C. As more fully set forth in Sections 36 through 40, inclusive, of the Original Declaration, Declarant reserved the unilateral right (i.e., without the consent of the Management Committee of the Spring Lane Condominium Project, any Unit Owner, or any other person or entity) to expand the Project by addition(s) of all or any part of the Additional Land to the Project in accordance with said Sections. Concurrently with recordation of this Supplement, there is being recorded in the office of the Recorder of Salt Lake County, Utah an instrument styled "Record of Survey Map of Spring Lane Condominiums, Phase III" (hereinafter, the "Phase III Map") which, together with this Supplement, adds to the Project the following-described real property (hereinafter, "Added Parcel") located in Salt Lake County, Utah:

See Exhibit "C" attached hereto and incorporated herein by this reference.

I. EXPANSION OF PROJECT

NOW, THEREFORE, in accordance with the procedure set forth in Section 38 of Article III of the Original Declaration for expansion of the Project and in conjunction with the addition to the Project of the Added Parcel, Declarant hereby makes the following declarations and provides the following information.

1. Identification of Documents. Data sufficient to identify the Supplemented Declaration and the Supplemented Maps is set forth in Recitals "A" and "B" above.

2. Legal Description. The legal description for the portion of the Additional Land being added to the Project (herein referred to as the "Added Parcel") is set forth in Recital "C" above.

3. Description of Added Parcel Improvement. The significant improvements located on the Added Parcel include Buildings F through I containing Units 19 through 52 inclusive, asphalt roadways, concrete driveways, patios and porches. The location and configuration of such improvements are depicted on the Phase III Map. The Phase III Map shows the location, number of stories, and dimensions of the Units located on the Added Parcel. Each of the Buildings located on the Added Parcel is composed of the same materials as the Buildings originally contained in the Project, which materials are described in detail in the last sentence of Section 1 of Article III of the Original Declaration.

4. Limited Common Areas. The Limited Common Areas and Facilities which are contained within the Added Parcel consist of all of the following which are labeled as such on the Phase III Map: (i) All patios, porches, balconies, decks, private yard areas and storage shed, if any, attached or adjacent to a Unit; and (ii) The parking stall designated for the use of an individual Unit on the Phase III Map, if any. The exclusive use

of each patio, porch, balcony, deck, private yard area, storage shed, or designated parking stall is reserved to the Unit which it adjoins, with which it is associated, or as designated on the Phase III Map.

5. Status of Title and Reservations for Declarant. The Added Parcel is submitted to the provisions of the Act and added to the Project together with the appurtenances and subject to the restrictions, reservations, and other matters set forth on Exhibit "D" attached hereto and incorporated herein by this reference.

The undivided ownership interests in the Common Areas and Facilities set forth on said Exhibit "A" have been computed and derived as described in Section 4 of Article III of the Original Declaration. From and after the effective date of this Supplement, Exhibit "A" attached hereto shall automatically become effective for all purposes and shall completely supersede the Exhibit "A" attached to the Supplemented Declaration.
