Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (414 City & County Building), and that on the 1st day of October, 1984, Case No. 9731 by DeWayne Iverson & Kenneth Anderson was heard by the Board. The applicants requested a modification of Board of Adjustment Case No. 7055 on the property at 31 "M" Street modifying the requirements not to face the detached structure with brick as required in the previous case in a Residential "R-2H" District, the legal description of said property being as follows:

Commencing at the northwest corner of Lot 4, Block 2, Plat "D", Salt Lake City Survey, and running thence East 49.4 feet; thence South 49.5 feet; thence East 31.5 feet; thence North 49.5 feet; thence East 84 feet; thence South 10 rods; thence West 10 rods; thence North 10 rods to the point of beginning.

It was moved, seconded and unanimously passed that a modification be granted to modify the requirements of the previous variance in 1975 not to face a portion of the south wall and all the east wall with brick.
