OF  
THE WREN LANE

RECITALS

A. Declarant is the record owner of that certain tract of property more particularly described in Article II of this Declaration.

B. Declarant desires to provide for preservation of the values and amenities of the Property and for maintenance of the Common Areas. To this end, and for the benefit of the Property and of the Owners thereof, Declarant desires to subject the Property described in Article II of this Declaration and the various Lots now or hereafter contained within the entire tract hereinafter described to the covenants, restrictions, easements, charges, and liens hereinafter set forth.

C. Declarant deems it desirable for the efficient preservation of the values and amenities of the Property, to create an entity which possesses the power to maintain and administer the Common Areas, to collect and disburse the assessments and charges hereinafter provided for, and otherwise to administer and enforce the provisions of this Declaration. For such purpose Declarant has, in conjunction with recordation of this Declaration, caused or will cause to be incorporated

2. Form for Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering title to a Lot shall describe the interest or estate involved substantially as follows:

TOGETHER WITH a right and easement of use and enjoyment in and to the Common Areas and common access roadways described and provided for in said Declaration of Covenants, Conditions and Restrictions and in the Record of Survey Map in the official record of the Salt Lake County Recorder.

Whether or not the description employed in any such instrument is in the above-specified form, however, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Lot.

3. Transfer of Title. Declarant agrees: (a) that it shall, on or before six (6) months from the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, convey to the Association title to the Common Areas free and clear of all liens (other than the lien of current general taxes and the lien of any assessments, charges, or taxes imposed by governmental or quasi-governmental authorities).

4. Limitation on Easement. A Member's right and easement of use and enjoyment concerning the Common Areas and common access roadways shall be subject to the following:

(a) The right of the Association to impose reasonable limitations on the number of guests per Member who at any given time are permitted to use the Common Areas;

(b) The right of the County of Salt Lake and any other governmental or quasi-governmental body having jurisdiction over the property to access and rights of ingress and egress over and across any street, parking areas, walkway, or open area contained within the Property for purposes of providing police and fire protection, transporting school children, and providing any other governmental or municipal service; and

(c) The right of the Association to dedicate or transfer all or any part of the Common Areas, the common access roadways, and any sewer, water and storm drain trunk lines to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Association. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the vote of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for that purpose written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least ten (10) but not more than thirty (30) days prior to the meeting date.

## V. ASSESSMENTS

1. Personal Obligation and Lien. Each Owner shall, by acquiring or in any way becoming vested with his interest in a Lot, be deemed to covenant and agree to pay to the Association the monthly and special assessments described in this Article, together with the hereinafter provided for interest and costs of collection. All such amounts shall be, constitute, and remain: (a) a charge and continuing lien upon the Lot with respect to which such assessment is made; and (b) the personal obligation of the person who is the Owner of such Lot at the time the assessment falls due. No owner may exempt himself or his Lot from liability for payment of assessments by waiver of his rights concerning the Common Areas or by abandonment of his Lot.

2. Purpose of Assessments. Assessments levied by the Association shall be used exclusively for the purpose of promoting the health, safety, and welfare of residents of the Property. The use made by the Association of funds obtained from assessments may include, but is not limited to, payment of the cost of: Taxes and insurance on the Common areas; maintenance, repair and improvement of the Common Areas; management and supervision of the Common Areas; establishing and funding a reserve to cover major repair or replacement of improvements within the Common Areas; and any expenses necessary or desirable to enable the Association to perform or fulfill its obligations, functions or purposes under this Declaration or its Articles of Incorporation.

3. Maximum Monthly Assessment. As of the date set under Section 7 of this Article, each Lot shall be subject to a monthly assessment of not more than Fifty Dollars (\$50.00). From and after January 1, 1984, the maximum monthly assessment may be increased or decreased so long as the change is assented to by more than Fifty Percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purposes. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date. The Board of Directors of the Association may from time to time and in its discretion set the amount of the monthly assessment at any sum not in excess of the then applicable maximum amount.

BOOK 5514 PAGE 2917

4. Special Assessments. From and after the date set under Section 6 of this Article, the Association may levy special assessments for the purpose of defraying, in whole or in part: (a) any expense or expenses not reasonably capable of being fully paid with funds generated by monthly assessments; or (b) the cost of any construction, reconstruction or unexpectedly required repair or replacement in connection with the Common Areas. Any such special assessments must be assented to by more than Fifty Percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called for the purpose. Written notice setting forth the purpose of the meeting shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date.

5. Uniform Rate of Assessment. Both monthly and special assessments shall be fixed at a uniform rate for all Lots. Declarant, for each unsold Lot owned by it in the development, shall pay both monthly and special assessments as herein provided for all Lot Owners.

6. Monthly Assessment Due Dates. The monthly assessments provided for herein shall commence as to all Lots on the date a deed is delivered to the purchaser of a Lot, or if the sale is by way of a contract of sale, on the date the contract is executed by the parties thereto, or the date of occupancy under an occupancy agreement, or the date the Owner actually takes possession of a Lot, whichever first occurs. The first monthly assessment shall be adjusted according to the number of days remaining in the month of conveyance, contract or occupancy, as the case may be. At least Fifteen (15) days prior to the effective date of any change in the amount of the monthly assessment, the Association shall give each Owner written notice of the amount and the first due date of the assessment concerned.

7. Certificate Regarding Payment. Upon the request of any Owner or prospective purchaser or encumbrancer of a Lot, the Association shall issue a certificate stating whether or not all assessments respecting such Lot are current and, if not, the amount of the delinquency. Such certificate shall be conclusive in favor of all persons who in good faith rely thereon.

8. Effect of Nonpayment; Remedies. Any assessment not paid when due shall, together with the hereinafter provided

for interest and costs of collection be, constitute and remain a continuing lien on the Lot; provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first mortgage on the Lot recorded prior to the date any such assessments became due. The person who is the Owner of the Lot at the time the assessment falls due shall be and remain personally liable for payment. Such personal liability shall not pass to the Owner's successors in title unless expressly assumed by them. If the assessment is not paid within Sixty (60) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of Eighteen Percent (18%) per annum and the Association may bring an action either against the Owner who is personally liable or to foreclose the lien against the Lot. Any judgment obtained by the Association shall include reasonable attorneys' fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

9. Tax Collection by County Authorized. It is recognized that under the Declaration the Association will own the Common Areas and that it will be obligated to pay property taxes to Salt Lake County. It is further recognized that each Owner of a Lot as a Member of the Association will be required to reimburse the Association for his pro rata share of such taxes paid. Notwithstanding anything to the contrary contained in the Declaration, Salt Lake County shall be authorized to collect such pro rata share of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot.

## VI. OPERATION AND MAINTENANCE

1. Maintenance of Living Units and Lots. The interior and exterior of each Living Unit and the real property which comprises each Lot shall be maintained by the Owner thereof so as not to detract from the appearance of the Property and so as not to affect adversely the value or use of any other Lot or Living Unit. The Association shall have no obligation regarding maintenance except as herein elsewhere provided.

2. Operation and Maintenance by Association. The Association shall provide for such maintenance and operation of the Common Areas, the common access roadways, the curbs, gutters and sidewalks as may be necessary or desirable to make them appropriately usable in conjunction with the Lots and to keep them clean, functional, attractive, and generally in good condition and repair. In recognition of County flood control requirements imposed on the Development, the Association shall maintain the storm water detention areas called for by Salt Lake County and designated on the Map recorded herewith. Said maintenance shall include all steps reasonably necessary to prevent said detention areas from losing their capacity to retain storm run-off water. In this regard, the Association shall maintain the contours of the earth in said detention areas in the configuration established and described on the Map, and shall not allow structures of any type to be placed or erected in said areas which may cause a significant reduction in the water detention capacity thereof. Notwithstanding anything contained in this Declaration to the contrary, the Declarant, the Owners, or mortgagees shall not have the power or authority to change, by vote, or alienation, transfer, sale or otherwise, the use of the detention areas designated on the Map unless the consent of the Salt Lake County Flood Control Division has first been obtained in writing. In connection with this covenant by the Association to maintain the storm water detention areas, Salt Lake County is hereby made a party to the covenants set forth herein. The County shall have no vote in the affairs of the Association, but it shall have the right to protect, as a party to this Declaration, the use of the storm water detention areas for that purpose.

3. Utilities. The Association shall pay for all utility services furnished to each Lot except telephone, electricity, gas, sewer, water and any other services which are separately billed or metered to individual Lots by the utility or other party furnishing such services.

4. Insurance. The Association shall secure and at all times maintain the following insurance coverages:

(a) Policy or policies of fire and casualty insurance, with extended coverage endorsement, for the full insurable replacement value of all improvements comprising a part of the Common Areas. The name of the insured under each such policy shall be in form and substance similar to: "The Wren Lane Homeowner's Association for the use and benefit of the individual Lot Owners and Mortgagees, as their interests may appear".

(b) A policy or policies insuring the Owners, the Association, and its directors, officers, agents, and employees against any liability incident to the ownership, use or operation of the Common Areas which may arise among themselves, to the public, and to any invitees or tenants of the Property or of the Owners. Limits of liability under such insurance shall be not less than \$250,000 for any one person injured; \$1,000,000 for all persons injured in any one accident; and \$100,000 for property damage resulting from one occurrence. Such policies shall be issued on a comprehensive liability basis and shall provide a cross-liability endorsement pursuant to which the rights of the named insureds as between themselves are not prejudiced.

The following additional provisions shall apply with respect to insurance:

(1) In addition to the insurance described above, the Association shall secure and at all times maintain insurance against such risks as are or hereafter may be customarily insured against in connection with developments similar to the Property in construction, nature and use.

(2) All policies shall be written by a company holding a rating of "AA" or better from Best's Insurance Reports.

(3) The Association shall have the authority to adjust losses.

(4) Insurance secured and maintained by the Association shall not be brought into contribution with insurance held by the individual owners or their mortgagees.

BOOK 5514 PAGE 2921

(5) Each policy of insurance obtained by the Association shall, if reasonably possible, provide: a waiver of the insurer's subrogation rights with respect to the Association, the Owners, and their respective directors, officers, agents, employees, invitees, and tenants; that it cannot be cancelled, suspended or invalidated due to the conduct of any particular Owner or Owners; that it cannot be cancelled, suspended or invalidated due to the conduct of the Association or of any director, officer, agent or employee of the Association without a prior written demand that the defect be cured; that any "no other insurance" clause therein shall not apply with respect to insurance held individually by Owners.

5. Manager. The Association may carry out through a Property Manager any of its functions which are properly the subject of delegation. Any Manager so engaged shall be an independent contractor and not an agent or employee of the Association, shall be responsible for managing the Property for the benefit of the Association and the Owners, and shall to the extent permitted by law and the terms of the agreement with the Association, be authorized to perform any of the functions or acts required or permitted to be performed by the Association itself.

6. Terms of Agreement. Any agreement for professional management of the Project which may be entered into by the Association shall call for a term not exceeding one (1) year, renewable by agreement of the parties for successive one-year periods and shall provide that for cause such management agreement may be terminated by the Association upon not in excess of Thirty (30) days' written notice.

## VII. USE RESTRICTIONS

1. Use of Common Area. The Common Areas shall be used only in a manner consistent with their community nature and with the use restrictions applicable to Lots and Living Units. No admission fees, charges for use, leases, or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas. Notwithstanding the foregoing, this Section shall not preclude the Association from placing vending machines and equipment on or in any Common Area, should the Association elect so to.

2. Use of Lots. No buildings shall be erected or placed upon any Lot other than a single family residence which shall include either an attached or detached garage, and may or may not include attached or detached storage or shop facilities. No Lot or Living Unit shall be used, occupied or altered in violation of law, so as to create a nuisance or interfere with the rights of any Owner, or in a way which would result in an increase in the cost of any insurance covering the Common Areas. No Lot shall be used for any commercial, manufacturing, mercantile, vending or other such non-residential purposes.

3. Pets. Whenever a pet is allowed to leave a Lot, it shall be either on a leash or in a cage. No animal or fowl may be kept on any Lot or allowed in any part of the Common Areas which constitutes a nuisance to other Owners in the Subdivision by noise or otherwise. Notwithstanding the foregoing, in that case where contiguous Lots in the Subdivision are owned by the same owner, horses may be kept on the contiguous Lots, provided that an appropriate stall and corral is maintained by the owner for the care and control of the animal(s). The Owner keeping horses on such contiguous Lots shall in all respects comply with applicable County zoning and health regulations.

4. No Leasing of Common Areas. None of the Common Areas, parking space or other amenities contemplated as a part of the development shall be leased to the Owners or to the Association nor shall the same be subject to any other restrictions in favor of the Declarant or any affiliate of Declarant, except as herein expressly provided.

BOOK 5514  
PAGE 2923

5. Exception for Declarant. Notwithstanding the restrictions contained in this Article VII, for the five (5) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah, Declarant shall have the right to use any Lot or Living Unit owned by it, and any part of the Common Areas reasonably necessary or appropriate, in furtherance of any construction, marketing, sales, management, promotional or other activities designed to accomplish or facilitate improvement of the Common Areas or improvement and/or sale of all Lots owned by Declarant.

6. Buried Utilities. All water, gas, electrical, telephone, cable television and other utility lines within the limits of the individual Lots and the Property in general, with the exception of meter and junction boxes shall be buried underground wherever possible.

7. Signs. No sign or billboard of any kind shall be displayed to the public view on any Lot or on the Property generally, except one sign for each Lot on not more than eighteen (18) inches by twenty-four (24) inches, advertising the property for sale or rent. Notwithstanding the foregoing, Declarant shall be exempted from the provisions of this Section in order to facilitate the advertising, marketing, and sale of the Lots.

8. Motor Vehicles. All motor and recreational vehicles, including without limitation, automobiles, trucks, boats, trailers, motorcycles, snowmobiles, and other recreational vehicles shall be kept on their Owner's Lot, in an appropriate carport, garage, or other enclosure not nearer to the Common Area roadways than the midpoint of the Living Unit on the Lot, and in any event, so as to not be visible from Common Area roadways. Common Area roadways shall be kept clear of all such parked vehicles.

9. Slope Protection. All slopes or terraces on any Lot shall be maintained so as to prevent any erosion or encroachment thereof upon adjoining property or adjacent streets and roadways.

10. Boundary Fences. Each Lot Owner is and shall be responsible for the maintenance and repair of so much of the Subdivision boundary fencing installed by Declarant as runs along that Owner's property line. Such maintenance and repair

shall be performed so as to keep the boundary fence in its original state. Alternate or replacement fencing which differs from the original boundary fencing must be approved by the Architectural Review Committee prior to its installation.

11. Lot Fences. VIII. ARCHITECTURAL REVIEW COMMITTEE

1. Architectural Review Committee. The Board of Directors of the Association shall appoint a three-member Committee, the function of which shall be to insure that all improvements and landscaping within the Property harmonize with existing surroundings and structures. The Committee need not be composed of Owners. If such a Committee is not appointed, the Board itself shall perform the duties required of the Committee.

2. Submission to Committee. No Living Unit, accessory or addition to a Living Unit, including walls, fences, antennas, porches, or patios, which is visible from the Common Areas, landscaping, or other improvement of a Lot which is visible from the Common Areas shall be constructed, or accomplished, and no alteration, or refurbishing of the exterior of any Living Unit shall be performed, unless complete construction and landscape plans and specifications as well as a plot plan showing location and the surrounding topography, shall have first been submitted to and approved by the Architectural Review Committee.

3. Standards. In deciding whether to approve or disapprove plans and specifications submitted to it, the Committee shall use its best judgment to insure that all improvements, construction, landscaping and alterations on Lots within the Property conform to and harmonize with existing surroundings and structures. In this regard, the following design, building and materials restrictions shall govern the construction of any Living Unit and/or any other structure visible from any Common Area:

(a) Minimum Living Unit size, excluding garage, unfinished interior space, porch and open patio areas:

(1) Living Units with single level above grade shall be not less than 2,000 square feet in size on said single above grade level.

No aluminium, steel, vinyl, plywood, composition board or any other type of sheet siding shall be used, nor shall concrete block or cinder block materials be used on any Living Unit or other building on any Lot in the Development unless written approval is first obtained from the Board of Directors of the Association or the Architectural Review Committee.

(d) All Living Units shall provide enclosed garage space for three vehicles unless approved otherwise by the Architectural Review Committee.

4. Approval Procedure. Any plans and specifications submitted to the Committee shall be approved or disapproved in writing within Fifteen (15) days after submission. In the event the Committee fails to take any action within such period, it shall be deemed to have approved the material submitted.

5. Construction. Once begun, any improvements, construction, landscaping or alterations approved by the Committee shall be diligently prosecuted to completion as follows:

(a) The exterior construction of all structures on any Lot shall be completed within a period of one (1) year following commencement of construction.

(b) The front yard of each Lot shall be landscaped within a period of one (1) year following completion or occupancy of the Living Unit.

(c) Side and rear yards shall be landscaped within a period of two (2) years following completion or occupancy of each dwelling.

If reasonably necessary to enable such improvement, construction, landscaping or alteration, the person or persons carrying out the same shall be entitled to temporary use and occupancy of unimproved portions of the Common Areas in the vicinity of the Activity.

6. No Liability for Damages. The Committee shall not be held liable for damages by reason of any action, inaction, approval or disapproval by it with respect to any request made pursuant to this Article VIII.

7. Exception for Declarant. The foregoing provisions of this Article VIII shall not apply to any improvement, construction, landscaping or alteration which is carried out by Declarant on any Lot or on any part of the Common Areas, and which occurs at any time during the five (5) year period following the date on which this Declaration is filed for record in the office of the County Recorder of Salt Lake County, Utah.

IX. RIGHTS OF FIRST MORTGAGEES

Notwithstanding anything to the contrary contained herein, the following provisions shall apply:

1. Notice of Default. In the event an Owner neglects for a period of Thirty (30) days or more to cure any failure on his part to perform any of his obligations under this Declaration, the Association shall give written notice of such fact to the holder of any first mortgage covering such Owner's Lot.

2. Abandonment, Termination, Etc. Unless all of the holders of first mortgages on the individual Lots have given their prior written approval, neither the Association nor the Owners acting as a group shall be entitled by act, omission or otherwise:

(a) To abandon or terminate the project or to abandon or terminate the arrangement which was established by the Declarant and the Plat of the Project;

(b) To partition or subdivide any Lot or the Common Areas;

(c) To abandon, partition, subdivide, encumber, sell, hypothecate, transfer or otherwise encumber all or any part of the Common Areas except for the creating of easements and similar purposes consistent with the intended use of the Common Areas; or

(d) To use hazard insurance proceeds resulting from damage to any part of the development for any purposes other than the repair, replacement, or reconstruction of such improvements.

3. Notice of Substantial Damage or Destruction. The Association shall notify all institutional holders of any first mortgage lien or equivalent security interest on a Lot in writing in the event that there occurs any substantial damage to or destruction of any Living Unit or any part of the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of \$15,000. Said notice shall be given within Ten (10) days after the Association learns of such damage or destruction.

4. Condemnation or Eminent Domain Proceedings. The Association shall give written notice to all institutional holders of any first mortgage lien or equivalent security interest of any condemnation proceedings or proposed acquisition of a Living Unit or of any portion of the Common Areas within Ten (10) days after the Association learns of the same.

5. Hazard Policy to Include Standard Mortgagee Clause. Each hazard policy of the insurance shall include the standard mortgagee clause which either shall be endorsed to provide that any proceeds shall be paid to the Association for the use and benefit of mortgagees as their interests may appear, or shall be otherwise endorsed to fully protect the interest of mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each mortgagee at least Ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

6. Right of Inspection of Records, Statements, Etc. Holders of any first mortgage lien or equivalent security interest shall have the right, at its request and expense and upon reasonable notice, to:

7. Rights Upon Foreclosure of Mortgage. Each holder of a first mortgage (or deed of trust) on a Lot who comes into possession of the Lot by virtue of foreclosure of the mortgage, or by deed or assignment, in lieu of foreclosure, or any purchaser at a foreclosure sale, will take the Lot free of any claims for unpaid assessments and charges against the Lot which accrue prior to the time such holder comes into possession of the Lot, except for claims for a share of such assessments or charges resulting from a reallocation of such assessments or charges to all Lots including the mortgaged lot.

8. Mortgagees' Rights Concerning Amendments. No material amendment to this Declaration, the By-Laws or the Articles of Incorporation of the Association shall be accomplished or effective unless at least two-thirds (2/3) of the mortgagees (based on one vote for each mortgagee) of the individual Lots have given their prior written approval to such amendment.

9. No Right of First Refusal. Neither the Association or the Owners acting as a group, shall enforce, assert, or claim any right of first refusal to purchase a Lot, or any option to buy a Lot in this development.

## X. MISCELLANEOUS

1. Notices. Any notice required or permitted to be given to any Owner or Member under the provisions of this Declaration shall be deemed to have been properly furnished if mailed, postage prepaid, to the person who appears as a Member or Owner, at the latest address for such person appearing in the records of the Association at the time of mailing.

2. Rules and Regulations. The Association shall have authority to promulgate and enforce such reasonable rules, regulations and procedures as may be necessary or desirable to aid the Association in carrying out any of its functions or to insure that the Property is maintained and used in a manner consistent with the interests of the Owners.

3. Amendment. Subject to the provisions of Section 8 of Article IX of this Declaration any amendment hereto shall require: (i) the affirmative vote of at least two-thirds (2/3) of all Class A membership votes, which Members present in person or represented by proxy are entitled to cast at a meeting duly called for such purpose; and, so long as the Class B membership exists, (ii) the written consent of the Declarant. Written notice setting forth the purpose of the meeting and the substance of the amendment proposed shall be sent to all Members at least Ten (10) but not more than Thirty (30) days prior to the meeting date. The quorum required for any such meeting shall be as follows: At the first meeting called the presence of Members or of proxies entitled to cast Sixty Percent (60%) of all the votes of the Class A membership shall constitute a quorum. If the quorum is not present at the first meeting or any subsequent meeting, another meeting may be called (subject to the notice requirement set forth in the foregoing portion of this Section 3), at which a quorum shall be one-half (1/2) of the quorum which was required at the immediately preceding meeting. No such subsequent meeting shall be held more than Forty-Five (45) days following the immediately preceding meeting. Any amendment authorized pursuant to this Section shall be accomplished through the recordation of an instrument executed by the President or Vice President of the Association, and by the Declarant if the Class B Membership then exists, and shall also be approved by the Salt Lake County Attorney. In such instrument the President or Vice President of the Association shall certify that the vote required by this Section for amendment has occurred.

BOOK 5514 PAGE 2932

4. Consent in Lieu of Voting. In any case in which this Declaration requires for authorization or approval of a transaction the assent or affirmative vote of a stated percentage of the votes present or represented at a meeting, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Members entitled to cast at least the stated percentage of all membership votes outstanding in connection with the Class of membership considered. The following additional provisions shall govern any application of this Section 4.

(a) All necessary consents must be obtained prior to the expiration of Ninety (90) days after the first consent is given by any Member.

(b) The total number of votes required for authorization or approval under this Section 4 shall be determined as of the date on which the last consent is signed.

(c) Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owner thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

(d) Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured, the consent of none of such Members shall be effective.

5. Reserve Fund. To the extent the same is reasonably possible and practicable and is not inconsistent with the significant interest of the Lot Owners, the Association shall establish an adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas, and shall cause such reserve to be funded by regular monthly or other periodic assessments against the Lot Owners rather than by special assessments.

6. Lease Provisions. Any Owner may lease his Lot and such buildings as are situated thereon; provided, however, that any lease agreement between a Lot Owner and a Lessee must be in writing, and must provide, inter alia, that:

(a) The terms of the lease shall in all respects be subject to the provisions of the Declaration, Articles of Incorporation of the Association and the By-Laws; and

(b) Any failure by the Lessee to comply with the terms of such documents shall constitute a default under the lease.

7. Declarant's Rights Assignable. All or any portion of the rights of Declarant under this Declaration or in any way relating to the property may be assigned.

8. Information Concerning Transfer of Lot and Transfer Fee. Any Owner who sells, leases for a term (including extensions) in excess of one (1) year, or otherwise transfers or conveys his Lot shall submit to the Association pertinent information concerning the transferee within ten (10) days of said transfer of title or possession, and in the event of sale, the selling Owner, or the purchaser, as agreed between them, shall pay the Association a transfer fee of Fifty Dollars (\$50.00).

9. Transfer of Common Areas. The Board of Directors of the Association may, in connection with dissolution of the Association or otherwise, dedicate or transfer all or any part of the Common Areas, common access roadways, or any sewer, water and storm drainage trunk lines within the Wren Lane development, to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the Board. Any such dedication or transfer must, however, be assented to by two-thirds (2/3) of the votes of each class of membership which Members present in person or by proxy are entitled to cast at a meeting duly called for the purpose. Written or printed notice setting forth the purpose of the meeting and the action proposed shall be sent to all Members at least Ten (10), but not more than Thirty (30) days prior to the meeting date.

10. Dissolution. Subject to the restrictions set forth in Article IX of this Declaration pertaining to mortgagee protection, the Association may be dissolved by the affirmative assent in writing of two-thirds (2/3) of the votes of each class membership. Upon dissolution of the Association all of its assets (including the Common Areas) may be dedicated or transferred to an appropriate public agency or authority to be used for purposes similar to those provided for in the By-laws, the Articles of Incorporation or this Declaration. In the event such dedication or transfer is not made or is not

accepted, the Association's assets shall be transferred to a non profit corporation, trust, or other entity to be used for such similar purposes, and each Owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Areas, common access roadways, curbs, gutters and sidewalks on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth in Article V of this Declaration.

11. Registered Office and Agent. The resgistered office of the Association shall be located in Salt Lake County, Utah. The name and address of the initial registered agent and the registered office of the Association is as follows:

12. Declarant's Covenant to Construct Common Areas. Declarant hereby covenants to construct and complete all Common Areas improvements and amenities indicated on the Plat within two (2) years of the filing of this Declaration in the office of the County Recorder of Salt Lake County, Utah.

13. Enforcement by County. If the Association fails to maintain the Common Areas, the common access roadways, along with the curbs, gutters and sidewalks in good order and condition, Salt Lake County shall have the right, but not the obligation, upon giving the Association thirty (30) days notice in writing, to step in and do the necessary maintenance and management with the same right to lien the Lots and collect the costs thereof against the Owners as the Association has under this Declaration shall not affect the validity or enforceability of the remainder hereof.

14. Interpretation. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include the other gender. 15. Property Part of Development. The Property shall comprise the Wren Lane Planned Unit Development.

16. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of the Declarant, and all parties who hereafter acquire any interest in a Lot or in the Common Areas shall be subject to the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, and determinations contemplated by this Declaration; and failure to comply with any of the foregoing shall be grounds for an action by the Association or an aggrieved Owner for the recovery of damages, or for injunctive relief, or both. By acquiring any interest in a Lot or in the Common Areas, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

17. Effective Date. This Declaration and any amendment hereof shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.
