I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 20th day of June, 1983, Case No. 9302 by Salt Lake International Center was heard by the Board. The applicant requested a variance on the property at 5500 Amelia Earhart Drive to install a driveway which would exceed the 30 foot width allowed in an Industrial "M-1A" District, the legal description of said property being as follows:

Beginning at the southeast corner of Lot 2, Plat 6, Salt Lake International Center and running thence N0°02'W 691.00 feet; thence S89°58'W 699.41 feet; thence S0°02'54"W 488.84 feet; thence N89°58'E 250.00 feet; thence S0°02'E 202.16 feet; thence N89°58'E 450.01 feet to the point of beginning.

It was moved, seconded and unanimously passed that a variance be granted for two 25 foot drives separated by a landscaped median as shown on the plans provided the parking area at the end of the drive shown having the cars back directly into the drive be eliminated. If a permit has not been taken out in six months, the variance will expire.

Mildred G. Snider

Subscribed and sworn to before me this 26th day of July, 1983.
