RECORDER
SALT LAKE COUNTY,
UTAH

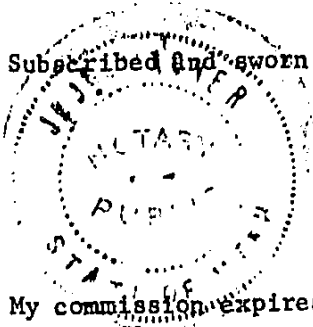

I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 29th day of May, 1984, Case No. 9607 by Gregory T. Snow was heard by the Board. Mr. Snow requested a variance on the property at 2270 Logan Avenue to rebuild a carport and utility shed which would not maintain the required setback and side yard in a Residential "R-2" District, the legal description of said property being as follows:

The East 60 feet of Lot 12, Pine View Subdivision.

It was moved, seconded and unanimously passed that a variance be granted to rebuild a carport and utility shed which would be in the required side yard to the west, subject to the new construction meeting the building code requirements. If a permit has not been taken out in six months, the variance will expire.

Mildred G. Snider
