contained herein shall preclude the Company from entering into contracts with other parties, including a management company, to perform tasks related to the management, administration and maintenance of the Maintenance Areas and Common Facilities. All costs and expenses incurred in connection with such management, administration and maintenance of the Maintenance Areas and Common Facilities, including specifically, but without limitation, any capital improvement which is made by the Company upon or within the Maintenance Areas (except the initial capital cost) and the cost of the acquisition of any Common Facilities, shall constitute a Common Expense. Declarant shall be responsible for the payment of costs and expenses incurred in the initial construction of Improvements upon the Maintenance Areas; provided, however, that Declarant shall have the right to determine what Improvements, if any, shall be constructed upon the Maintenance Areas.

3.7. Permitted Use. The Project is intended to be developed for such mixed uses as shall be determined by Declarant in the course of development. Such uses may include townhomes, condominiums, affordable housing, multifamily housing, and some limited commercial uses, subject to applicable zoning ordinances of the County which may now or which may in the future be applicable to the Property. So long as Declarant shall remain a Class "C" Member, Declarant shall, in its discretion, determine whether an intended use is an appropriate use within the development. At such time as Declarant shall cease to be a Class "C" Member, the Board shall, in its discretion, determine whether an intended use is an appropriate use within the Project.

3.8. Environmental Restriction. Each Parcel shall be used and occupied in compliance with all environmental laws which may now or in the future be applicable to such Parcel, including, without limitation, all present and future applicable federal, state, and local judicial

decisions, orders, decrees, laws, statutes, rules, rulings, regulations, permits, certificates, codes or ordinances of any governmental authority having jurisdiction over the Property (the "Environmental Laws"). Notwithstanding any standard set forth in the Environmental Laws, in no event shall a Parcel be used for any business or other activity which will generate reportable quantities of hazardous wastes, or which will store, treat or dispose of hazardous wastes, unless the Company shall provide express, prior written approval of such use. The terms "generate," "store," "treat," "dispose of" and "hazardous wastes" shall have the same meaning as defined in the Resource Conservation and Recovery Act ("RCRA"), as in effect on the date on which this Declaration is recorded. The phrase "reportable quantities of hazardous wastes" shall mean any quantities of hazardous wastes which, under RCRA, must be reported by large quantity generators to the Environmental Protection Agency.

3.9. Compliance with Law. No portion of the Project may be occupied for any use which is in violation of applicable ordinances, laws and regulations of any governmental entity having jurisdiction over the use of all or any portion of the Project.

3.10. Storage. Unless specifically approved in writing by the Design Review Board, no materials, supplies or equipment (except during the construction of Improvements) shall be stored in any area of any Parcel except inside a Building, or behind a visual barrier, approved by the Design Review Board, which shall screen such areas from the view of the adjoining Parcels.

3.11. Nuisances. No Owner or Occupant shall create a nuisance in the Project. No rubbish or debris of any kind shall be placed or permitted to accumulate outside a Building upon any Parcel, and no odor shall be permitted to arise therefrom, including open burning, so as to render any Parcel or any portion thereof unsanitary, unsightly, offensive or detrimental to any Property in the vicinity thereof or to the Occupants thereof. No use or operation shall be conducted in the Project that is noxious, objectionable, unsightly or detrimental to others in any manner and due to any cause such as, but not limited to, vibration, sound, radiation, air, water, drainage or sewer pollution, dust or emission of odorous toxic or nontoxic substances. Without limiting the foregoing, the following uses shall be prohibited in the Project: (i) any public or private nuisance; (ii) any place of public entertainment or amusement, including but not limited to a bowling alley, skating rink, electronic or mechanical games arcade (except as an incidental use to a retail or commercial business, in which case such use shall be restricted to less than five percent (5%) of the floor area occupied by such business), billiard room, pool hall, discotheque, dance hall, banquet hall, night club, bar or tavern; provided that such limitation shall not be applicable to an indoor movie theater with municipal required parking located on its own parcel, (iii) massage parlor; provided that such limitation shall not be applicable to massages given as part of other services rendered in a day spa or similar facility, (iv) a "head shop," pornographic or "adult" store of any kind, (iv) the manufacture, storage, sale or consumption of drugs, except the legal personal use or possession of drugs for medicinal purposes; (v) any gambling; or (v) any establishment whose employees' standard uniform or dress is substantially intended to entice a customer's patronage by an appeal to the customer's sexual interest, such as a "Hooters" restaurant or a "Bikini Cuts" barber/style shop or any similar establishment.

3.12. Signs. All signs which may be viewed from the exterior of any Building must be reviewed and approved in advance by the Design Review Board. Any sign providing general

designation of the Project which shall be installed by Declarant shall not be subject to review and approval by the Design Review Board.

3.13. Utilities. All utility lines, connections and installations must be underground and rise to service such Building. Any external transformers, motors, heating and/or air conditioning equipment or other similar apparatus must be screened so as to eliminate visibility from ground level at any location in the Project of any portion of the Project if and as specifically set forth in the Design Standards, if any, or as shall be approved by the Design Review Board.

3.14. No Subdivision of Parcel. No Parcel shall be further subdivided without the prior written consent of Declarant for so long as Declarant owns any portion of the Property. Declarant shall, in the exercise of its sole discretion, be permitted to grant or withhold such approval. At such time as Declarant shall cease to be an Owner of any portion of the Property, no Parcel shall be further subdivided without the prior written consent of the Board. Nothing contained herein shall be construed to grant Declarant the right to alter the boundary of any Parcel not owned by Declarant without the express written consent of the Owner of such Parcel. Upon any reconfiguration of a Parcel, Declarant shall cause to be prepared and recorded an amendment to the Plat which shall set forth the boundaries of the reconfigured Parcel. No signature of any Mortgagee or any Owner, other than Declarant, shall be required on any such amendment.

3.15. Reservation by Declarant. Declarant reserves the right to erect, construct and maintain the Maintenance Areas located at any entrance to the Project or upon any portion of the Project owned by Declarant such signs, sales offices or other administrative office as may be reasonably necessary for the completion of the Project and the leasing, sale, or disposition of the Parcels.

ARTICLE IV **Company**

The administration of the Project shall be by the Company, which shall exist for the sole purpose of performing the functions and providing the services contemplated by this Declaration as to Maintenance Areas and Common Facilities. The Company shall be organized as required by the Utah Revised Nonprofit Corporation Act (the "Act") and the Community Association Act prior to or concurrently with the execution and recordation of this Declaration, and Declarant shall be responsible to pay costs and expenses incurred in such organization. The Company shall be operated as a nonprofit corporation and shall be governed by the Board and officers authorized by the Bylaws. The Board may adopt, amend and revise, from time to time, Bylaws which shall constitute written procedures for the regulation or management of the affairs of the Company; provided, however, that no provision of the Bylaws shall substantially alter or amend the rights or obligations of the Owners set forth in this Declaration.

4.1.1. Sub-associations. The Declarant is establishing concurrently two Sub-associations one of which will be known as the Black Rock Ridge Condo Owners Association, Inc. and the other known as the Black Rock Ridge Townhome Owners Association, Inc. each of which shall administer certain covenants or responsibilities applicable to the condo owners and the townhome owners respectively.

4.1.2. Sub-association Committee. An Owner shall become a Member of the Company immediately and automatically upon becoming an Owner and shall cease to be a Member immediately and automatically upon ceasing to be an Owner as evidenced in the official records of the County Recorder, Wasatch County, State of Utah. The right to be a Member shall be appurtenant to the real property within the Project and shall not be transferred except upon the transfer of title to said real property and then only to the transferee of title thereto. Any transfer of title to a Parcel shall operate automatically to transfer the Owner's rights as a Member of the Company appurtenant thereto to the new Owner thereof. Any attempted separate transfer shall be void.

4.3. Voting Rights. The Company shall have one class of Members, known as Class A Members. Class A Members shall be all Owners, including the Declarant. Unless otherwise specifically provided, a majority of the votes present, in person or by proxy, and entitled to vote on any matter before the Company, shall be required to approve such matter. Any Owner may, by written notice to the Company, transfer its voting rights to its Mortgagee or to the Occupant of such Owner's Parcel. Such transfer shall be effective until notice of revocation of such transfer signed by said Owner shall be received by the Company. No such transfer shall relieve an Owner of any obligation under this Declaration.

4.5. Multiple Ownership. The votes for each respective Parcel shall be voted together. If title to a Parcel is held by more than one party, then all such parties shall be Members of the Company and entitled to participate as a Member, but the votes allocated to such Parcel must be voted together so that all votes associated with a Parcel shall be voted as a block. No fractional votes shall be allowed. In the event of joint or multiple Owners of a Parcel, said Owners shall designate in writing one party to vote on behalf of said Owners and such designated Owner, and only such designated Owner, shall cast the votes attributable to such Parcel.

4.6. Vote of Members. The Board may cause such matters as it shall determine to be submitted to a vote of the Members either at the annual meeting of the Members or at a special meeting called for the purpose of conducting a vote of Members. In addition to such matters as the Board may submit to a vote of the Members, there shall be submitted to a vote of the Members any matters required to be voted upon by Members in accordance with the provisions of the Act, including specifically but without limitation, any amendment to the Articles.

4.7. Meetings. There shall be a meeting of the Members of the Company not less often than once each calendar year as provided in the Bylaws.

4.8. **Board of Trustees.** The Board shall be comprised of three (3) Trustees, one of which shall be appointed from among the Owners of condominium units and one of which shall be appointed from among the Owners of the town homes (including town home style condos to be converted to town homes). The third shall be the Declarant or his designee.

4.9. **Organization.** The Board shall be entitled to establish such organization and elect such officer(s) as it shall deem necessary to properly perform the functions of the Company; provided, however, that if no other officer or organization shall be established, the Board shall, at a minimum, upon a majority vote of the Board, appoint at least a President who shall be authorized to act for and on behalf of the Company and shall be authorized to enter into contracts and other agreements and to execute such other documents as may be required to permit the Company to perform the duties and obligations and exercise the rights and privileges of the Company as contained in this Declaration. An officer of the Company need not be a Member.

4.10. **No Personal Liability Indemnification.** No Member of the Board (a "Trustee") or officer of the Company shall be personally liable to the Company or its Members for civil claims arising from acts or omissions made in the performance of duties as a trustee or officer, unless the acts or omissions are the result of the reckless or intentional misconduct or gross negligence of such Trustee or officer. To the full extent allowed under Utah law and in accordance with the provisions contained herein, the Company shall indemnify an individual made a party to a proceeding because such person is or was a Trustee or officer of the Company against any and all reasonable expenses, including attorneys' fees and costs, in connection with such proceeding if (i) such person's conduct was in good faith, and (ii) such person reasonably believed that said person's conduct was in, or not opposed to, the Company's best interest, and (iii) in the case of any criminal proceeding, said person had no reasonable cause to believe such person's conduct was unlawful. The Company shall not indemnify a Trustee or officer under this provision in connection with (i) a proceeding by or in the right of the Company in which the Trustee or officer was adjudged liable to the Company, or (ii) any other proceeding charging that the Trustee or officer derived an improper personal benefit, whether or not involving action in such person's official capacity, in which proceeding said person was adjudged liable on the basis that said person derived an improper personal benefit.

ARTICLE V

Rights, Duties and Obligations

5.1. **Management of Maintenance Areas.** The Company shall be responsible for the exclusive management, control, operation and maintenance of the Maintenance Areas designated to it (See section 3.6) and shall keep the same in good, clean, attractive, safe and sanitary condition, order and repair. Where it deems necessary or desirable, the Company may construct, reconstruct, repair or replace any capital improvement related to or located upon the Maintenance Areas. The Company shall not be responsible for the maintenance of any Parcel. The Company may, by written contract, delegate in whole or in part, to such person or persons as it shall deem advisable, such of the Company's duties, responsibilities and functions as are properly delegable. The Company shall have the right to exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege or duty given to it herein or reasonably necessary to effectuate any such right, privilege or duty. All goods and services procured by the Company in performing its responsibilities shall constitute a Common Expense. Nothing contained in this Declaration shall be construed to obligate the Company to

incur any expenses which cannot be reimbursed to the Company from the Owners by virtue of an Assessment.

5.2. Rules and Regulations. The Company, through its Board of Trustees, may, in its discretion, make reasonable Rules and Regulations governing the use of the Maintenance Areas and Common Facilities, including different Rules and Regulations governing different areas within the Project, if the Company determines such an arrangement to be reasonable or desirable; provided, however, that all such Rules and Regulations shall be consistent with the rights and obligations established by this Declaration. Each Owner shall be responsible to insure that each Occupant of any portion of said Owner's Parcel(s) complies with such Rules and Regulations. Each lease or other agreement which shall provide for the occupancy of all or any part of the Parcel shall require the Occupant to comply with this Declaration and the Rules and Regulations.

5.3. Allocation of Taxes. Each Owner shall be responsible to pay, prior to delinquency, any and all Taxes which shall be levied against an Owner's Parcel. Declarant shall be responsible to pay, prior to delinquency, any and all Taxes which shall be levied against any portion of the Property owned by Declarant. The Company shall be responsible to pay, prior to delinquency, all Taxes levied against the Maintenance Areas and Common Facilities. All Taxes levied against the Maintenance Areas and Common Facilities shall be a Common Expense and shall be paid by all Owners as part of the Common Expenses. Any Owner, Declarant or the Company shall be entitled to protest or appeal the amount of Taxes levied and delay payment of Taxes being protested or appealed, provided that such protest or appeal is prosecuted according to applicable law and such law shall permit delay in payment of such Taxes pending resolution of such protest or appeal. In the event that Taxes are not separately levied and collected by the applicable taxing authority between the Parcels, Maintenance Areas and Common Facilities, then the Company shall make a reasonable allocation of the Taxes based upon the value of applicable portions of the Project.

5.4. Reserved.

5.5. Declarant's Right to Cure Alleged Defects. It is the Declarant's intent that all Improvements constructed or made by Declarant in the Project be built or made in compliance with all applicable building codes and ordinances and that such improvements be of a quality that is consistent with quality and construction standards. Nevertheless, due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and whether Declarant and/or an agent of Declarant is responsible. It is Declarant's intent to resolve all disputes and claims regarding Alleged Defects (defined below) amicably, and without the necessity of time-consuming and costly litigation. The Association, Management Committee, and all Owners shall be bound by the following claim resolution procedure:

a. Declarant's Right to Cure. In the event the Association, any individual Member of the Association, Management Committee, any individual Manager, or any Owner (collectively "Claimant") claim, contend or allege that any portion of the Project, including without limitation, any Additional Land, any Building, any Capital Improvement, all Common Areas, any Limited Common Areas, the entire Project, the Property, and all Units, are defective or that Declarant or its agents, consultants, contractors, or subcontractors were negligent in

planning, design, engineering, grading, construction, or other development thereof (collectively "Alleged Defect"), Declarant hereby reserves the right to inspect, repair, and/or replace such Alleged Defects as set forth below.

b. Notice to Declarant. In the event a Claimant discovers any Alleged Defect, Claimant shall, within a reasonable time after discovery, notify Declarant's Registered Agent, as specified in paragraph 47 of the Declaration, or such other address at which the Declarant maintains its principal place of business, of the specific nature of such Alleged Defect ("Notice of Alleged Defect").

c. Right to Enter, Inspect, Repair, and/or Replace. Within a reasonable time after receipt by Declarant of a Notice of Alleged Defect or the independent discovery of any Alleged Defect by Declarant, as part of Declarant's reservations of rights, Declarant shall have the right, upon reasonable notice to Claimant and during normal business hours, to enter onto or into, as applicable, any Unit and/or improvement (including Common and Limited Common Areas), or other portions of the Project and/or Property for the purposes of inspecting and if deemed necessary by Declarant, repairing or replacing such Alleged Defect. In conducting such inspection, repairs and/or replacement, Declarant shall be entitled to take any action, as it shall deem reasonably necessary under the circumstances.

d. Legal Actions. No Claimant shall initiate any legal action, cause of action, proceeding, reference or arbitration against the Declarant alleging damages (i) for the cost of repairing or replacing any Alleged Defect, (ii) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (iii) for any consequential damages resulting from such Alleged Defect, unless and until (1) Claimant has delivered to Declarant a Notice of Alleged Defect, and (2) Declarant has, within ninety (90) days after its receipt of such Notice of Alleged Defect, either (a) fails to repair or replace such Alleged Defect, or (b) if such Alleged Defect cannot reasonably be repaired or replaced within such ninety (90) day period, fails to commence such repair or replacement of the Alleged Defect and, thereafter fails to pursue diligently such repair or replacement to completion. If the statute of limitations for bringing legal action on a defect expires during the 90 day cure period, then the statute of limitations shall be extended until the cure period expires, not to exceed 90 days.

e. No Additional Obligations; Irrevocability and Waiver of Right. Nothing set forth in this Paragraph 5.5 shall be construed to impose any obligation on Declarant to inspect, repair or replace any item or Alleged Defect for which Declarant is not otherwise obligated to do under applicable law. The right of Declarant to enter, inspect, repair, and/or replace reserved hereby shall be irrevocable and may not be waived or otherwise terminated except by a writing, in recordable form, executed and recorded by Declarant in the Office of the Wasatch County Recorder.

5.6. Project Signs. Declarant may construct certain signs which shall be designed to identify the name, logo and other identification of the Project generally and not for the use or identification of any specific Owner or Occupant to the exclusion of others (the "Project Signs"). The Project Signs, if constructed, shall be constructed within the "Sign Easements" described in Section 7.6. The initial design of the Project Signs may vary from location to location, shall be

determined in the sole discretion of Declarant and may, but shall not be required to, include in some instances the sign, flagpole, lighting, limited plaza areas, water features, etc. Declarant shall be responsible for payment of costs and expenses incurred in the construction and installation of any Project Signs Declarant shall elect to install. The Company shall be responsible to maintain any Project Signs installed and Improvements related to such Project Signs, and any and all costs and expenses which shall be incurred in the operation, servicing, replacement and maintenance of the Project Signs (and such related Improvements) shall be a Common Expense.

5.7. **Enforcement of Rights.** The Board shall be responsible to reasonably pursue performance of duties and obligations to be performed and/or collection of payments required to be made to or for the benefit of the Company or the Project generally, including, by way of illustration and not by way of limitation, payment of unpaid Assessments from Owners, enforcement of warranty obligations of parties responsible for the construction and/or maintenance of Improvements constructed for the benefit of the Company or the Project generally, and insurance claims resulting from damage to the Maintenance Areas or Common Facilities. Declarant shall cooperate in the assignment to the Company of any warranties associated with the construction of Improvements and Landscaping installed upon the Maintenance Areas or landscaping.

5.8. **Manager.** The Company may by written contract delegate in whole or in part to a professional manager such of the Company's duties, responsibilities, functions, and powers hereunder as are properly delegable. The services of any manager retained by the Company shall be a Common Expense.

5.9. **Implied Rights.** The Company may exercise any right or privilege given to it expressly by this Declaration or by law, and every other right or privilege reasonably implied from the existence of any right, privilege, or duty given to it herein or reasonably necessary to effectuate any such right, privilege, or duty.

ARTICLE VI

Assessments

6.1. **Payment of Assessment.** Each Owner, by acceptance of a deed to any Parcel, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to and does hereby covenant and agree to pay to the Company any and all Assessments levied against its Parcel in accordance with the provisions of this Declaration. Declarant shall have the duty to pay any and all Assessments which shall be levied against any Parcel owned by Declarant. The Assessments, together with interest thereon which shall accrue at the Interest Rate or Default Rate, as set forth herein, late charges and costs of collection thereof, including court costs and reasonable attorneys' fees, shall be a charge and continuing lien upon the Parcel against which such Assessments are made from the date on which such Assessments are due. Assessments shall commence upon the date of the recording of this Declaration.

6.2. **Apportionment.** The amount of each Assessment, whether a General Assessment, or Supplemental Assessment, to be paid by an Owner shall be computed by apportioning the total of such Assessment among and to all Owners in accordance with the provisions of this Section 6.2 as follows: the proportion which the number of Units owned by an individual Owner

bears to the total number of Units contained within the Project. The amount of a given Assessment attributable to each Owner, as determined by the Company after applying the above formula, shall be the amount of the applicable Assessment which such Owner shall be required to pay.

6.3. Annual Budget. General Assessments and other Assessments shall be determined on the basis of a calendar year beginning January 1, and ending the following December 31 beginning on the date that this Declaration is recorded. On or before November 1st of each year, the Board shall prepare and furnish to each Owner or cause to be prepared and furnished to each Owner, an operating budget for the upcoming fiscal year the "Annual Budget." The Annual Budget shall itemize for the applicable year the estimated Common Expenses, as defined in Section 1.10, anticipated receipts, if any, and any estimated deficits or surpluses from the prior operating period. The Annual Budget shall serve as notice of and as the supporting document for the General Assessment for the upcoming fiscal year and as a guideline under which the Project shall be operated during such annual period.

6.4. General Assessment. All Common Expenses shall be paid through an annual general assessment to all Owners. Each Owner's share of the total Common Expenses, as estimated by the Annual Budget, shall be a "General Assessment." Each respective share of a General Assessment shall be based upon the Annual Budget determined in accordance with Section 6.3. At the end of each calendar year, the Board shall determine the exact amount of the Common Expenses which have been incurred, and shall charge or credit each Owner in the next assessment period for the difference between the actual Common Expenses incurred for the prior assessment period and the estimated Common Expenses upon which said General Assessment was based. Within ninety (90) days of the close of each calendar year, each Owner shall be provided a copy of the operating statement of the Company for the preceding year. Said operating statement shall provide reasonable detail of the actual income and expenses of the Company for the applicable year.

6.5. In the sole discretion of the Company, General and other Assessments may be levied directly by the Company against the Sub-associations which shall be responsible to satisfy the assessments of the Company.

6.6. Manner of Assessment.

6.6.1. Notice. The General Assessment and any other assessment for each calendar year shall be due and payable on January 1 of such year. Failure of the Board to give timely notice of any General Assessment by delivery of the Annual Budget or notice of Assessment shall not be deemed a waiver or modification in any respect of the provisions of this Declaration or a release of any Owner from the obligation to pay such General Assessment, or any other Assessment; provided, however, that the date on which payment shall become due in such case shall be deferred to a date that is thirty (30) days after notice of such General Assessment or other Assessment shall have been given to the Owners in the manner provided in this Declaration.

6.6.2. Payment. Any Owner which shall not have paid its annual General Assessment and any other Assessment in full on or before January 1 of each year, or the date upon which the same shall be due in accordance with Section 6.6.1, shall be deemed to have elected to pay such General Assessment and Assessment in twelve (12) equal monthly

installments. Any General Assessment or other Assessment which shall not be paid on or before January 1 of the applicable year shall accrue interest at the Interest Rate on the unpaid balance thereof from the original date due until paid. The Board may, but shall not be required to do so, send out monthly statements to an Owner and each such installment shall be due and payable on the first day of each month without notice or demand. Any monthly installment of any General Assessment or other Assessment which shall not have been received by the Board on or before the fifth day of any month in which it is due shall be assessed a late charge in an amount to be determined from time to time by the Board, but which shall not be in an amount in excess of twenty-five percent (25.0%) (or the maximum rate permitted by applicable law, whichever is lower) of the amount of the unpaid installment. In the event that an installment of a General Assessment or Service Area Assessment which is being paid monthly as permitted in accordance with the provisions of this section is not paid when due, then so long as the monthly payment or payments shall remain delinquent, the unpaid balance of such General Assessment or Service Area Assessment shall accrue interest at the Default Rate. Late charges and interest on any unpaid monthly installments of any General Assessment or Service Area Assessment may be charged according to procedures established by the Board, whether or not monthly statements shall be sent. The Board shall have the right to establish a fee for costs and expenses incurred in maintaining records of the installment payments of General Assessments or Service Area Assessments, which fee shall be charged only to Owners who pay such General Assessments or Service Area Assessments on an installment basis.

6.7. Supplemental Assessments. In addition to the General Assessment, the Board may, upon the vote of the majority of the Board at a meeting called for the purpose of such vote, levy, in any year, one or more Supplemental Assessments applicable to that year only for the purpose of paying, in whole or in part, (i) the cost of any reconstruction, repair or replacement of a capital improvement upon the Maintenance Areas and Common Facilities, (ii) deficits created by non-payment of any Assessments by any Owner, and (iii) other costs and expenses required to be paid by the Owners in accordance with the provisions of this Declaration. At the time of the adoption of such Supplemental Assessment, the Board shall designate the time and the manner in which such Supplemental Assessment is to be paid by each Owner; provided, however, that the due date for payment of a Supplemental Assessment shall be at least thirty (30) days from the date that notice of the Board's approval of the Supplemental Assessment shall be given by the Board. Such Supplemental Assessment shall be apportioned to each Owner in the manner set forth in Section 6.2. Any Supplemental Assessment which shall not be paid on or before the applicable due date shall accrue interest at the Default Rate on the unpaid balance thereof from the original date due until paid.

6.8. Reimbursement Assessment. The Board may, subject to the provisions hereof, levy an Assessment against any Owner if the willful or negligent failure of such Owner to comply with this Declaration, the Articles, the Bylaws or the Rules and Regulations has resulted in the expenditure of funds by the Company to cause such compliance. Such Assessment shall be known as a Reimbursement Assessment. The amount of the Reimbursement Assessment shall be due and payable to the Company thirty (30) days after notice to the Owner of the decision of the Board that the Reimbursement Assessment is owing. Interest shall accrue on any Reimbursement Assessment at the Default Rate from the date of expenditure of funds by the Company until such amounts shall be repaid.

6.9. Collection of Assessments. The Board shall, in its sole discretion, be entitled to establish such procedures for the collection of Assessments, including provisions for late charges, interest on unpaid Assessments, and such other matters as the Company shall determine, and shall have any and all rights and remedies provided at law or in equity for the collection of debts, subject only to the notice requirements provided in Section 6.10.

6.10. Notice of Unpaid Assessment. If any Assessment or any installment thereof is not paid within thirty (30) days after its due date, the Board may mail a notice of default to the applicable Owner. Such notice shall specify (i) that the applicable Assessment or installment thereof is late, (ii) the action required to cure such default, including the specific amount required to be paid, including late charges, interest and costs of collection, if any, (iii) a date not less than thirty (30) days from the date the notice is mailed by which such default must be cured, and (iv) that a failure to cure the default on or before the date specified in the notice may result in the acceleration of the balance of the Assessment for the current year and the filing and foreclosure of a lien for the Assessment. If the default in the payment of the Assessment is not cured as specified in the notice, the Board, at its option, may declare all of the unpaid balance of the Assessment to be immediately due and payable without further notice or demand to the Owner and may enforce the collection of the full Assessment and all charges and interest thereon in any manner authorized by law or in this Declaration.

6.11. Remedies to Enforce Assessments. Each Assessment, together with accrued interest, late charges or other similar charges levied, shall be a separate, distinct and personal debt and obligation of the Owner against whom such Assessment is assessed. Suit to recover a money judgment for such personal obligation shall be maintainable by the Company against such Owner without foreclosing or waiving the lien securing the same. Any and all rights and remedies shall be exercised in such manner, on one or more occasions and in such order as the Board shall elect, without waiver of any other right or remedy or lien provided in this Declaration or by law. Any failure of the Board to exercise any such right on one or more occasions shall not constitute a waiver of the right to so exercise such right in the future. In addition to the amount of the unpaid Assessment, an Owner shall be required to pay any and all costs and expenses which may be incurred by the Company in collection of such Assessment, including reasonable attorneys' fees and costs, whether or not litigation is commenced.

6.12. Lien for Assessments. All sums assessed to an Owner of any Parcel in the Project pursuant to the provisions of this Declaration, together with interest thereon at the Interest Rate or Default Rate, as applicable, late charges and costs of collection, shall be secured by a lien on such Parcel in favor of the Company. To evidence a lien for sums assessed pursuant to this Declaration, the Board shall cause to be prepared a written notice of lien setting forth (i) the name of the Owner of the applicable Parcel, (ii) the legal description of the Parcel, (iii) the amount of the Assessment, (iv) the date such Assessment was due, and (v) the amount remaining unpaid. Such notice of lien shall be signed and acknowledged by an officer of the Company, and shall be recorded in the office of the County Recorder of Wasatch County, State of Utah. No notice of lien shall be recorded until there is a delinquency in the payment of the Assessment and after the notice required to be given pursuant to Section 6.10. Such lien may be enforced by the sale or foreclosure of the Parcel encumbered by the lien at a foreclosure sale conducted by the Board or its attorney in accordance with the provisions of Utah law applicable to the foreclosure of a mortgage or in any manner permitted by Utah law, including specifically, but without limitation, the method recognized under the laws of the State of Utah for the enforcement of a

mechanics' lien which has been established in accordance with the provisions of Chapter 1, Title 38, Utah Code Annotated, as amended from time to time. In any such sale or foreclosure, the Owner shall be required to pay the costs and expenses of such proceeding, including reasonable attorneys' fees, and such costs and expenses shall be secured by the lien herein provided, whether or not the same shall be specifically set forth therein. The Owner shall also be required to pay to the Company any Assessments against the Parcel which shall become due during the period of foreclosure or sale, and all such Assessments shall be secured by the lien herein provided. The Company shall have the right and power to bid in any foreclosure or sale and, upon purchase thereof, to hold, lease, mortgage or convey the subject Parcel. In the event a proceeding for the foreclosure of the lien granted hereby shall be commenced, while such proceeding shall be in process, the Company shall be entitled to the appointment of a receiver to collect the rentals being derived from said Parcel.

6.13. Priority of Lien Liability of Owner. The priority of lien for Assessments provided for herein over a Mortgage shall be governed by the provisions of Section 10.3. No foreclosure of a lien shall extinguish the personal liability of the Owner therefor unless the Company shall either (i) actually purchase the Parcel at the foreclosure sale conducted to foreclose such lien, or (ii) actually receive payment in full of amounts due. An Owner's personal liability for payment of Assessments shall be reduced by the amount actually paid at the foreclosure by the successful bidder that shall remain after allocation for payment of costs and expenses incurred by reason of such sale. No other sale or transfer shall relieve such Owner from liability for any Assessments which shall be due as of the date of foreclosure.

6.14. Certificate of Assessment. The Board shall, upon written request, and for a reasonable charge, furnish a certificate signed by an officer of the Company, setting forth whether the Assessments on a specific Parcel have been paid, and said certificate may be conclusively relied upon by the party requesting the same.

6.15. No Avoidance. No Owner may avoid or diminish such Owner's obligation to pay Assessments, the right of the Company to assert a lien against said Owner's Parcel to enforce payment of the same or to be relieved of such Owner's personal obligation for the payment of Assessments by reason of: (i) a waiver of the use or enjoyment or the actual non-use of any of the Maintenance Areas, Common Facilities, or any other portion of the Project; (ii) a waiver of any services provided for in this Declaration; or (iii) all or any part of said Owner's Parcel being unoccupied for all or any portion of the period for which such Assessments shall have been made.

6.16. Accrual of Interest. Interest shall accrue on amounts required to be paid in accordance with the provisions of this Declaration from the date on which such payment is due until the required amount is received by the Company. The term "Interest Rate," when used in this Declaration, is a per annum rate of interest of eighteen percent (18.0%) per annum. The term "Default Rate" when used in this Declaration, is a per annum rate of interest of twenty-one percent (21.0%).

6.17. No Offset. All Assessments shall be payable in the amounts specified in the levy thereof, and no offset or reduction thereof shall be permitted for any reason, including, without limitation, any claim that the Company, the Board or any officer, employee, agent or representative thereof is not properly exercising its duties and powers under this Declaration.

6.18. Working Capital Fund. A working capital fund shall be established by the Declarant and the Association equal to or greater than six (6) months' Assessments for each Unit and Lot, as provided in the provisions of the respective Declarations of the Townhome Association and the Condo Association.

ARTICLE VII

Easements

7.1. **In General.** The Property and any portion of the Property which is sold as a separate Parcel shall be conveyed and owned subject to and together with the Easements herein recited or as shall be set forth on the Plat, whether or not such Easements are specifically set forth in the document of conveyance. In each instance the physical location of an Easement may, in some circumstances, be located in the same place and the use thereof may be shared with other Easements similarly located and in each such instance the rights and privileges associated with each such Easement shall be interpreted separately, but the use shall be deemed to be non-exclusive with any other Easement similarly located. Easements granted pursuant to this Declaration shall be utilized in the manner that shall be reasonably determined to be the least disruptive to the Parcel upon which such Easement is situated. No Easement may be amended, extinguished or otherwise modified in any manner by an amendment to this Declaration or the Plat without the express written approval of the owner of the real property which shall be benefited or intended to be benefited by the existence of such Easement. It is expressly agreed that any and all Easements granted pursuant to this Declaration shall survive any termination, expiration or other cessation of this Declaration and shall be extinguished only upon the execution and delivery of a termination executed by the party legally entitled to terminate the Easement intended to be terminated.

7.2. **Other Easements.** In addition to other Easements specifically granted in this Declaration, there are hereby granted to each Owner and established certain perpetual easements described in this Article and/or which are described on the Plat.

The Utilities Easement shall be located upon those areas of the Project designated on the Plat. The Utilities Easement herein granted shall include an easement over and across the surface of the Property within the boundaries of the Utility Easement as may be necessary to service and maintain such Utility Lines. In the event any utility company, quasi-utility company, public entity, agency or district, cable company or similar entity furnishing a service covered by this Utility Easement requests a specific easement to be located within the Utilities Easement by separate recordable document, Declarant reserves and is hereby given the right and authority to grant such easement, provided that such Easement shall be in compliance with the provisions of this Section 7.5. At such time as Declarant shall cease to be the Owner of real property over which the Utility Easement is required, the Company shall be deemed to have reserved the right and authority to grant such Easement, provided that such Easement shall conform to the provisions of this Section 7.5.

7.6. Sign Easements. There is hereby granted to Declarant and the Company one or more Easements (the "Sign Easements") to construct, install, service, replace and maintain the Project Signs. The Sign Easements shall be located upon the Maintenance Areas, and other areas of the Project specifically designated on the Plat. The Sign Easements herein granted shall include an easement over and across the surface of the Property from public streets to the location of the Project Signs as shall be reasonably necessary for the construction, installation, servicing, replacement and maintenance of the Project Signs. The Sign Easements shall be utilized in the manner that shall be reasonably determined to be the least disruptive to those portions of the Property upon which such Sign Easements are situated. Responsibility for the maintenance of the Project Signs is specifically set forth in Section 5.6. An Owner of a Parcel upon which one of the Sign Easements shall be located shall be responsible to install and maintain Landscaping upon such areas of the Sign Easements that shall not be occupied by a Project Sign, but shall not be responsible to maintain any Project Signs and related Improvements installed by Declarant or the Company upon said Owner's Parcel.

reasonably determined to be the least disruptive to those portions of the Property upon which such Easement is situated.

7.8. Access to Perform Duties. there is hereby granted unto the Company an Easement, together with the right to grant and transfer such Easement to others as is reasonably required to accomplish the intended purpose of such Easement, over and through all portions of the Project for the purpose of permitting the Company to exercise its rights and discharge its obligations and duties under this Declaration. Each Owner shall be entitled to the benefit of the Easements herein granted and shall be entitled to permit each Occupant, together with any employee and any business customer, invitee and guest of said Owner and/or Occupant, to enjoy the benefits of the Easements herein granted, but said Owner's use and enjoyment of its Parcel shall be subject to and burdened by the Easements also herein granted.

7.10. No Public Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of any portion of the Project to or for the general public or for any public purpose whatsoever, it being the intention of the Declarant that this Declaration will be strictly limited to and for the purposes herein expressed. Notwithstanding the grant of the Easements, each Owner may be entitled to take whatever steps it deems necessary to protect and preserve the private ownership of its Parcel and to prevent the same from being dedicated to the public use as a matter of law; provided, however, that such steps shall be taken in such manner and at such time as shall cause minimal disruption of the occupancy and usage of said Owner's Parcel. An Easement granted herein to the County shall be deemed granted to the County and may be used by its employees, agents, contractors and representatives in performance of their respective duties within the Project, and shall not be construed to be a grant to the public generally.

ARTICLE VIII Architectural Control

8.1. Architectural Control. No Owner, except Declarant, shall, without the prior written approval of the Design Review Board, granted in accordance with the provisions of this Article VIII, undertake or permit others to undertake upon said Owner's Parcel: (i) the construction, installation, erection or expansion of any Building or other Improvements, including utility facilities; (ii) the voluntary demolition or destruction of any Building or other improvements; (iii) the grading, excavation, filling or similar disturbance of the surface of the land, including, without limitation, changes of grade or drainage pattern, (iv) landscaping, clearing or removal of trees, shrubs or plants; (v) planting or other installation of Landscaping; or (vi) any change or alteration of any previously approved Improvements, including any change of exterior appearance, color or texture or approved Landscaping. Approval shall be requested and granted or denied in accordance with this Article. If the Design Review Board should determine, in accordance with the provisions of this Declaration, that a proposed Improvement or alteration

of the same is not consistent with the Design Standards, if any, such Improvement or alteration shall not be made. Declarant and the Board shall have the standing and authority to enforce, in accordance with rights and remedies provided in this Declaration and in courts of competent jurisdiction, the Design Standards, if any, and the decisions of the Design Review Board.

8.2. Design Review Board. There shall be established a three (3) member Design Review Board to administer the provisions of this Article VIII. The members of the Design Review Board may, but need not, be Owners or Occupants of the Project. Until the earlier to occur of (i) January 1, 2020, or (ii) the date upon which Declarant shall no longer own any Parcels within the Project, Declarant shall have the right to appoint and remove members of the Design Review Board. Thereafter, the membership of the Design Review Board shall be determined by the Board of Trustees and its members shall be appointed and/or removed upon a vote of the Board. Any delegation of authority of the Design Review Board pursuant to section 8.13 is subject to the prior approval of the Board of Trustees, which may also subsequently withdraw the delegation.

8.3. Purpose of Design Review Board. It is the stated purpose of the Design Review Board to assure that all Buildings and other Improvements which shall be constructed or installed upon the Project (i) shall be of good quality and sound construction, (ii) shall harmonize with the existing surroundings and Improvements which have been or will be constructed upon the Project, (iii) are located upon the applicable Parcel in such manner as to enhance the overall design of the Project, (iv) shall be in compliance with Design Standards adopted by the Design Review Board and (v) shall not detract from the overall quality and design of the Project. Notwithstanding the foregoing, the Design Review Board shall be permitted to approve such plans and specifications as it shall have determined, in its best judgment, will promote the development and maintenance of the Project as a first-class development, whether or not such plans and specifications comply strictly with the Design Standards, if any, formally adopted by the Design Review Board as set forth in this Article VIII. Compliance of proposed plans and specifications with applicable zoning requirements, building codes and other laws shall not necessarily mean that such plans and specifications shall be permitted to be developed and implemented pursuant to this Declaration. Approval of the plans and specifications may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by virtue of the reasonable dissatisfaction of the Design Review Board with the location of the Improvements on the Parcel, the elevation, the color scheme, the finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed Improvements or alteration to existing Improvements, the materials used therein, the Landscaping, including size, height or location of vegetation on the Parcel, or because of the Design Review Board's reasonable dissatisfaction with any other matters which, in the reasonable judgment of the Design Review Board, will render the proposed Improvements to be not in harmony with the Project or not in keeping with the Design Standards, if any. Notwithstanding any provision to the contrary contained herein, the Design Review Board may, in its discretion, issue blanket approval of any single-family residence to be constructed according to a standard set of plans and specifications submitted in advance by a homebuilder and approved by the Design Review Board in accordance with the procedures set forth in Section 8.5.

8.4. Design Standards. The Design Review Board may, but shall not be required to, adopt such Design Standards as it reasonably deems necessary to inform Owners of the standards

which will be applied in approving or disapproving proposed Improvements. Such Design Standards may be written or unwritten and may be adopted formally or otherwise, and the term "Design Standards" shall refer to any such standards as are adopted by the Design Review Board. Any requirements imposed by the Design Review Board as a condition for approval of any proposed Improvements shall be in compliance with existing law, but may impose additional requirements not otherwise imposed by law. The Design Review Board shall have the right to amend or revise the Design Standards from time to time, in writing or otherwise, as the Design Review Board may determine upon a majority vote of its members; provided, however, that no amendment or revision shall require an Owner to alter or modify either (i) any existing Improvement, or Landscaping constructed in accordance with the provisions of this Article VIII upon said Owner's Parcel, or (ii) plans and specifications which shall have been approved by the Design Review Board within six (6) months of the date of the adoption of such amendment or revision, pursuant to which plans and specifications construction shall have commenced, but may not be completed. The different, additional or revised Design Standards shall become effective as to all matters requiring Design Review Board approval from and after the date of adoption of the revised Design Standards by the Design Review Board. Design Standards may amplify, but may not be less restrictive than the regulations and restrictions contained in this Declaration and shall be binding upon all Owners of Parcels within the Project. Review and approval by the Design Review Board shall be based upon the standards set forth in this Declaration, the Design Review Board's reasonable judgment, and in the Design Standards, if any. The Design Review Board shall consider not only the quality of the specific proposal, but also its effect and impact on neighboring Parcels, existing Buildings and the entire Project. In no event shall any Improvement be constructed which shall not be in compliance with engineering, architectural or building codes or any other code design requirements and zoning or other applicable municipal, state or federal laws, ordinances or regulations.

8.5. Design Review Procedures. The Design Standards, if any, may specifically set forth the procedures of the Design Review Board with respect to the submission of plans and specifications for approval and may provide such other rules, regulations, policies and recommendations which the Design Review Board will consider in approving or disapproving proposed construction or alteration of Improvements; provided, however, that such procedures shall not be less restrictive than the procedures required in this Article VIII. Whether the Design Review Board adopts formal Design Standards or not, an Owner shall submit to the Design Review Board three (3) copies of preliminary "plans and specifications" for any Improvements to be constructed upon its Parcel, which plans and specifications shall include site plans, maps, dimension drawings, exterior elevations, drainage plans, parking plans, exterior colors, materials and textures and other data sufficient to adequately disclose the scope and design of the proposed Improvements and a detailed Landscape Plan. Within five (5) days of its receipt of a submission from an Owner, the Design Review Board shall advise such Owner in writing whether the Design Review Board considers the materials sufficiently complete to permit review by the Design Review Board. If the Design Review Board determines the submission to be insufficient, such notice shall specify the information that will be required to permit the Design Review Board to begin its review. If an Owner desires to construct Improvements according to plans and specifications for which the Design Review Board has previously issued a blanket approval as set forth in Section 8.3, the provisions of this Section 8.5 shall not apply. instead, such Owner shall proceed to prepare and submit final construction plans and specifications as set forth in Section 8.8.

8.5.1. **Review Period.** All such plans and specifications submitted to the Design Review Board shall be approved or disapproved by the Design Review Board in writing within thirty (30) business days after its receipt of a complete submission. In the event that additional information is requested by the Design Review Board, the approval period will be extended accordingly. The Design Review Board shall provide written notification of approval or disapproval. In the event that the plans and specifications are not approved as submitted, such written notification shall also include a reasonably detailed explanation of the reasons for such disapproval. The Design Review Board shall have the right to approve submitted plans and specifications subject to specified conditions. Upon approval, two (2) copies of the plans and specifications and related materials shall be returned to the Owner and one (1) copy shall be retained by the Design Review Board.

8.5.2. **Term of Approval.** Approval by the Design Review Board shall be effective for a period of six (6) months from the date the approval is given, or six (6) months from the expiration of the thirty (30) day period specified where approval is not expressly granted or denied. If construction has not commenced within said six (6) month period, the approval shall be deemed expired and no construction shall thereafter commence without written renewal of such prior approval and such renewal shall be upon such terms as shall be imposed by the Design Review Board pursuant to Design Standards, if any, then in effect.

8.6. **Required Vote.** The act, concurrence or determination of any two (2) or more members of the Design Review Board shall constitute and shall be necessary for the Design Review Board to act. Such concurrence or action of said two (2) or more members of the Design Review Board may occur with or without a meeting, and at the same time or at different times. The Design Review Board shall maintain such records as it shall deem necessary to record actions taken or determinations made by it. The Design Review Board shall give notice to the Board of Trustees of its decisions and the Board of Trustees may review, vacate, modify or sustain a decision of the Design Review Board within 90 days of receipt of notice of decision.

8.7. **Variances.** The Design Review Board may from time to time authorize variances from compliance with any provision of the Design Standards, if any, when circumstances such as topography, natural obstructions, or aesthetic, environmental or planning objectives or considerations may so warrant; provided, however, that no variance granted shall, in the reasonable opinion of the Design Review Board, constitute a material violation of the standards for the Project set forth in Section 8.4 of this Declaration. Each such variance must be approved by a majority of the members of the Design Review Board. If such a variance is granted, no violation of this Declaration or the Design Standards, if any, shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of a variance shall not operate to waive or to render unenforceable any of the terms and provisions of this Declaration for any purpose except as to the particular Parcel and the provisions and circumstances covered by the variance, nor shall the granting of a variance be deemed to set a precedent with respect to any subsequent requests for variances. The Design Review Board shall not delegate to any single member or group of members of the Design Review Board or to any other person the power to grant variances pursuant to this Section 8.7. Any request for variance must be in writing and specify the variance requested and the reasons for such variance. A request for a variance shall be reviewed by the Design Review Board within thirty (30) business days after its receipt of a written request for the same. The Design Review Board shall provide written notification of approval or disapproval. Notification of disapproval shall include a

reasonably detailed explanation of the reasons for such disapproval. In the event that the Design Review Board shall fail to act within said thirty (30) day period, the requested variance shall be deemed disapproved, and within fifteen (15) days from said date the Design Review Board shall provide written notification of the reasons for such disapproval.

8.8. Final Plans. Upon approval of preliminary plans and specifications, the Owner shall proceed to prepare final construction plans and specifications, including a final Landscape Plan, which shall conform to the plans and specifications approved by the Design Review Board. Not later than the date on which the final plans and specifications are submitted to the appropriate governmental authority for the issuance of building permits, the Owner shall submit copies of the final plans and specifications and final Landscape Plan to the Design Review Board. Prior to the commencement of construction, the Design Review Board shall have the right to determine whether the final plans and specifications and Landscape Plan conform with the approval previously granted by the Design Review Board. Such determination shall be made within ten (10) business days of the date final plans and specifications are delivered to the Design Review Board. The Design Review Board shall provide written notice of its approval or disapproval. Failure of the Design Review Board to provide such notice within said ten (10) day period shall be deemed approval.

8.9. Inspection. The Design Review Board shall have the right and authority to monitor construction of the Improvements to see that such Improvements are in compliance with the plans and specifications which have been approved by the Design Review Board. The Design Review Board shall notify the Owner in writing of any failure to comply with the plans and specifications approved by the Design Review Board. This right of inspection shall expire thirty (30) days after the Design Review Committee shall have received a written notice of completion of construction from the Owner.

8.10. Notice of Noncompliance. If the Company determines that any Improvements have been constructed without approval of the Design Review Board or were not constructed in substantial compliance with the description and materials furnished to and any conditions of approval imposed by the Design Review Board, then the Company or the Design Review Board shall notify the Owner in writing of such noncompliance. Such notice shall specify the noncompliance and shall require the Owner to take such action as may be necessary to remedy the noncompliance within thirty (30) days of the date of such notice or in the event such noncompliance is not reasonably capable of being remedied within said thirty (30) days, then within such time, the Owner shall have commenced such action as shall be required to remedy the noncompliance and shall diligently prosecute the same to completion.

8.11. Correction of Noncompliance. If the Owner does not comply with the notice sent pursuant to Section 8.10, then the Company may, in its discretion, record a notice of noncompliance against the Parcel on which the noncompliance exists, may remove or correct the noncomplying Improvement and, in such event, the Owner shall reimburse Declarant or the Company, as applicable, upon demand, for any and all expenses incurred in connection therewith. If such expenses are not reimbursed within thirty (30) days of notice thereof, the Board shall levy a Reimbursement Assessment in accordance with the provisions of Section 6.8. The Company shall have standing and authority to enforce in courts of competent jurisdiction the Design Standards, if any, and the decisions of the Design Review Board. The right to remedy or remove any noncomplying Improvement shall be in addition to all other rights and remedies

which the Company may have at law, in equity or under this Declaration, including specifically, but without limitation, the right to injunctive relief from a court of competent jurisdiction to stay construction or compel removal of a noncomplying Improvement. Should the Company be required to enforce the provisions hereof by legal action, the attorneys' fees and costs incurred, whether or not judicial proceedings are involved, shall be collectible from the Owner.

8.12. **No Liability.** No member of the Design Review Board shall be personally liable for civil claims arising from acts or omissions made in the performance of duties as a member of the Design Review Board, unless the acts or omissions are the result of the intentional misconduct of such member. Plans and specifications are not reviewed for (i) engineering, architectural, building code or any other code design requirements, (ii) compliance with zoning or other applicable municipal ordinances or regulations, or (iii) compliance with the requirements of any public utility. Neither the approval of plans and specifications by the Design Review Board, nor the compliance of such plans and specifications to the Design Standards, if any, shall be construed to constitute any acknowledgement, warranty or representation by Declarant, the Company or the Design Review Board as to the technical sufficiency, adequacy or safety of any Improvement or the compliance with applicable building codes, regulations or laws, including specifically, but without limitation, the Americans With Disabilities Act of 1990, as amended, and any regulations adopted pursuant thereto.

8.13. **Delegation of Design Review.** The Design Review Board may, in its discretion, assign, delegate or withdraw all or any portion of its responsibility and authority under this Article VIII to a Sub-association or another body of the Design Review Board's choosing. In the event of such assignment or delegation, the body named by the Design Review Board shall possess all of the powers granted under this Article VIII and shall conduct itself in accordance with the standards and requirements outlined herein.

8.14. **Exclusions.** The provisions of this Article VIII shall not be applicable to the Maintenance Areas, Project Signs and any and all Improvements related thereto.

8.15. **Application to Declarant.** The provisions of this Article VIII, including specifically the Design Standards, if any, shall be applicable to any Building and related Improvements that Declarant intends to construct upon a Parcel owned by Declarant.

ARTICLE IX

Annexation

9.1. **Right of Declarant.** Declarant (joined by the owner of the lands to be annexed if other than Declarant) shall have the sole right, but not the obligation, to bring within the scheme of this Declaration additional real property, provided that such real property shall be contiguous to the real property which, at the time of such annexation, shall constitute the "Property" under this Declaration. Such right may be exercised by Declarant at any time within ten (10) years from the date this Declaration has been recorded and which annexation may be accomplished without the consent or signature of the Company, its Members, Owners or Occupants or any Mortgagee.

9.2. **Manner of Annexation.** Declarant may annex additional real property by the recordation of one or more supplemental declarations signed by Declarant and recorded in the office of the County Recorder of Wasatch County, State of Utah. Such supplemental declaration

shall contain the legal description of the real property to be annexed to this Declaration, shall submit the additional real property to the terms and conditions hereof and declare that the described real property and any and all Improvements that shall at any time be located upon any portion of such property shall be held, sold, conveyed, transferred, designed, constructed, operated, maintained, leased, subleased and occupied subject to the easements, covenants, conditions and restrictions set forth in this Declaration.

9.3. Effect of Supplemental Declaration. Upon the recordation of a supplement to this Declaration in the office of the County Recorder of Wasatch County, State of Utah, the real property described therein shall be subject to this Declaration.

ARTICLE X

Mortgagee Protection

10.1. Mortgagee Protection. No breach of any of the covenants, conditions, restrictions, or limitations contained in this Declaration shall defeat or render invalid the lien of any Mortgage made in good faith and for value; provided, however, that all such covenants, conditions, restrictions or limitations contained herein shall be binding upon an Owner whose title is derived through foreclosure, trustee's sale or by deed or assignment in lieu of foreclosure.

10.2. Notice of Noncompliance to Mortgagee. From and after the time a Mortgagee makes written request to the Company therefor, the Company shall notify such Mortgagee in writing in the event that the Owner of a Parcel encumbered by the Mortgage held by such Mortgagee neglects, for a period of thirty (30) days or more, to cure any failure on the part of such Owner to perform any of its obligations under this Declaration.

10.3. Priority of Assessment Lien. The lien or claim against a Parcel for unpaid Assessments levied by the Company pursuant to this Declaration shall be subordinate to a Mortgage affecting such Parcel which has been recorded prior to the date such Assessment became due. A Mortgagee who comes into possession of the Parcel pursuant to its Mortgage or a deed or assignment in lieu of foreclosure shall take the same free of such lien or claim for unpaid Assessments or charges, but only to the extent of Assessments or charges which accrue prior to foreclosure of the Mortgage, exercise of a power of sale available thereunder or delivery of a deed or assignment in lieu of foreclosure, except that such Mortgagee shall be responsible for the payment of a pro rata share of such prior Assessments or charges resulting from a pro rata reallocation thereof to all Parcels, including the Parcel in which the Mortgagee is interested. No Assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not being a burden to a Mortgagee coming into possession pursuant to its Mortgage or a deed or assignment in lieu of foreclosure shall be collected or enforced against a Mortgagee, a successor in title to a Mortgagee or the Parcel affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the Mortgagee or successor in title to the Mortgagee interested in such Parcel).

10.4. Financial Information. Any Mortgagee shall have the right, at its request and expense and upon reasonable notice, to examine the books and records of the Company during reasonable business hours. From and after the time a Mortgagee makes written request to the Company therefor, and at the expense of such Mortgagee, the Company shall furnish to such

Mortgagee copies of such financial reports or writings summarizing or reflecting the financial position or history of the Project as may be prepared for distribution to or use by the Owners generally.

10.5. Article Supersedes Others. In the event another provision or clause of this Declaration deals with the same subject matter as is dealt with in any provision or clause of this Article X, the provision or clause which results in the greatest protection and security for a Mortgagee shall control the rights, obligations, or limits of authority, as the case may be, applicable to the Company with respect to the subject concerned.

10.6. Amendment to Article. No amendment to this *Article X* which has the effect of diminishing the rights, protection, or security afforded to Mortgagees shall be accomplished or effective unless Mortgagees holding security in at least fifty-one percent (51%) of the undivided ownership interest in the common areas have given their prior written approval to such amendments. Any amendment to this Article X shall be accomplished by an instrument executed by the Company and filed for record in the office of the County Recorder of Wasatch County, State of Utah. In any such instrument, an officer of the Company shall certify under penalties of perjury that the prior written approval of first Mortgagees required by this Article X as a condition to amendment has been obtained.

10.7. Notices to Mortgagee. Any notice to a Mortgagee under this Article X shall be in writing and shall be sufficient for all purposes if personally delivered or if sent by first-class mail, postage prepaid, and addressed to the Mortgagee at the address for notices from time to time specified by the Mortgagee in writing to the Company. Any such notice shall be given in the manner specified in Section 11.1 of this Declaration.

ARTICLE XI

Miscellaneous Provisions

11.1. Notices. Upon acquisition of title to a Parcel, each Owner shall provide written notice to the Company of such Owner's address (email address preferred) for purposes of furnishing notices in connection with this Declaration. The Company shall maintain a record of the notice addresses furnished by the Owners. The address provided by an Owner shall be used for any notice required to be given under this Declaration and if no such address shall have been provided, then the address used by Wasatch County for the mailing of real property tax statements for such Parcel shall be used for such notice. All notices to be given pursuant to this Declaration shall be sufficient if given by email, by personal service, by guaranteed overnight delivery service or by being mailed postage prepaid, certified or registered mail, return receipt requested, to the prescribed address. Any time period provided in the giving of any notice hereunder shall commence upon the date of personal service, the date after delivery to the guaranteed overnight delivery service or two (2) days after mailing certified or registered mail. Notice of the regular annual meeting of the Members shall be sent as set forth in the Bylaws.

11.2. Amendment. Except where otherwise specifically provided in this Declaration, this Declaration may be amended upon the affirmative vote of a majority of the total votes of the Owners, taken together, as determined in accordance with Section 4.3; PROVIDED, HOWEVER, such amendment shall recite that a vote of the Owners has been properly taken and that the amendment has been approved in accordance with the provisions hereof, which shall be certified by an officer of the Company and shall be recorded in the office of the Wasatch County

Recorder, State of Utah. Any such amendment shall take effect upon such recordation. Each Owner makes, constitutes and appoints the Company the true and lawful attorney-in-fact of said Owner to act in said Owner's name, place and stead to make, execute, sign, acknowledge and file with respect to the Project such amendments to this Declaration as may be required by law or by vote taken pursuant to the provisions of this Declaration. Any amendment to this Declaration which shall require the express consent of a specified party shall be accomplished only by an amendment executed by both the Company and the party from whom such consent shall be required which shall be filed for record in the office of the County Recorder of Wasatch Lake County, State of Utah.

11.3. Amendment by Declarant. Declarant reserves and shall have the sole right to (i) amend this Declaration without the vote or consent of any Owner for the purpose of curing any inconsistency between the provisions contained herein, (ii) amend this Declaration without the vote or consent of any Owner in any manner which does not adversely affect the substantive rights of existing Owners, or Mortgagees, and (iii) to amend this Declaration without the vote or consent of any Owner during the first two (2) years after the same has been recorded to comply with the request of any Mortgagee referred to in Article X. The foregoing amendments may be made without the joinder or approval of any Owner, Mortgagee or the Company.

11.4. Insurance. The Townhome Association is responsible to obtain property insurance on the physical structure of all attached dwellings, limited common areas appurtenant to a dwelling on a Lot, and Common Areas of the Townhome Association in the project, insuring against all risks of direct physical loss commonly insured against, including fire and extended coverage perils and shall also obtain liability insurance including medical payments insurance covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership or maintenance of the common areas, all in accordance with the provisions of Utah Code Annotated 57-8a-403, 405 and 406 and related provisions. The Condo Association is responsible to obtain property insurance on the physical structures in the condominium project, including Common Areas and Facilities, Limited Common Areas and Facilities, and Units, insuring against all risks of direct physical loss commonly insured against including fire and extended coverage perils and shall also obtain liability insurance including medical payments insurance covering all occurrences commonly insured against for death, bodily injury, and property damage arising out of or in connection with the use, ownership or maintenance of the Common Areas and Facilities, all in accordance with the provisions of Utah Code Annotated 57-8-43(3), (9), (10) and related provisions. The Master Association shall be named as an additional insured on the coverage obtained by the Sub-associations, where such coverage is reasonably available and shall obtain such other insurance as to risks commonly insured against for its operations as it deems necessary and as is reasonably available.

11.5. Condemnation. In the event that all or any part of the Maintenance Areas is taken through condemnation or is conveyed to a condemning authority under threat of condemnation, the entire condemnation award or proceeds shall be used first to pay costs and expenses incurred to restore the remaining portions of the Maintenance Areas to the condition that existed prior to such taking and any portion that shall remain thereafter shall be allocated to all Owners in the same proportion as used in the allocation of Common Expenses. Costs and expenses incurred in restoring such Maintenance Areas or other areas which shall be in excess of said condemnation award allocable to the Maintenance Areas shall be a Common Expense and may be included in a

Supplemental Assessment made to all Owners. Subject to the rights of any Mortgagee, should the Improvements on any Parcel be taken by eminent domain or be conveyed by the Owner by deed in lieu thereof, the proceeds therefrom shall be used first to restore the remaining Improvements on the Parcel.

11.6. Duration. The covenants and restrictions of this Declaration shall run with and bind the Property and Project for a term of seventy-five (75) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless terminated at the end of any such period by the affirmative vote of two-thirds (2/3) of the Owners. No such termination shall terminate any Easement granted herein and all such Easements shall survive any termination of this Declaration and may be extinguished only in the manner provided by law for the termination of an easement.

11.7. No Merger. The easements, covenants and restrictions and other provisions contained in this Declaration shall remain in full force and effect despite the fact that any of the Parcels may be owned by the same persons from time to time. It is the express intent of the Declarant to create a common scheme for the development and operation of the Project which will not be terminated by the doctrine of merger or otherwise unless this Declaration is terminated in accordance with the provisions hereof.

11.8. Assignment of Declarant's Rights and Remedies. Any and all of the rights, powers and reservations of Declarant herein contained may be assigned by Declarant to any person, corporation, association or other entity which assumes such assigned duties of Declarant hereunder. In the event that Declarant attempts to assign less than all of the rights, powers and reservations of Declarant set forth herein, then any such assignment must specify which rights, powers and reservations are being assigned and the only party that shall be permitted to exercise a right reserved or granted unto Declarant shall be the party to whom such right has been assigned. To be effective, such assignment must be in writing, must be recorded in the office of the Wasatch County Recorder, State of Utah, and must specifically refer to the rights, powers and reservations of Declarant hereunder which are being assigned. Upon acceptance of such assignment by any such person or entity (such acceptance may be shown, among other ways, by execution of such assignment by such assignee, or by such assignee recording the assignment in the office of the Wasatch County Recorder, State of Utah) and recording of such assignment in the office of the Wasatch County Recorder, State of Utah, said assignee shall, to the extent of such assignment, assume, and be deemed to have assumed, Declarant's duties hereunder and shall have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by Declarant herein. Upon such assignment and recording, and to the extent thereof, the party making such assignment shall be relieved from all liabilities, obligations and duties hereunder arising from and after the date of such assignment. Anything contained elsewhere herein to the contrary notwithstanding, the mere conveyance or transfer of ownership of the Property by Declarant to any person or party, whether by deed or other instrument of conveyance, shall in no way convey any right, power or reservation of Declarant hereunder. A successor to Declarant by reason of any merger or consolidation of the then Declarant shall automatically be deemed to have assumed Declarant's duties hereunder and shall have the same rights and powers and be subject to the same obligations and duties as are given to and assumed by Declarant herein.

11.9. Violation Creates Nuisance. Any violation of any provision, covenant, condition or equitable servitude contained in this Declaration, whether by act or omission, is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action, by any party entitled to enforce the provisions of this Declaration.

11.10. Violation of Law. Any violation of any federal, state, municipal or local law, ordinance, rule or regulation, pertaining to the ownership, occupation or use of any Property or Improvements within the Project, is hereby declared to be a violation of this Declaration and shall be subject to any and all of the enforcement procedures set forth in this Declaration.

11.11. No Third-Party Beneficiary. This Declaration has been executed and recorded for the benefit of Declarant, the Company and the Owners. Unless otherwise set forth herein with specificity which shall include the name of the party intended to be benefited by a specific provision of this Declaration, no other party shall be construed to be an intended third-party beneficiary of any of the rights, duties or obligations set forth herein, and no party other than Declarant or an Owner shall, therefore, have the right to enforce any provision hereof, unless such right shall be specifically set forth herein.

11.12. Words of Conveyance. The use of the word "grant," and any form thereof, as used in provisions of this Declaration to create or preserve easements, licenses or other rights and privileges described herein, shall be deemed to be construed in such manner as shall be required to give effect to the easement, license, right or privilege intended to be created or preserved by such provisions and, to the extent necessary to effect such result, any use of the word "grant," or any form thereof, shall be deemed to include such other words of conveyance (e.g., reserve, quitclaim, convey, transfer, etc.) as may be required to give effect to the easement, license, right or privilege intended to be created or preserved.

11.13. Liberal Interpretation. The provisions of this Declaration shall be liberally construed as a whole to effectuate the purpose of this Declaration.

11.14. Gender and Number. In this Declaration, unless the context requires otherwise, the masculine, feminine and neuter genders and the singular and the plural shall be deemed to include one another, as appropriate.

11.15. Captions. The titles, headings and captions used herein are for convenience only and are not a part of this Declaration and shall not be considered in construing, nor shall the same be used to limit or amplify, the terms and provisions hereof.

11.16. Invalidity of Provision. If any provision of this Declaration as applied to any circumstance shall be adjudged by a court of competent jurisdiction to be void or unenforceable for any reason, the same shall in no way affect (to the maximum extent permissible by law) any other provision of this Declaration, the application of any such provision under circumstances different from those adjudicated by the court, or the validity or enforceability of the Declaration as a whole.

11.17. Exhibits. All exhibits to this Declaration are incorporated herein by this reference.

11.18. Governing Law. This Declaration and the exhibits attached hereto shall be governed by and construed under the laws of the State of Utah.

1. The Company. The Company is a Utah non-profit corporation (the "Company") composed of Members who are all Unit owners according to their Membership interests as provided in section 4.3 of The Master Declaration Of Easements, Covenants And Restrictions For Black Rock Ridge Community (the "Declaration").

2. Place of Meeting. Meetings of the Company shall be held at the principal office of the Company or at such other suitable place as may be designated by the Management Committee from time to time and stated in the notice of meeting.

3. Notice of Meeting. It shall be the duty of the Secretary to hand deliver, mail by first-class mail, postage prepaid, by facsimile transmission, or by email transmission addressed to each Owner at the Owner's last known address, facsimile number, or email address *as* the same shown on the records of the Company notice of (a) each annual meeting of the Company not less than ten (10) and not more than thirty (30) days in advance of such meeting. The notice shall state the purpose, day, date, time and place of the meetings. The mailing or proof of transmission via facsimile or email of a notice of meeting in the manner provided in this Section shall be considered service of notice.

4. Qualified Voters. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Company if he is in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid his share of the Common Expenses and all Assessments and/or Additional Charges due.

5. Proxies. The votes appertaining to any Member may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or in cases where the Owner is more than one person, by or on behalf of all such persons. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by an authorized person Member. Unless it expressly states otherwise, a proxy shall terminate automatically (a) if the Owner attends the meeting in person, (b) it is revoked in writing and written notice of the revocation is given to the secretary of the Company prior to the meeting, and (c) upon the adjournment of the first meeting held on or after the date of that proxy. Each proxy must be filed with the Secretary of the Company prior to the meeting. Only individual Owners or the legal representative of an institutional Owner may be proxies.

6. Quorum Voting. Thirty-five percent (35%) of the members of the Company shall constitute a quorum at a duly noticed Meeting of the Members of the Company. If however, such quorum shall not be present or represented at any meeting, the President or the

Members entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than two days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. If at least 25% of total Owners are present, either in person or by proxy, at the rescheduled meeting such number shall constitute a quorum for the conduct of the business of the meeting. When a quorum is present at any meeting, the vote of the Owners representing a majority of the members of the Company then present in person or by proxy, shall decide any question brought before the meeting. If the Declaration requires a fixed percentage of Owners to approve any action, however, that percentage shall be required anything herein to the contrary notwithstanding.

7. Order of Business. The order of business at all meetings of the Company shall be as follows:

- Check in or roll call;

An explanation of the action taken shall be posted at a prominent place or places within the common areas with three (3) days after the written consents of all of the members of the Management Committee have been obtained.

10. Executive Session. The Management Committee, with approval of a majority of a quorum, may adjourn a meeting and reconvene an executive session to discuss and vote upon personnel matters, litigation or threatened litigation in which the Company is or may become involved, and orders of business of a privileged, confidential, sensitive or similar nature. The nature of any and all business to be considered in an executive session shall first be announced in open session.

A vacancy created by the removal of a member by a vote of the Members shall be filled by the election and vote of the Members.
