NOTICE OF THIRD ADMINISTRATIVE MODIFICATION

Notice is hereby given that on April 28, 2025, the undersigned, as "Administrator" of the Amended and Restated Master Development Agreement for the Firefly Master Planned Community (the "ARMDA"), approved a third administrative modification to the ARMADA pursuant to section 22 thereof.

The Master Developer requested an administrative modification to an ambiguity in the setback standards set forth in the Community Plan. Specifically, page 4-02 of the Community Plan sets forth, among other things, the standards and setbacks for single-family detached homes in Firefly. A builder within the Firefly Master Planned Community has proposed a single-family detached alley load home with a plan that includes a "hobby shop" attached to the garage of the home. The hobby shop is accessed by: (i) a man door from the garage; and (ii) a garage door from the driveway. The ambiguity at issue, and the reason for this third administrative modification, is to clarify that the hobby shop shall not be considered a "garage" for purposes of the setback requirements.

The Administrator finds:

1. For purposes of the ARMADA, the term "garage" shall mean an attached portion of a residential building that is at least twenty feet (20') wide and at least twenty feet (20') deep and which is accessed from the exterior of the building from the driveway by a vertical rolling garage door.
2. For purposes of the ARMADA, a portion of any building that is accessed from the side of such building from a vertical rolling garage door of the driveway that does not also meet the definition of a "garage" identified above (including the minimum dimensions) shall be considered a "hobby shop." Hobby Shops shall be labeled as such on any plans or applications submitted to the City for review and approval.
3. Hobby Shops located at the rear of a single-family detached alley load home shall be subject to the five-foot (5') rear setback requirement set forth in the Community Plan.
4. The attached Exhibit A depicts the relation between garages and hobby shops as clarified by this administrative modification.
5. The revised language in this Third Administrative Modification more accurately reflects the original intent of the Parties when executing the ARMADA.

6. The interpretation and application of the single-family standards as set forth herein is a "minor modification" which, pursuant to Section 22.1.3 of the ARMDA, may be decided by the Administrator.

In light of those findings, the Administrator approved the Master Developer's third request for a modification to the ARMDA as set forth herein.

BEN REEVES, City Manager
(As administrator of the ARMDA)
